AT THE MEETING

Gene Arend

The annual meeting of the owners was called to order at 10 AM Monday December 4, 2023. The results of the Proxy Votes are 212 proxy ballots were returned of the possible 317. 132 voted Yes to approve the amendment to prohibit guns/weapons on common elements/clubhouse. 75 voted No and 5 abstained. On the Partial funding of the reserve fund 199 voted Yes 8 voted No and 5 abstained. On the need to have a partial financial review 173 Voted Yes 31 voted No and 8 abstained.

There was a lengthy discussion from the owners voicing their opinion on both sides of the amendment. This amendment, when proposed to the Board of Directors, was discussed at two board meetings by both the directors and those attending the meeting. The board also sought the guidance from our legal representation. The end result of that opinion to the board from the attorney was regardless of which decision the board made there could be legal issues. The board decided this was too major of a decision to be made by just 7 so the amendment was drafted and presented to all of the owners. The information on if guns were allowed in the common area, namely the clubhouse, or being prohibited was included with the annual meeting notification packet. The owners were then assigned to make the final decision. Just as in any democratic offering there will be those who agree and those who disagree and the reasoning is endless.

There was also a lengthy discussion on speeding by residents, vendors and visitors on the

streets of Briar Creek. This is an issue which has been presented on more than one occasion. Several years ago, the proposal to install speed bumps on the roads was presented to a vote for an annual meeting. Much in the same way the recent amendment was presented. The majority of owners voted against the installation of speed bumps. In this director's opinion signs, speed limits and other means will not change the behaviors of some. As always it is the few that draw the attention. In my observations the majority of the residents respect the speed limits. There is always the few who do not respect the speeds. It is a danger to our community. I submit no matter what means you impose, the few will find a way to speed. After leaving a stop sign or driving over a speed bump that foot will press down on the accelerator. I have observed some of the more noted vendors who drive in the community and they will noticeably slow down for the STOP sign but then they "Put the pedal to the metal" and off they go again.

Another issue presented was getting information to the community. The monthly media, what you are reading now, is one solution. A board meeting is another, however there is a minority unable to attend. The board has on more than one occasion held board meetings at evening hours and the observed attendance was not noticeably different than the meetings held on Wednesday morning. It was asked at more than one of those meetings on the preference and overwhelmingly those attending preferred the Wednesday morning meeting time. The minutes of all meetings include discussion by the directors and residents at the meeting. The minutes and other board business information is posted on the bulletin boards in the clubhouse and posted on the mybriarcreek website for all owners to review. The information is there for all to review. Only you can decide to make that information available to you.

GOT A PROBLEM WHO YOU GONNA CALL?

Gene Arend

If you have any issues or problems within the Association property in Briar Creek I please call the person directly responsible for that area of the community. This will enable you to have the issue resolved quickly and properly. Calling anyone else means that director may not have the information or details they need to resolve your issue. Calling the wrong director will only delay or prevent your issue from being solved in a timely manner. They may not have access or information necessary to address your issue. Below are the directors to call for all areas of responsibility.

RESERVE/DEFERRED MAINTENANCE

Al Hartin, Treasurer

In last month’s Monthly Media, I broke down the Monthly Maintenance Fee. Perhaps you were wondering why will my Maintenance Fee include \$25.92 for RESERVE/DEFERRED MAINTENANCE?

RESERVE/DEFERRED MAINTENANCE is a fund set aside for periodic replacement of major building/facility components such as replacement of the roof, roads, heating, ventilation and air conditioning (HVAC) systems, major pool repairs/upgrades, major water/sewer repairs, etc. This fund does not include minor repairs and maintenance as these costs are considered routine operating expenses.

Setting aside funds in RESERVE/DEFERRED MAINTENANCE eliminates the need for a Special Assessment in the event of a major expense such as the recent upgrade of our Pool Heating/Cooling and filtration systems done in FY2022 & FY2023 at a cost of \$117K.

This year we have spent \$108,051.00 out of our RESERVE/DEFERRED MAINTENANCE fund with no need for a Special Assessment. Listed below are the projects that were completed.

Clubhouse Electrical Update	\$ 8,200.00
Final payment of the Pool Upgrade Project	\$20,663.78
Clubhouse Security System	\$ 8,258.88
Street Signs Replacement	\$ 3,569.77
Replacement of interior Pool Lights	\$16,600.00
Repair and Resealing of Pool Deck	\$15,459.40
Replacement of fence around Pool	\$ 9,165.50
Bridge Deck Replacement	\$ 5,200.00
Concrete Slab for smoking area	\$ 3,000.00
Concrete walkway to Pool Shed	\$ 1,800.00
Three Major Sewer Line Repairs	\$16,134.00

business. The messages are currently being sent by your Directors to over 290 email addresses in the Briar Creek I community. Matters related to such items as Board Agenda, Minutes of Meeting, Water shut offs, Sewer issues and a diversity of other business-related messages are sent periodically. These email messages could end up in your Spam or Junk folder depending on the security levels you have for your individual email account. If you are not receiving these messages, contact briarcreekoff@gmail.com with your email address and we can check the files and determine if your email address is receiving the messages. If not, we can update the files and add your email address. These messages will only be communications for owners in Briar Creek Mobile Home Community #1. Most of these messages may impact you. They will save you time and trouble when things occur that you need to know.

FOBS

Last year the Board replaced the keys to the Clubhouse and Pool Area with FOBS that increase the safety of all residents of Briar Creek. Remember to bring your FOB with you when you are going to the Clubhouse or Pool. Do not assume that someone will be there and open the door or gate – this defeats the purpose of issuing FOBS for security.

CLUBHOUSE/POOL AREA

After use of the Clubhouse or Pool Area remember to do the following:

- Relock any doors you dogged in the open position
- Turn off lights
- Turn off any fans you used – also fans on back deck by the pool
- Return any items you used from the kitchen and, if needed, empty the trash

BRIDGE BEHIND POOL

Walk your bike or scooter or any other item across the Bridge. There are signs on both ends reminding you of this!

BINGO

Your Phase One Bingo Team

Phase One Bingo every Tuesday, doors open at 5:00pm, games start at 6:00pm. As our prep time to set up is significantly shorter than previous years, we do ask that you not enter the clubhouse until 5:00pm.

Hot dogs will be served every Tuesday from 5:00 to 5:45, and Jeff will do his best to provide a meal each Tuesday, as well. You need not play bingo to purchase food, but we do ask that you non-players wait until 5:30 so that players can get a meal and get seated. Keep an eye on the Briar Creek Facebook groups for more info, or contact Jeff Clark via phone or text at 585-613-6218

Prize monies are growing each week and if you haven't played bingo in a few years, please give us another try. You know we're having FUN when a game has to stop because we're all laughing so hard!

BRIAR CREEK BIRD WALK

Bill Kaempfer

Find out more about the natural setting of Briar Creek on our monthly bird walks. Over the years 114 species of birds have been observed in Briar Creek!

In November, four of us saw 32 species including a beautiful Prairie Warbler as we birded between the two BC Clubhouses. December saw us repeating the same path and we just about matched the November total with 31 species this time including Spotted Sandpiper and Killdeer. In addition, we were all lucky to see a river otter swim by at close range in the canal.

January's bird walk will be on the first Friday of the month—January 5th. Join us at 8:00am for a 60-to-90-minute walk up and down our streets and out to the canal. We meet at the Phase 1 Clubhouse, wear sturdy walking shoes, and bring binoculars, if you have them.

BRIAR CREEK BRIDGE

Bill Kaempfer

Briar Creek Bridge meets every Tuesday from 12:45-4:00 in the Phase I Clubhouse. Everyone is welcome—Phase I, Phase II and non-BC bridge players—and you certainly don't have to be an expert to join in. Just give me, Bill Kaempfer, a text, call (303-717-5063), or email (Kaempfer@Colorado.edu), if you are interested in playing.

LETTER FROM JEFF CLARK

December 4, 2023

I'm Jeff Clark, and I've served on the Briar Creek Phase One board twice. I resigned my position both times. I felt at the time it wasn't necessary (and also counter-productive) to publicly discuss my reasons for resigning. However, at this morning's annual meeting a current board member felt it necessary to raise the issue of my resignations and used it to chastise me in public. Not only was this uncalled for, it was also inaccurate. So please let me set the record straight.

My first resignation came about when I emailed the other board members about my idea to rectify exterior problems with Phase One homes that the owners were neglecting. I asked for input from each other board member, and NOT EVEN ONE OTHER MEMBER BOTHERED TO RESPOND. At the time, residents assumed I resigned due to my full-time employment and therefore couldn't devote enough time to the board. But the truth was this: why should I continue in a position where I obviously didn't have the support of my fellow board members?

I decided to run again for the 2021-2022 board; a number of residents came to me and asked if I would serve again. I discussed it with current board members sometime in November. One

...continued on page 20

member was concerned that I would not serve my full term, as I had resigned once before. I assured that person that I did not see- AT THAT TIME- me resigning and would do my best to serve a full term. I was elected to the board in early December 2020, then my husband David received a stage four lung cancer diagnosis in January. As if that wasn't stressful enough, I proposed at the February 2021 board meeting that we establish a committee to look into solving the issue of speeding vehicles within our community. Five members of the board refused to vote, which killed the idea of even looking into the problem.

Again, lacking the support of the board on such a simple and non-binding request (along with having to deal with David's cancer), I again resigned. I did receive emails from 2 board members about my resignation; one was about my not living up to my promise to serve a full term. The fact that David's illness* was never mentioned in either email was rather cold in my opinion, but I've since been able to let that go. However, since it was brought up again at our annual meeting (with the nuance of "put-up-or-shut-up," implying I had forfeited the right to voice my opinions or ideas), I felt it was time to explain to Phase One residents the exact circumstances of my resignations.

Jeff Clark

*for those of you that are unaware, David passed away from his illness March 21st, 2021.

Board of Directors:

Sam Oliverio – President

Happy New Year to one and all. I hope that this Holiday Season finds you all well, and that 2024 will be an exceptional year for you and your families.

I want to thank you for putting your trust in me, and the other Board members these last two years while we have served our Community. With that said, I am happy to continue to serve for another two years and will do my best to deserve the trust you have placed in me. We have a great Community, and the best neighbors in Phase 1, if not we wouldn't be living here. With your help, we can keep it that way.

Again, best wishes for a very Happy New Year.

Bob Raynor – Vice President

Happy New Year to our BC friends and neighbors. 2023 was a great year for our overall BC community as Boards and Committees from both phases continued to seek out joint opportunities to work together in a variety of areas including entertainment, travel

and sharing pool facilities during construction and repairs. The Briar Creek Experience on Facebook has been a great resource for sharing information while “theBC2Connection” keeps us up to date with goings-on. Many thanks to so many who have helped this board to continue building on our past and continuing to move us forward with an eye to our evolving future. Briar Creek is a wonderful place to live. Let’s continue to keep it that way!!

Finally, I only had one New Year’s Resolution but changed my mind. A Facebook quote said it perfectly. My New Year’s Resolution was going to be to “quit all my bad habits, but then it occurred to me - no one likes a quitter”. Happy New Year everyone!!

Philip Chabot – Director Phase - Garage, Lawns, Ponds and RV Lot

Happy New Year!

Hope your Holidays were special. Just a reminder about the RV Lot. If you have a unit in the designated parking area, please make sure that it is registered and that I have a copy of a valid registration. Both boats and trailers must be registered, and I must have a valid copy of each unit. We also highly recommend that you have insurance on your unit as we are not responsible for anything that may occur while parked in the RV Lot. Your cooperation is greatly appreciated.

Work continues on a restructuring plan for the RV Lot and we will keep you posted and updated as these plans progress. Welcome to 2024!

Jim Tashjian – Director

Can you believe it is 2024 already? I was just getting used to writing 2023 on approvals for alterations! Well Happy New Year to all of our residents. May 2024 bring you good health, peace, and much joy.

January usually begins the home inspection process and many of you work hard to make or keep your homes looking beautiful. So it tends to be a busy month for outside alterations as well. I love that people take pride in their homes and landscapes. Keep in mind that painting your house, your driveway, or even just the trim requires approval from the Condo Board. This month I am stocking extra alteration forms in the tray next to the office door in the library area of the clubhouse. Please fill them out, return them to either the office mail slot or to my rock box at 193 Clubview Drive. It is important that you do not begin your project until you have board approval in writing. As always, I ask that you be careful on step stools and ladders, protect your eyes, ears, and fingers, and call (811) before you dig. Keep up the good work and

Home Inspections

As you know, our Condominium Articles of Incorporation as well as our Bylaws and Restrictions require that we all maintain the exterior of our home and land in “good, clean, healthy and attractive condition at all time” In mid-January, we will begin the annual home inspection process to review each home for needed outside maintenance. After those inspections are completed, homeowners will receive an evaluation of the condition of their home and if there are problem areas, given time to take corrective action.

Recently, in anticipation of this annual inspection, every home was quickly evaluated from the road to determine what trends we are seeing that will need to be addressed. Many homeowners have worked hard to ensure their homes are meeting their maintenance requirements. For those that are not, below is a list of the primary areas we saw that you can start to work on now. Check the list and if you find it pertains to you, why not start to tidy up now before the formal inspections begin. Wouldn't it be great to get a nice home evaluation?

1. Homes, including carports, mailbox and planter bricks that are dirty and moldy need pressure washing - schedule a cleaning soon. (Note: Be mindful of recently issued Water Use Restrictions.)
2. Gutter gardens are not good - remove weeds and other growth
3. Mailboxes need worn and torn numbers replaced

Thank you in advance and help us to help you.

The bc2Connection- PHASE II (Formerly known as The Phone Tree)

Marsha Bowlby & Carol Rodrigues Email address: thebc2connection@gmail.com

The BC2Connection is the Phase II email system.

If you have not signed up yet and want to be on thebc2connection, send an email to our email address with your name, address, and email address. If a member of your household is the one getting the emails and you never know what's going on? Sign up, we have several families that have more than one person in the home getting the emails.

If you signed up but aren't getting the emails, check your trash/spam box first to see if they have gone there. The emails are going out and almost everyone is getting these emails so there may be a problem in your account. If you are unable to find the emails, please email us at thebc2connection@gmail.com and we will see if we can help.

It is important that everyone can receive these emails because this is our way of reaching out to our community for fun events, but also important "need to know" information. Let's work together on this project to be sure everyone is receiving important information.

INSPIRATION

Dr. Marty

On the Pickle Board court the other day two friends got my attention. One was sharing about losing 29 pounds from specific changes in his eating patterns. He was moving faster, with less effort, and truly enjoying himself more. The other person was sharing how at one time in his life he was fifty pounds heavier, yet now was slowly gaining the weight back and finding it difficult to change. As he said, "I love sweets and junk food". I shared with him that the words we speak out loud or to ourselves quietly shape our reality. He said, I know but it's hard.

All of us in this journey of life share similar challenges and joys of life. For the most part we all desire similar things. To be healthy, to have loving relationships, to have financial security, to feel emotionally and spiritually connected to some inner power. Of course this will all look different for all of us. But at the end of the day it is what inspires us to improve in all these aspects of our life that paints our true picture. Unless we are inspired we tend to remain unmotivated and slip into laziness and lazy thinking. Inspiration that leads to actions that fulfill goals and visions help us feel better about ourselves.

Inspiration though is a muscle that needs to be exercised each day. Like a fire the flame will quickly diminish if we are not feeding the fire. Sometimes the challenges in life can feel overwhelming and we can begin to feel depressed. It is easy to not tend the fire or our life once we are out of balance with ourselves.

Inspiration comes from the word Inspire. To breathe in the breath of life. To inspire, to breathe deeply we reconnect to the spiritual creative force in our life. Exercises like Tai Chi and Chi Gong and Martial Arts, have all understood the ancient power of Prana or Chi. The Force within us. Often in our lives we are inspired by the words or actions of others. When we feel stuck it is sometimes good to think about the last time we felt inspired and creativity and actions fulfilled upon our dreams.

Dance like noones watching
Sing like noone cares
Act like nothing matters
And there's an answer to our prayers

Humane Society & the Haven

Barbara Bergling

Thanks for all your generous donations for the Humane Society and the Haven. I used to be able to donate clothes, but they no longer accept them. The exception is new socks for children and flip flops in all sizes for use in the shower.

The humane society and the Haven also don't accept sheets. Remember that if your linens are in good condition, we sell them at our bazaar.

The humane society request is for everything you are donating but especially towels. Also, they receive a lot of dog food and treats but very little cat food or treats. Thanks to all of you for your donations. As I have said before, Briar Creekers are extremely generous.

Thanks again everyone
