President's Report

By Paula Bunevith #202

Hello everyone, Hope you are all enjoying this great fall weather. Warm sunny days, and Cool nights. Weather here at the Cape, has been ok. 13 out of 19 weekends we have had rain, so that is enough of that.

It has come to the boards attention this summer after several complaints that we have several residents who are not keeping up with this landscaping while they are away. In the Rules and Regulations which are available on our website in case you don't have a copy with you . Pages 5 & 6 states that members are responsible for the overall appearance of their home and lots at all times, even when not in residence. Members who leave the community for a period longer than one month MUST arrange for someone to care for their lots. Lots that are not maintained to satisfactory standards will be maintained by GAROA and the resident will be charged the current hourly rate for cleanup. If you have been gone for more than one month and did not plan to have someone take care of your lot and you have live plants and bushes this applies to you.

The beautification of our park is everyone's responsibility whether you are here or not. Residents should not have to live near someone that is not keeping their property to the standards in our rules. The standards are in place to keep the park in pristine shape 365 days a year. Thank you for your cooperation and understanding.

Safe Travels to all, until we meet in our little place of Paradise Golden Acres.

From the Editor's Desk

By Sue Bailey #188
suebail999@gmail.com

Now that autumn is here, I'm looking forward to seeing everyone's smiling face again as you will be making your way to Golden Acres for the winter months. I am grateful that hurricane season will be ending the end of this month. Moving on, here's to a lot of happy times as we enjoy each other's company at all of the events that have been scheduled for this winter.

Many thanks to all of you that contributed articles and pictures for this month's newsletter. You will read about a trip to California, what is that bird?, the loss of two more wonderful residents this month and they will be missed, news in health, and fraud watch.

Some important dates for November include Daylight savings time ends on November 5th, so don't forget to set your clocks back one hour (fall back), Veterans' Day for the US and Remembrance Day for Canada is November 11th, and Thanksgiving is November 23rd.

Quote of the Month: “Embrace uncertainty. Some of the most beautiful chapters of our lives won’t have a title until much later.” – *Bob Goff, Author, and speaker.*

Until next time,
May God bless and keep you well and safe...

Greetings from the Office

By Karin Desmone #1

Please welcome John & Margaret Sannachan #40 to the park. Congratulations and may you find lots of happiness, fun, and laughter in your new home.

What is it, you ask?

By Manfred Grassler #178

It’s a spruce grouse, commonly called a partridge.

Recreation Report

*By Debbie Douthit #60
Recreation Chair*

Happy Fall! Pumpkins, fall leaves, and cooler weather prompts many snowbirds to migrate back to our lovely Golden Acres Community.

Time to join together for an informal coffee hour each Wednesday in November @ 9:00 and hear exciting stories from our extended travelers.

Be sure to give a big shout out to our secretary Bob Mickle for compiling this year’s calendar, along with a plethora of tasks he and Lynn take on for our community.

A special thank you to Frank St. Peters and Claudia Burke for November coffee and clean up. We appreciate the two of them and I’m sure they would welcome anyone they can recruit to lend a hand. Signup sheets are on the bulletin board for the month of November and December. If you would like to Emcee coffee hour, etc. please sign up.

The recreation committee wishes each of you a blessed Thanksgiving with loved ones, possibly over a wonderful meal of turkey and pumpkin pie while reminiscing about years gone by and enjoying special family time.

Please bring your own plates and utensils. If there's not enough interest, or for any other reason for cancellation, a sign will be posted one week in advance on the club house doors.

A big thank you to Deb Farris for her excellent aquatic instruction. She is very knowledgeable, and we are fortunate to have her volunteer again this season. Class schedule is Monday, Wednesday, and Friday @ 10:30 a.m. beginning Nov.1. "Weather permitting." Please reach out to Deb @ unit # 28 with any questions you may have as a first-time participant.

November Event: The blood mobile will be making another visit to Golden Acres (Once Date and time are confirmed, Karin will post on the club bulletin board.)

Thank you to each full-time resident for watching over the park and keeping it running year-round. Your diligence and efforts do not go unnoticed.

Blessings and good health... until next time.

California Days

By Roz Frabotta #72

My final hurrah to summer was a mid-September trip to California to visit my nephew, Kevin, and his wife, Nancy, and the timing just happened to coincide with the Cleveland Guardians (formerly Indians) playing the San Francisco Giants at beautiful Oracle Park in San Francisco.

I got to check another ballpark off of my list...and very much enjoyed doing so!

And of course, you can't have a trip to Cali without chillaxin' at a winery and enjoying some vino!

One of the highlights of the trip was a visit to Fairytale Town, an adorable children's fairy tale themed park in Sacramento, where my nephew, Kevin, is the executive director! I'm so proud of Kevin and his leadership at the non-profit Fairytale Town! It is just delightful! I enjoyed seeing all of the areas for creative play and fun, and I even got to release my inner child at the various rhyme sites, including walking the "Crooked Mile." The crooked mile is really only .1 mile but definitely fun!

We also managed to squeeze in a trek to Lake Tahoe and its breathtaking views.

The perfect trip came to an imperfect ending when my flight was delayed/canceled. It forced me to spend an extra night in Cali and fly coast to coast to get back to the Midwest! (Sacramento to San Diego to Baltimore to Cleveland??? Seriously! No wonder I had to take off at 6am. Crazy!!)

Looking forward to a new snowbird season filled with friends and fun at Golden Acres! See you soon!

Treating Hearing Loss to Help Brain Health

From NIH (News in Health) [newsinhealth.nih.gov](https://www.nih.gov/news-in-health)

More than 6 million people in the U.S. are living with dementia. The condition causes loss of thinking abilities, memory, and other cognitive skills. Safe and affordable ways to prevent or slow the age-related loss of brain health are greatly needed.

Past studies have linked hearing loss to the development of dementia. So, treating hearing loss may be a way to slow or prevent brain problems. A new study tested whether hearing aids could help.

Researchers recruited nearly 1,000 older adults with substantial hearing loss. Half of them were given hearing aids. The other half received an education program about healthy aging. The researchers then measured cognitive decline over the next three years.

Participants who received hearing aids found that their ability to communicate improved. Those in the other group saw no improvement. Overall, both groups had similar rates of cognitive decline. However, people at increased risk of developing dementia, such as those

with diabetes or high blood pressure, benefited most from the hearing aids. Among these, the people with hearing aids had about half the rate of cognitive decline as those who had similar risks but didn't get hearing aids.

"Hearing loss is very treatable in later life," says Dr. Frank Lin from Johns Hopkins University. "We recommend for general health and well-being that older adults have their hearing checked regularly and any hearing issues properly addressed."

Medicare Season is Scam Season

By Sue Bailey #188 as an AARP Fraud Watch Fighter

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

continued on page 14

From October 15 to December 7 each year, Medicare's open enrollment period allows beneficiaries to evaluate their healthcare coverage and make changes for the upcoming year. Unfortunately, this also means a spike in Medicare scams, as criminals exploit the heightened public attention and target beneficiaries who may feel overwhelmed with their healthcare choices. If you or a loved one are on Medicare, here are some tips to help you avoid scams during this open enrollment season.

How It Works

- You receive a call, text, email, or an in-person visit from someone posing as a "Medicare" agent or insurance provider.
- You may be urged to act quickly to avoid losing your benefits, pressured to purchase a limited-time offer that promises to save you thousands of dollars or enticed with a free gift.
- Or you could be told that Medicare is issuing new cards and needs to verify your information.
- They may request sensitive information, such as your Medicare and Social Security numbers or bank and credit card information.

What You Should Know

- Criminals often use caller ID spoofing to make a call appear as coming from Medicare or a trusted source.
- The scammers may sound professional, claim to represent Medicare, and have some of your personal information. But in reality, they're trying to steal your money, Medicare information, or your identity.
- Legitimate government agencies won't contact you to ask for your Medicare number or other personal information unless you've called 1-800-MEDICARE first.
- Medicare is not sending out new cards; anyone suggesting otherwise is lying to you.

What You Should Do

- Protect your information and never share your Medicare or Social Security number (or other personal information) with anyone who contacts you out of the blue by phone, text, email or shows up at your door.
- Be suspicious of unsolicited, aggressive, misleading, or too-good-to-be-true offers for a new Medicare plan, and don't be rushed into making a decision. You have until December 7 to enroll, and Medicare doesn't offer extra benefits for signing up early.
- Beneficiaries can safely compare plans and change enrollment by going to [medicare.gov](https://www.medicare.gov) or calling 800-633-4227.
- Each state also has a [State Health Insurance Assistance Program \(SHIP\)](#) that offers unbiased, one-on-one counseling to help you navigate the complexities of Medicare.
- Contact the [Senior Medicare Patrol](#) in your area to report Medicare fraud or abuse and to seek assistance.

Need affordable Medicare that's in step with your life?

Joan Marie Muir (MacDonald) December 21, 1927- September 11, 2023

Joan Marie Muir (nee MacDonald), our majestic matriarch, our very own beloved “Queen Mum”, died on September 11, 2023, in Calgary after having lived a full, blessed, and adventurous life for 95 years.

Joan was born in Sydney, NS to the late Alphonsus Xystus and Jessie Ann MacDonald (nee Campbell), on December 21, 1927. She was the firstborn, followed by her only sibling, a brother, Reggie (predeceased).

Faith and family meant absolutely everything to Joan, and she was steadfast and true to both throughout her entire lifetime. Together she and her late husband, Fraser Alexander Muir, raised five children: Donald (Heather) Toronto, ON, Sheona (John), Quesnel, BC, Ellen (Dan) Rosemere, QC, Sandy (Heather) Calgary, AB, and Brenda (Dalton) St Albert, AB, and ten grandchildren: Heather (Dan), Jennice (Wally), Alex (Christy), Andrew, Jenna, Quinn, Riley, Fraser, Saoirse, and Tobias, and four great grandchildren: Carson, Kallie, Lewis and Sadie. “Aunt Joan” also adored her nieces and nephews, Reg (Teresa), Margie (Brian), Vicki (Nelson), and Robert.

Joan’s childhood was filled with fun and frolic near the magnificent Atlantic Ocean with her many cousins, and her pride in being a ‘Cape Bretoner’ never dimmed, no matter all the places she roamed. Joan may have been just a wee lass in stature, but her presence was always grand. She, with a sparkle in her eye, a skip in her step, and a soul with the map of the world upon it ~ and always with that “down home” kindness emanating from her heart, trail blazed her own path. After serving as valedictorian upon graduation from Holy Angels Convent, Joan further demonstrated her brilliance by earning not one, but two degrees from St Francis Xavier University in Antigonish, NS. Her alma mater was also where she met the love of her life

via a snowball on St FX Day, December 3, 1947. Joan was a lifelong learner and educator, beginning her teaching career at the tender age of 20 years old. Her teaching years began in Sydney, but included Halifax, Montreal and then Rosemere, which became “home” for the next 44 years.

Always a spit-fire, a go-getter and a high achiever, Joan decided to complete her master’s degree from McGill University, with a house full of 5 kids and a live-in mother-in-law, no less (plus two dogs, a cat, a guinea pig and a rabbit)! The next chapter in her career allowed for the culmination of all the best of her skills and talents as she imparted wisdom, support, guidance, and encouragement to her student population as an admired guidance counsellor. Dear Joan, was the epitome of a helpful neighbour and a treasured friend - with one of her longest lasting friendships being 90 years! If you were her friend, it would be forever. Besides being a staple in the community of Rosemere for decades, Wasaga Beach was home for 20 years, as was her snowbird residence at Golden Acres in Dunedin, FL. A wonderful 95th birthday celebration led to her more recent move to Calgary, where she continued to forge new friendships with staff and residents at Trinity Lodge.

Some of Joan’s favourite ways to spend time were chatting over a cup of tea, baking, and eating sweets, travelling the world, dancing with Fraser, watching hockey and most other sports, playing bridge, curling, watching the news, reading the newspaper or enjoying a good book. Joan was the ultimate “Memory Master”, and we will miss her incredible ability to mentally archive all meaningful moments and family gatherings with precision and accuracy! In addition, her body of knowledge for politics, sports and current events was astounding and we loved to watch her continue to amaze people in her recent twilight years. Like our dad before her, Mom’s (Nana’s/Nanny’s) flight to Heaven was direct, God’s reward for her unwavering faith, her active devotion to the church, Catholic Women’s League, her community and especially, her deeply cherished family. All the ways our incredible mother made the world a better place are infinite and everlasting...indeed, she was small, but mighty! In a word, she was legendary, and so she shall remain. Godspeed, dear Ma.

Funeral Mass to take place on Saturday, September 16, 2023, at 11:00 am at Holy Spirit Catholic Church (10827 24 St SW, Calgary, AB). Interment and a Celebration of Life to follow on Saturday, September 30, 2023, at 1:00 pm at Beechwood Cemetery (280 Beechwood Ave., Vanier, ON). For those unable to attend the service, you are also able to watch via Livestream via YouTube.

In lieu of flowers, donations made in Joan’s memory to **the Teresa Dellar Palliative Care Residence in Kirkland, QC** (<https://residencesoinspalliatifs.ca/>), are welcomed, though an act of kindness in her name would be equally appreciated.

To view and share photos, condolences, and memories of Joan with the family, please visit www.choicememorial.com.
