## OOPS!! REPORT

---

**Y**ou probably noticed rather quickly that there were errors in the dates for lawn cutting in August. This was a collaborative effort between myself and the Lawn Company. The days and dates did not jive on the master cutting schedule which we received back in January and I missed it. Rest assured, lawn mowing takes place on Mondays (with some exceptions) and any changes will be communicated way before they take effect. Again, our apologies for any inconvenience this may have caused.

## PARK NEWS

**D**ue to the ongoing closure of the clubhouse for renovations, all events that make use of the clubhouse are suspended until those renovations are completed. Rest assured information on the proposed events will be reported as soon as dates and times are established

## FROM THE PRESIDENT'S CORNER

We didn't see this coming! I was surprised, as many of you that the name of our community has been changed, but then, it's not the first time. First it was "Island in the Sun", then "Stella del Mar" and then "Caribbean Isles" and now, "Shoreline Palms". Some of our long-time residents have been through all these name changes and they still are here so I guess we can endure another change. I don't feel like this is going to affect our day-to-day lives and hey, maybe a fresh start is just what we need. You need to make this change when you pay your lot rent starting this month. If you look on the Internet and Google, Caribbean Isles, it is already popping up with our new name.

On another note, as you probably know, the community channel is down because all the electronics located at the clubhouse have been removed and will not be up and running until the renovations are complete. For this reason, the only line of communication is email. I have been able to get around 225 homes to provide me with their email address and I send updates and activities that are occurring. I promised each resident that I would not share their email address with anyone. Now, if you are one of these residents that gave me your email address and you would like to receive information from management, you need to email me and give your approval for me to give your email address to management so you can receive the Murex "E-Blast" that is their information communication that they release each month. This is where the community's name change first came to light. Very few residents received this and the reason is being investigated. First, look in your Spam file of your email to see if it went there. If so, change the email to "Not Spam" and you should get future emails.

One of the few activities that we are continuing is the Golf Cart Poker Run. It now is being held twice a month on the second and fourth Saturday. Be at the clubhouse by 10:45 AM and pay the \$5.00 entry fee and proceed through the community collecting your poker hand and the best hand wins. Also, we have a 50/50 drawing that you may play for an additional \$5.00. Sometime soon, the pool will have to be closed so that the new shower area, hot tub and outdoor kitchen can be added to that area. Also on the docket is an exercise/gym room at the front of the current shuffleboard courts. To round it all out, yes Pickle Ball is coming to the Shoreline Palms. It is now becoming a popular past time replacing shuffleboard in many cities, towns and communities.

Enjoy your Labor Day even though it doesn't seem the same not being in the kitchen cooking Hot Dogs and Hamburg's celebrating the Holiday.

## DIDJA KNOW?

---

Lake Superior, on the United States-Canada border, is the largest body of fresh water in the world by surface area. The lake covers 31,700 square miles and every inch of it is so cold that after going into it, even for a minute, you can't feel your feet. So much for refreshing.

## ATTENTION GOLF CART OWNERS!!

---

It is a requirement that all Golf Carts in the community be registered. This involves putting your lot number and registration sticker on the side of your cart. If you have not completed this requirement, please contact Ray Sears and he will come to your home or you can come to his and your cart can be registered today. At the same time, we will record the serial number and cart details which could be useful if your cart is ever stolen. There are a lot of new residents with golf carts in our park. Please be advised that we are NOT trying to record personal information, only serial numbers and details (color, make, model, etc). This is for your protection in case of theft or damage. Please contact Ray for further details.

## PARK INFO SECTION

---

The following reminders are for your information to prepare and hopefully avoid the issues associated with Hurricane season. It's coming!!

## HURRICANE SEASON 2023

---

The time is here to start thinking about hurricanes. There are 13 forecasted named storms, six hurricanes, and two major hurricanes for 2023. Copies of the 2023 Pinellas County Guide will be available in the clubhouse. Please review it carefully and take the necessary steps to get ready. This guide can be seen at: [www.pinellascounty.org/emergency/allhazardguide.htm](http://www.pinellascounty.org/emergency/allhazardguide.htm) You may also subscribe to receive their monthly email bulletins at: [www.pinellascounty.org/emergency/subscribe.htm](http://www.pinellascounty.org/emergency/subscribe.htm). If you have special needs you need to pre-register with the County for evacuation help to a special needs shelter. Forms are available at the office. If you have pets or Emotional Support Animals you must use a shelter allowing pets. Pets are caged in a separate area. Service animals are allowed in all shelters. Preparation is the key!!

# HURRICANE SEASON – DO IT NOW!!!!!!!!!!!!

## 2023 Hurricane Season 6/1/23 - 11/30/23

**S**tart bringing drinking water into your house. Plan for 1 gallon per person per day. Avoid shopping when a storm watch is issued. Get it now. Shop for non-perishable food. 3 days of food is recommended. **AVOID** stocking up with **PERISHABLE** “buy-one-get-one” items. Find a place to store any outside grills, garbage cans & recycling bins before a storm approaches. Lawn ornaments, flags, plants should be picked up and stored. They will become dangerous projectiles during a storm. Have a plan to close your awnings or board up windows. Arrange to get help from a neighbor. Have an evacuation plan in order - a shelter, staying with a friend, or staying in a motel. Take personal papers with you. If our park sustains damage, you will need to have ID and a copy of a utility bill with you to re-enter the park. Make sure your car has a full tank of gas. Have cash on hand, small bills. Turn refrigerator to highest cold setting.

### HURRICANE EVACUATION NOTICE 2023

Please fill out and drop off at the office, or email same information to the office **hhersh@murexproperties.com** It is important we have this information before any storm might come. It will help to save time and even lives.

## SHORELINE PALMS HOME OWNERS ASSOCIATION NEWS

It is more important than ever to attend the HOA meetings which will resume in the Fall when the Clubhouse renovations are completed. There are a lot of new residents moving in or have recently moved into our Park. You will get timely information from the President, as far as he knows it, about the happenings and decisions made by the new owners. Also, you will get Committee reports from the various chairpersons who run activities throughout the season.

Paying your \$10.00 a year HOA dues gives you the opportunity to participate in the meetings, ask questions, nominate and elect officers and other Board members by ballot vote in December. Only members may vote. One vote per household. New board members are installed at the first meeting in January. Meetings are held on the first Tuesday of the month from October through April.

If you did not get a 2023 membership to the HOA it is not too late to join. 2023 and 2024 memberships are now being sold. Sue Sears has the necessary paperwork for both years at her house. By paying your membership you will receive a membership card that you can show at the attendance table as you come to the meeting. The \$10.00 yearly membership is for the whole household, not just one person. Call or see Ray or Sue Sears to make arrangements to come to their house, Lot 207, to join. 813-476-3831.

## GOOD TIMES SOCIAL PLANNER'S NEWS

---

The Poker Run Event is taking place twice a month weather permitting and adequate participation. Even though we won't have access to the Clubhouse due to the construction taking place all summer we can set up a table outside of the clubhouse as long as there is no work construction going on. If there is, we will set up across the street in Leone's driveway (Unit 140). Julius gave us his permission. We will collect the \$5.00 Poker Run fee and sell 50/50 tickets which are also \$5.00 a ticket. Poker Runs are held on the 2nd and 4th Saturday of the month. Arrive at the Clubhouse at 10:45 am. Carts and bikes will line up heading toward the west side of the Park. Our leader will take us to seven different houses where we will be given a card. Choose your best five cards to have the high hand or the low hand. The best low hand you can get is a 2, 3, 4, 5, and 7. Aces are always high. The September Poker Runs will be on Saturday September 9th and 23rd. We are considering a sideline to the Poker Run involving the Joker. There are issues involved with this and we will be having discussions on how to incorporate it without creating too much havoc. Stay tuned.

## RESULTS OF JULY AND AUGUST GOLF CART/BICYCLE RUNS

---

Unfortunately, the first July Poker run was cancelled due to inclement weather. A second one was held on July 22nd. There were 14 entries resulting in a pot of \$70.00. Wally (The Mayor) Noble won the high hand jackpot of \$42.00. Elaine Eckert took away the low hand winnings of \$28.00. The 50/50 was won by Mary Ellen Keaveny who took away \$55.00. The first Poker run of August was held on the 12th with 15 entries for a pot of \$75.00. The high hand was won by Tim Newton for \$45.00. John Lynch garnered the low hand for \$30.00. CJ Smith won the 50/50 drawing pulling in \$55.00. The next Poker Run is scheduled for August 26th, weather permitting. Come out and enjoy the fun, win some money, and meet your neighbors.

## CONSUMER ALERT!!

---

We have had reports that the Auto Repair Facility known as "The Shop" located at the corner of Walsingham and Seminole Blvd, has been charging extremely high prices for car repairs. If you take your vehicle there, be sure you investigate other facilities in the area to make sure you get a competitive price.

## GREETINGS SHORELINE PALMS RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

### SEPTEMBER 2023.....

**I**n professional sports, it seems that all it takes for a good thing to turn bad is to flip the calendar to another month. The last time we talked, the Rays were in first place despite injuries to key players. This month they lost a couple more players (McClanahan, Franco) then promptly lost the American League East lead. Now they are fighting to keep their wild card status. It's not all their fault though. The Baltimore Orioles seem to be having one of those

years when everything goes right at just the right time. But as I always say, “It’s early”. There is plenty of baseball left in this season, enough for the Rays to still make a run.

Don’t look now but the Bucs are about to start taking a serious look at who is going to in the starting offensive and defensive units. Yes, pro football is back. I know “it’s early” but are there any thoughts on who will play in the Super Bowl come February? My pick says it will be the Bills versus the Lions. Yes, this year will be “The Rise of the Doormat”. I can already see the parties being planned and the pools being generated here in Shoreline Palms.

And don’t forget who is on the back burner. That’s right, the Tampa Bay Lightning will be firing up their training camp very soon as they try and figure out how they will cope with the loss (and gain) of some key personnel. The sports landscape is looking pretty good right now.

### **Quote of the month:**

“You know you’re getting old when you stoop to tie your shoelaces and wonder what else you could do while you’re down there.”

**George Burns**

### **Answer to last month’s “Where in the world is Scoop”:**

Scoop traveled to one of the most scenic cities in the U. S., Salt Lake City, Utah. It also has some interesting history with the Great Salt Lake, the first KFC, and the seagull stories. Our “answer men” Bob McAuliffe and Ray Sears along with a new voice, Larry Yanotti, came up with the correct choice.

### **This month’s Trivia Question:**

In 2018, what video technology was used for the first time in a FIFA World Cup?
