Submission to the Editor

from Gary Smith

A Message from my Sister and Brother-in-law, Kathy and Rolan Kuhns of Lot 51 in the Park, regarding their ordeal with the October 12th Tornado as well as their appreciation of our generous and helpful Park Residents...

Dear HMP Neighbors,

In the AM of October 12, my husband and I received a phone call from my brother, Gary, with news that seemed surreal...I even asked him if his news was a joke! Our sweet little Florida refuge had sustained heavy damage, following an overnight tornado!! The last 3 houses on West St. had been hit and damaged over a period of about "30 secs!" We already planned to leave Pa. the next day, and drive there to spend a couple of weeks at HMP. The feeling of disbelief was with us for our 2 day trip, so upon arrival after dark, we had to stop to see for ourselves, using a small flashlight. Seeing the sky through the roof, guest room torn up and very wet...even the metal hurricane shutter from that window, rested inside next to the bed!! Apparently, the roof actually lifted, then came back down, explaining the shower curtain, still on the rod, was partially hanging over the wall in the next room and the electrical outlets, pulled up inside the walls!!

The following weeks went from hoping our homes could be restored, to finding that structural damage was too great for two of our neighborhood homes, with only the third being fixable. Demolition of those two homes has been ongoing and should be complete today.

Immediately, help showed up...Home Depot sent workers, storage totes, heavy trash bags and a generator. The Red Cross and many neighbors and family responded within hours.

The next couple of weeks entailed sorting all of our possessions and deciding what to store in Pods and what to dispose of. After 9 years...we had accumulated a lot of "stuff." All of this was tiring, stressful and "never-ending" but all of that was trivial, compared to the fact that this powerful storm, in the middle of the night, did not cause any physical harm to the two residents that were home!!

I have gotten long winded, but want to express how much we have enjoyed spending an average of 6 months total each year in the park. It always feels so safe, people are so friendly and willing to help...just a great community!! For us, it has been a wonderful place to spend time with family and friends and has been enjoyed immensely by grandkids who live in St. Pete. Their love of over-nights with NaNa & PopPop has never waned..we will truly miss that!

Rolan and I are really stunned by the GoFundMe campaign for the three homeowners impacted and the generosity is "off the charts!" For that thank you seems inadequate, but we do say that with humility and sincere appreciation for everyone who donated, not just money, but prayers and a helping hand. HMP is truly "paradise", with its beautiful location and beautiful people who call it "home." The fund covered most of the cost of demolition, which is so appreciated!!!

We hope to thank each of you personally...please know that you do live in a very special spot...take care of each other and continue prayers for the residents hit by this random disaster.

With Love and Appreciation,

Rolan and Kathy Kuhns

In October

A tornado moved through the Honeymoon Park Community and caused severe damage to units at Lots 51, 52, and 53. The owners of these units were:

- Kathy and Rolan Kuhns - Lot 51
- Sondra Martin - Lot 52
- Sharon Murphy - Lot 53

A Go Fund Me Fundraiser was set up to help raise funds for these families and today Gary Smith distributed checks and cash to Sondra Martin and Sharon Murphy. The 3rd check/cash is being mailed to Kathleen and Rolan Kuhns.

Thank you all for your help spreading the word about the fundraiser and for your generous donations!

Neighborhood Watch “Watch Talk”

by Ken Simms

I mportant Message to all Honeymoon Park Residents.
Be aware of recent suspicious activities in Honeymoon Park

A couple of incidents were recently reported to me and I have been asked by several residents that I make all residents aware of them so as to be on the lookout, and to ensure if they see anything out of the ordinary that they report it promptly to the sheriff’s office.

Firstly, on Monday night when people arrived at the clubhouse for Bingo, a male, not a park resident, was discovered sleeping in the washroom of the clubhouse. He was able to leave without incident. Unfortunately, the sheriff’s office was not contacted about this trespassing incident. Other people reported having seen him wandering about the park earlier, but again no one contacted the sheriff office either. One resident was able to capture a picture of him on a cell phone.

The second incident involved the theft of an E-Bike from a residence on West Street, as well as having their unlocked car rifled through. Subsequently their gate opener was found by the back gate. It is unknown if the first and second incidents reported here were perpetrated by the same individual.

We have a high number of residents who have signed up to our Neighborhood Watch Program, and Honeymoon Park has been relatively crime free to date. With the onset of such occurrences, we must become more vigilant. It is imperative that suspicious activities such as these are reported immediately to the Sheriff’s office so that the wrong doers are curtailed. Honeymoon Park does not want a reputation as being an easy mark. If we do not curtail it promptly, it will reoccur, time and time again.

I wish to remind you to keep car doors locked, even when parked in your driveway, lock your shed doors, and eliminate the opportunity. Keep an open eye for suspicious activity, and report it as soon as you see something out of the ordinary.

Be Safe....Be Aware....Honeymoon Park Matters.... You Matter....
Don’t hesitate to report suspicious activity.

If you have any questions or require more info on the Neighborhood Watch program, please contact me:

Ken Simms, at Lot 5 1st Street
Call 613-419-0591 or e-mail HMHPWATCH2020@gmail.com.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
