Oct 10, 2023

To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: Sept 2023

Dear Fellow Residents:

Electrical Outage in Hall: At the end of August, a major fault in the underground electrical wiring from the office to the hall resulted in the 400a fuse panel being destroyed. The exact cause is still unknown, and the exact area of the fault is not known. It appears that the aluminum wiring from the office to the hall corroded and resulted in a short circuit. Three electrical contractors have been out to the park to evaluate the issue and supply quotes. As of this writing, we are still awaiting quotes to repair the damage. This will be a significant cost to repair. Rough estimates have ranged more than \$50,000. Trenching from the office to the hall will be required to replace the cables. Until this issue is resolved, the hall and spa are not usable. This is the primary focus of the board and has everyone's attention.

Water Usage: Three water leaks were found in the park: one in a common area and two on residents' side of the shut off valves.

Maintenance:

- The office building roof was recoated.
- Erosion was found by the dock area. This will be repaired by Andrew.
- One of the toilets in the men's room was gushing water. This will require a plumber to repair.
- All streetlights have been converted to LED. This has resulted in a significant savings in the streetlighting electrical costs.
- Symbiont has replaced the heating coil in heater no. 1. All heaters are now functional. This was repaired under warranty.

Pool: There was an issue this past month with a resident being in the pool area when the gates were locked. Anyone in the pool area can leave when the gates are locked. There is a knob on the inside of the gate that, when turned, will open the gate. There is a plate on the gate that will not allow anyone outside the gate to access the knob on the inside of the gate.

Phonebook: The new phonebook is in preparation. Please contact Bill Smith at lsrsecy2@gmail.com if you have any questions or changes to your contact information.

Financial Status:

- Financial information for August will be posted in the hall.
- This year has stressed our reserves. Electrical issues, plumbing and sewer, including the lift station, new air conditioners, pool grate replacement, well repair, and fountain repair have already used more than \$52K in reserve funding. The hall electrical problem could push the total reserve usage over 20% of our total reserves this year. The board is evaluating the reserve requirements for the future and will address this during the budget process.

continued on page 6

- The 2024 budget is being put together. The board is looking for unique solutions to mitigate the increasing costs we are experiencing. Some of the mitigations being implemented and explored are the use of LED lights for the streetlights, hiring a full-time employee to cut our grass as opposed to hiring an outside service, reducing the use of the well system to supplement the pool water evaporation, and continuing to reduce chemical and power requirements. Solar power is also being investigated as an alternative to Duke.
- Meetings on the budget will be held in January and February.

Shareholder Contact Method: The Board has implemented another method of contacting shareholders: Phone Call. Shareholders can now be contacted via your phone number on record using the service provider Call Multiplier.

Pets: Pets continue to be of concern. The Board has received complaints of pets off leash and pet owners not picking up after pets. Please contact Paul Burke at lsrdirector16@gmail.com with any pet related concerns.

Board Meeting: A Board meeting was held on 2 October 2023 in the Pavilion.

Best Regards,
Steve Schaefer

Veterans Day – Remembrance Day – November 11

Veterans Day, originally celebrated as Armistice Day, was first issued on November 11, 1919, by President Woodrow Wilson a year after the end of World War I. Seven years later, in 1926, Congress adopted a resolution requesting that President Calvin Coolidge issue annual proclamations on November 11, making Armistice Day a legal holiday. In 1945, World War II veteran Raymond Weeks had the idea to expand Armistice Day to celebrate all veterans rather than just the ones who died in World War I. He led a delegation to General Dwight Eisenhower, who was all for the idea. Weeks then organized the first Veterans Day celebration in 1945 in Alabama and every year since, until he died in 1985.

Canadians recognize Remembrance Day, originally called Armistice Day, every 11 November at 11 a.m. It marks the end of hostilities during the First World War and an opportunity to recall all those who have served in the nation's defense. The poppy is the symbol of Remembrance Day. In the run-up to Remembrance Day, replica poppies are sold by the Royal Canadian Legion to provide assistance to veterans. The reason that the poppy is worn for Remembrance Day is due to a Canadian physician and poet who noticed how quickly poppies had grown over the graves of soldiers who had died during the Battle of Ypres. This symbolism of the blood-red flowers was beautifully captured by Lieutenant Colonel John McCrae in his 1915 poem "In Flanders Fields" that was published in the London-based magazine named Punch.

Toys For Tots

The Lake Seminole Resort Toys for Tots ‘Elves’ are ready to process donations of toys for ages newborns to teens. Thank you for your support of this worthy cause.

2022 was a banner year for Toys for Tots. The Joy we bring to those in need does warm our hearts. But there is always a need. My elves and I will continue the tradition of Lyn and Dick Martin. Helping the children. The ages run from new born to teens! The boxes will be in the card room and at my house 11198 102nd way. My elves are Wendy Burke, Gail Smale, and Kaye Howard. Money is just as good because we go on a shopping spree! Nothing like carts full of toys! Please let your generosity guide you to help! Collection is going on now and will continue to December 7th. Thank you for your kindness! Judy Flynn

Can Crushing

All cans are collected near the laundry for recycling. Beer pop/soda cans can be crushed (please) and placed in the rectangular plastic container. These are returned for cash that is used by the social committee to support park activities. There is an additional crusher and bin for cans in the pavilion. Thank you for your help.

In 1789 Thanksgiving became the first official U.S holiday

168 years after the Pilgrims and the Indians celebrated the first Thanksgiving, the 13 colonies won the Revolutionary War with Great Britain and became an independent nation. The citizens of the fledgling, United States of America had a lot to celebrate and be thankful for. At the request of both houses of the U.S. Congress, George Washington proclaimed the first official Thanksgiving Day as “a day of public thanksgiving and prayer”. The proclamation was made on October 3, 1789, declaring November 26, 1789, as Thanksgiving Day. President Abraham Lincoln proclaimed Thanksgiving Day to be the last Thursday in November. Then in 1941, President Franklin D. Roosevelt and the U.S. Congress made it a national holiday and set the date for Thanksgiving Day as the fourth Thursday in November.

Did You Know? Turkeys are great weathermen. They forecast the temperature on Thanksgiving Day to be 350° F.

Lake Seminole Resort – Trips and other Outings

It has been suggested that some LSR residents might have interest in a bus trip, or other outing, to various possible destinations around our area. This might include things like a bus or van trip to a park, casino, or perhaps to a baseball game or concert. We might also consider trips out of the area, such as on a cruise ship. To move forward with this idea, we need a few things from our residents.

- First, we need volunteers to help organize and plan trips. If you have experience organizing group trips, or if you just want to help out with organizing and planning such events, please contact the Social Committee at the email at the end of this article.
- Second, we need feedback on whether planning group trips sounds like a good idea.
- We need suggestions for trip ideas and destinations for outings including where, when, and about how much you would be willing to pay for a trip.
- Some of our residents are already familiar with a local St. Petersburg company called ‘Travel is Fun Tours’. You can visit their website to see the types of trips they have to offer, that we might consider for our group outings. This company handles all of the details including transportation, meals, and tickets for events and destinations. Check them out at the website that follows. <http://www.tiftours.com/index.html>

To volunteer, or provide any other feedback on trips and outings, please contact the LSR Social Committee at sasmith27@yahoo.com

LSR Cares

LSR Cares is a new program within the Lake Seminole Resort community that will be here to help if a need arises. We can help you find services you may need; help direct you to resources that may be available to you, offer suggestions on who in the community may be able to help you and enable us all to support each other by doing good things and caring for each other.

LSR Cares has a dedicated email address- LSRCares@gmail.com

This email will be monitored by Ann Haines and Wendy Burke. We will help forward information or direct you to someone who may be able to help-we are asking everyone to please be aware of your neighbor and let us know if you think someone may need a hand with something.

If you are willing to help your neighbor by providing a meal, a visit, a ride to an appointment, or minor household tasks for someone going through a hard time, please let us know. We will compile a list of people who have skills or services they are willing to provide. We will also have a VIRTUAL lending closet for Medical Supplies and Grandmother Supplies. Please let us know if you have something to loan and we will offer the info to someone who may be looking to borrow either medical [crutches, walker, shower chair] or Grandmother items (high chair, car seat, pack-n-play). The loan would be from one neighbor to another so that items are returned promptly and in good shape.

While Barb Fix is recuperating, Wendy Burke will be sending cards to shut-ins and get-well cards for the sick. If you know someone who would like to receive a card, please forward the name and address to LSRCares@gmail.com and Ann will see that Wendy gets the information.

This is a new program for us so we are open for suggestions on how to make it run smoothly. Please help us to support each other and spread kindness throughout the community!!!

Wendy Burke, Social Committee Vice President

Ann Haines, LSR Cares Chairman

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

Pinellas County Emergency Information

<https://pinellas.gov/emergency-information/>

This is the link to the Pinellas County "Emergency Information" web site.

At this site, people can access;

1. Emergency Shelters - A list of shelters and if open, closed, or full and if a general shelter, pet friendly, or special needs
2. Special Needs - How to register for "Special Needs Assistance" and a list of special needs shelters.
3. Sand Bags - Info on obtaining sand bags for residents not required to evacuate
4. Emergency Road Closures - Road closures within Pinellas County
5. Know Your Zone - Evacuation zones - all mobile home parks are under mandatory evacuation during any evacuation order.
6. During and After a Storm - Information on cleanup after the storm.
7. Disaster Assistance - Information on insurance claims and FEMA

It is very important that any resident requiring assistance for evacuation, register on the "Special Needs" site. It is the only way that the County will be aware of their needs whether it is medical, mobility, or transportation, etc.

Our in-house LSR "Disaster Relief" form is to supply basic info to assist EMS and First Responders to perform search and rescue within the park during a severe weather event.
