FROM THE PRESIDENT

By Mark Vetter

Hello Friends and Neighbors
November, 2023

Welcome back to all our seasonal residents. This year is flying by. This summer has seen a number of repairs to park equipment. As many of you know, the adult pool began to have problems early spring when it began losing water. We had Red Rhino out to make repairs inside the pool. Then the collector tank cracked open and the adult pool was losing water a second time. This collector tank turned out to be a bigger and more expensive replacement that will not be completed until 2024, however Pool Works was able to make a temporary fix that is currently holding. The equipment worked well until August, when the heating/cooling devices for the pools and spa along with their 13 ½ year old compressors died. There are 6 of these that we replaced and so the pools are doing fine for now.

Recently, the air conditioning in the Library/Exercise Room and the filing/office kitchen area are not working. At current, we are receiving bids from three companies to replace them. So, the theme of this year has been some hefty repairs. Fortunately, some of these expenses are covered in our Reserves. The unfortunate news is that they are not all covered.

The summer sun impacted the card table area of the Library and new window shades were purchase and installed. You will also notice new parking stops and painted parking stripes upon your return.

We also took time out for lots of fun this summer and I would like to thank the “Summer Tribe Ladies” and their helpers for putting together so many great activities.

Now budget season is here again. As I write this, a Budget Workshop is being held later this week to discuss next year. Also, this week we will be hearing from Grant Escobar from Level Engineering regarding the Canal and possible solutions that lay ahead for us.

It will soon be time to elect 3 Directors for next year. If you are interested in running for the Board, I would encourage you to attend all meetings to get up to speed on Clearwater Cascade HOA business. We need those who are interested in being on the Board to be knowledgeable and have the best intentions for our park.

Thank you / Happy Thanksgiving!

Mark

MANAGER'S MESSAGE

MANAGER

By: *Bobbi Gumm, CMCA, AMS*

Thanksgiving – We are wishing everyone a very Happy Thanksgiving!
Office Closure – The business office will be closed Thursday, November 23rd and Friday, November 24th for the Thanksgiving Holiday. We will reopen on Monday, November 27th.

Returning Residents – As you return, please don't forget to check in with the office. You can call or come into the office. Also, for those that have been away, we have your new resident phone books in the office for pick-up.

New Board Members – Thinking of running for the Board? The first notice of the Annual Meeting will be mailed out by November 18th which will include instructions on how to submit your intent to be a candidate. If you have accounting, organizational, management or teambuilding skills we would like to have your submission.

Air Pump – Don't forget we have an air pump if your tires need air. It's located in the east parking lot, near the Adult Pool and is very simple to use. Left of the pump you will find the off/on switch; turn it on, then fill your tire. If you do not hear the motor turn on when you turn the switch on, that doesn't mean it is not functioning. If air in the tank is full, you may not hear anything until the air pressure is used and you will hear it come on as you fill your tire. Be sure to turn the switch back to the off position!

Emergency Contacts – The office has had a few situations where we needed to get in touch of next-of-kin and did not have an emergency contact form on file. If you have not filled one out, please turn one into the office.

Share Certificates – If you do not have a Trust or next-of-kin on your Share Certificate, you may want to think about adding someone to your Share. If something happens to you, it will take a lot longer to go through probate for the heir. If you have any questions, contact the office.

Garbage – It's best to keep your garbage in containers. It keeps the animals from tearing open the bags and leaving a mess at the end of your driveway. Coyotes are also attracted to trash, so please do not put the trash out until the morning of pick-up.

That is all I have for this month, take care, and stay safe.

FROM THE EDITOR

By *Donna Collins*

Iam delighted to say that due to the number and length of articles submitted this month, there is no space for me. So, please have a wonderful Thanksgiving. If you have any comments or suggestions for the Chronicle, don't hesitate to email me at collinsdonna12@gmail.com. Don and I are looking forward to joining you at CWC the 2nd or 3rd of November.

CLEARWATER CASCADE HISTORY

By April Loomis

Clearwater Cascade Mobile Home Park is not an historical landmark but it is home to a few hundred people.

On July 12, 1994, MLH Income Realty Partnership of NY sold three parcels of land, five buildings, two pools, and shuffle Board courts to the CWC Homeowners Association, Inc.

CWC was originally, a family mobile home park and the residents banded together to form the corporation in order to become a resident owned park.

According to long-time resident, Gwen D'Epiro, her husband was out shopping when he overheard that the park was being sold. He hurried back to the park and contacted John Ferraro, president of the board of directors. John called a meeting and presented a scenario. If residents were willing to "put" up a sum of money, they could purchase the park and make it a resident owned 55 and older park. This money would purchase them a share in the corporation and they would be guaranteed this money returned to them, should they decide to move. John was able to get 105 people to invest and they were able to make it all possible.

Gwen is still living in our park and is a wonderful storyteller. Many thanks to her for sharing this interesting bit of history.

THANKSGIVING TRIVIA

- Thanksgiving was originally celebrated in mid-October. The first Thanksgiving celebration wasn't in November at all. In fact, some historians suggest it was held in mid-October, similar to the present-day Canadian Thanksgiving. It was President Lincoln who set the November date in order to coincide with the Pilgrims' landing on Plymouth Rock.
- Thanksgiving was once celebrated on the third Thursday in November. Decades after President Lincoln declared Thanksgiving a national holiday, President Roosevelt decided to mix things up by moving it up a week, to the second to last Thursday in November, in 1939. By doing this, he added seven shopping days to the holiday season, but the change upset football coaches whose weekend Thanksgiving games were switched to regular weekday games. It also messed up printed calendars for years. After much consternation, Thanksgiving returned to the last Thursday in November in 1942 and has been held then ever since.
- The tradition of football on Thanksgiving was started by college teams. The tradition of football on Thanksgiving began in 1876 with a game between Yale and Princeton. The first NFL games were played on Thanksgiving in 1920 (more on that game in a minute).
- The first professional Thanksgiving Day football game was played in 1920. More than a century ago, when Thanksgiving Day fell on November 25, six football games took place, according to the Pro Football Hall of Fame. Non-league teams like the Elyria Athletics went up against league teams in games that counted in the standings. Football fans, whip these stats out from the results of that year's games, and you will WIN at table talk:

- Akron Pros (7) vs. Canton Bulldogs (0)
- Decatur Staleys (6) vs. Chicago Tigers (0)
- Elyria (OH) Athletics (0) vs. Columbus Panhandles (0)
- Dayton Triangles (28) vs. Detroit Heralds (0)
- Chicago Boosters (27) vs. Hammond Pros (0)
- All-Tonawanda (NY) (14) vs. Rochester Jeffersons (3)
- Benjamin Franklin wanted the turkey to be the national bird. In a letter to his daughter, Benjamin Franklin wrote, "For my own part I wish the Bald Eagle had not been chosen the Representative of our Country...For the Truth the Turkey is in Comparison a much more respectable Bird." Although Franklin didn't get his wish, his letter did inspire a song in the Tony-winning musical 1776, about the drafting of the Declaration of Independence.
- The first Macy's Thanksgiving Day Parade featured Central Park Zoo animals. The Macy's Thanksgiving Day Parade was originally called the "Macy's Christmas Parade" to kick off the holiday shopping season. Held in 1924, the first parade included monkeys, bears, camels, and elephants borrowed from the Central Park Zoo instead of the traditional character balloons we know today.
- "Jingle Bells" was originally a Thanksgiving Day song. Before becoming a Christmas holiday anthem, "Jingle Bells" was an 1857 song titled "One Horse Open Sleigh," and its composer, James Pierpont, intended it to be a Thanksgiving Day song. But it became so popular around December 25 that in 1859 the title was changed to "Jingle Bells"—and the rest is history!

COMMITTEES

COMMUNITY ACTIVITIES

By Debbie Creighton & Maddy Haber

Hi Folks! I hope everyone is having a great summer. Maddy and I would like to welcome another new member, Renee Kieras, to Community Activities. She is new in our park and has some great ideas. She would like to add a Garden Club and a Cookbook Club to our Community Activities line-up. The Community Activities season is about to begin shortly and we are very excited to go forward but **WE NEED YOUR HELP!** Volunteering to help with activities is so much fun and is a great way to meet new people and interact with old friends. Don't worry, you will get lots of help because we all pitch in to make things easier. We have a lot of helpers but we need some leaders. Clearwater Cascade is a wonderful park to be part of, and we would like an activity line-up comparable to other nice parks in our area. It takes a village (or park) to keep coming up with new ideas. Community Activities is always open to suggestions and motivated helpers to get things rolling. We need

continued on page 12

coordinators for Cornhole, Horseshoes, Poker, Pinochle, Billiards, Ping Pong or something new. As a coordinator, you would pick the day, time and place that works for you as long as it is available. You can also co-coordinate with a friend. Give it a try! We would also like to see the Concessions open during Bingo. Bill and Jessie Ray are willing to be coordinators but would need a couple of other people to help. Sign-up sheets for all Community Activities will be available in November in the Library.

VOLUNTEERS

By Jane Boucher

We have three annual events happening in November:

First: the annual Veterans' Day Cookout in our Clubhouse November 11, 2023 at 5:30 PM sponsored by our own Veterans' Group. They will be providing and grilling hamburgers and hot dogs. Side dishes and desserts will be pot luck. Sign-up sheets are available in both the North & South Mail Rooms and in our Clubhouse. Please sign up so we have a head count to know how many hamburgers and hotdogs to grill up. And if you're bringing a side dish or dessert, please add that to the list. Our Veterans' Group hosts this annual event to help bring our Veterans and First Responders together, to give out information of resources available in our area and just to lend a helping hand or ear when needed. Come join us and help support our Veteran's Group. Donations are appreciated.

Second: our annual Craft Fair & Bake sale held in our Clubhouse and surrounding our pool on November 18, 2023 from 9:00 AM to 1:00 PM. We are blessed with all 34 vendor spaces being confirmed since last month and many are from outside our community. We hope to increase the number of shoppers this year to provide awesome exposure to all our vendors. We are counting on all our bakers to bring your delectable treats to create an astounding array to help raise funds for our Community Activities. This is such a delightful event where you can satisfy your sweet tooth and get a head start on your holiday shopping. You will be pleasantly surprised by the quality of unique crafts and artwork on display.

Third: our annual Thanksgiving Dinner 11/23/23, totally sponsored by our own Cindy Herbert who volunteers much of her time to The Florida Dream Center (FDC). The FDC provides a number of programs, such as Adopt a Block where they go into low/moderate income neighborhoods to help lawn/alley cleanup, necessary home improvements, immediate basic needs including food, clothing, and other programs providing so much more. Take a moment to check out their website. All donations go directly to The Florida Dream Center. The Thanksgiving meal is meant to bring those in our community, who don't have family nearby, to gather together to give Thanks. We also provide a Thanksgiving meal to those in our community who are housebound

due to medical issues. It's our way of giving back to our community. We will have sign-up sheets in both the North & South mail rooms and in our Clubhouse. We ask for volunteers as it takes many busy hands to bring this meal together. Tuesday, 11/21/23 at 10:00 AM we need volunteers to help peel potatoes, chop up veggies, set up tables and decorations. We need some volunteers to roast the turkeys. We need volunteers on Thanksgiving Day to help serve the food and, of course, we need help with clean up. And we thank our Social Club for providing all the dessert pies.

Maxine: WHY?

I am not sure where this piece of wisdom came from, but I am going to pass it along. If you have the answer to any of these questions, Maxine and I would very much love to hear them.

I am dedicating this to my friend, Sandra Lilley as Maxine is her heroine.

From your editor; Donna Collins

Why isn't the number 11 pronounced onety-one?

Why do croutons come in airtight packages? Aren't they just stale bread to begin with?

If a pig loses its voice, is it disgruntled?

Why is a person who plays the piano called a pianist, but a person who drives a race car is not called a racist?

If it's true that we are here to help others, then what exactly are the others here for?

If lawyers are disbarred and clergymen defrocked, then doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed, tree surgeons debarked, and dry cleaners depressed?

If Fed Ex and UPS were to merge, would they call it Fed UP?

Do Lipton Tea employees take 'coffee breaks'?

I thought about how mothers feed their babies with tiny little spoons and forks, so I wondered what do Chinese mothers use, Toothpicks?

Why do they put pictures of criminals up in the Post Office? What are we supposed to do, write to them? Why don't they just put their pictures on the postage stamps so the mailmen can look for them while they deliver the mail?

Why do banks charge a fee due to insufficient funds; when they already know you're broke?

Why do they use sterilized needles for lethal injections?

Whose cruel idea was it to put an "s" in the word "lisp"?

If people evolved from apes, why are there still apes?

Why is it that, no matter what color bubble bath you use, the bubbles are always white?

Why do people constantly return to the refrigerator with hopes that something new to eat will have materialized?

Why do people run over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it and then put it down to give the vacuum one more chance?

continued on page 26

How do those dead bugs get into the enclosed light fixtures?

Why is it that whenever you attempt to catch something that's falling off the table you always manage to knock something else over?

Why, in winter, do we try to keep the house as warm as it was in summer when we complained about the heat?

And A FAVORITE: The statistics on sanity say that one out of every four persons is suffering from some sort of mental illness. Think of your three best friends. If they're OK ... then it's you!

~ REMEMBER, A day without a smile is like a day without sunshine! And a day without sunshine is like night!!!!

There are so many talented people in our Park.

In an effort to showcase just a few of them, we are going to hold an **ART SHOW** in the Library in December. We have eleven residents poised and ready to show off their work. More details will be available on the Clearwater Facebook page and on our website.

CLEARWATER CASCADE MIXED GOLF

By Dave McManus

We are playing golf on Tuesdays at Mainlands Golf Course starting mid-November for the 2023/24 season. Tee off times start at 11:30. See posting and a sign-up sheet in the clubhouse for details or contact Dave McManus “david.mcmanus@sympatico.ca” or Mavis Askin, “ladym@bell.net”. This league is a fun social, Mixed Casual, for men and women, couples or singles of any golfing ability.

MEN'S THURSDAY GOLF

By Sheila Penn

Hear he, hear ye. All knights of the realm are hereby summoned to return to Castle Clearwater Cascade. The royal lands are once again being threatened by the cursed dragons. They seem to have taken residence in the rolling greens of Loch Bardmoor. It will be an extensive fight to rid the lands and insure the safety of all. But I have faith in all the brave and loyal knights to lay seize and rid the land of these dragons once more. Fear not fair damsels as these honorable men go forth to do battle and return with tales of great wonder. The queen awaits you.

Translation... Thursday Men's League starts November 2, 2023 until March 28, 2024. This season will be at Bardmoor. With the exception of the first Thursday. Bardmoor has an outing that day. Alternate course to be announced which may be over at time of printing. Tee times start at 9:00 AM. Cost \$59 + tax. Due to it becoming harder to get drivers and cars being smaller, I will not be assigning drivers this season. I will put out the groups for play but it will be your responsibility to get to the course. Please keep this in mind when signing up for the week. Scoring is based on (hillbilly) quota system. Any interested new players or questions you can contact me. Sheila Penn at motyckatrucking@aol.com or Lot 420.

We are looking forward to our CWC Shuffleboard season. We are starting to get the schedules set up. If for some reason you don't think you will be able to play, January through March, once a week, please let us know. We are also looking for Subs too.

We would like to give a huge shout out to Steve Barnstorf. Thanks for all you did for our park. Steve and Cindy were a great asset to our community and will be missed tremendously.

In case anyone was looking for Steve's spot on a Thursday morning, sorry it has been filled by the first person on our waitlist for that day.
