FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

As the year 2023 comes to an end, my time serving as editor of his publication is also ending. I have lost count of the years that I have put together our monthly newsletter here in Lincolnshire. The Wurtz family has served the residents' club in an assortment of capacities over the years, including treasurer, voice editor, board member, Dial Directory Editors, vice president, and even president.

IT'S ALL ABOUT THE PEOPLE

That's right. We have done everything that we have over the years because of the people. The residents who live here in the community – all of them – not just a select few. We hope as the residents' club continues, that those who follow will remember that. Over the years we have tried to always use the best talent available, whether it's expertise in the kitchen, decorating, organizing, finding entertainment or anything else that a resident can offer. Always trying to use the PEOPLE to keep costs down so that everyone can attend and enjoy functions. \$5 prime rib dinners for Christmas, Thanksgiving turkeys cooked in the kitchen instead of "catered out" and many other functions YEAR-ROUND that always were aimed to include everyone.

IT'S ALL ABOUT THE PEOPLE

There are many new residents in the community with new ideas and lots of talents that can be used. We hope that the residents' club will embrace the new ideas. Give everyone a chance with their ideas. Please don't ever tell a volunteer "We don't need you" If they want to help, find something they can help with. It may be different that what was in the past, but that doesn't mean it won't work. We have seen some new things start, and that's great, but remember to do things that will include the most residents to enjoy.

IT'S ALL ABOUT THE PEOPLE

Speaking of the people & those who volunteer to step up, beginning with the January issue of the voice, your co-editors will be Marge Kristall and Terry Lapierre-McGuire. Their numbers can be found in the Dial directory. Hopefully everyone who has input of articles will get them to them in a timely manner. I'm not sure they will be as understanding when articles are not received on time. Help them out with photos as well. Remember it's YOUR newsletter, and without input it doesn't mean anything.

IT'S ALL ABOUT THE PEOPLE

Thank you all:
Donna

FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

The busiest time of our year is underway. You will see tickets on sale for our Christmas Dance on December 16th, Christmas Day dinner on December 25th and New Year's Eve celebration on Sunday December 31st. Start getting your golf cart decorations out. We do our annual golf cart parade on Wednesday December 20th at dusk. The parade will be followed by our Holiday Social in the Clubhouse. Great time to spend holiday time with your neighbors. We also have a cookie exchange planned for Sunday December 10th. If you like to bake and have not signed up for it, get over to the mailroom and put your name on the list.

I would like to take the time to thank a few people that help this community every day. Linda and Craig Michel do our raffle every Wednesday at coffee hour, and I really appreciate their work getting all those winnings to those in attendance. Craig has also helped us with many of our cookouts. Would also like to say thank you to all our block captains. You all do a great job and I want you to know that the Residents' Club is very grateful for all your volunteer hours. It is our volunteers that help enable the Residents' Club to be so active in our community. If you have never attended one of our functions or enjoyed our regularly scheduled calendar events, please give them a try!

November 30TH marked the end of our Hurricane season, and we were blessed to have been spared again here at Lincolnshire.

The holiday season can be very hard on many of our residents. Please take a moment to reach out to your neighbors that might not have family or friends to spend the holidays with. They might just enjoy time to chat or a card from you to wish them Happy Holidays.

Traffic in our community is on the rise with all our neighbors returning from their summers up North. Please pay attention to the speed of both cars and golf carts and obey those stop signs. I sit outside in my drive and watch the cars just zoom through the stop sign. Make sure you are a good neighbor and picking up after your pets.

I hope the coming holidays are a good time for all of us and if you are planning to travel, please be safe.

Happy Holidays
Linda Casey, President.

Give yourself the gift of better hearing this holiday season

ENTERTAINMENT COMMITTEE

By: Teri Jones.....(#210.....269-207-0466)

Greetings!! Our park is once again starting to fill with seasonal residents. Welcome back and let the festivities begin!

October 28th was the Halloween Dance and there were a lot of ghoulish costumes and lots of dancing to Bandstand. There were many great costumes to choose from, and the band members awarded first prize to Joni Chew and Joe Wendhardt (Lot #731). They were toy green Army soldiers. Isn't this the couple that won last year with the zebra and zookeeper costumes? Seems right to me. Tammie Lowell (Lot #1268) came in second place. Much fun was had by all.

As of this writing we have yet to have The Welcome Back Dance (November 10th) with Michael as entertainment, and the Veterans Day luncheon (November 11th). So, welcome back and thank you to our veterans, the real heroes of this country.

The Christmas Dance is scheduled for December 16th, featuring Al Ruggiero. Tickets are \$10 each and can be purchased at coffee hour or from Linda Casey.

The Christmas Social is scheduled for December 20th. Tickets are \$6.00 each and can be purchased at coffee hour or, again, from Linda Casey.

New Years Eve is upon us as well. Can you believe it is almost the end of 2023? The New Years Eve Dance will be December 31st and once again Bandstand will be our musical entertainment. Tickets will be \$30 to \$40 per couple (yet to be determined). Once that decision is made the tickets can be purchased at coffee hour or, you guessed it, from Linda Casey.

Dances scheduled for 2024 are:

January 13	Winter Dance	Bobby Stillwell
February 10	Valentine's Day Dance	Al Ruggiero
March 15	Farewell Dance	Sequel
April 6	Spring Dance	Britney Moni'

Dance ticket prices are \$10 (except New Years Eve) and, as usual, BYOB and snacks.

We have confirmed that Gabe Bernardes of Gabba Tunes will return on January 19th for another Musical Bingo event. If you didn't get to participate in this when we had it in August, make sure you pay attention to when tickets are being sold. This was a great event and you won't want to miss it in January.

We are looking at the calendar to see if/when we can fit an outdoor cornhole competition and another karaoke in. Read the next Voice, keep up with FYI Lincolnshire Residence Facebook page, or come to coffee hour to see what is happening.

Remember, if anyone should have an idea for a fun social event, please let us know. We are always open to something new.

MERRY CHRISTMAS AND HAPPY NEW YEARS TO ALL!!

CAUGHT YA' DOIN' SOMETHIN'GOOD

BY: Teri Jones:.....(#210.....269-207-0466)

From Geri dare:

A shout out to Mary Jo Webert #1538 and Geri Dare #251 for helping a Lincolnshire neighbor who fell around 6AM on Saturday, October 21st over a cement parking beam in the dark. These ladies called 911 and stayed with their friend until paramedics arrived. Unfortunately, she hit her head, badly bruised a thumb and broke her shoulder. The hospital kept her overnight for observations.

Annual Rita Sullivan Food Drive:

Once again, it's time for Lincolnshire residents to help the less fortunate in Pinellas County. We have been so successful in past years with gifts to the local food pantry. This is the time of year that the need increases. Our drive takes place currently and continues until the week after Thanksgiving because the food pantry gets depleted at Thanksgiving while the needs continue to increase. Let's see if we can set a record again this year. We are famous for donating over 1000 pounds of food during the fall drive. Bins will be placed on the stage for your donations. They will be labeled (1) "can & dry goods", the other "glass containers". This year we will also have a bin for "pet food". Many of those in need have pets. Keep in mind when you shop for Bogos- remember one for you, and one for those in need. The bins will be available for donations from now till the 1st week in December. Thank you in advance for your donations.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Lincolnshire Resident Profiles:

A brief look at the lives of our residents – submissions are welcome

Submitted by: Bernice Clark

continued from last month

If you see Jimmy Dellis around the park, be sure to give him a big smile and a wave---acknowledging such a kind and helpful person is bound to make you a better person purely by association.

Maybe he's right, maybe there really is a large community of folks that do for others with thoughtfulness and care for their neighbors and friends. Most would consider this community lucky to have Jimmy and any others' with that same community spirit living among us. As we grow more mature it is comforting to know there are neighbors and friends to be sure we navigate this phase with the support we all need sometimes. So when you do see Jimmy out there in the community in his signature ball cap and sharp looking polo (always poised and ready to take on that challenge on the course), give him a big smile and a wave. You'll know who he is --he carries himself with a certain quiet confidence, a sense of belonging and pride in his community, his place in it and his comfort in being a member of it. While we rarely get a glimpse of our neighbors in their hay day, I was fortunate to get ahold of some photos that feature our friend in his prime, Jimmy at photo shoots in his days of playing an important role in marketing concepts of the day, sporting male attire of the era for catalogs and print. Jimmy seen here with Miss Texas, Judy Malle

THOUGHT FOR THE MONTH:

Don't take someone for granted
Because you know every time you push them away.
They'll always come back.

Because:

One day, - - they won't

Did You Know?

Reindeer are the only deer species in which both the male and female can grow antlers?

Males' antlers can grow up to a whopping 4.5 feet in length and have as many 44 points, called 'tines'?

Their noses are specially designed to warm the air before it gets to their lungs?

December 2023

Hope you have recovered from your Thanksgiving Dinner. I do love the leftovers. Nothing like a turkey sandwich after Thanksgiving. By now many of us will have gathered all our holiday decorations and started the task of getting them all hung, strung, and assembled. For me the holidays would not be the holidays without lots of cookie baking. Need to get it done early so that we can get them shipped to family all over the country.

Love this time of year to think back on Christmases when I was a kid. You will see later in the article I mention St. Nicholas Day. My mom always hung a stocking on our bed posts to celebrate this holiday. Most of the time besides the candy we had new mittens she had made for us, or if you had been bad that piece of coal could have been your surprise in the morning. Christmas wasn’t as commercialized as it is today. I love that the next generation of my family is keeping some of those wonderful traditions we got to experience.

Hope you all have a happy and healthy holiday season.

Dates to look for in December.

December 6th St. Nicholas Day – was the patron saint of children. Special day set aside for St. Nicholas to deliver stockings filled with sweets for good boys and girls.

December 7th Pearl Harbor Remembrance Day – Dawn of December 7th, 1941, Japan attacked the U.S. Pacific Fleet at Pearl Harbor Hawaii. Led to our declaration and entrance into War II.

December 7th – Hanukkah. Beginning of the Jewish holiday Hanukkah. This eight (8)

December 21st – **Winter Solstice.** First day of winter in the Northern Hemisphere.

December 25th – **Christmas Day.** Christian holiday commemorating the birth of Jesus.

December 26th – **Boxing Day.** Canadian, Australian and UK celebrate this holiday with lots of food and fun with their family and friends. Originally a day when tradesmen got to collect their Christmas Boxes (gifts), money or goods from their customers for reliable service provided all year.

December 26th – **Kwanzaa.** Weeklong celebration December 26 to January 1st. The word Kwanzaa means fruits of the harvest. Celebrates family, culture, and community.

December 31st – **New Year’s Eve.** The last day of the year when we say goodbye to the old year and welcome the new one. If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to beneficial use.

VETERAN'S CORNER

This Friday's renaming of FT Gordon to Fort Eisenhower marks the final such installation-level move for the Army, culminating a nearly three-year process that began when Congress' fiscal 2021 defense policy bill established the bipartisan Naming Commission to rename the military's places and objects that honored Confederates. Four members of the commission attended the final redesignation at Eisenhower.

I personally never agreed with making these changes and felt it was a waste of money and erasing history just to please a very divided country! But then I started to understand a little better after reading some of the stories about some of the names that were on some of the bases such as Ft Gordon below!

FORT EISENHOWER, Ga. — When this installation's former namesake invaded Maryland, the U.S. Army shot him five times. Despite receiving five bullets at Antietam in 1862 — and three additional wounds in other battles — as he rose from captain to major general in the

Confederate army during the Civil War, former slaveowner John Brown Gordon survived to become the **head of the Klu Klux Klan** in Georgia. As a member of the U.S. Senate, Gordon helped negotiate the end of Reconstruction in 1877, which rehabilitated the white Southern elite and allowed a new era of racial oppression to emerge. A two-term governor of Georgia, Gordon was also the first commander of the United Confederate Veterans.

But as I stated above in a Friday morning ceremony just outside of Augusta, the Army eschewed Gordon's legacy in favor of that of Dwight D. Eisenhower, the post's new namesake. Eisenhower helped lead the destruction of Nazi Germany as a five-star general in World War II, and oversaw key racial integration milestones later as president. In 1957, Eisenhower deployed the 101st Airborne Division to Arkansas and federalized the state's National Guard when the governor attempted to block nine Black students from attending Little Rock Central High School.

Army Secretary Christine Wormuth spoke of Eisenhower's achievements in a speech accompanying the ceremony, which members of the former president's family attended. The vice chair of the commission, retired Army Brig. Gen. Ty Seidule, voiced a similar sentiment in a Wednesday phone interview. "It's never too late to recognize true American heroes...that represent the values of this great country," he said.

The following Army installations received new names this year:

- **Fort Barfoot, Virginia**, once Fort Pickett, was renamed after Col. Van T. Barfoot on March 24. He received the Medal of Honor during World War II for his actions as a noncommissioned officer in Italy in 1944.
- **Fort Novosel, Alabama**, once Fort Rucker, was renamed on April 10 for Chief Warrant Officer Michael Novosel, who fought in three wars and received the Medal of Honor for a Vietnam War medical evacuation mission.
- **Fort Gregg-Adams, Virginia**, once Fort Lee, was rechristened April 27 for Lt. Gen. Arthur Gregg, the Army's first Black lieutenant general, and Lt. Col. Charity Adams, who commanded the all-Black female 6888th Postal Battalion during World War II
- **Fort Cavazos, Texas**, once Fort Hood, was redesignated for infantry Gen. Richard Cavazos, the service's first Latino four-star, on May 9. Cavazos, who led soldiers in both Korea and Vietnam, twice received the Distinguished Service Cross.
- Fort Bragg, North Carolina, became **Fort Liberty** on June 2.
- Fort Polk, Louisiana, transitioned to **Fort Johnson** on June 13. Nearly a century after his exploits, Sgt. William Henry Johnson of the World War I "Harlem Hell fighters," received the Medal of Honor in 2015.
- Fort A.P. Hill, Virginia, transitioned to **Fort Walker**, named for Civil War surgeon and Medal of Honor recipient Mary Edwards Walker, August 25.
- Camp Beauregard, Louisiana, **was renamed** Louisiana National Guard Training Center-Pineville on Oct. 20.

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC.

P.O. Box 1822, Largo, FL 33779

L.H.O.A is a Florida Statute 723 mandated non-profit Tenet Association (State law).

What's New and What to Know

➤ 2024 Membership drive has started for both new Members and renewals. Remains \$15 per year.

- A small insurance policy premium for a Florida corporation structured to protect our Homeowner rights under Florida State Statutes.
- LHOA has a representative at the weekly coffee, monthly board meetings and the Member meetings. Dates will follow.
 - The names of the Board of Directors are on the inside front page of the monthly Voice magazine.

Next Board business meeting is December 5th at 1:00pm in the recreation center. Members welcome.

➤ What are the LHOA mandates in protecting our rights as homeowners in lot leased "Over 55" park? FS 723 is a state statute that includes rights/responsibilities of both park owner and homeowners. Available online. Highly informative. Three of importance:

- ✓ Be prepared to purchase the park within 90 days of receiving a letter stating that the park is up for sale for a different use than a mobile home park. Why LHOA strives to maintain reserve funds to start this process if needed. Members have only one vote!
- ✓ Second, the Board requests a meeting with the park owner or representative within 90 days of receiving the rental increase and property tax pass-on plus any issues affecting a majority of members (usually maintenance concerns.)
- ✓ And lastly and no less important be available to Members who have question or issues and desire information. In our corner.

➤ LHOA is a Florida registered corporation, files taxes and maintains that status each year. One of the few rental HOA's in the county that have kept their incorporation for almost 30 years.

➤ LHOA is a member of the FMO (Federation of Manufactured Homeowners of Florida.)

- ✓ The FMO is our only lobbying group looking out for resident/owners of all types of rental manufactured homes in the Florida Legislature.
- ✓ Individual homeowners can also join the FMO. Go online for more information.

Important for Members is the February Annual Member. Structured like a non-profit corporation shareholder yearly meeting. Voting on bylaw changes, election of Directors plus financial reporting. Calendar dates will be published soon.

LHOA Board of Directors are listed in the inside cover of the monthly Voice.

A Nurse's Self Care Toolbox #66

Allyn Webert, RN.

Lot 1438, Lincolnshire Estates, allynwebert@gmail.com

Yes, it is time for decision-making concerning Medicare coverage if you are in Medicare or becoming eligible in 2024. We know that by the amount of TV ads on Medicare Advantage Plans or Medi Gap plans, mailings, and presentation invitations. Plus, representatives from a national Medicare Advantage company information are available during Wednesday Coffee Meetings in the Rec. Center once a month.

This month is part on whether you need or want to decide on what type of Medicare coverage you want, either a change or a continuation. Part 2 in January will include tips on how to navigate in making a successful change. Still have time if you have prepared. I did say “prepared.” Sharing what I learned from 25 years as a nurse in a National Medicare Advantage plan.

➤ Decisions can be easy like:

- Continuing to use original Medicare as either your sole medical coverage or in conjunction with a purchased Medi-Gap plan you wish to continue,
- Or a Medicare plan we received when we retired as part of a pension and no desire to change.
- And continuing our present Medicare Advantage plan each year as we are satisfied with the benefits provided. Especially if we like our primary physician. May have to find a new one plus specialty care changes including how the pharmacy benefit works.

➤ However, deciding to convert our regular Medicare medical and pharmacy Part D plan to a Medicare Advantage Plan takes preparation and thought. Including changing from one Medicare Advantage Plan to a different Medicare Advantage company. Changing to a different plan within the same insurance company may just take a calling the plan's member services (still be prepared and given the change thought.)

➤ Not all Medicare Advantage Plans work the same way, or have the same medical, dental, pharmacy and vision benefits.

- ✓ Basic medical care is standard and mandatory in all plans. Benefit levels are available for adjustments in accordance with any chronic health conditions or if you are Medicaid eligible (income is a major factor for being eligible for Medicaid either in Florida or your home state.) It is the additional benefits that can be quite different.
- ✓ Significant variations also result from our long-going health issues, which if properly documented can offer deeper benefits and even a reduction in our Medicare Part B monthly payments (not guaranteed until accepted by Medicare and Social Security.) Makes sense that the more health issues we have, the greater reimbursement the Medicare Advantage plan receives thus providing an ability to provide greater depth in benefit support.

➤ Here are important tips and the associated pitfalls in preparing.

- ✓ If you are satisfied with your current Primary Care Physician, Specialists and Hospitals

Continued on page 38

then it is more a question of seeking better benefits for you. Ask them which Medicare Adv. plans they also accept, prefer for YOU and why. Will give you a concise list of what over plans you may want. **Pitfall:** you may not be able to see them if you change. Or often specialists too. Without paying out of pocket.

- ✓ My neighbor or friend likes this insurance plan. **Pitfall:** your medical needs and wants may be quite different.
- ✓ Obtain a printout of all your medications from the pharmacy or others if used. Essential to compare with the proposed plan's Part D. formulary (list of what they cover and the co-pay if any.) And if not, will the switch or ability to still obtain the same medication require an authorization to continue with your present medication, especially if it is a top tier Brand medication.

Next month more hints and **pitfalls** of changing plans. Enjoy the Holidays!

Thank you Harold and Donna

Marge Kristall

Terry LaPierre-McGuire, Linda Casey and I would like to take this opportunity to thank Harold and Donna Wurtz for all their hard work putting together our Voice newsletter for more than 10 years. I like to think they have been the dynamic duo for all their years of serving our community in so many ways. Harold as President of the Lincolnshire Residents' Club, chef for so many of our Club's activities over the years as well as emcee at Karaoke functions and our annual Ladies' luncheons, when he was the only gentleman in attendance. There were the trips, cruises, and dinner theatres adventures that Donna and Harold managed and promoted over the years. Always doing their best to make Lincolnshire a community that was active and alive with fun things to do. Thank you, Donna, for filling in as Secretary for the Residents' Club, taking on the task of getting our Dial Directory together every year and being our Editor of the Voice every month, (along with Harold's assistance). To list all the events that have felt their influence and hard work over the years we would need a special edition of the Voice. I am sure I speak for Terry, Linda, and I as well as all our residents when I say you will both be missed. We wish both of you happiness and good health in your new home. Terry and I are only hoping we are up to the task of keeping the Voice a great newsletter for our community.
