Manager's Moment:

MANAGER

November 2023

Please join us in welcoming Lauri Andrew to the team. With over 60 acres of property and 550 homes to manage, we are delighted to have Lauri join us in the office. She is the smiling face you'll see when you come to the office. Lauri will be helping us with the ever demanding 360's that are so needed to bring the parks back to their former glory.

Parking at the clubhouses and mailboxes continues to be an issue. All day parking in front of the mailboxes and at the clubhouses is prohibited and you may be subject to towing without warning. Clubhouse parking is for residents and guests during the hours of 9AM-10PM. Overflow parking at the clubhouse is between the hours of 10PM-9AM. Special resident passes are available in the office and this new parking scheme will be effective December 1st.

These passes are red in color and do not replace the regular parking stickers...they are supplemental. On December 1st, the towing company will be towing all cars at the clubhouse if they do not display either a red or yellow temporary parking pass. If you need to register one of your vehicles for evening overflow parking at the clubhouse, please stop in the office.

Below is the schedule of when PrimeScape will be on property to mow, which is typically on Thursdays:

Jan – 1x Feb – 2x Mar – 2x Apr – 2x May – 4x Jun – 4x

Jul – 4x Aug – 4x Sep – 4x Oct – 2x Nov – 2x Dec – 1x

Did you know that there is a difference between “garbage” and “trash”? In a nutshell, “garbage” is typically refuse from the kitchen and bathroom such as food waste, paper products, organic waste, etc. “Trash” is waste such as tires, twigs, old furniture, etc. The approximate rate of decomposition of a paper towel is 4 weeks; an apple core is 2 months; leather and wool are 1-5 years, and a plastic bag is from 10 to 20 years. Understanding how trash and garbage is managed once it leaves your home may give you a better understanding of why it is important for us to put parameters in place regarding what is placed in the dumpster area. To effectively manage the trash and garbage, please adhere to the following:

...continued on page 6

- Boxes **MUST** be broken down and put into the Recycling container.
- No bags whatsoever should be placed in the roll off container. This container is for unbagged yard waste, and other household trash. If you have bagged yard waste, you can put it into the compactor or open the bag and dump the contents into the roll off.
- The roll off container is not for bulky furniture or construction material...if it doesn't fit into an outside type of garbage can, it does not belong in the dump area. Just as the park is not responsible for you getting to work on time, paying your cell phone bill, or getting your oil changed, we must follow Pinellas County Solid Waste Ordinances and are not responsible for taking your old mattresses, tires, appliances, TVs, large bulky furniture, paint, batteries, solvents, construction debris, etc. Again, the roll off and compactor is for “household” trash only. Therefore, you will need to arrange to have prohibited items hauled away or you can take it to the landfill which we believe costs approximately \$11 for a load. The Pinellas County Solid Waste landfill is located at 3095 114th Ave. N., St. Petersburg, FL 33716, about 10 miles away. Their phone number is 727-464-7500. There are several junk removal companies, and we know of one junk hauler, Tampa Bay Junk Pros, who may be offering \$50 off for junk/furniture/ appliance removal. Their number is 727-404-5100.
- Do not fill the roll off container past the fill line, otherwise it will not be emptied resulting in having to lock down the dumpster area which is inconvenient for all. If it is full, you may place your items to the side of the container so maintenance can put it in for you once the container is emptied.

From our families to yours, warm wishes for a very Happy Thanksgiving!

INFORMATION ABOUT WATER:

Wasteful and Unnecessary Use of Water Is Prohibited!

These are the basic rules from the Pinellas County website:

Examples of wasteful water usage:

Allowing water to flow from an unattended hose.

Hand-watering a lawn on a restricted day or more than once a day.

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ -irrigation system after receiving verbal or written notice.

Violations

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters. clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Do You Want To Be In the Know?

Moving forward, all bulk communications, announcements, updates, etc from the Management Office to the Residents will be made via our bulk Texting system called Text-Em-All. We already have several people sign up, but we want everyone signed so that you never miss any important information about your community. If you have not already been receiving text updates from us, please contact the office right away so we can get you signed up. This only works with a cell phone, however, but I do believe that most people have those these days but if you do not, you could ask a neighbor to be your communications buddy and let you know anytime an update text comes through. If nothing else, let us know you do not have a cell phone here at the office and we will work with you on an alternative so that you stay informed.

Pet Policy

A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes **AT ALL TIMES** and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. Pet cats are supposed to be indoor animals only.
4. You **MUST** pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to PROTECT them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—If you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their RADIOS when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

POETRY CORNER

This is an excerpt from a poem called THE VAMPIRE by Conrad Aiken:

She rose among us where we lay.
She wept, we put our work away.
She chilled our laughter, stilled our play;
And spread a silence there.
And darkness shot across the sky,
And once, and twice, we heard her cry;
And saw her lift white hands on high
And toss her troubled hair.

What shape was this who came to us,
With basilisk eyes so ominous,
With mouth so sweet, so poisonous,
And tortured hands so pale?
We saw her wavering to and fro,
Through dark and wind we saw her go;
Yet what her name was did not know;
And felt our spirits fail.

Golden Wedding Board

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark we would like to know an be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that you are added.

ATTENTION TO ALL POTENTIAL SHUFFLERS! IMPORTANT MESSAGE BELOW!

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a "friend" request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Library History Scrap Books

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

PHONE DIRECTORY

Well, gang, I do hope the new phone directory came out to everyone’s standards! We had a few people working on it and I want to thank them all: Dick Hambley, who still, to this day, keeps up on the books, Miss Dorisanne Gibson for greeting new people in the park and getting their numbers, birthdays and anniversaries to be put in the directory and the media and Suzi Rosetti for doing the phone book for a LONG time and keeping it up to date! Thanks again, everyone!!! Going forward, if you have a number change or want your number in the NEXT directory, PLEASE email me (Randi Burton) at ichwillmetal999@gmail.com. Thank you!!!

The LIBRARY Is For All Residents!!!

The Eldorado Village library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have and continue to donate books, puzzles, DVD movies, and playing cards. All is appreciated.

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the "Drop-off" box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.
6. HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a "blast from the past".

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the park's robocall list, I would suggest that you check with the office to make sure you are on the list or added.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the sewer system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!

There is nothing they can do to help you.

DID YOU KNOW???

Here are some interesting tidbits about John Carpenter’s film, “Halloween.” These were taken from an article titled 15 Terrifying Facts About John Carpenter's Halloween by Sean Hutchinson.

1. Donald Pleasence’s character, Dr. Sam Loomis, was named after the character of the same name from Alfred Hitchcock’s Psycho. Curtis’s mother, Janet Leigh, appeared in Psycho as Sam Loomis’s girlfriend Marion, and was killed in the film’s famous shower scene. For the Loomis character in *Halloween*, Carpenter originally wanted either Peter Cushing or Christopher Lee, but both passed on the film because the pay was too low. Pleasence would go on to appear in four *Halloween* sequels, concluding with *Halloween 6: The Curse of Michael Myers*, which was released after his death in 1995.
2. Most of Halloween's main cast provided their own wardrobe. Jamie Lee Curtis bought her costumes at JC Penney, all for under \$100
3. The Thing made a cameo in Halloween. One of the scary movies that Lindsay Wallace watches on TV is the 1951 version of The Thing (a.k.a., The Thing from Another World). Carpenter would later remake The Thing in 1982, though his version is more heavily based on the source material: a 1938 novella by John W. Campbell Jr. called “Who Goes There?”

BINGO IS STILL GOING STRONG!!!

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with residents' anniversaries and birthdays. I need your help by writing in your birthday and anniversary if they are not already in there (and if you want them to be). The book is in the library and I go through it periodically to see if there are new additions and add the ones that were sent to me. This record is also used to put the birthdays and anniversaries in the media. So thank you for helping us keep our records up to date.

From the Editor: Mr. Hambley has recently updated the book—thank YOU, good sir!!!

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin are as follows: Glass (colored bottles and jars), cartons (milk and juice containers), mixed paper products (Newspapers, flattened cardboard boxes and office paper), plastic containers (food and beverage), and aluminum and metal (cans and containers).

The things we should not put in are the following: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes paint, light bulbs, batteries, computers etc).

So, fellow residents, please consider this reminder and let us work towards saving ourselves a few bucks and, at the same time, work towards building a greener environment!

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings. Please try to obey these rules--they are for **everyone**. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate one day.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different—therefore we are printing the office address here so that you do not get any late fees when your check does not arrive on time.

SOLICITATION IN THE PARK

I have been told by management that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has come up that if you have someone soliciting at your door and they are bothering you and you call the office to bring it to their attention, the office will not do anything about it—their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

JOKES OF THE MONTH:

Here are some pretty good, but corny, ghost jokes!

- **Who did the ghost take on a date?** His ghou-friend.
- **Why wouldn't the ghost dance at the party?** He had no body to dance with him.
- **What position does the ghost play in soccer?** Ghou-keeper.
- **What did the ghost say when he realized he'd been cheated?** I've been bam-BOO-zled!
- **Why do ghosts go on diets?** So they can keep their ghoulish figures.
- **Where does a ghost go on vacation?** Mali-boo.
- **Why did the ghost go into the bar?** For the boos.

HA HA HA HA HA!!! I hope you enjoyed this belated Halloween issue!
