## FROM THE PRESIDENT

By Mark Vetter

**H**ello Friends and Neighbors,  
Happy Thanksgiving to our Canadian residents! (October 9th) Enjoy!  
Thank goodness, Hurricane Idalia did not come ashore close to us.  
We missed getting hit once again. We were blessed with only rain bands and some wind. However, the wind and storm season brings to mind that many of us have been a bit negligent with potential flying missiles sitting outside our homes. Some residents have left items outside their homes that during the hurricane/storm season lay in wait to become flying missiles that could cause a great amount of damage. Please be mindful of these items, especially when traveling away for the summer months or even on a short vacation for several weeks. Our rules cover this in paragraph “d” under “Homeowners Responsibilities”.

We have such a beautiful park with many nice trees. In recent years however, some of those trees have been taken out by disease or needs of our homeowners. If we continue to have trees removed without replacing them, our park will lose much of its grand beauty. I have asked Dave, Bev Richards and Richard Wolfe to put together a list of trees that the Board should consider as a one-for-one replacement tree policy whenever a tree from any of our “common areas” is removed. For clarification, our common areas are: the park central square (area containing the office, clubhouse, pools, shuffleboard courts, bocce court, pavilion and billiards building); the drive in along Orleans Way and the areas immediately around both Postal/Laundry buildings. I would like to recommend that residents possibly consider buying and placing one of these recommended trees within the common area in memory of a loved one. Such trees could also have a small plaque with the loved one’s name placed at the base of the tree.

Additionally, residents may want to follow these same tree recommendations when considering adding a tree around their lot.

By replacing trees with new ones and even adding some to our lots, Clearwater Cascade will continue to be one of the most beautiful parks in the area.

Cheers!

Mark

## MANAGER'S MESSAGE

By: *Bobbi Gumm, CMCA*

---

Welcome Back – Several of our snowbirds have begun returning to their winter homes in Clearwater Cascade. Please don't forget to call the office to let us know you are back so we can sign you in.

Returning to the Park – Please turn on an outdoor spigot and let the water run until it is clear. We have had a couple of issues with the main water line this summer and we don't want you to bring in any sediment into your home's water source.

Vehicle Registrations – For those that have not registered their vehicle with the office, please come by with a copy of your registration. The office will have you fill out a short form and provide you with a CWC sticker. Golf carts also need to be registered with the office along with stickers of your lot #.

Update Information – Please let the office know what physical address you want your Annual and Budget Meeting notices sent to by email at [office@clearwatercascade.com](mailto:office@clearwatercascade.com)

Shuffleboard Courts – Sometime this fall the shuffleboard courts will be resurfaced. I do not have a date yet, so stay tuned!

Craft Fair – The annual craft fair is Saturday, November 18th, so crafters get ready, it will be here before you know it!

Farmers' Market – Please note that the Farmers Market will be held the 2nd Wednesday of every month from 11am to 12pm at the Forbes Rec Center. 6401 94th Ave.

That is all I have for this month, take care, and stay safe.

**H**appy October, everyone! I love this month. It is cooler but not cold, just right to wear a jacket but not winter gear (usually). The colors of nature are wonderful. Canadians have Thanksgiving, and, of course, there is Halloween. Many of us are used to seasonal weather and enjoy the changes that each season brings. Even winter has its positive side. No matter where you live, there are changes. Different flowers at different times, some changes in temperatures, sunshine, rain, and humidity, to name just a few. Wherever you

## CLEARWATER CASCADE HISTORY

By April Loomis

One Tuesday night, while enjoying the people at “pool chat”, I mentioned that our park would celebrate 30 years as a resident owned park in 2024. One of our newer residents inquired about the origin of CWC. Why the name? What was it before 1994? Who were some of the past presidents of the board? How old are the buildings and the pool?

This inspired me to share this information in the Chronicle over the next few months. So, starting next month, please enjoy learning about our park’s history seen through the eyes of some of our long-time residents. If you have something you want to share, please contact me and I will be happy to include it in my articles.

### LIBRARY & BOOK TALK

By Ann Vetter

#### Library News

I want to thank the family and friends of George Becker who donated to our library in his memory. This allowed us to more than double our large print collection. George enjoyed reading and supported the library. We are honored to be able to remember him in this way. I also want to thank my library partner Debra Wadkins for selecting the books. She did a wonderful job of choosing so many great titles.

Our first Book Talk of the season will be Saturday, November 11, in the library at 11:00. If you know of any readers invite them to join our group.

Happy Reading!

Ann Vetter

# HALLOWEEN SUDOKU

EASY	O		N	L		H	I	e

	E		e	H		A		O	I
		I					A	W	
	W	N		E				L

Use these letters to fill in the grid just like a regular sudoku:

**H A L L O W E e N**  
 .....  
 .....

There is only one rule to sudoku: Every row, column and box of 3x3 cells must contain each letter shown above exactly once. Because we used the word Halloween, which has two of the letter "L" and two of the letter "E," we used an uppercase and lowercase letter for each. Good luck!

HARD		E			N			H

## VOLUNTEERS

By Jane Boucher

**F**all is upon us and a few Snowbirds are returning earlier than usual, welcome home! We also have many new neighbors in our community, according to our last Board meeting, we have had 27 homes change ownership since the first of this year. And we are meeting our new residents at several of our ongoing activities, i.e., Euchre, Spades, Bunco, Water Aerobics, Line Dancing, monthly Ladies Luncheon, and our weekly Poolside Chats. etc. Thank you to our Summer Activities Committee and the many volunteers who keep these activities going.

The cooling & heating units have been replaced that take care of our adult pool, family pool and the spa. And folks are thoroughly enjoying the cooler water temperatures in our pools. Thank you to our Board and Management who made this all happen.

The Veterans' Group has a new sign for their bulletin board in our Clubhouse, thanks to our Board for their approval. We are slowly updating this bulletin board to bring current and pertinent information for our Veterans. We invite you to join us for our monthly meetings which are held in our Library on the first Sunday of the month from 3:00 PM to 4:00 PM. Also please mark your calendars for the Veterans' Day Cookout, brought to you by our Veterans' Group. We will post sign-up sheets in the Clubhouse and both Mailrooms in October, this is so we can have an approximate headcount to make sure we cook up enough hamburgers and hotdogs. This is a free event and we encourage folks to bring a side dish or dessert to share. The Veterans' Day Cookout will be held in our Clubhouse on November 11, 2023 from 5:30 PM to 8:00 PM. All are welcome.

Our Annual Craft Fair & Bake Sale is happening on Saturday, November 18, 2023 from 9:00 AM to 1:00 PM. Our Bake Sale will be brimming with delicious goodies to please your sweet tooth. We invite all you fabulous bakers to bring your delights to fill up our Bake Sales tables. All proceeds go to the Community Activities Committee to help fund sports and events they put on throughout the year. So far, we have 23 vendors confirmed, expanding our vendor space to include inside our Clubhouse and the outside areas surrounding our Adult pool. There are eight new vendors from outside Clearwater Cascades, which should help bring more customers to shop the wide array of items we will have for sale.

As always, we want to thank the many volunteers who help make this such a wonderful community with so many happenings to help you get to know your neighbors. Come join in the fun!

# You May Need An Audiologist

The easiest way to determine if you should go to an audiologist is to determine if you have hearing loss

## SOME TELL-TALE SIGNS TO LOOK FOR ARE:

- People sound muffled or mumbly
- You have difficulty hearing high-pitched sounds such as birds, doorbells, your phone, or alarm clock
- It's challenging understanding conversations in noisy places, like a restaurant

**But don't let this list define your hearing loss**—you can (and should) visit an audiologist before you even have signs of hearing loss. This will ensure that if you do develop hearing loss over time, it's caught as soon as possible and prevents disruption to your life.
