Please contact me, Jill or Tammy with your community concerns or to become a member - still only \$15 per household.

## TREASURER MESSAGE

---

Happy November Everyone!

This community has proven to be a wonderful choice for my husband and I, one of the best we have made over the years. Living here has taken us back to the time when people visited each other, setting on porches having coffee or drinks, just chatting. Doing things as a community has been awesome. I have made so many new friends and dare I say family here. The community itself may not be perfect but, I thank each and everyone of you who welcomed us into this community 2 ½ years ago and have made it a great place to live!

Please reach out to your Board Members if you have any questions or concerns, we all will do our best to help you.

Tammy Blaisse  
IITS Treasurer

## OPEN POSITIONS:

---

We have a few open positions if you are interested in volunteering for anything.

**NON-Board Positions**

1. We need volunteers for Bingo. We are looking for a backup caller. Duties would be once a month or so. The computer does most of the work, and almost all of the calling (with the exception of one game). It is a very simple program to use, and we are a fun bunch to spend time with! If you are interested, please call Linda at 727-214-7334.
2. I need someone to review the birthday and anniversary list every 3 months for accuracy before it goes to print. If you are willing to look at that list for me **in advance**, please let me know. See **Tammy Blaisse** (Managing Editor). Update for new residents and remove any residents that are no longer here.
3. Remembrance Corner - OPEN - Need this person to report obits or to **Tammy Blaisse** for adding to Media and so I am able send a card from the community.
4. Neighbor Helping Neighbor – OPEN - need Volunteer.
5. Bocci Ball - OPEN - Need Volunteer

## WELCOME WAGON CORNER

by Rusty (Rosalind) Leslie

Happy November to all from my little corner of the world. November is a time of cool weather and Thanksgiving. If you are a new to our community and manufactured home living, I will be happy to give you information on how it all works here and answer questions you might have. My contact information is listed below.

I love doing welcome visits and meeting new people. We always have fun and include a couple of small gifts with our welcome package which you may or may not have received when you signed all that paperwork.

Looking forward to meeting you and telling you all about our wonderful community here at Island In the Sun. I love living here and I hope you will too.

Thank you for taking to time to read this

## BINGO

Bingo!! Bingo!! Bingo!! Bingo is a self-funded activity. It is not sponsored by the HOA, nor Cal-Am. We try to raise funds in any way we can to maintain the activity and keep our payouts at a level where people want to come. Our typical participation is around 25-30 people a night. We would love to see that number grow! More people, bigger payouts! Come to Bingo, bring your neighbors/friends! Bingo is holding a Christmas Bingo Raffle for a \$25.00 Publix Gift Card. Every home received a free ticket to the raffle just for playing one evening. Come out and join the fun with us!

## Beat the Heat Party

We had an awesome night with Rodman Rail (Steve, Jeremy and Shaun). They put on an outstanding show. Everyone had a great time munching, visiting and most of all dancing to the great music. Rusty Leslie won both the Raffle Basket and 50/50 raffle of \$120.00. The Door Prizes were won by Ciel Gordon and Tammy Blaisse. Thank you to our volunteers who made the event happen, we had so much food thanks to the individuals who brought appetizers.

## IITS Rules and Regulations

---

Let's talk about Vehicles and Traffic this month. I have witnessed several speeders and people not stopping at signs, we need to stop being in such a hurry that we speed or fail to stop. Someone is going to get hurt badly if we don't start watching out for each other.

1. Speed limit is 15 miles per hour. Do not honk horns in Community except in an emergency. All vehicles must drive and park only on paved areas designated for such. No repairs or overhauling of any motor vehicle or boat in the Community, including oil changes, will be allowed.
2. All vehicles must obey all traffic control signs in the Community.
3. No storage of boats, travel trailers, trucks, recreation vehicles on individual units. Motorcycles maybe parked under Resident's carport or on Resident's driveway. Motorcycles may be operated by a Resident only as transportation on Community streets via the shortest route in and out of the Community. No joyriding will be permitted within the Community by Residents or by guests. All permitted vehicles must have factory-type quiet mufflers. Motorcycle engines may not be "revved up" while in the Community. Management reserves the right to prohibit any motorcycle from being stored, parked and/or driven in the Community if, in Community Management's sole discretion and opinion, said vehicle(s) are unreasonably loud and/or will disturb the health, safety, property, welfare or quiet enjoyment of Community tenants.
4. All vehicles in the Community must have current registration and tags, if required by law and be in good operating condition. All vehicles that are inoperable, unregistered, untagged, or otherwise parked illegally or in violation of these rules and regulations shall be towed at the vehicle owner's sole expense.
5. Boats, motor homes, travel trailers, campers and any other recreational vehicle may be parked in the community a maximum of two (2) nights and must comply with any other parking restrictions contained in these vehicle rules. No repairs, reconditioning or overhauling of such, including sanding, buffing, flushing of motors, etc., will be allowed in the Community. No one at any time shall be permitted to sleep overnight in such, even if the unit may be self-contained.
6. No person under 16 years of age may operate any motor or battery driven vehicle in the Community.
7. Storage trailers, work trailers, moving vans, trucks larger than 1 ton, tractor trailers, "semis", "sleepers" or "PODS" may be parked in the Community a maximum of two (2) nights and must comply with any other parking restrictions contained in these vehicle rules.
8. All resident-owned vehicles in the Community must be registered with Community Management and have a Management-approved sticker affixed to the vehicles at all times, as described in greater detail below. Households that have multiple motor vehicles should park all such vehicles in the driveway of that home, where adequate space allows. Parking of vehicles on the streets, sidewalks, and other related areas outside of the driveway will also utilize the "sticker system" as referenced above. Before parking anywhere in the Community, all vehicles must first be properly registered with Community Management and approved to park in designated areas by Community Management. Upon approval, Community Management will provide the requesting resident with a sticker for each

*...continued on page 26*

vehicle. These stickers must be affixed to the vehicles for which they are approved at all times. All vehicles that are parked in a manner that violates this rule shall be towed at the vehicle owner's sole expense.

Not in the Rules and Regulations but noteworthy, we need to watch out for our walkers and bike riders. Yes, I know walkers should be on the sidewalks, however, there are many areas that it is not feasible, they need to walk on the street and it is just easier to stay there. I have seen them out, they respectfully stay to the side of the street. Please watch out for them and the grandchildren visiting.

## Fun Thanksgiving Facts

1. Ninety Wampanoag Native Americans and 50 Plymouth colonialists (Pilgrims) celebrated the first-ever autumn harvest celebration in 1621. While this celebration lasted three days, only five women were present.
2. Thanksgiving is the second favorite holiday among American adults, behind Christmas and ahead of Halloween.
3. Thanksgiving is the most popular day in the U.S. for racing.
4. Americans consume more than 45 million turkeys on Thanksgiving, compared to 22 million at Christmas and 19 million on Easter. Fully half of all whole turkeys eaten in the U.S. are consumed on Thanksgiving Day. Only male turkeys — appropriately named gobblers — actually make the sound. Female turkeys cackle instead.
5. It takes an average of 9.6 hours for a host to prepare a full Thanksgiving meal. How much time is spent eating that meal? 16 minutes.
6. The average person gains one pound between Thanksgiving and Christmas.
7. On average, Americans purchase about 250 million pounds of potatoes as well as 77 million pounds of ham during Thanksgiving week.
8. On the first Thanksgiving, Pilgrims and the Native Americans consumed freshly killed deer, cornbread, seafood, porridge, and assorted wildfowl, among other foods. However, turkey was not part of the Thanksgiving dinner.
9. There are three towns in the United States named “Turkey.” They can be found in Texas, Louisiana, and North Carolina.
10. Minnesota raises the most turkeys in the U.S. Just six states—Minnesota, North Carolina, Arkansas, Virginia, Missouri and Indiana—produce two-thirds of the birds raised in the United States.
11. Around 50 million pumpkin pies are consumed every Thanksgiving. 36 percent of people eat pumpkin pie for dessert on Thanksgiving, even though opinion polls show that America’s favorite pie is apple.
12. The tradition of watching and playing football on Thanksgiving began in 1876, just after the invention of this sport. On this day, people gathered to watch and play football since it was a day that a majority of the participants, as well as spectators, had off from work.
13. The Wednesday before Thanksgiving is known as “Drinksgiving.” Thanksgiving Eve Is Traditionally the Busiest Bar Night of the Year.
14. There is an official Thanksgiving postage stamp.
15. Fully 20 percent of all whole cranberries sold in the U.S. are sold during Thanksgiving week. 80 percent of jellied cranberry sauce is sold during the Thanksgiving holiday. For the rest of the year, cranberries are primarily consumed as cranberry juice.

16. The first Macy's Thanksgiving Parade featured animals, including monkeys, bears, elephants, and camels, borrowed from the Central Park Zoo. About 44 million people watch the Macy's Thanksgiving Day Parade annually.
17. Benjamin Franklin wanted the turkey to be named the US national bird, particularly because it was one of the staple foods for the Pilgrims. However, Thomas Jefferson, the third US president, thought the eagle would be a better option. As a result, Franklin ended up naming the turkey "Tom" after Thomas Jefferson.
18. The TV dinner was born from Thanksgiving leftovers. Specifically, a worker at Swanson ordered excess frozen turkeys on the Thanksgiving Day of 1953. The company's salesman suggested packaging the leftover turkeys in aluminum trays as well as cornbread dressing, sweet potatoes, and peas.
19. The first Thanksgiving pardon happened in 1963 when President Kennedy joked, "We'll just let this one grow. It's our Thanksgiving present to him". Later in 1989, President George H.W. Bush officially started the White House turkey pardoning ceremony, and it remains a Thanksgiving tradition to date.
20. It's been estimated that ten percent of people wait until the day before Thanksgiving to get their grocery shopping done. The Tuesday before Thanksgiving, rather than the Wednesday before Thanksgiving, is the single busiest shopping day of the year for grocery stores.
21. The plastic piece or wire that holds the turkey legs together is called a "hock lock."
22. In 1920, U.S. turkey growers produced one turkey per year for every 29 persons in the U.S. Today growers produce about one turkey per year for every 1.5 people in the country.
23. About 40 percent of Campbell's Cream of Mushroom Soup sales go toward making green bean casserole popular at Thanksgiving dinner.
24. Stuffing, so popular on Thanksgiving Day, is infrequently served outside the holiday. Kraft sells 40 million boxes of Stove Top Stuffing Mix between October and December each year. That sounds like a lot until you consider that Kraft Macaroni & Cheese sells about 1 million boxes a day all year long.
25. Black Friday, aka the day after Thanksgiving, is the busiest day for plumbers.
