"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## **IMPORTANT MESSAGE FROM THE EDITOR OF “Hi-Lites”**

**B**eginning with the JUNE edition of the “Hi Lites,” I will ONLY be including articles, pictures, announcements, calendar entries, cartoons, jokes, etc. that OTHERS send me. For the summer months, I will no longer be sending out emails requesting these items for the “Hi Lites.” (I will continue to send out “Due Date Reminders.”). ## HERE'S WHAT WE DID LAST MONTH!

*THANKS TO KAREN HANAFIN FOR THIS:*

### END OF SUMMER FLING

**W**e gathered SUNDAY Aug. 20 for appetizers at WW II. Everyone brought delicious appetizers to share. We had about 36 residents from both WW I & II who attended. It was a great day indoors as the weather looked sketchy. Thank you, ***Ken Panke*** for trusting me to play with the Pandora App. on our new equipment so that we could have music. I was truly hesitant to touch it! I made him sign a waiver just in case I messed up! Lol..

\*\*\*\*\*AND YOU CAN ALL GUESS\*\*\*\* there were a few in the crowd who SQUAWKED about my choice of music! LOL. I won't mention any names! You know who you are!

THANK YOU to my kitchen setup & cleanup crew: ***Donna Wheeler, Barbara & Tim Schutt, Trish Craig & Phyllis Mann.*** Your help is greatly appreciated!

There is some chatter (from ***Phyllis*** and me) about having a once-a-month Appetizer Gathering, alternating between the two clubhouses. This is a "no cost" event to either social club's pocketbook. So to me, it's a WIN WIN.

And lastly, a big Thank-You to ALL THE RESIDENTS who put on their cooking aprons & chef's hat & whipped up some of the most creative & delightful appetizers.

We are thinking ....hanging out and playing games afterwards would be fun. It couldn't have been a better day!

Fun & Laughs,  
Karen Hanafin

### BOOK CLUB

#### **ATTENTION ALL YOU BOOK WORMS:**

The Book Club meets the last Tuesday of each month in the WW II library. It is open to all residents of Westwind.

### THANKS TO ELAINE BLANK FOR THIS:

The Westwind Book Club will meet in the Westwind II library on Tuesday, October 31st at noon to discuss *The Little Old Lady Who Broke All The Rules* by Catharina Ingelman-Sandberg, Rod Bradbury, Translator.

79-year-old Martha Anderson dreams of escaping her care home and robbing a bank. She has no intention of spending the rest of her days in an armchair and is determined to fund her way to a much more exciting life-style. Along with her four oldest friends - otherwise known as the League of Pensioners - Martha decides to rebel against all of the rules imposed upon them. Together, they cause an uproar with their antics: protesting against early bedtimes and plastic meals. As the elderly friends become more daring, their activities escalate and they come up with a cunning plan to break out of the care home and land themselves in a far more attractive Stockholm establishment. With the aid of their Zimmer frames, they resolve to stand up for old aged pensioners everywhere - Robin Hood style. And that's when the adventure really takes off . . .

This sounds like a fun read. Hope you will pick up the book, read it and join our discussion.  
Elaine Blank

Christmas will be here before you know it!! Once again this year, I will be picking up Toys for Tots donation boxes. The boxes will be available *Saturday, November 11th to Monday, December 11th*. My plan is to deliver them to the donation center on *Tuesday, December 12th* as I will be flying north on the 14th. We are not driving south this year so I will not have the van and will be looking for a volunteer or 2 to help me deliver the toys. The organizers are always impressed by the amount of toys our generous residents donate. Let's not disappoint them this year!! It's never too early to toy shop...so start looking for those great deals!!!

FYI—All toys must be new and NOT in wrapping paper. Recipient ages are birth to 12. **TOYS FOR TOTS WILL NOT DISTRIBUTE TOYS WITH REALISTIC LOOKING WEAPONS OR GIFTS WITH FOOD.**

**PLEASE CHECK TO SEE IF YOUR TOY REQUIRES BATTERIES. IF SO, PLEASE PURCHASE THEM AND TAPE TO THE BOX. It would be sad for a child to receive a toy on Christmas morning that he/she can not play with!!!!**

Please remember Toys for Tots on your next shopping excursion.

Thanks,  
Pat Snyder

## WESTWIND II HOLIDAY CELEBRATION

THANKS TO PAT SNYDER FOR THIS:

Mark your calendars!! The Holiday Celebration will be on Thursday, December 7th. The plan is to have it from 7pm-10pm and have a pot luck dessert buffet rather than appetizers as in the past. So eat dinner at home....but leave room for the scrumptious desserts!!!!

Music will be provided by "The Tangents." When I arrive in November, I will be asking for volunteers to help with flyers, set up and clean-up. More information will be provided as it becomes available. So watch for flyers and postings on the bulletin board in the clubhouse. A sign-up sheet will be posted in November.

Thank you,  
Pat Snyder

**SLOW DOWN & STOP!!**

*I wanted everyone to know what those 4 letters actually mean.*

**EDITOR'S NOTE:** YOU know who you are....EVERYONE knows who you are!

## WAIT...THERE'S MORE.....JEERS

### **JEERS to Speeders**

It has been mentioned recently about many folks not observing the posted speed limit of 15 mph. Shame on you!

These folks are still not slowing down and it is a safety issue.

It has been reported to be the same repeat offender(s).

The speed limit does NOT change after business hours or the weekend.

It does NOT mean you can fly down the road and ignore stop signs.

There are multiple complaints from many residents who have almost been hit by these careless drivers.

Dangerous drivers within the park should be reported to the office.

Some already have been.

Was it you?

**Golf carts also must obey speed limits and stop signs.**

### **JEERS to Pool Users**

It also has been noted that pool users are still not following pool use rules:

\*Use the shower before entering the pool EACH time and especially after applying sunblock or lotion. No one wants to swim in your yuck.

\*No food, alcoholic beverages or glass containers permitted inside the pool fenced area.

\*Children must be supervised at all times.

### **JEERS to Trash Collection**

Trash should be set out in a heavy closed trash bag or a proper container to keep rodents, birds or other pests or the wind from scattering your garbage.

*continued on page 30*

It has been noticed that birds have been ripping open grocery bags and picking through and scattering trash.

Please do not put your trash in front of other residents homes without that resident's consent.

### **THANKS TO ELAINE BLANK FOR THIS: IMPORTANT MESSAGE**

**A**fter reviewing our residents' files, we have discovered over fifty residents who have no emergency contact information in the file. At this writing, there are five areas in the Atlantic that the weather channels are watching for potential tropical storm or worse identification. Should our community be hit with a major weather event, it is imperative that we have contact information both in the file at the office and on our protected digital record.

Joy will be contacting all those who have provided the office with an email address asking for you to reply with your contact information. If there is no email address on file, you will receive a letter with a form and a return envelope enclosed to send in the pertinent information via U.S. Postal Service. **PLEASE** respond to the office ASAP. If you have provided this information in the past, and it has changed, please let **Joy** know the up dated information ASAP. **Joy's** email is: [jcripe@associagulfcoast.com](mailto:jcripe@associagulfcoast.com) and the office phone number is 727-784-4380. Thanks so much for your attention to this important matter.

### **THANKS TO ELAINE BLANK FOR THIS: FINALLY THE DIRECTORIES ARE COMING!**

**T**he final draft of the 2023/2024 Yellow Book Directories arrived this week. **Sylvia** and I proofed it and it is off to the printer with assurance that they will be delivered to us by October first. It has been quite the challenge but I think we got it right this time. This is a free service to our community. If you have any changes in your information once you receive your book, contact **Joy** in the office. Any changes made now will not be published until fall of 2024.

## THANKS TO JOY CRIPE FOR THIS:

### *October "Hi-Lites" Article*

**W**estwind II ROC community was very fortunate to have been spared the wrath of Hurricane Idalia.

Special thanks to all who secured their homes and assisted securing their neighbors.

On a serious note, when a community is put on mandatory evacuation, the office is on notice to have an accurate list of who remained in the community. Whether the Hurricane was coming directly towards us or the aftermath of tornados, winds, rains and storm surges that result on the back side of a hurricane, that can create serious life-threatening weather issues. Residents are not to return until an all clear is given. In my pre-storm inspection, it was noted which homes had been secured, and who had people still at the unit. Most people stated they were going but waiting till late afternoon to leave. If you choose to ignore a Mandatory Evacuation- please inform the office by email. Should a weather event hit Westwind II, I am required to provide a list of units occupied to the local authorities. It would be a devastating situation if you were missed by search and rescue if this community had been hit by a weather incident. I was very surprised of several who chose to stay without notifying the office.

My email is monitored on my laptop or phone throughout the storm. I have electrical backup should there be a power failure. Please be respectful to the emergency procedures that are mandated. Notices were posted and updates on Town Square worked well. I have a large list of residents who do not have an emergency contact on file with the office.

So good to see all who are participating in the social events being carried out throughout the summer. Great job to Karen Hanafin, AKA "OPG" (Organized Party Gal) for all of her efforts to plan these summer events! Please see Karen's article for names of all the people who helped."

A temporary solution to the heat:- We have moved two additional tables with umbrellas to help with the high heat this area has been experiencing. Please put down the umbrellas when you leave the area.

Please remember the speed limit in the Westwind Communities is 15mph and that all vehicles- cars, trucks, vans, golf carts and bicycles must stop at the stop signs. When using the back gate entrance/exit- if you happen to push the wrong button- we ask that you just push the other one so the correct gate will open – PLEASE, PLEASE DO NOT DRIVE IN THE WRONG LANE- several people have almost gotten hit.

Looking forward to the fall as we may see temperatures get back to normal Florida weather.

It is so much easier to be kind to your neighbors, maybe they don't have something the way you would have it, maybe they are not able to take care of things the way they used to. Offer a helping hand, or be a friendly listener. So many people just need someone to talk to. There could be a time when it's you who needs a friend.

Looking forward to all of you returning to your Florida homes.

Joy Cripe, Community Association Manager

### Park Mail

Just a reminder: Please provide some kind of container in your carport for park mail. There are a lot of clever ideas being used all around our community: mailboxes, empty flower pots, decorative rocks, and baskets make good receptacles.

Thanks for taking care of this.

## ATTENTION: OWNERS WHO RENT OUT THEIR UNITS

If you rent your unit for 6 months or less, please remember that Pinellas County and the State of Florida imposes a "bed tax" on rental income. The tax is identified as "Tourist Development Tax." It is the responsibility of the owner to file the appropriate returns and pay the tax. Information and forms can be obtained from the Pinellas County Tax Collector. There is a penalty for not complying with the law.

## TOWN SQUARE INFO.

THANKS TO JOEL DANIELS FOR THIS:

Town Square is a great tool that is free of charge for WW 2 residents to use for immediate, park-wide communication.

The recent deadly hurricane is the perfect example of when we have a need to disseminate important information.

Certainly not as serious as storm alerts, but Town Square can also be a source for general park business and social activities.

I encourage you to sign-up. Our manager, Joy, can answer any questions you might have and provide you with your account # if you do not already know it. The site is user friendly and it only takes a few minutes to be up and running.

Joel Daniels

**EDITOR'S NOTE:** Joel is right.....this is a **VERY SIMPLE** process. Once you get your "account number" from Joy, it will take you less than one (1) minute to sign-up."

# “WILL WORK FOR BEER”

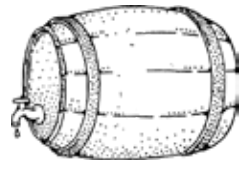

**S**omeone in WW ll asked if we could try to bring back our old “Help Out Your Neighbor” that used to be in the “Hi Lites.”

*Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WW ll residents*

**We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.**

I went to the store today to pick up a few things. As I was waiting in the checkout line, I dropped a \$20 bill (yeah that's me trying to hold everything, because I didn't want to get a cart). The person in front of me picked it up. I thanked her & held my hand out. She had the nerve to say, "The things found on earth are kept by the collector" & walked away. NO you didn't just do that! I looked at the person behind me standing in line, they couldn't believe it either. The cashier was oblivious...

So, I took a deep breath. Turned to this WOMAN & as I approached her, I screamed, "LOOK AT MY FACE! "Do I look like I'm in the mood?! Let's not play games. Give me back my money."

She had the NERVE to ignore me & TRIED to walk away.. SOOOOO, of course, I followed her into the parking lot!

I'M THINKING, "Somebody's about to go to jail!"...not sure who at this point, but it will probably be me.

She was running at this point to get away from me, which was the first sign of real intelligence this lady had shown. When she got to her car she put her bags on the ground & tried to quickly open the trunk of her car!

I was having another "Sicilian Moment" at this point! SOOOOOOOO, I decided that her "finders keepers" rule just presented the perfect opportunity for a great teachable moment...

I ran full speed & grabbed her grocery bags, & headed to my car yelling, "The things found on earth are kept by the collector!"

I got into my car ignoring her every attempt to get my attention. I was out of line, I'll admit, but she was too. I was extremely upset, but I had a sense of satisfaction at the same time.

When I got home I opened the bags and what did I find?

A tenderloin steak                      A bottle of Wine!

A French baguette                      & 6 CANNOLIS

A salad

WOW! Not bad for \$20 bucks!

LOL! This is just a joke to put a little humor in all of your lives & to see who really cared about MY outcome to read the entire post to the end!

Hopefully, I succeeded, & just put a smile on your face.

Best laugh I've had in a long time!

Laughs & Giggles,

Karen Hanafin

## SISTER - SAY IT ISN'T SO!!!

THANKS TO BARBARA SCHUTT FOR THIS:

Two nuns were shopping at a 7-11 store. As they passed by the beer cooler, one nun said to the other, "wouldn't a nice cool beer or two taste wonderful on a hot summer evening?"

The second nun answered, "indeed it would, sister. But i would not feel comfortable buying beer since i am certain it would cause a scene at the checkout stand."

"I can handle that without a problem" the other nun replied. She picked up a six-pack and headed for the check-out.

The cashier had a surprised look on his face when the two nuns arrived with a six-pack of beer. "We use beer for washing our hair" the nun said, "back at our nunnery, we call it catholic shampoo".

Without blinking an eye, the cashier reached under the counter. Pulled out a package of pretzel sticks and placed them in the bag with the beer.

He then looked the nun straight in the eye, smiled, and said:

"The curlers are on the house."

It happened at a New York Airport. This is hilarious. I wish I had the guts of this girl. An award should go to the United Airlines gate agent in New York for being smart and funny while making her point when confronted with a passenger who probably deserved to fly as cargo. For all of you out there who have had to deal with an irate customer, this one is for you:

A crowded United Airlines flight was canceled. A single agent was re-booking a long line of inconvenienced travelers. Suddenly, an angry passenger pushed his way to the desk. He slapped his ticket on the counter and said, "I have to be on this flight and it has to be FIRST CLASS." The agent replied, "I'm sorry, sir. I'll be happy to try to help you, but I've got to help these folks first; and then I'm sure we'll be able to work something out."

The passenger was unimpressed. He asked loudly, so that the passengers behind him could hear, "DO YOU HAVE ANY IDEA WHO I AM?"

Without hesitating, the agent smiled and grabbed her public address microphone. "May I have your attention, please?" she began, her voice heard clearly throughout the terminal. "We have a passenger here at Gate 14 WHO DOES NOT KNOW WHO HE IS. If anyone can help him with his identity, please come to Gate 14." With the folks behind him in line laughing hysterically, the man glared at the United Airlines agent, gritted his teeth, and said, ".....!"

Without flinching, she smiled and said, "I'm sorry sir, you'll have to get in line for that, too." Life isn't about how to survive the storm, but how to dance in the rain.

### HEART GRABBER

**G**ot a welfare check call of a 92 yr old woman, who sometimes walks up and down the road and doesn't know where she is. Sometimes forgets her door is open so thinks she is locked out.

Neighbors call and said, she forgets a lot of things and her hands are ice cold to the touch. So they let her warm up in their home.

We go by and check. She has 2 sons who just forget about her. No food in the fridge, only milk and old lemonade. Only eating a bag of Cheerios, place hasn't been cleaned recently. All she wanted to know is why her sons don't bring her food or check on her. She said she just need a couple sandwiches or something to least not be hungry.

Without her knowing, we left and got her some groceries for her home. Big rotisserie chicken, some sandwich items to last a week or 2, some chunky soups, bunch of chips and meat, some waters. Knocked on her door and she was all smiles and in disbelief someone actually cared enough about her to even help.

Not always about running and gunning catching bad guys. Sometimes just showing someone they aren't alone can change their lives.

Like I said from day one, "Changing lives one smile at a time"

GRANDMOTHERS An essay by an  
8 year old

A grandmother is a lady who has no children of her own, so she likes other people's little girls. A grandfather is a man grandmother. He goes walks with the boys and they talk about fishing, tractors and like that. Grandmothers don't have to do anything except be there. They are old, so they shouldn't play hard or run. It is enough if they drive us to the shops where the pretend horse is and have lots of five cents ready. They are often fat, but not too fat to tie kid's shoes. They wear funny glasses and funny underwear and they can take their teeth and gums off. Everyone should try to have one, because grandmothers are the only grown-ups who have got time.
