Sept 6, 2023

To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: August 2023

Dear Fellow Residents:

Hurricane Season: LSR dodged another damaging hurricane this past month. The winds, rain, and storm surge were relatively benign. Please do not take hurricanes lightly. We are not yet in the peak of hurricane season.

Although the Tampa area has not been directly hit by a hurricane in over 100 years, it can still happen. Please register on the website disaster page and keep yourselves safe.

Water Usage: Water usage remains up this month. The pool is using fresh water to replace the evaporation (about 600 gallons a day) and we have more full-time residents in the park. However, the water usage seems to be increasing beyond what the board predicts even with these known increases. The board will be investigating leaks in the infrastructure and in the residents' homes. Please be advised that starting in the fall and winter, the board will come around to all homes and check for leaks inside the home. This check can be done from outside the home. In the event a leak is detected in the home, it is the responsibility of the homeowner to repair the leak.

Maintenance:

- A major power outage occurred in the Recreation Hall. A power panel caught fire and was destroyed. Outside contractors are being asked to evaluate and repair the damage. This repair could be costly and take several days or a few weeks depending on the cause and the repair. In the meantime, all activities in the hall have been suspended.
- Ron Markham and Andrew walked the entire seawall looking for any anomalies. None were found. The board is putting together several procedures including a seawall inspection procedure to ensure the park finds and corrects any problems early.
- A large branch fell from the oak tree by the entrance fountain. This was removed. Some damage to the fence resulted from the branch falling on the fence. The board will have the oak tree looked at by a professional to determine the cause.

Pool: Please remember smoking is prohibited inside pool fence.

Energy Use and Conservation: Electrical usage in the common areas is down 6% this year compared to last year. However, the cost of service is up 11.25%. The board expects that Duke Energy rates will continue to rise in the coming year.

Solar Power: The board is looking into the use of solar power in the park. This investigation will take some time and focus on the most impactful use of solar power for the residents.

continued on page 6

Financial Status:

- Financial information for August will be posted in the hall.
- The board has started the process of preparing the 2024 budget for the park. This will include the operating and reserve budget. A residents meeting will be held in early January to review the board recommendations.

Pets: For any pet related issues, please contact Paul Burke at lsrdirector16@gmail.com.

Board Meeting: The next board meeting to be held in the hall will be October 2, 2023, after coffee (assuming the hall is available for use).

Best Regards,
Steve Schaefer

When is a Palm Tree not a Palm Tree?

The answer to that question is – when it’s a Sago Palm Tree. Sago Palms are not true palm trees. They are actually Cyads, which makes them more closely related to an evergreen tree, like a pine tree. Cyads are an ancient group of plants that date back to the dinosaur era. Sago Palms can be toxic to pets and humans, as all parts of the plant contains Cyasin, which is toxic. Fortunately, Sago Palms require very little maintenance and pets usually show little interest in the trees.

The Sago Palm tree in this picture is located in Seminole Lake Resort, just past the laundry, not far from the pavilion.

Thanksgiving Day in Canada - October 9, 2023

Canadian Thanksgiving happens a full month and a half before American Thanksgiving, on the second Monday in October. Today, Canadian Thanksgiving Day lines up with Columbus Day and Indigenous People's Day in the United States. The tradition of Thanksgiving originated as a harvest festival. Thanksgiving is now seen as a time to gather the family, mark the start of autumn, and celebrate the harvest and good food of the season. Like the American Thanksgiving, professional football is part of the Thanksgiving tradition in Canada. Each year, the annual Thanksgiving Day Classic Doubleheader is broadcast nationwide, wherein four teams from the Canadian Football League play for Thanksgiving glory. In Canada there's no real post-Thanksgiving shopping craze, since Christmas is still so far off. However, in recent years, Canadian stores have started participating in November's Black Friday and Cyber Monday. So, have a safe and happy Thanksgiving Day and enjoy those roast turkey leftovers for the rest of that week.

Lake Seminole Resort – Trips and other Outings

It has been suggested that some LSR residents might have interest in a bus trip, or other outing, to various possible destinations around our area. This might include things like a bus or van trip to a park, casino, or perhaps to a baseball game or concert. We might also consider trips out of the area, such as on a cruise ship. To move forward with this idea, we need a few things from our residents.

- First, we need volunteers to help organize and plan trips. If you have experience organizing group trips, or if you just want to help out with organizing and planning such events, please contact the Social Committee at the email at the end of this article.
- Second, we need feedback on whether planning group trips sounds like a good idea.
- We need suggestions for trip ideas and destinations for outings including where, when, and about how much you would be willing to pay for a trip.
- Some of our residents are already familiar with a local St. Petersburg company called 'Travel is Fun Tours'. You can visit their website to see the types of trips they have to offer, that we might consider for our group outings. This company handles all of the details including transportation, meals, and tickets for events and destinations. Check them out at the website that follows. <http://www.tiftours.com/index.html>

To volunteer, or provide any other feedback on trips and outings, please contact the LSR Social Committee at sasmith27@yahoo.com

LSR CARES

LSR Cares is a new program within the Lake Seminole Resort community that will be here to help if a need arises. We can help you find services you may need; help direct you to resources that may be available to you, offer suggestions on who in the community may be able to help you and enable us all to support each other by doing good things and caring for each other.

LSR Cares has a dedicated email address- LSRCares@gmail.com

This email will be monitored by Ann Haines and Wendy Burke. We will help forward information or direct you to someone who may be able to help-we are asking everyone to please be aware of your neighbor and let us know if you think someone may need a hand with something.

If you are willing to help your neighbor by providing a meal, a visit, a ride to an appointment, or minor household tasks for someone going through a hard time, please let us know. We will compile a list of people who have skills or services they are willing to provide. We will also have a VIRTUAL lending closet for Medical Supplies and Grandmother Supplies. Please let us know if you have something to loan and we will offer the info to someone who may be looking to borrow either medical [crutches, walker, shower chair] or Grandmother items (high chair, car seat, pack-n-play). The loan would be from one neighbor to another so that items are returned promptly and in good shape.

Barbara Fix will continue to send cards to shut-ins. If you know someone who would like to receive a card, please forward the name and address to LSRCares@gmail.com and Ann will see that Barbara gets the information.

This is a new program for us so we are open for suggestions on how to make it run smoothly. Please help us to support each other and spread kindness throughout the community!!!

Wendy Burke, Social Committee Vice President

Ann Haines, LSR Cares Chairman

The LSR Book Club will meet again in the November 2023. Thank you to Sherry Brown for leading this group and keeping us on task - not an easy process! We have all read a lot, and we like to discuss our options. Some suggestions for summer reading include:

Hannah’s War by Jan Eliasberg, Mad Honey by Jody Picoult, The Thursday Murder Club by Richard Osman, The Orphan Keeper by Camron Wright, The Wife Between Us by Greer Hendricks, The Woman with the Blue Star by Pam Jenoff False Witness by Karen Slaughter, Cul-de-Sac by Joy Fielding The Party Crasher by Sophia Kinsella, Saving Cee Cee Honeycutt by Beth Hoffman, I’m Glad my Mom Died by Jeanette McCurdy

If you have some books that you have enjoyed, and believe others may also- please consider donating newer books in good shape to the LSR Library. We are trying to update our selection of books!!!Enjoy your reading! Wendy Burke, Social Club Director

You May Need An Audiologist

The easiest way to determine if you should go to an audiologist is to determine if you have hearing loss

SOME TELL-TALE SIGNS TO LOOK FOR ARE:

- People sound muffled or mumbly
- You have difficulty hearing high-pitched sounds such as birds, doorbells, your phone, or alarm clock
- It's challenging understanding conversations in noisy places, like a restaurant

But don't let this list define your hearing loss—you can (and should) visit an audiologist before you even have signs of hearing loss. This will ensure that if you do develop hearing loss over time, it's caught as soon as possible and prevents disruption to your life.

Pinellas County Emergency Information

<https://pinellas.gov/emergency-information/>

This is the link to the Pinellas County "Emergency Information" web site.
At this site, people can access;

1. Emergency Shelters - A list of shelters and if open, closed, or full and if a general shelter, pet friendly, or special needs
2. Special Needs - How to register for "Special Needs Assistance" and a list of special needs shelters.
3. Sand Bags - Info on obtaining sand bags for residents not required to evacuate
4. Emergency Road Closures - Road closures within Pinellas County
5. Know Your Zone - Evacuation zones - all mobile home parks are under mandatory evacuation during any evacuation order.
6. During and After a Storm - Information on cleanup after the storm.
7. Disaster Assistance - Information on insurance claims and FEMA

It is very important that any resident requiring assistance for evacuation, register on the "Special Needs" site. It is the only way that the County will be aware of their needs whether it is medical, mobility, or transportation, etc.

Our in-house LSR "Disaster Relief" form is to supply basic info to assist EMS and First Responders to perform search and rescue within the park during a severe weather event.

Therefore, events shown on the calendar below, that are usually held in the hall, have been moved to another location. Euchre Night is being held in the Card Room and Monday Morning Coffee is being held in the pavilion. The Halloween Party planned for the 28th, if the power to the hall is restored.

Puns to ponder

- Two vultures board an airplane, each carrying two dead raccoons. The stewardess looks at them and says, “I’m sorry, gentlemen, only one car- rion allowed per passenger.”
- Did you hear that NASA recently put a bunch of Holsteins into low earth orbit? They called it the herd shot ’round the world.
- Two boll weevils grew up in South Carolina. One went to Hollywood and became a famous actor. The other stayed behind and never amounted to much. The second one, naturally, became known as the lesser of two weevils.
- A three-legged dog walks into a saloon in the Old West. He slides up to the bar and announces: “I’m looking for the man who shot my paw.”
- Did you hear about the Buddhist who refused Novocain during a root canal? He wanted to transcend dental medication.
- A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. “But why?” they asked, as they moved off. “Be- cause,” he said, “I can’t stand chess nuts boasting in an open foyer.”
- A woman has twins, and gives them up for adoption. One of them goes to a family in Egypt and is named “Amal.” The other goes to a family in Spain; they name him “Juan.” Years later, Juan sends a picture of himself to his birth mother. Upon receiving the picture, she tells her husband that she wishes she also had a picture of Amal. Her husband responds, “They’re twins! If you’ve seen Juan, you’ve seen Amal.”
- These friars were behind on their belfry payments, so they opened up a small florist shop to raise funds. Since everyone liked to buy flowers from the men of God, a rival florist across town thought the competition was unfair. He asked the good fathers to close down, but they would not. He went back and begged the friars to close. They ignored him. So, the rival florist hired Hugh MacTaggart, the roughest and most vicious thug in town to “persuade” them to close. Hugh beat up the friars and trashed their store, saying he’d be back if they didn’t close up shop. Terrified, they did so, thereby proving that: Hugh, and only Hugh, can prevent florist friars.
- And finally, there was a person (guess who?) who sent 10 different puns to friends, in the hope that at least one of the puns would make them laugh. Unfortunately, no pun in ten did.

On being in the know

A man plummeted out of a ninth story window. He was lying on the ground when a crowd started to gather round him. Then a uniformed police officer came on the scene and looked at the man with astonishment.

“What happened?” the police officer asked.

“I don’t know,” the stunned and confused man answered. “I just got here myself.”
