December 2, 2023

To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: November 2023

Dear Fellow Residents:

Electrical Outage in Hall: Power to the hall has been restored. The final inspection is expected to be completed in the first full week of December. Additional work on water lines will delay the trench being filled in until sometime in Mid-December. In the meantime, please be careful when entering the pool or hall as the trench is still open.

Prior to the hall reopening, the hall was cleaned by park volunteers. Thank you to all who helped get the hall back in shape for the residents.

Damage to the oven controllers was discovered once the power was repaired in the hall. The ovens will be back online in the next two weeks.

Spa: The spa should be available for use in the first week of December. New lights, new drain covers, a thorough cleaning, and new jet covers were added to the spa.

Social Committee:

Thanksgiving: LSR Cares, sponsored by the Social Committee, delivered meals to several residents on Thanksgiving.

Water Usage: Water usage in 2023 will be higher than planned by 2%. The aggregate rate of water and sewer increased in 2023 7.3% higher than 2022. Some system water leaks were found and repaired, but most of the water use increase is due to leaks in mobile homes. Two large leaks were discovered when residents returned for the season. Rates in 2024 are expected to increase another 4% above the 2023 rates.

Pool: Symbiont heaters have been repaired and the pool temperature is about 86 degrees. Additional repairs to the heaters are required to protect them from power surges.

Maintenance:

- A geothermal water leak was found and repaired.
- A well system pump failed and was repaired.
- Water couplings in the pool room were repaired.
- Well water pipes found leaking were repaired as were various valves.

Financial Status:

- Financial information for November will be posted in the hall.
- A tentative date for the initial budget review with shareholders is 9 January 2024 at 11:00 am in the hall. This meeting will be open to all shareholders in good standing. The topics will be the estimated budget for 2024 and a discussion of reserves.

Insurance: LSR is in the process of renewing our liability and property insurance. A new requirement for roof inspection, electrical inspection, and building appraisals has been imposed by the insurance companies.

Phonebook: The 2024 phonebook should be available in two weeks.

continued on page 6

Pinellas County Sewer Project: LSR is still waiting for Pinellas County to supply documents for review.

Board Meeting: A Board meeting was held on 6 November 2023 in the Pavilion. Minutes were emailed to all residents. The next Board meeting is scheduled for 15 January 2024 in the hall.

AGM and Director Elections: The 2024 AGM will be held on 20 March 2024 in the hall. There will be four (4) director positions up for election. Please consider running for the board. The park relies on volunteers to manage the corporation for its shareholders. This is the perfect time to step-up and get involved in the management of the park.

Best Regards,
Steve Schaefer

LSR Cares, sponsored by the Social Committee, delivered meals to several residents on Thanksgiving. This new program within the Lake Seminole Resort community that will be here to help if a need arises. We can help you find services you may need; help direct you to resources that may be available to you, offer suggestions on who in the community may be able to help you and enable us all to support each other by doing good things and caring for each other.

LSR Cares has a dedicated email address- LSRCares@gmail.com

This email will be monitored by Ann Haines and Wendy Burke. We will help forward information or direct you to someone who may be able to help-we are asking everyone to please be aware of your neighbor and let us know if you think someone may need a hand with something.

If you are willing to help your neighbor by providing a meal, a visit, a ride to an appointment, or minor household tasks for someone going through a hard time, please let us know. We will compile a list of people who have skills or services they are willing to provide. We will also have a VIRTUAL lending closet for Medical Supplies and Grandmother Supplies. Please let us know if you have something to loan and we will offer the info to someone who may be looking to borrow either medical [crutches, walker, shower chair] or Grandmother items (high chair, car seat, pack-n-play). The loan would be from one neighbor to another so that items are returned promptly and in good shape.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

While Barb Fix is recuperating, Wendy Burke will be sending cards to shut-ins and get-well cards for the sick. If you know someone who would like to receive a card, please forward the name and address to LSRCares@gmail.com and Ann will see that Wendy gets the information.

This is a new program for us so we are open for suggestions on how to make it run smoothly. Please help us to support each other and spread kindness throughout the community!!!

ALL RESIDENTS

As more people come into the park there is more garbage generated (I know in your mind you're says "NO KIDDING !") Things to be reminded of:

DO THIS – Garbage Bins / Recycle Tots / Paper & Cardboard

1. Garbage goes into the Big Blue Garbage bins – 1 at laundry, 1 near the pond and 1 at the end of 100th St. If one is full, please use one of the other bins.
2. Throw the garbage into the back of the dumpster. Close the lid if it is open.
3. Compact/condense your trash as much as you can otherwise, we pay to pick up air.
4. Hold onto your tree and bush trimmings until just before the bins will be picked up.
5. Pick up trash that is spilled.
6. Take hazardous materials like paint, chemicals, rechargeable batteries, fluorescent light tubes, fertilizer, etc. to the county dump. Ask a director for help.
7. Aluminum cans – crush them (can crusher on laundry wall) and put into barrels. Money made goes to the Social Club for Park functions.
8. Put recyclable items into the blue Tots near the fence. (glass, plastics, metal).
9. CRUSH/Step Down large plastic containers like milk and laundry jugs and cat litter jugs.
10. FLATTEN Cardboard before putting into the paper bin.

DON'T DO THIS – Garbage Bins / Recycle Totes / Paper & Cardboard

1. Don't leave garbage on the ground. Don't throw garbage on the top of the dumpster.
. Take it to another dumpster or hang on to it one day until a dumpster is freed up.
 2. Don't put large items into dumpster (no mattresses, sofas, large chairs or tables, large wood etc.).
 3. Don't put things with rechargeable batteries, or chemicals, (see #6 above) into garbage.
 4. Recycle Blue Totes – No garbage, no plastic bags, no Styrofoam.
 5. Paper Bin – No garbage, no plastic, no dog poop, no Styrofoam.
- If the bins are full try to hang onto stuff until the bins are emptied.

Note: The status of the electrical repairs being done to the hall was not known at the time this edition of the newsletter was submitted to the publisher. Therefore, events shown on the calendar below, that are usually held in the hall, have been moved to another location. Euchre Night is being held in the Card Room and Monday Morning Coffee is being held in the pavilion. The Halloween Party planned for the 28th, if the power to the hall is restored.

Pinellas County Emergency Information

<https://pinellas.gov/emergency-information/>

This is the link to the Pinellas County "Emergency Information" web site.
At this site, people can access;

1. Emergency Shelters - A list of shelters and if open, closed, or full and if a general shelter, pet friendly, or special needs
2. Special Needs - How to register for "Special Needs Assistance" and a list of special needs shelters.
3. Sand Bags - Info on obtaining sand bags for residents not required to evacuate
4. Emergency Road Closures - Road closures within Pinellas County
5. Know Your Zone - Evacuation zones - all mobile home parks are under mandatory evacuation during any evacuation order.
6. During and After a Storm - Information on cleanup after the storm.
7. Disaster Assistance - Information on insurance claims and FEMA

It is very important that any resident requiring assistance for evacuation, register on the "Special Needs" site. It is the only way that the County will be aware of their needs whether it is medical, mobility, or transportation, etc.

Our in-house LSR "Disaster Relief" form is to supply basic info to assist EMS and First Responders to perform search and rescue within the park during a severe weather event.
