ON THE COVER:

Lincolnshire Remembers:
Photos of past events and residents that have been featured in past voice articles. Do you remember? Labor Day was an event that brought many residents together for a delicious meal and lots of fun.

FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Well believe it or not, this month is almost the beginning of the busy holiday season. We kick it off with Labor Day – then Octoberfest which is actually celebrated in September – not October – but that’s only the beginning – Halloween, Thanksgiving, Christmas & the New Year are not far behind. You may ask why this is important to mention – well as editor of the voice it becomes more important that any contributed article are sent to me on time. This issue was very close in missing deadlines, and the next few are even more difficult. The October issue deadline is not too bad, - it is due to me on September 10, and the November one is due October 10 - BUT – the December date is November 6, and the January deadline is December 5. I understand this makes it a little difficult to get articles in for the month that follows the deadline date because some of the events that you will be writing about have not yet happened – just be imaginative in your writing. What is important is that we actually have content to print. If it is not submitted on time, it will not appear in the issues in question

Thank you all again.
Donna

FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

Here we are two months away from our northern friends returning. We had a great summer thanks to Teri Jones and Friends. Now it's time for our fall fun. Our first dance is for Halloween, and you should be getting your costumes ready, remember we have first and second place winners for the best costume.

On October 11th Jennie will be at coffee hour to talk about the new changes with Medicare for 2024. So, if you have a neighbor that doesn't come to coffee you may want to tell them to come on this day so they will know how to get the latest Medicare update information. Jennie has now expanded the Medicare plans that she supports, previously she only represented Humana. Jennie will present information immediately following our Coffee hour on October 11th. We will do flyers for posting and post the date on the October Voice calendar. Many thanks to Jennie for providing those free donuts at the 1st Coffee Hour every month.

Veterans day is November 11th, and we need someone to plan our lunch, or we will not have one. You will get plenty of help. So, if you would like to help us out, please let me know.

If you are a chairperson for an activity held in the hall throughout the year, please remember in October **you need fill out a new activity form**, so we know who oversees cleaning up after each event. The following re-occurring events should fill a sheet out (Chair Yoga, Bingo, Cards, I Got it and Church Hour, Knit Wits, Pot Luck Suppers,). Please see me for blank forms if you need them.

Remember the sliding glass doors in the club house are locked. If you are at an event and need to go outside to smoke, please exit the hall via the office door on the West side of the building or exit via the pool area (remember no smoking in the immediate pool area), via the exterior door near the restrooms. Keep in mind NO glass bottles are allowed in the pool area. If a bottle should get broken in the area the pool will be closed for a week or two for cleanup. This is a Florida State regulation.

The bulletin board in the laundry room. All items to be posted must be on a 3x5 post/index card and we will be dating the items as they get posted so we can keep the board updated and free of clutter. If you utilize the post/index card as a business card for services you provide in the community, please write your info on a 3x5 and put it under the Services area. You can use a 3x5 card to write the info down that you need to take with you, please do not remove the card that was posted on the bulletin board.

Please follow the above Bulletin Board guidelines and help us keep the Resident Club bulletin board neat and orderly.

Let's start the new season right.
Thank you, Welcome back!
Linda Casey, President.

Update to land development for 800 8th Avenue SE. Apartment complex.

Please see below for some updated information. A letter will be sent via Postal Service regarding this updated project to our neighborhood. This letter may be addressed to the Property Manager's office. I will ask Albert to pass along a copy of the letter if in fact he does get a copy. The developer will also be required to hold a meeting (to be held at City Hall) to announce and review their plans for the project. No date as of yet has been set for this meeting.

Back when we were pushing to keep the developer that purchased the land at 800 8th Avenue SE from building an apartment complex that he had planned, we fought to make sure the re-zoning from commercial to residential did not pass. We won that battle and have been waiting because the developer would have been allowed to build warehouses for light manufacturing on the same land. Nothing has ever come of it to date.

Our community had also been very instrumental at the Largo Commission meetings to make sure that the referendum that was finally put on that ballot for the Pickle ball complex did not get approved, (different parcel of land). I had signed up to receive e-mails from the land planning dept./ City of Largo (askplanner@largo.com). This morning, (August 3rd) I got an e-mail letting me know that the apartment project could very well be on again. Thanks to our State Legislature a new law went into effect July 1st, 2023 called the Live Local Act. This law allows the State to override any communities planning and would not require that the land be re-zoned thereby giving the developer the go ahead to put the apartments in place without approval of the City or its citizens. The Live Local Act also prohibits local government from restricting the height of a new development below the highest limit allowed for a commercial or residential building located within one mile of the new structure. Great Facebook page was created by residents that fought not to have the Pickel Ball courts stopped. [Like on Facebook: Largo Politics and Policies. This Facebook page was instrumental in getting the word out and keeping local residents informed.](#)

A developer (not sure if it is the same one) has applied for approval to construct an apartment complex on the property at 800 8th Avenue SE. Would be a multifamily, mixed-use residential with at least 40% of the rental units marked "affordable" for at least 30 years. At least 65% of the development square footage will have to be used for residential purposes. The updated project will be larger (more apartment buildings) then the original plans we had been presented.

The City of Largo Mayor Brown is recommending that as many people as possible attend meetings as they are scheduled to ask lots of questions and present their concerns. Time to get the word out again. New Haven Condos on Donegan Rd. are already working to get the message to their residents. I will check the August and September City of Largo Commission calendar to see if this topic is on the agenda for any upcoming meetings. Meetings at City Hall always held on Tuesday evenings.

Meeting to be held on September 13th, 2023 at Largo City Hall 5:00 PM to 7:00 PM. Developer of Allora Largo Apartments will be presenting plans at this Neighborhood Information Meeting.

Marge Kristall

Fall is almost here ya'll! Maybe we can get a break from the sweltering heat. The August 13th Root beer/Orange Float day was held with about 60 residents coming in for an ice cream float and socialization. A good time was had by all. We also had the August 27th Music Bingo and Pizza Day with the same number of residents attending. This was something new to the residents and it went over great. Thank you to all who participated in both events.

In September we will have the Labor Day Luncheon on September 4th featuring down home eats like chicken fingers, potato salad, and the like. We hope you have your tickets by now so you can come and enjoy the fun. There will also be another karaoke night on September 16th at 7:00 pm. This event is free, just bring your own drink and a snack. Sharpen up those vocal cords and get ready to sing out loud! If you don't want to sing, come, and join in the fun. There were several people last time that said they were NOT going to sing, and guess who ended up on stage?? You never know!

The Halloween dance is October 28th with Bandstand. Start getting your costumes ready. I heard a rumor that there will be some very special door prizes at the dance, and you don't want to miss out on the opportunity to win one.

Our other dances are listed below. Ticket prices remain at \$10 (with New Years being the only exception) and, as usual, BYOB.

November 10	Welcome Back Dance	Michael
December 16	Christmas Dance	Al Ruggiero
December 20	Christmas Social	
December 31	New Years Eve	Bandstand
January 13	Winter Dance	Bobby Stillwell
February 10	Valentines Day Dance	Al Ruggiero
March 15	Farewell Dance	Sequel
April 6	Spring Dance	Britney Moni'

We hope to see you out and about enjoying these activities, as well as cards, I Got It, potluck, water aerobics, bowling and golf. Stay active and stay healthy!

You May Need An Audiologist

The easiest way to determine if you should go to an audiologist is to determine if you have hearing loss

SOME TELL-TALE SIGNS TO LOOK FOR ARE:

- People sound muffled or mumbly
- You have difficulty hearing high-pitched sounds such as birds, doorbells, your phone, or alarm clock
- It's challenging understanding conversations in noisy places, like a restaurant

But don't let this list define your hearing loss—you can (and should) visit an audiologist before you even have signs of hearing loss. This will ensure that if you do develop hearing loss over time, it's caught as soon as possible and prevents disruption to your life.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

I GOT IT

By: Shirley B.

We are starting up the game of “I got it” for the second year. It is a fun game and relaxing too. It is like bingo but not as tense. This past year has been a success due to you, the residents of Lincolnshire, and I want to thank you for your participation in making it what it is today. We had 2 drawings on the jackpot ofr spring and winter months Here are past year winners:

FYI: It is played on he second and third Thursday of each month and if you have never played it will be explained for all new comers. The game consists of poker chips, a sleeve of 3 cards laminated. Price to play is \$5 for two sleeves or \$10 for 4 sleeves and if you want we have an I got it jackpot for an additional \$1. Residents who win the jackpot will receive all the cash accumulated up to that day, and guests will receive only 1/2 of the jackpot if a win.

Sunshine Committee

By: Mary Jo Webert & Marge Kristall

September 2023

The fall season has a whole new meaning for me this year. Maybe, hopefully it will bring some relief to the “hotter than hot” and dry summer we have experienced. While typically September is normally never cooler for us in Florida, any relief from daily temperatures in the 90’s would be a welcome change.

I personally love the fall season even if our temperatures and leaves on the trees do not fall. The color of the decorations we use are bright oranges and yellows to help us remember all those maples and oaks that paint the landscapes. The vegetables and fruits are hearty and crisp, like squash, sweet potatoes and apples freshly picked from the trees and gardens. We start to think about beef stews and chili’s anticipating “cooler” weather. My favorite is fresh pressed apple cider. I am craving a nice cold glass of cider as I write this article.

Looking forward to putting up those fall decorations!

Dates to look for in September.

Labor Day – September 4th – A Federal holiday that celebrates and recognizes the achievements of American workers. Became a holiday back in 1894 following the Civil War when workers took part in strikes and rallies to demand shorter workdays and better working conditions. Labor Day weekend unofficially marks the end of summer. Hope you bought your ticket to our Labor Day indoor “Picnic”.

Grandparent’s Day – September 10th – always the 1st Sunday after Labor Day celebrating the role of Grandparents in their families lives.

Patriot’s Day – September 11th – A special day for us to pause to honor and remember the victims of that tragic date in our history, September 11th, 2001.

World Gratitude Day – September 21st – Day to celebrate gratitude and happiness. A chance to show appreciation for others and be thankful for what we have.

Fall Equinox – September 23rd – 1st day of Fall. Begins the shortening of our daylight hours. Typically, the month we get to see those wonderfully large harvest moons.

National Good Neighbor Day – September 28th – Celebrates the importance of being a good neighbor while contributing to one’s community and each other. Relationships with neighbors can often lead to close friendships. Neighbors are almost like family. Be a good neighbor every day.

VETERAN'S CORNER

THE IMPORTANCE OF GETTING A VETERANS DESIGNATION ON YOUR LICENSE:

Most states to include FL. offer a free veteran's designation on their driver's licenses, and if you want to get your full benefits as a veteran, you will want to make sure you get yours. Having your driver's license updated with your veteran status ensures you easily can get special veteran's-only discounts and other benefits that are offered by private businesses as well as state and local governments.

What Kind of Discounts Are Veterans Eligible

There are hundreds of discounts that businesses offer to veterans. These discounts cover almost every type of business you can imagine: from golf courses to drugstores to theme parks. However, it can be cumbersome to carry your DD-214 with you all the time in order to get these discounts, and that really isn't something you should be doing. To make it easy to get these discounts, you can apply for a veteran's ID card from the Department of Veterans Affairs, but the VA only gives this card to honorably discharged veterans, and having to carry an extra ID card with you can be a hassle. That's why it's always good to get that veteran's designation on your driver's license. Either your VA ID card or your state-issued ID or license with a veteran designation is usually all you need to take advantage of the many discounts listed in our discounts section as well as other discounts. These "other" discounts can be extremely beneficial if you take advantage of them.

What Other Veterans Discounts and Freebies Are Available?

Besides the usual discounts that national retailers and other businesses offer, many local companies offer veterans discounts. While most of these discounts are usually around 10% on goods and services, they can be worth a lot of money depending on the company. Sure, a 10% discount on breakfast isn't necessarily something that will make a big difference in your life, but if you are purchasing a big-ticket item, that discount can be a game changer. Buying a new refrigerator? That 10% discount can be over \$200. Just found out you need a new \$10,000 furnace? That 10% discount is \$1,000. How about home improvement? Many contractors offer 5% or 10% discounts on construction services like siding or a new roof. Those savings can add up very quickly. So, all things being equal, you always should seek out the business that offers

a veteran's discount if you want to save money. It never hurts to ask whether the business offers a veteran's discount when you are shopping around for services.

Also, many states offer a ton of discounts and other benefits for veterans that you may not be aware of, and having an easily accessible veteran's ID card can make it much simpler for you and your family to receive them. For example, most states offer veterans some type of discount for admission to state parks or state fairs; others offer free or discounted hunting and fishing licenses. One thing you may not know is that many states offer these discounts to non-resident veterans.

This is an update on the Mobile Home Tie-Down Program. The article is from the FMO Magazine. This is the Federation of Manufactured Home Owner of Florida.

The Gulf Coast State College Mobile Home Tie-Down Program is busy completing parks assigned for FY 22-23. Between the two contracted vendors, Storm Ready Services and Florida Homes Direct, 11 parks and 51 individuals have been completed and invoiced: about 300 homes have been completed so far.

FHD is contracted for the panhandle region has assigned 5 parks and 10 individuals.

SRS is contracted for the rest of the state, and is working several parks at on time with 5 different teams on the ground. They have an additional 46 parks currently assigned in various stages of progress. Three of these parks have over 1,200 homes that will likely take the program into the next grant year to complete.

Also, there are an additional 51 parks with confirmed park representation online for future assignment and another 60 parks that have not yet been confirmed.

All in all, the Mobile Home Tie-Down programs continues to be successful, and we appreciate your support!

Lincolnshire Estates is one of the parks. They will be coming to evaluate the situation and we will know more after that has been done. Remember this is at no cost to the home owner.

We would like to remind everyone to come to the board meetings all owners are welcome. Remember you have to be an HOA member to vote.

Look for any updates in the laundry room on the HOA bulletin board.

A Nurse's Self Care Toolbox #64

Allyn Weibert, RN.

Lot 1438, Lincolnshire Estates, allynweibert@gmail.com

Last month we looked at protecting our skin in an increasingly hostile environment by protecting against not only sun protection, dry skin, and the dry skin conditions of aging. Now, the more we know about skin cancer and the precancerous warning signs the better prevention and actions are needed. Especially when we notice something suspicious on our skin. Remember that we live where sunshine gets to our skin many hours a day. Even with the shades and curtains drawn tight.

Some background first. Skin cancer begins in the cells that make up the outer layer (epidermis) of our skin. Skin cancer is the abnormal growth of skin cells that most often develops on skin exposed to the sun or chemicals. Though some groups of us seem more susceptible. Me too.

Melanoma (our focus here), basal cell skin cancer and squamous cell skin cancer are the most common types found in seniors. Melanoma is a disease in which malignant cells form in the skin cells called melanocytes which gives us our skin color. When skin is exposed to the sun, melanocytes make more pigment, causing the skin to tan, or darken. When melanoma starts in the skin, the disease is called cutaneous (outer) melanoma and can occur anywhere on the body. Risk factors are unusual moles, exposure to natural sunlight (even inside our homes, sunlight still invades around curtains and blinds), exposure to artificial ultraviolet light (tanning booths), history in the family, Caucasian, being an adult, certain features like blond or red hair, light skin, and freckles too. Whew!

What do we look for and how often. Checking for moles, new or already there twice a year and looking for a difference in how they look, getting larger, changing shape or color. Does it itch or bleed often. Seeing smaller and similar moles around the larger suspicious mole. By the time we retire we do have a lot of skin tags, moles, and scars. The more often you inspect the more you know these old ones you have seen for years.

I cannot stress enough that we are the first line of defense with noticing problems with our skin that is bothersome. We so often see our physician's medical team where a more thorough skin examination seems to take second or third place in the visit if at all. Ask for a skin examination at each yearly visit and especially if you are concerned! Ask a friend to look at your back too. You do their back too. Take a phone picture if you can. Most people can't escape getting a skin exam if they are seeing a dermatologist. Hold still as it won't hurt! Unless they pull out the freezer gun though only for a moment.

What is the next step if our medical team is concerned about a spot, mole, or lesion on our skin? Most often a referral to a dermatologist. If there is concern on whether it is an abnormal skin growth or even in a high probability area, they will typically do a biopsy. After numbing up the skin area they will do a local excision to remove as much of the suspicious mole or lesion as possible. A pathologist then looks at the tissue under a microscope to check for cancer cells. Melanoma can be hard to diagnose which can mean another biopsy or additional office visit. We should not shave off or clip off suspicious looking areas as this can delay identification if cancerous and, in some cases, increase the spread. Be smart and call your medical team. If you don't have one, then get one today.
