PRESIDENT'S CORNER

Submitted by Jan McCoy

It's November and many of our residents are returning. I am looking forward to the new season. I hope you are too! What new activities are in store? I hear the Social Club is introducing Music Bingo and the Crafters are working away on goods for sale at this month's fair. Get ready to have some fun. That's what residing at Sunset Palms should be all about. Thank you to our many volunteers who've kept the momentum going. If you haven't jumped in, this may be the season to do just that. You won't be sorry. Many hands make light work and build friendships. Become a volunteer.

A reminder, our office staff are ready to support your needs as you return. Be sure to sign in at the office upon arrival for accurate water billing and FOB activation. If you are coming in on a weekend, please email us at admin@sunsetpalms.org, or call the office at 727-577-0287 before noon on Friday, and we will activate your FOBS for your weekend arrival.

Are you thinking about subletting, making exterior updates to your unit, buying /selling property, making a change to an existing membership share certificate or arriving this season with a support animal? If so, association **approvals are required prior to implementation**. Please proactively contact the office for additional information and guidance.

I'd like to also extend a special thank you to neighbors who are caring for their neighbors. You know who you are. Friends and neighbors here at Sunset Palms don't sit idle when someone needs help. We support one another. It is part of what makes our community special. Our hearts go out to those who are ill or have suffered the loss of a loved one. You are not alone and always in our thoughts and prayers.

May the month of November fill us all with gratitude for the many blessings that have been bestowed.

Happy Thanksgiving!

Respectfully submitted,

Jan McCoy, President

Board of Directors SVI, Inc.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

RETIREMENT & TRAVEL

Submitted by Kim Paquette

The Key to a Vibrant Retirement: Travel!

As we find ourselves approaching retirement or already savoring its well-deserved rewards, it's natural to seek ways to make this phase of life as fulfilling as possible. One such secret to unlock-ing a long and healthy retirement lies in the art of travel.

Whether it's embarking on a journey to a distant land or exploring nearby gems, the benefits are boundless. Travel offers a change of pace, a deeper understanding of diverse cultures, and an in-fusion of vitality into our lives. So, why not prioritize it in your retirement plans?

Here are three compelling ways travel can enhance your golden years:

Elevated Mood and Reduced Stress Levels

According to recent studies, a staggering 86% of travelers report that their journeys significantly improve their overall mood and outlook on life. Travel has also proven to be an effective stress-buster, nurturing both physical and mental well-being. Retirees who travel tend to exhibit higher levels of satisfaction in accomplishing tasks and maintaining a positive perspective.

Embrace an Active Lifestyle

From beachfront swims to mountain hikes and leisurely museum strolls, travel invariably invites physical activity into our lives. Engaging in these pursuits helps mitigate risks associated with heart disease, high blood pressure, stroke, diabetes, and even cancer. By making a habit of vaca-tioning at least twice a year, you substantially reduce your risk of heart disease compared to those who seldom take a break.

Social Enrichment

Travel not only deepens existing relationships with family and friends but also opens the door to new connections. Group travel experiences, like our recent river cruise or annual winter cruises, create opportunities for lasting social ties, fostering positive mental health. Additionally, encounters with individuals from diverse backgrounds and perspectives enrich the travel experience, broadening our horizons.

Remember, the most enriching journeys often occur not in far-flung destinations, but in cherished spots shared with loved ones, whether family or friends. Even a day trip with Sunset Palms Trav-el Committee can leave lasting memories.

Consider travel as an investment in your future - a commitment to health, happiness, and bound-less joy. It's not merely an expense but a priceless opportunity to relish the rewards of retirement. Here's to many happy adventures ahead!

Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

F LUSH ONLY: Body waste and toilet paper.
It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.
