## From: LSR Board

---

Aug 8, 2023

To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: July 2023

Dear Fellow Residents:

**W**yatt Property: The “Wyatt” property was sold at auction on 13 July 2023. Please welcome Andrew Toboyek and his wife to our community. The park collected \$10,455 from the sale which includes past due fees, attorney fees paid by the park, and interest accrued. This money will be added to the operating account.

**Water Usage:** Water usage is up about 5% from last year. Some of this is due to the pool operating on county water and the addition of new full-time residents.

**Maintenance:**

- The chandeliers in the hall have been repainted.
- A new pump, wiring, and controller were installed in Watkins Pond. A yearly service contract was signed with Lake Brothers. requires a new pump, wiring, and controller. The cost was \$5479.
- Well system leaks are recurring and are repaired as the leaks are discovered.
- Ron Markham and Andrew walked the sea wall looking for any apparent issues. None were found.
- The sewer behind one resident’s home had a blockage due to root intrusion into the pipe. A reminder, the park is responsible for the sewer up to the lateral that goes into a home. The homeowner is responsible for any issues in the lateral and in the home.

**Energy Use and Conservation:** Electrical usage in the common areas is down this year but the cost is up about 10%. This reflects the rate changes. The park signed an agreement with Duke Energy to convert all the streetlights to LED. This will reduce the electrical bill by approximately \$2000 for a full year at the current rates.

**Financial Status:**

- Financial information for July is posted in the hall.
- The park is at a breakeven point for operating expenses. If any unplanned expenditure comes up, the current operating budget will not be able to absorb the cost within the approved budget. In this case the operating budget will be in a deficit position for the year.
- So far this year, the park has used \$53,254 from the reserves. This exceeds the board’s estimate at the beginning of the year due to unexpected maintenance items including sewer leaks, lift station pump replacement, well pump replacement, and Watkins Pond repair.

**WOW Insurance Claim:** WOW pushed the park insurance claim to a subcontractor. The subcontractor insurance adjustor denied the claim. The board is pursuing the claim further and hopes to have a satisfactory resolution.

**Pool:** The board is looking into the possibility of adding lights to the pool to allow our

*continued on page 6*

permit to be changed to allow nighttime swimming. There are several regulations to meet, and any resolution will not be quick.

**Pets:** Please remember to register your pets in the office. New vaccine documentation is required each year. Also, please pick up after your pets. Reports are coming into the office regarding some residents not picking up after their pets. This is unsanitary and against the park rules.

**Disaster Planning:** Progress has been made to register residents into the disaster planning matrix. If you have not already registered, please do so. You can register on the [lakeseminoleresort.org](http://lakeseminoleresort.org) website.

**Website:** Kathy McQuisten-O'Dell has made great strides in making the LSR web site more useful and user friendly. Please visit the website and send Kathy any suggestions or comments you may have regarding the use, functionality, or organization of the site. You can reach Kathy at [lsrdirector24@gmail.com](mailto:lsrdirector24@gmail.com)

**Vehicle Registration:** The park requires all vehicles (cars, motorcycles, boats tied up at the common pier, and trailers) to be registered with the park and to display an LSR sticker. This will be especially beneficial when the sewer system construction is underway. Unauthorized vehicles may cause road blockage or take up space from an authorized resident. Please contact Judy Flynn at [lsrdirector25@gmail.com](mailto:lsrdirector25@gmail.com) to register your vehicle.

Best Regards,

## Labor Day in the USA and Canada

---

Labor Day is one of the holidays that is celebrated in both Canada and the USA on the same day, the first Monday in September. The labor movement in both Canada and the United States gained traction in the 1870's when workers organized to get better pay, safe working conditions, and shorter work days. The Labor Day Holiday was made an official national holiday in both Canada and the USA in 1894. The Labor Day holiday is also seen as the unofficial end of summer. Many people celebrate with cookouts and family get-togethers. Whatever you do to celebrate Labor Day, have a safe and happy holiday weekend.

## Paul Kammerer Celebrates 100th Birthday

---

A birthday party is planned to celebrate Paul Kammerer's 100th birthday.

- The party will be held in the LSR hall on Sunday, September 3, at 2:00 PM.

Paul is a long-time resident of Lake Seminole Resort and he is a regular at the Monday morning coffee get-togethers. Paul and I chatted at a recent Monday morning coffee and he said he has many fond memories of his time at Lake Seminole Resort. It turns out that he and I both play the harmonica and Paul said that he played the harmonica on the Major Bowes Amateur Hour back in 1941. The Major Bowes show was a very popular radio show broadcast out of station WHN in New York City. Major Bowes was the predecessor to the Ted Mack Amateur Hour that followed on radio and TV. After high school

Paul went on to college, but left after his freshman year to join the Army, to defend America in World War II. Paul served in the Glider Infantry, the Regular Infantry, and the Military Police. So, when you see Paul, wish him a happy birthday and thank him for his service to the country. And, don't forget the party on September 3 in the hall at 2:00 PM.

## Clearwater Garden Club Card Party

---

Friday, January 26th at 12:00 Noon (mark your calendar)

Clearwater Garden Club  
405 Seminole Street

Clearwater, FL 33755

You can play any game you wish. Get your table together of 4 or 6 players.

Price has not changed in the past four years, so you will only pay \$15 for a fun day and your lunch. Our tables are limited, so please get your name in first.

I had the names of 50 people that have attended from LSR in past years, sad to say we have lost a few, and got new ones as well. Looking so forward to this day, and forgot to say, don't forget to bring some extra cash for all the beautiful baskets for our raffle, plus a 50-50.

Alice Jarvis (LSR 2023 Phone Book for my contact information).

# You May Need An Audiologist

The easiest way to determine if you should go to an audiologist is to determine if you have hearing loss

## SOME TELL-TALE SIGNS TO LOOK FOR ARE:

- People sound muffled or mumbly
- You have difficulty hearing high-pitched sounds such as birds, doorbells, your phone, or alarm clock
- It's challenging understanding conversations in noisy places, like a restaurant

**But don't let this list define your hearing loss**—you can (and should) visit an audiologist before you even have signs of hearing loss. This will ensure that if you do develop hearing loss over time, it's caught as soon as possible and prevents disruption to your life.

## LSR CARES

**LSR** Cares is a new program within the Lake Seminole Resort community that will be here to help if a need arises. We can help you find services you may need; help direct you to resources that may be available to you, offer suggestions on who in the community may be able to help you and enable us all to support each other by doing good things and caring for each other.

LSR Cares has a dedicated email address- [LSRCares@gmail.com](mailto:LSRCares@gmail.com)

This email will be monitored by Ann Haines and Wendy Burke. We will help forward information or direct you to someone who may be able to help-we are asking everyone to please be aware of your neighbor and let us know if you think someone may need a hand with something.

If you are willing to help your neighbor by providing a meal, a visit, a ride to an appointment, or minor household tasks for someone going through a hard time, please let us know. We will compile a list of people who have skills or services they are willing to provide. We will also have a VIRTUAL lending closet for Medical Supplies and Grandmother Supplies. Please let us know if you have something to loan and we will offer the info to someone who may be looking to borrow either medical [crutches, walker, shower chair] or Grandmother items (high chair, car seat, pack-n-play). The loan would be from one neighbor to another so that items are returned promptly and in good shape.

Barbara Fix will continue to send cards to shut-ins. If you know someone who would like

*continued on page 16*

to receive a card, please forward the name and address to [LSRCares@gmail.com](mailto:LSRCares@gmail.com) and Ann will see that Barbara gets the information.

This is a new program for us so we are open for suggestions on how to make it run smoothly. Please help us to support each other and spread kindness throughout the community!!!

Wendy Burke, Social Committee Vice President

Ann Haines, LSR Cares Chairman

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Pinellas County Emergency Information

<https://pinellas.gov/emergency-information/>

This is the link to the Pinellas County "Emergency Information" web site.

At this site, people can access;

1. Emergency Shelters - A list of shelters and if open, closed, or full and if a general shelter, pet friendly, or special needs
2. Special Needs - How to register for "Special Needs Assistance" and a list of special needs shelters.
3. Sand Bags - Info on obtaining sand bags for residents not required to evacuate
4. Emergency Road Closures - Road closures within Pinellas County
5. Know Your Zone - Evacuation zones - all mobile home parks are under mandatory evacuation during any evacuation order.
6. During and After a Storm - Information on cleanup after the storm.
7. Disaster Assistance - Information on insurance claims and FEMA

It is very important that any resident requiring assistance for evacuation, register on the "Special Needs" site. It is the only way that the County will be aware of their needs whether it is medical, mobility, or transportation, etc.

Our in-house LSR "Disaster Relief" form is to supply basic info to assist EMS and First Responders to perform search and rescue within the park during a severe weather event.

## The hitchhiker

A hitchhiker caught a ride. As soon as the hitchhiker sat down in the front seat the driver floored the gas pedal and drove right through a red light.

Frightened, the hitchhiker said, “You oughtn’t do that—it’s dangerous.”

The driver looked over at the new passenger and said earnestly, “Why, that’s the way my brother always drives.”

They continued on and when they came to the next traffic light, it was red, and the driver didn’t as much as pretend to slow down. He barreled right through the intersection. Other cars slammed on their brakes to keep from hitting the red-light-running car.

By this time the hitchhiker was starting to lose his temper, “What are you trying to do—kill us? You’re driving like a maniac.”

Again, the driver answered in a sincere fashion and said, “My brother always drives exactly like this.”

They continued down the road, and as they approached the next traffic light, it turned green just as they were about to go through it. Suddenly, the driver slammed on the brakes and stopped the car immediately.

Beside himself, the hitchhiker said, “Why on earth are you driving like this. Why are you running all the red lights and stopping on green?”

The driver looked at the hitchhiker and said: “My brother might be coming through.” — adapted from *“Bad driver;” as told by Ivan Amburgey, in Laughter in Appalachia, by Loyal Jones and Billy Edd Wheeler*

## The sawmill

There was once a sawmill worker who bent down, got too close to the saw and cut his ear off. The ear fell down into the pile of sawdust and disappeared.

The worker got down into the sawdust pit and started scratching around looking for his ear.

I walked by and saw my worker in the pit and I asked, “What you looking for?”

The worker said, “I cut my ear off and I’m down here looking for it.”

“Well, hang on,” I said. “I’ll come down and help you.” I got down into the pit and started feeling around in the sawdust and I found the ear. “I got it,” I called out. “Here it is.”

The worker took hold of the ear and looked at it closely, then he threw it back down in the sawdust. “Better keep on looking,” he said. “Mine had a pencil behind it.” — adapted from *“Wrong ear;” as told by Glen Baker, in Laughter in Appalachia, by Loyal Jones and Billy Edd Wheeler*
