Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

THE FUNNIES

‘T was the night before Christmas, and all through the house, everyone was on their phones.

This holiday season, in lieu of gifts, I’ve decided to give everyone my opinion.

The office Christmas Party is a great opportunity to catch up with the people you haven’t seen in 20 minutes.

At 1 a.m., the police stopped an old man in questionable condition. “What are you doing out so late, sir?” the police officer asked. “I’m going to a seminar on the harmful effects of alcohol,” the man replied. “Right,” the officer said sarcastically. “Who would hold a seminar like that at this hour?” The man replied, “My wife.”

I was driving when I saw the flash of a traffic camera. I figured that my picture had been taken for exceeding the limit even though I knew that I was not speeding. Just to be sure, I went around the block and passed the same spot, driving even more slowly, but again the camera flashed. Now I began to think that this was quite funny, so I drove even slower as I passed the area once more, but the traffic camera again flashed. I tried a fourth and fifth time with the same results and was now laughing as the camera flashed while I rolled past at a snail’s pace. Two weeks later, I got five tickets in the mail for driving without a seat belt. You know, you just can’t fix stupid!

A POEM ABOUT LIFE AS IT WAS

‘W e met and married a long time ago. We worked long hours when wages were low.
No telly, no bath, for times were hard. Just a cold water tap and a walk in the yard.

No holidays abroad, no carpets on floors, we’d coal on the fire and didn’t lock doors.
Our children arrived (no Pill in those days). We brought them up without any state aid.
They were safe going out to play in the park. And old folk could go for a walk in the dark.
No valium, drugs and no LSD. We cured most of our ills with a good cup of tea.
No vandals, no muggings (not much to rob). We felt we were rich with a couple of bob.
People seemed happier in those far off days. Kinder and caring in so many ways.
Milkmen and paperboys would whistle and sing. A night at the pictures was quite a mad fling.

We got our share of troubles and strife. But we had to face it – the Pattern of Life.

Publishers Note:

Monthly Media has published The Lake Highlander Piper (at no cost to your community) for decades and we very much want to continue providing a printed version for all the community residents. A printed newsletter showcases important community events and activities, as well as shares messages from dozens of businesses that provide valuable products and services for the Lake Highlander residents. Digital and e-mail newsletter alternatives are convenient and they are a great compliment to the printed version, we publish this newsletter online too. However, a digital only newsletter as a replacement to this printed version might leave some residents in the dark.

The printed Lake Highlander Piper provides the following:

- Familiar formatted community news ready for you to read
- No websites or cluttered e-mail in-boxes to comb through to find your community news
- Relevant businesses who offer specialized services for your home and lifestyle
- Puzzles and games for you to enjoy throughout the month
- Monthly Media's Emporium page where we showcase home goods for sale, other Pinellas County community events for you to visit (craft fairs, bake sales, etc.), and many other great classified listings

If you would like to keep Lake Highlander specific info published in this newsletter please let your community leaders know!

On family

When our relatives are at home, we have to think of all their good points or it would be impossible to endure them.

— **George Bernard Shaw**

On gifts

I once bought my kids a set of batteries for Christmas with a note on it saying, toys not included.

— **Bernard Manning**

In department stores, so much kitchen equipment is bought indiscriminately by people who just come in for men's underwear.

— **Julia Child**

On Christmas morning

There's nothing sadder in this world than to awake Christmas morning and not be a child.

On New Year's Eve

*Youth is when you're allowed to stay up late on New Year's Eve.
Middle age is when you're forced to.*

— **Bill Vaughn**

Now there are more overweight people in America than average-weight people. So overweight people are now average. Which means you've met your New Year's resolution.

— **Jay Leno**

An optimist stays up until midnight to see the new year in. A pessimist stays up to make sure the old year leaves.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Only in L.A....

A man and a woman met at a Hollywood party and began to get to know each other through the usual introductory chitchat.

“Are you in the business?” asked the woman.

“Yes,” said the man. “I’m a stunt man. You know. I drive cars off bridges, I jump from cliffs, I fall out of airplanes... things like that.”

“Wow!” said the woman. “How do you manage to stay alive?”

“I wait tables in Santa Monica,” he said. As retold from Good Clean Jokes

Best excuses when caught sleeping at your desk

1. They told me at the blood bank this might happen.
 2. This is just a 15 - minute power-nap like they raved about in the last time-management course you sent me to.
 3. Whew! Guess I left the top off the liquid paper.
 4. I wasn't sleeping! I was meditating on the mission statement and envisioning a new paradigm!
 5. This is one of the seven habits of highly effective people.
 6. I was testing the keyboard for drool resistance.
 7. Actually, I'm doing a "Stress Level Elimination Exercise Plan" (SLEEP) I learned at the last mandatory seminar you made me attend.
 8. I was doing a highly specific yoga exercise to relieve work-related stress. Are you discriminatory about people who practice yoga.
 9. Darn! Why did you interrupt me? I had almost figured out a solution to our biggest problem.
 10. The coffee machine is broken...
 11. Someone must've put decaf in the wrong pot.
 12. Boy, that cold medicine I took last night just won't wear off.
 13. Ah, the unique and unpredictable circadian rhythms of the workaholic.
 14. Wasn't sleeping. Was trying to pick up contact lens without hands.
- from JeffJustice.com

On success

To laugh often and much; to win the respect of intelligent people and the affection of children...to leave the world a better place...to know even one life has breathed easier because you have lived. This is to have succeeded.
