Notes from the Manager:

Parking

IMPORTANT

Effective As of October 1, 2023 - Parking in front of Clubhouse and the side parking will ONLY be used for clubhouse and pool guest with resident guest parking.

SERVICES

We have many residents that offer services like handy people for home repairs, hair, massages, dog walking, Auto detailing, Crafters, Sewing etc... Check with Karen in the office for their numbers.

Facebook

Follow us on Facebook Southernaire Mobile Home, and Southernaire Resort & M.H.P. Community Crime Watch to keep up with the latest news for notices, events, emergency notices such as power outages, water shut off, hurricane up dates, crime watch etc....

Pool Rules

All guests **MUST** be accompanied by a resident due to insurance rules.

Trash Disposal

PLEASE do not put any furniture, appliances, or large items beside dumpster.

Park Entering and Leaving

When leaving the park and sitting at light **PLEASE** make sure you are clear to the right side so that people turning into the park from 62nd Ave. have enough room. Also **DO NOT** block 4th St. so residents can turn left entering. We have had several accidents reported because of this.

Reminders

Although our park is very safe, it is important to keep valuables out of vehicles. And **PLEASE** keep your homes and vehicles always locked.

We have a lot of events going on through the remainder of 2023. Please remember to sign up in the club house on any sign-up sheets soon and not at the last minute. It is very important that we know how many people we have attending to make sure we always have enough food. So, sign up soon!

Thank You, Manager, Karen

Notes from the HOA President:

Hi Neighbor!

We had a good attendance on our Neighborhood Watch Program Presented by Sergeant Di Francesco of the Pinellas County Sheriffs office on Tuesday September 26th.

While the Sergeant introduced and gave us some insight to the issues our community is facing, the program itself needs organization & active participants to be successful.

We are in need of Block Captains, who are really the “heart” of the program. If possible, we’d like to get a Block Captain to cover each block. They will volunteer to “care for your neighbor” by contacting your neighbor on a routine basis to inform them of possible issues they may not be aware of and perhaps to see if they are in need of assistance.

We have several individuals who expressed an interest in assuming an active role in our program but we need more of you!

Please contact Lorraine at Lot 158 if you are interested in being an active participant in our program. There will also be a sign-up sheet on the bulletin board if you are interested in being a part of the program.

Butterfly Wishes

Welcome Karen lot 96 for taking over the Sunshine club and changing the name to Butterfly Wishes. Welcome!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

November Birthstone

November has two birthstones: Topaz and Citrine

Topaz: Some believe the word “topaz” comes from the Sanskrit word tapas, which means “fire.” Others trace it back to the Greek topazos. This November birthstone was long thought to have many benefits. The ancient Greeks believed that topaz gave them strength. From the 1300s to the 1600s, Europeans thought it could thwart magic spells and dispel anger. For centuries, many people in India have believed that topaz worn above the heart assures long life, beauty and intelligence. thought it could thwart magic spells and dispel anger. For centuries, many people in India have believed that topaz worn above the heart assures long life, beauty and intelligence

Citrine: This November birthstone is the transparent yellow to brownish orange variety of quartz, which has been used in jewelry for thousands of years. Citrine has been a popular gemstone since ancient times and has shared a history of mistaken identities with the other November birthstone, topaz. As a result, people thought citrine had the same powers as topaz.

November Awareness

There are several awareness months celebrated in November — though the five that often get the most attention include Native American Heritage Month, Diabetes Awareness Month, Epilepsy Awareness Month, Awareness Month, and National Homeless Youth Awareness Month.

Native American Heritage Celebrate the traditions, languages, and stories of Native American, Alaska Native, Native Hawaiian, and Island communities and ensure their rich histories and contributions continue to thrive with each passing generation. It is also a time to evaluate our pledge to maintain the meaningful partnerships we have with Tribal Nations and renew our commitment to our nation-to-nation relationships as we seek to ensure every community has a future they deserve.

American Diabetes It is our chance to show the world what life with diabetes is really like and provide ways to manage it.

Epilepsy awareness. Epilepsy is one of the most common neurological disorders, affecting people of all ages. There are roughly 470,000 children living with epilepsy in the United States alone.

Youth Homelessness Awareness. Since then, every November we bring together our whole community to confront this crisis head-on. We urge everyone to get loud, take action, and shed light on the issue of youth homelessness.
