ON THE COVER:

Lincolnshire Remembers:

Photos of past events and residents that have been featured in past voice articles. Do you remember? The October Halloween dance was an event that brought many residents together for a delicious meal great costumes and lots of fun.

FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Just a reminder for everyone. The November issue is due October 10 - and – the December date is November 6, and the January deadline is December 5. I understand this makes it a little difficult to get articles in for the month that follows the deadline date because some of the events that you will be writing about have not yet happened – just be imaginative in your writing. What is important is that we have content to print. If it is not submitted on time, it will not appear in the issues in question.

Also, you may notice that the front cover photos for the past few months have been a collage of older photos that have been used in past years somewhere in the voice editions. The reason is not just to create a feeling of nostalgia, it is also because we do not get new photos from residents of events that have gone on in the community that would make up a proper front page cover photo. For this we need your help. Photos to be used should have a definite central figure. We can't use, for example, a photo of corn hole that pictures two ends of a large court with people on each end and nothing but floor in the center of the photo. If you wish to have a photo published, please consider your subject, and take a photo that centers the main object you want to portray. This will make your voice editions more appealing to your neighbors as they see their friend on the front cover.

Now for another important notice. I will be retiring as you voice editor in the very near future, and a new editor will need to take over. The December issue of 2023 will be the final edition that I will be acting as your editor. Someone will need to step up to take over for the January 2024 edition. The editor will need to be a year-round resident, and should have a good knowledge of Microsoft word, and perhaps a photo editing page on their computer. Please consider giving some of your time to your fellow residents to keep the voice going strong. Over the past 10 years of editing your voice, we have introduced some new pages, and eliminated some older ones that seemed to go by the wayside with our new residents. The only other requirement is a new editor should be imaginative, and completely non-political in any way.

I hope to hear from a new volunteer soon, just give me a call and I'll be glad to help you along. Thank you all again.

Donna

FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

Our first hurricane has come and gone. Thank you to all who removed their plants to keep them from being flying objects and a special thanks to Tammy Harvey for helping so many. We still have a couple of months before the season is over so, please watch and listen to what the news is telling us. Always be ready to leave if you must.

On October 11th Jennie will be at coffee hour to talk about the new things with Humana and Medicare healthcare plans for 2024. Try and come to that coffee hour to get the latest updates from a medical insurance professional. Great chance to thank Jennie for our free donuts for the 1st Wednesday coffee hour every month.

Some of the snowbirds will be back and just as a reminder the sliding doors in the hall are locked and should remain locked. We want you to use the other doors in the hall. Also, at coffee and during functions utilizing the kitchen we will be locking the kitchen door because when we are in there it just gets a little busy with everyone coming into the club house via that entrance. And a reminder, there is no smoking in the pool area.

We have lost a few long-time friends that have moved back north for good. Toots, we will miss her and the residents' clubs says thank you for all the help she gave us while she was here and we are also losing Jean McConnell, the block captain for fifth street, she to is going to live with her daughter just a few minutes away and will come back to see us. Thank you for getting the voice each month to your neighbors. You will be missed.

Keep in mind December 2 is our carport sale and any items that you don't sell and have room to hold them for the Bazaar we will be holding on the first Saturday in February.

We would like to do a cookie exchange this year. First and foremost, we need someone to chair the function. Please contact Linda Casey so we can get a sign-up sheet and make plans. I think this will be fun and I know we have some great bakers out there.

So, let's start out the new year right
Thank you, Welcome back
Linda Casey, President.

ENTERTAINMENT COMMITTEE

By: Teri Jones.....(#210.....269-207-0466)

Greetings from everyone on the Entertainment Committee and Happy Fall!!

August 27th was our Music Bingo and Pizza event with about 73 people in attendance. Our DJ for the evening was Gabe Bernardes of Dabba Tunes. Gabe played familiar and fun music for us to bingo to, with 4 games being about color and 4 games about cities/states/places. There were \$10 Publix gift cards given as prizes for the 8 bingo games; 12 raffle ticket winners at \$25 each; and two card game winners at \$102 each. We had plenty of pizza which tasted great! Everyone had a fantastic time and there have been several requests for a repeat performance. Maybe we can do that when the snowbirds return, which isn't far away.

September 4th was the annual Labor Day luncheon. There were 57 people who came to the clubhouse for a delightful meal of sub sandwiches, chicken fingers, macaroni salad, baked beans and chips. Pop, water and beer to drink plus ice cream and cookies for dessert. The ladies of the Lincolnshire Residents Club deserve kudos for a wonderful lunch.

September 16th was our second round of summer karaoke. Once again a great time was had by all. Raffle tickets were sold and given out and our residents sang their hearts out.

Our first dance of the season is coming up soon -- October 28th. Tickets are \$10 and will be available for purchase soon at coffee. Entertainment is Bandstand. Get your costumes figured out and get in the Halloween spirit. There will be a costume contest, raffle tickets will be sold, and there will be lots of dancing. BYOB and snacks. We also heard there will be some special door prizes!

Our other dances are listed below. Ticket prices remain at \$10 (with New Years Eve being the only exception) and, as usual, BYOB.

November 10	Welcome Back Danc	Michael
December 16	Christmas Dance	Al Ruggiero
December 20	Christmas Social	
December 31	New Years Eve	Bandstand
January 13	Winter Dance	Bobby Stillwell
February 10	Valentines Day Dance	Al Ruggiero
March 15	Farewell Dance	Sequel
April 6	Spring Dance	Britney Moni'

Join in the fun and get to know your wonderful residents/neighbors. You never know who your next best friend might be.

CAUGHT YA' DOIN' SOMETHIN'GOOD

BY: Teri Jones:.....(#210.....269-207-0466)

My across-the-street neighbor Mike recently had a medical issue with his foot that precluded him from doing much walking. And Mike, of course, is one of our residents who does his own yardwork.

So his mowing, trimming, edging and blowing looked like it would be going by the wayside. But wait....in appears Lil, Mike's next door neighbor. She volunteered and did all of Mike's yardwork not just once, but once a week for at least a month. Lil has also been a great back yard neighbor to Florence. Lil takes her to the doctor and to the grocery store on a regular basis. After Florence had a fall recently breaking bones and skinning herself up, Lil was right there to help, including going to the airport to pick Florence's son up. Lil does this and more for other neighbors and that's what I call a great neighbor doing something good.

When Hurricane Idalia was coming for a visit in August there was a lot of "hurricane preparedness" going on. I observed first hand many residents reaching out to their neighbors to help. In particular, I saw Sherman Bettencourt going to his neighboring homes putting away chairs, securing grills, potted plants and anything that had potential for flight in high winds. Sherman went above and beyond and deserves a HUGE thank you. So thank you, Sherman, for doing something good.

On a more personal level, two people joined forces to give me a very nice flamingo themed birthday party. Because everyone I know is very much aware of my passion for flamingos. Linda Benson and Patt Magee did something good for me and it was appreciated a great deal. You gals are da' bomb!!

WELCOME TO LINCOLNSHIRE

BY: Vicki Marentette (Lot 950..281-2382) and Marge Kristall (Lot 1523...474-5737)

Linda Casey and I (Marge Kristall) had the pleasure of meeting several of our newer residents at our August New Resident meeting. Great spending some time introducing them to our Lincolnshire community.

Lot #1555 Harold and Donna Tanner

Lot# 218 Mark and Sandy Terech

Lot# 104 Ashley John

We will not have a meeting in October. Instead, Linda and I will reach out to the many new residents that have moved in over the last several months in person. We hope to catch you at home, not take up much of your time but introduce ourselves and welcome you to Lincolnshire.

You May Need An Audiologist

The easiest way to determine if you should go to an audiologist is to determine if you have hearing loss

SOME TELL-TALE SIGNS TO LOOK FOR ARE:

- People sound muffled or mumbly
- You have difficulty hearing high-pitched sounds such as birds, doorbells, your phone, or alarm clock
- It's challenging understanding conversations in noisy places, like a restaurant

But don't let this list define your hearing loss—you can (and should) visit an audiologist before you even have signs of hearing loss. This will ensure that if you do develop hearing loss over time, it's caught as soon as possible and prevents disruption to your life.

COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

Reminder: the 2019 Lincolnshire Cookbook is still available for sale
A Halloween devil egg special – not from the cookbook this time, but
a good seasonal item

Devil Tea Eggs

Ingredients

- | | | |
|----------------------|--------------------------------|------------------------------|
| ½ C dark soy sauce | 2 TS chili oil | 2 TBS loose black tea leaves |
| 1 TBS 5 spice powder | kosher salt | 1 tsp sugar |
| 12 large eggs | 3 TBS miracle whip | 1 TBS Siracha |
| mustard | Freshly ground pepper | orange gel food coloring |
| | Black sesame seeds for garnish | |

Method:

Combine water, soy sauce, chili oil tea leaves spice powder, 2 tsp salt and sugar in medium pot. Bring to a boil and simmer covered for 10 minutes. Turn off heat and cool completely.

Meanwhile boil eggs in water for 7 minutes. Remove eggs and transfer to a bowl of ice water let stand until cool.

When eggs have cooled, lightly Crack the shells all over (the goal is to make enough cracks to allow flavor from the soy sauce mixture to steep into the egg – roll them on a kitchen towel will work well) Add the cracked eggs to the soy sauce mixture – be sure they are submerged – refrigerate for 24 hours Peel the eggs, cut a small piece off the wide bottom so each will sit flat, then cut off the top. Scoop out the yolks into a small bowl, mash and mix with miracle whip, mustard, siracha and pinch of salt & pepper – tint with orange food color.

Pipe the filling back into the egg whites and sprinkle with black sesame seed – refrigerate until serving.

October 2023

So glad that we here at Lincolnshire were spared any damage from wind or flooding from Idalia.

Our hearts go out to our fellow Floridians north of us that are now trying to rebuild their homes and lives. We still have October and November to keep watch for any other storms that could affect us. Please be watchful and prepared in case you need to evacuate.

So, October should be the start of some cooler weather for us (hopefully). I started to dig

...continued on page 30

out some of my fall recipes. Zucchini bread and pumpkin muffins might need to pick up some caramel apples and apple cider from the store. My family up North always sends me envelopes of fall leaves every year. Many have been laminated and make great bookmarks.

October also signals that time of year when we as Seniors get initiated with mail regarding all the Medicare updates and insurance choices we need to review before December 7th. Don't forget to mark your calendars for October 11th, when we will have Medicare 2024 updates presented to us after Coffee hour by Jennie. Jennie has been assisting Lincolnshire residents for many years with their insurance questions. She also sponsors our donuts the 1st Wednesday of every month. Enjoy October. Make sure you check our Voice calendar for all of the great activities we have to offer.

Dates to look for in October.

10/9 Columbus Day - a federal holiday, most banks and government offices are closed. Not all schools and post offices are closed for this holiday. 2023 marks the 531st year since Columbus's first historic voyage. Columbus actually landed in the Bahamas and later saw the coast of Cuba. He thought he had discovered China. Some sources state Columbus died not realizing he had traveled to a new continent, other claim he died still believing he had discovered a route to the Far East. Whatever, his multiple voyages to our area of the earth connected the Old and New Worlds.

10/21 Sweetest Day - I'll bet this date brings back memories. 3rd Saturday in October set aside to show love and appreciation to the people that matter to us the most. Mainly observed in the Midwest, Northeast & Florida. People give gifts and perform cute gestures to those they love. Initially was a date set aside where women treated their male partners to candy. We do not see much of this observance in recent years. Maybe it is time to bring it back to life!

10/23 National Pumpkin Day - Pumpkins have been in existence in America longer than we've been a country. Scientists claim that pumpkins date back to 5500 BC. French explorers discovered them in America back in the 1500's. Grown by the Native Americans near riverbanks they were a large part of their diets. Historians believe pumpkins were already served on Thanksgiving in 1623.

Illinois is the state that produces the most pumpkins. Morton, IL is the pumpkin capital of the World, responsible for 85% of the world's canned pumpkin.

10/28 National First Responder Day - June 7th, 2019, the Senate approved that this date be set aside to honor our 1st Responders. First responders are ready day and night to attend emergencies that could be life threatening to them. This day reminds us of the selflessness and sacrifices in some of the most dangerous careers that exist.

10/31 Halloween - Originated in ancient Britain and Ireland on the full moon closest to November 1st. Celts celebrated by offering gifts of food, drink, and sweet goods to appease the spirits so that they would not harm them. People often dressed in costume so the spirits would not recognize them. Halloween is the second most commercial holiday in the country. A quarter of all the candy sales happen during this spooky season. Hope you have your Halloween

The league will probably start November 9th

I will have sign -up sheets in the laundry room for new bowlers or those who didn't bowl last year. I will have the list of teams from last year with changes I am aware of

Let's have a great fun year. And please let me know if you are coming to practice on Thursdays – 11:45 – so I can reserve the lanes needed

GOLF:

By: Jane Pastva

I again this year will be running the men's golf league.

The men's league golfs on Fridays at the Landings Gol Course, 1875 Airport Road Clearwater.

I arrange the teams and schedule the tee times. I give a sheet to the driver and that driver contacts the other members to let them know pick up time and T time. As last year, I will post a sheet in the laundry room with all TEE times & teams.

This year I would really appreciate it if I could get everyone's emails. You can contact me - jane Morgan (Pastva) at 330-718-7789.

I deliver sheets to the drivers on Wednesday- Thursday Am the latest. The driver then calls the men on his team to let them know pickup/tee times.

I am hoping to get the league started by Nov. 10, 2023

If we have enough guys (16) who want to golf before then, I will talk to landings and see if we can start in Oct.

Any new golfers that have moved in contact me @ 330-718-7789 ASAP and I will get you on the schedule.

Thanks

Jane

VETERAN'S CORNER

Interesting story about the 194-year-old West Point time capsule that was opened this week and originally believed to contain only silt produced a handful of historical artifacts, the academy said Wednesday. Six coins and a commemorative medal were found in the hardened silt at the bottom of the one-cubic-foot lead box that was pried open earlier this week. During a much-anticipated event at West Point's Thayer Hall on Monday, curators, archaeologists and historians appeared disappointed to find mostly hardened sediment in the capsule.

After analysis, the academy said that it found five coins of varying worth and ages from the 1800s. Another coin, a 5-cent piece, was from 1795, and a nearly two-inch Erie Canal commemorative medal from 1826 emerged from the gray, crusty box as well. "The box didn't quite meet expectations," Paul Hudson, West Point's archaeologist, said to the crowd as he removed shards of fragmented sediment from the box during the opening Monday. While disappointed, the experts on stage said they would sift through the contents to see whether there was anything of historical interest caked to the bottom. "We don't want to think that they went to all the trouble to put this box in the monument and not put anything in it," Hudson added.

The complete list of items removed from the box were:

The time capsule was discovered in May when engineers and public works officials were renovating the statue of Thaddeus Kosciuszko, a Polish-born general who helped fortify the academy during the American Revolution. Following its discovery, administrators and students built much hype around the box. A panel of historians was invited to speculate on its contents, but they did not get the chance to do so Monday. "This is an incredible story that involves so many of West Point's heroes, and many of them are the Army's and our nation's heroes," West Point's dean, Brig. Gen. Shane Reeves, said at the event. "We should reflect upon and be inspired by our history to pause and realize we have the immense honor and responsibility to continue the legacy that Kosciuszko started, and that West Point continues to live up to his vision from so long ago," Reeves added.

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC. P.O Box 1822, Largo, FL 33779

L.H.O.A is a Florida Statute 723 mandated non-profit Tenet Association (State law).

DID YOU KNOW THIS ABOUT YOUR OWN HOA?

The 2024 LHOA membership enrollment starts on October 1st and goes through December 31st. The \$15 yearly assessment is an small yearly premium ensuring LHOA is funded with sufficient reserves to meet mandated obligations plus the operating expenses of a Florida non-profit corporation (since 1995). LHOA accepts and takes these responsibilities very seriously. Payment can be by check (please make out to LHOA) or cash to the following HOA Officers: Eric Salabay (Treasurer) Lot 217, Jane Johnson (President) Lot 1215 and Jody Brown (Secretary) Lot 620.

And the weekly clubhouse coffee meeting at the recreation hall offers another convenient source for paying the \$15 yearly assessment. Look for the LHOA representative attending. New members asked to fill out a simple form that allows LHOA to represent them in any negotiations or potential mediation with the park owner. Plus, contact information allows important email notices and mailing of valuable information whenever necessary. Especially for Members who are not yearlong residents.

Continued on page 38

Plus, these...

LHOA has Board meetings monthly (posted in the LHOA bulletin board in the laundry/post office box building) and are business related though members are always welcome. LHOA has at least two *stated* Member meetings, January, and February (Annual) each year. (*Stated* Member meetings require Members to sign in when attending). Nonmembers can certainly attend though do not have a voice or vote. November, December, March, and April Member meetings are usually town hall style (open to Members and non). Dates will be in the Monthly Voice for both Board (flexible when needed) and Member meetings plus posted on the bulletin board in the laundry/post box room as required by Florida State law.

As a reminder, LHOA has an attorney, often called our legal representative or legal agent. This addition of legal expertise is a true hallmark of LHOA. Unfortunately, there are Florida 55+ rental mobile home parks that do not have a legal agent to discuss Park issues. The LHOA attorney counsels LHOA.

Again, join and maintain your yearly support of your Lincolnshire Homeowners Association. LHOA Membership is voluntary, LHOA does not own or manage the park. LHOA membership is not included when we bought our home or in the monthly lease payments! Join and Support.

I have updated this article each fall in the last 8 years of writing for the Voice. I still feel a need to include this topic again. This article is part one with part two in November. Lincolnshire has experienced a definite change in coach ownership since Covid and now has more wonderful people from all over. Really does not matter where we moved from to live here full time or spend a month being warm and enjoying the Florida sunshine. I hear the word “paradise” every day in Lincolnshire. Moving to a new home and the outside surroundings does create potential for accidents like falls.

When it draws down to falls whether causing inconveniences each day for a week or so, tragic life ending, or life altering injuries always lurks. Just does not matter when simple precautions and keeping our eyes open for hazards. The results can be tough. New research shows fatal falls have continued to triple in older adults in recent years, rising to more than 45,000 fall related deaths yearly. Percentage does not seem to matter where we call or called home. Also, an increase when we are away from home for a short trip or a long vacation. Not good. Not to mention the impact on our own lives, families, and close friends.

Traumatic and life altering brain injuries often happen from hitting hard objects like sinks, tables, and concrete steps. Falling backward can result in a severe concussion too. Plus, the associated hip/leg/ankle fractures leading to a very steep health decline are among causes of

death in older adults who fall. Older adults fall forward. That is why so many broken hips, wrists, elbows, and shoulders plus a nose or two. We no longer fall backwards as we did when toddlers. Comfortable back there so many years ago.

Reasons deaths with major injuries from falls have increased because we are living longer, independently, and living with other medical issues that can affect mobility and sensation. Our sight improves though our sensations of touch (pressure) and movement when we walk around our coach do not get the brain's attention, we had just a few years ago.

Often medications can make us prone to falls. That includes prescription drugs affecting balance. Certain psychiatric medications that can cause drowsiness and vision problems have increased in recent years.

Falling is not 100% preventable though you can get pretty dog-gone close. If you want, I certainly do. That is a great goal for all of us at Lincolnshire or at your home wherever that wonderful place is. Falls can happen anywhere! And do! We cannot fall up from the floor, but the floor can cause us to fall. More on that later (a ploy to keep you reading.)

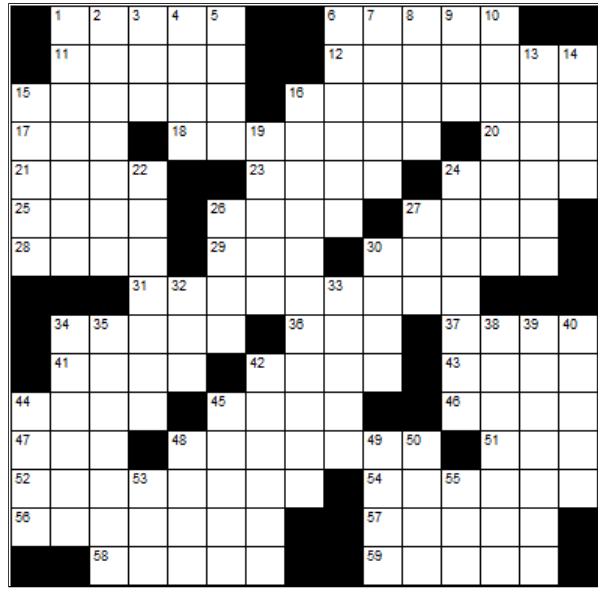

Let us face the fact that all our senses begin to age, often accelerate as we get older. And the senses do not always age in the same manner or rate. Sight, Sound, and Touch are used constantly to assist in propelling all of us and our movement. When a person's ability to hear is taken away they are tentative. Simple example. You are walking on loose gravel, you feel it through a sense of touch, hear the crunch plus see it. Our pace gets adjusted to slower and bit more cautious. Gosh we are miraculous. Well, I think so. Always did. Next month is part 2 where we look at specific hazards in and around home. See you then.
