SLOW COOKER BAKED POTATO

(Adapted from an allrecipes.com recipe)

In this heat, few of us want to turn on the oven to make dinner. But we also hate to give up some of our favorites. Crockpot to the rescue! This recipe can be found all over the internet, but I started with Allrecipes.com.

Ingredients:

4 baking potatoes, well scrubbed

1 TBS oil

Salt to taste

4 sheets of aluminum foil (each large enough to fully enclose a potato)

Directions:

1. After scrubbing, prick potatoes with a fork several times.
2. Rub with oil and season with salt. (I have learned it is easiest to oil the potatoes using a plastic bag. Place the oil in a sandwich/quart size plastic bag, insert potatoes one at a time, roll the potato around in the oil in the bag, remove and repeat until all potatoes have oil on them. And, voila!, less mess on your hands.)
3. Wrap each potato tightly in aluminum foil and place into the slow cooker.
4. Cook on low until tender — about 7 1/2 hours (time varies depending on the size and number of potatoes). Or cook on high for 4 1/2 to 5-ish hours.

LIBRARY

They say a picture says a thousand words. Well, in the book, *Magic City*, it did a lot more! Just a simple 40-year-old picture of a boxing match and some of the audience and mayhem ensued! We have the mob, the CIA, Cubans and a murdered family. The main character is a man named Thorn who has no digital ID. Thorn has a side kick PI named Sugarman. This book was a great read! Netflix has even optioned this series.

James W Hall has written over 23 books; even some poetry. He taught at Florida International University in Miami for 40 years, and he has a wife and two dogs.

Just a reminder the library is located at Lot 231 and is open daily 10-6. We have WiFi and air. We also have a lot more than books. Check out our DVDs, puzzles and games.

Remember please to shut the door and turn off lights when you leave. Have an awesome summer.

Vanessa Nead

FROM THE OFFICE

I have a monthly meeting (except in summer) to discuss things happening in the park. It has always been called the “Manager’s Meeting”, which some residents didn’t understand that it was for ALL residents. I discuss current events, park projects and maintenance; offer helpful information I may have received from the city or utility companies that affect the residents, etc. At the end of the meeting, I take questions and comments from everyone there who has any concerns. I also ask all Club Presidents to update everyone on what they have happening in the next month or so. The doors open at 9:00 a.m. for coffee and cake, the meeting begins at 9:30 a.m. I cut off the meeting at 1 (one) hour, so don’t think it will be boring and take up your whole morning! Once in a while I have a speaker that is beneficial to all residents, but I only allot them 15 minutes and still try to be done within the hour. There is also a 50/50 to benefit the Library. Moving forward, the new name for this event will be “EMBASSY RESIDENTS MONTHLY UPDATE”. The next one will be September 20th. These meetings are one of the most well-attended events every month.

As some of you may know, I have had a locked-in price from Brantley Termite and Pest Control for park residents. I recently renegotiated it; the new amounts will be \$825 for a single wide, \$950 for a double wide, with variables if you have add-ons, such as a screen room. There will be a \$50 transfer fee if you sell your mobile and want to transfer the warranty to the new owner. Their phone number is: 727-541-5940. These prices are about half of what other companies are charging! If you need to have your mobile tented and don’t have all of the money,

come see me and we can set up a payment plan where Mr. Larson will pay for it, and you just repay it by adding \$100 to your rent every month.

Blacktop patching was done in the 12th street parking lot and on 3rd street. A few streets will be done as soon as we can get them scheduled with the blacktop company.

After I made several disastrous attempts at setting up a park Facebook account, Sonny O’Leary gave me managerial rights to use the one he created when they ran the summer programs. It is Embassy MHP residents. This is what I will be using to communicate some park events; it was recently tested during a water issue; I kept residents updated throughout the repairs. One problem is not everyone uses Facebook, so I am also working on a group email for the same purpose. The Facebook account only has 49 members, and I only have 51 email addresses, despite many attempts to get them! The park does not pay for my cellphone, so I have no way to send out text messages. A few residents have my number, but they are all people I trusted not to abuse it (plus I can just block them if they do)!

I currently have a “Wall of Shame” on the window by the back entrance to the Clubhouse, where I am posting pictures of residents who continue to NOT recycle properly. I have a detailed article elsewhere in this issue; I don’t know how else to educate residents! I would like to thank all of the residents that do recycle properly, as well as picking up items on the ground and checking the recycle bins for plastic bags and removing them. If you have something that you are discarding but feel someone else can use it, put it out by the street with a sign that says “Free”; if it is there longer than 24 hours, please discard it. There also is a “swap” table in the 12th street laundromat.

The Park medical room is short on canes; if you have 1 you are not using, please drop it off at the office.

I know it is unbearably hot most days, but your lot and carport need to be maintained according to the park guidelines. You also need to have them “hurricane” ready, which means nothing laying around that could become a projectile in high winds. All ladders must be secured to the back of the mobile or side of the shed (I don’t understand why elderly people need ladders, they are accidents waiting to happen), but about 50% of the park has them laying around!

As referenced elsewhere in this issue, we are having a severe homeless issue. I have completed an eviction at lot 109, I am in the middle of evicting Lot 121, and there is another lot on my radar that is going to be next. If I am notified of homeless belongings on park property, I send someone to discard them. Homeless people have their own type of community, so word should be getting out that they are not welcome at Embassy!

My second great granddaughter is arriving no later than August 15th, so I will be making frequent trips to MI and OH. By the time you read this, I will have welcomed the new baby (Delaney Reese Parks) upon her arrival home from the hospital. Lylah Quinn Parks is already 7 months old and starting to have conversations with her Nana that only she and I understand!

And Craft Fair

After reading last month's article about the Sewing Club, I am sure there are some who wish they could start sewing (?again?) but, sadly, do not have a sewing machine or the \$100+ needed to buy even the most basic model. Fret no more! The Sewing Club wants to help so they are having ...

What: Sewing Machine Clearance Sale and Craft Fair

Date: Saturday, October 14th

Time: 9:00 a.m. to 2:00 p.m.

Location: Hobby House

Over the years people have donated a variety of machines — Singer, Brother, Kenmore and others — to the Sewing Club. Judi Hoke has a talent for fixing sewing machines so, when necessary, she made repairs and then the machines were stored in the sewing room closets at the Hobby House. Well, as with most buildings at Embassy Park, space is a precious commodity, and the Sewing Club needs to get rid of these machines. So, after trying each machine out to be sure they still work, Janis and Judi will sell them at very reasonable prices (funds will purchase materials for the many projects they make for craft shows and blankets for the homeless community).

So, if you're thinking about starting another hobby but don't want a huge upfront expense, this is the time to buy your sewing machine. Or, perhaps, you want to teach your grandchildren to sew during their visits. Whatever your reason, if you've considered buying a sewing machine but didn't, now is the time to make that purchase. And remember, Judi and Janis are more than willing to help you get started with your project.

Since you will already be at the Hobby House, take advantage of the first Craft Fair of the season. Not only can you browse the used machines for sale, but you can also pick up a few early holiday gifts or you may even find something you want for yourself!

NEIGHBORHOOD WATCH

The Embassy community had a busy morning on Thursday, July 27th. Before most of us were even out of bed, Scott Hawker, who lives on 8th Street, saw a suspicious character going from carport to carport trying car door handles. He quickly called in a report to Largo PD and they responded. It wasn't long before there were multiple police cars blocking some of our streets, a helicopter hovering overhead, and police dogs walking

continued on page 14

the area trying to pick up a trail. Scott gave the officers a detailed description of the suspect and they were able to spot him on nearby security systems. Later in the morning Largo PD received a call from a neighboring community reporting the same suspicious character. The suspect was not apprehended in either search, and he was last seen near US Hwy 19.

But wait, that's not all! Just as the Largo PD was decamping from the 8th Street area, someone delivering News and Views on 1st Street noticed (what was supposed to be) a vacant RV with the door hanging wide open and a pile of possessions appearing to belong to a homeless person nearby. Jessie flagged down one of the departing patrol cars and, even though this was not technically their coverage area, they immediately went to investigate. Fortunately, the RV was empty (this time) and there didn't appear to be any damage to the interior. Jessie has contacted the owner, efforts are underway to better secure the RV and the Neighborhood Watch team was notified to pay particular attention to that area during patrols.

And the takeaway from all of this?

1. Hats off to Scott for calling it in. Please call when you see someone suspicious in the area.
2. Pay attention and try to provide a detailed description. Scott gave very small details to the dispatcher which later enabled the officers to locate the suspect on several security cameras.
3. Lock your doors (yes, even when you are inside the house), sheds, car doors and bikes. Let's not make it easy for criminals to take our bikes and valuables.

A FAREWELL TO AN ACTIVE MEMBER OF OUR COMMUNITY

Those who attended the July Manager's Meeting had the opportunity to bid "Farewell" and "Good Luck" to Barb Whitman, a long-time resident and active community volunteer. When I first met her, she was the driving force behind the (now defunct) bi-weekly Bulletin. She gathered the updates on upcoming events, prepared the master copy, arranged the printing, and recruited volunteers for delivery to every resident. Barb also served as a member of the Social Club board and volunteered many times to be the monthly "Sunshine Lady" sending out get well and sympathy cards to our community. She never failed to attend the Monthly Manager's Meeting, was an avid supporter of the park library, and was a regular participant in the monthly Ladies Luncheon. Most recently, she could be seen riding with Norm as a Neighborhood Watch volunteer. Norm told me she was the best shotgun rider ever! I can only hope I have her energy when I reach 90.

Barb now lives at The Palms of Largo and would love to hear from the many friends she made at Embassy. Send a card or letter to Barbara Whitman, Regal Palms, 300 Lake Ave NE, Apt 525, Largo FL 3377. Or, if you prefer, call her at 727-221-5081 (leave a message if she doesn't answer).

You May Need An Audiologist

The easiest way to determine if you should go to an audiologist is to determine if you have hearing loss

SOME TELL-TALE SIGNS TO LOOK FOR ARE:

- People sound muffled or mumbly
- You have difficulty hearing high-pitched sounds such as birds, doorbells, your phone, or alarm clock
- It's challenging understanding conversations in noisy places, like a restaurant

But don't let this list define your hearing loss—you can (and should) visit an audiologist before you even have signs of hearing loss. This will ensure that if you do develop hearing loss over time, it's caught as soon as possible and prevents disruption to your life.

CALL FOR HOLIDAY RECIPES

I don't know about anyone else, but I am already making plans for the 2023 holiday season (Halloween, Thanksgiving, and Christmas). Of course, after gifts, the holiday meal is the thing we look forward to the most. We all have our favorite food — be it a special way to cook the meat, a savory side dish, a dessert that is “to die for”, or a one-of-a-kind beverage — that we serve during the holidays. Or maybe you have recipes for 101 things to make with leftover turkey. Whatever the case, I ask that you share your recipe. I will print a different recipe (or 2 or 3, depending on how many I receive) each month beginning in October. You can send an email to embassymhp@hotmail.com or drop a paper copy of the recipe off at the office. Be sure to mark your email or paper copy “For News and Views” and to give your name and lot number so proper credit can be given in the News and Views (and so I can reach out if I have any questions).

GETTING IT RIGHT!

Jessie has told us many times about how our mail should be addressed. Sometimes a picture helps. For clarity, here is a sample of what a properly addressed envelope should look like:

EMBASSY MOBILE PARK INC. GARBAGE/RECYCLE GUIDELINES

Embassy Mobile Park Inc. provides dumpsters in several locations, and for specific items. Your regular household garbage goes into the dumpster on 2nd street, dumpster on 4th street, and the 3 black ones in the 12th street parking lot. NO yard clippings, tree branches, construction materials, furniture, etc. are to go into these dumpsters!

There is a 30-yard dumpster located on the north side of 3rd street with a sign on it saying yard trash and tree branches. NO garbage is allowed in this dumpster.

There is a 30-yard dumpster located on the south side of 3rd street that is for construction materials, old furniture, etc. Items must be put INTO the dumpster, not left on the ground. No garbage or materials are to be brought into the park from somewhere else. If the gate is closed, it means the dumpster is full, so you need to take your items home until it is emptied. DO NOT put them on the ground outside or inside the gate.

Last but not least, we have 2 blue dumpsters located in the 12th street parking lot for recyclables only! This means no garbage, no grass clippings, no tree branches, no clothes, etc. Absolutely no plastic bags, which means that if you have cans/bottles in a bag you need to empty the bag into the bin, then throw the bag into the regular trash bin. Plastic bottles must be numbered 1 through 7, rinsed out, lid on. Metals allowed, such as aluminum, tin, steel, including foil, food trays and aerosol cans, GLASS -colored bottles and jars that have been cleaned, without lids or caps. If you are recycling boxes, please break them down flat before putting them in the dumpster....this makes more room in the dumpster; boxes cannot have wavy cores, plastic liners or waxy coatings.

There are Pinellas County Recycle guides in the office, they are not available in Spanish, I have asked, and they said maybe next year.

Items you put out to the street for pickup (this does not mean your household garbage) - all items need to be boxed, bagged, or bundled, and are not to be put out to the street until after 5 p.m. on Sunday, Tuesday, and Thursday. If you put your garbage out before these times, you will get a notice saying we will not pick it up and you will have to take it to the dumpster yourself.

As some of you may know, I have cameras on the dumpsters, so I can see who is not following the rules. I am posting pictures by the back door of the clubhouse so everyone can see who is breaking the rules. I call it the "Wall of Shame"!

Embassy has been fined by the City of Largo twice already for the wrong items being put into the recycle bins. These fines can be passed on to everyone in the form of a larger rent increase (rent is increased every year, new rates go into effect on January 1, 2024). You will receive a rent increase letter around October 1, 2023.

Beginning January 1, 2024, I will be assessing fines to people caught not following the garbage/recycling rules. The 1st offense will be \$50, the 2nd offense will be \$200, and the 3rd time I will start the eviction process for repeated violation of the Park rules.

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
