HISTORY IN ST PETERSBURG

THE FLORIDA HOLOCAUST MUSEUM IN ST PETERSBURG

The museum was founded in 1992 by Walter and Edith Lobenberg. Both were German Jews who managed to escape the Holocaust and later relocated to the U.S. They were committed to ensuring that the stories and lessons of the Holocaust were never forgotten.

The museum originally opened in a small space in Madeira Beach, Florida, where it displayed a Holocaust boxcar used by the Nazis to transport Jews and other prisoners to the concentration and extermination camps. The original space was limited, so there was a need for a larger venue.

In 1998, thanks to community support and a growing collection, the museum relocated to its current 27,000-square-foot location in downtown St. Petersburg.

The Florida Holocaust Museum's core exhibition is "History, Heritage, and Hope," which covers the history of the Holocaust through personal stories, artifacts, and photographs. It has a mix of permanent and temporary exhibitions that highlight various aspects of the Holocaust and other genocides. The museum also owns an authentic WWII-era boxcar, which is on display as a poignant symbol of the Holocaust.

The museum places a strong emphasis on education. It provides teacher training, hosts educational programs, and offers outreach to schools. Their mission extends beyond just educating about the Holocaust, they aim to inspire people to stand up against hatred and prejudice in all its forms.

The Florida Holocaust Museum plays an essential role in Holocaust education in the Southeastern United States. By connecting the history of the Holocaust to the present day, it seeks to prevent future genocides and promote human dignity.

The Florida Holocaust Museum is a testament to the dedication of the Lobenbergs and the broader community to ensure that the atrocities of the Holocaust are never forgotten and that its lessons continue to resonate today.

MESSAGE FROM MANAGEMENT

MANAGER

First and foremost- With the snowbirds returning soon and the Park running at full capacity we must bring to the attention of all Residents.

PLEASE DO NOT FLUSH WIPES DOWN THE TOILET.

Despite their advertisements and no matter what they say, those items do not break down, they clog up the sewer, they get caught in the motors on our pumps and burn up those motors to the point they must be replaced. In the past years Gateway office has paid for the expensive repairs, but as per our previous mass email, we will no longer shoulder these expenses, especially since we have on more than one occasion suggested that baby wipes were no longer to be used. So please keep in mind of all Gateway Resident should not have to pay the expense of a new pump just because one or two residents decide to use wipes and flush them into the sewer instead of

THROWING THEM IN A TRASH CAN WHERE THEY BELONG

KEEP YOUR GRASS MOWED- We are in the rainy season so as per our Rules & Regulations your grass should be mowed every 7-10 days. Makes the park look good for you and your neighbors.

PLEASE CLEAN UP AROUND YOUR HOMES- light rounds are made frequently, but a intense round of inspections are coming very soon. Please avoid violations and just keep home, patio, carports, yards all clean and neat. For your sake as well as your neighbors.

Thank you
William H.-Park Manager

CONTINENTAL BREAKFAST

Kathy & Mary Lynn Soehnlén

There were 35 residents and guests at our final Continental Breakfast or the season on April 6th. It was especially satisfying to see this many. Everyone appeared to have a pleasant morning of breakfast pastries, raisin toast, tea and coffee, as they chatted with their Gateway friends and neighbors. The Gateway Continental Breakfast is provided October through April by ARC Investments and their Gateway Management team. It is free to all residents and their visiting guests. We look forward to seeing you on Thursday, October 5 th , when Continental Breakfast signals the beginning of the 2023 – 2024 Gateway Activities Season. Thanks to all who attend and here is hoping you have a great summer.
