PRESIDENTS MESSAGE

Bob Mozingo, Lot 511

Wishing a happy and prosperous New Year to all!

ACTIVITY DIRECTOR MESSAGE

Stephen Ford, Lot 601

HAPPY NEW YEAR EVERYONE! As the New Year begins, we are getting into full swing of our activities, with January bringing back some of our favorites and a few **new ones as well**. Please watch the bulletin board for additions and/or changes. Our annual “Park Lighting” is always great to watch. Thanks to everyone involved in making this event spectacular. It was so nice to see so many get into our very first outdoor decorating contest. The winner(s) will be announced January 12th at our Park Coffee. There was a bunch of us signed up for Christmas caroling. It was so much fun!

Please see me with any ideas or events you’d like to see in the future.

I wish everyone a very happy, healthy New Year.

Blessed,
Stephen Ford, Lot 601

NOTE FROM THE EDITOR

Mary Lantz, Lot 431

I hope everyone had a wonderful holiday season! I am looking forward to 2024 and all the fun activities in the Park. Hope to see you all out there enjoying life to the fullest and living your dream.

Don’t forget, I am always looking for ideas for things to include in the Gazette, so if you have anything you would like to share or stories, events, etc. that you think others would enjoy, drop me a note before **January 15, 2024** at mplantz5029@gmail.com or come see me on Lot 431 and I will get them published in the next Gazette.

YANKEE TRAVELER DIRECTORY

Sally Skene, Lot 529

The 2024 Yankee Traveler Residents Directory will be available sometime in January. Please watch for a notice as to when and where you can get your copy.

MyCARE FOOD BANK

Zayna Williams, Lot 337

MyCare has not yet announced when the next free food delivery will be. Please watch the bulletin boards and the “YT Residents Association of Largo, FL” Facebook page for information as it becomes available.

A GENTLE REMINDER

Please do your part to help keep the park clean by not tossing cigarette butts on the ground. It may seem insignificant, but besides being unsightly, did you know that cigarette filters can take as long as 10 years to decompose while releasing toxins into the environment? Let's keep the park beautiful!

If you are having an event or participating in an activity in the Rec Hall or the Card Room, please clean up when you are through. All trash and recycling should be taken to their proper place and the room tidied. In other words – leave the room as you found it.

Also, please **check your mail** on a regular basis as the mailboxes fill up fast. If mail is not picked up for awhile, we will assume you are not here, and the mail will be sent back.

RECYCLING

Help the Park recycle! There are many reasons why recycling is essential. Not only can it help reduce your carbon footprint, but it also helps reduce the need for harvesting raw materials, saves energy, reduces greenhouse gases, prevents pollution, and more. By improving our recycling habits, we can help keep the environment clean and preserve our natural resources. So that we can all do our part, you can find a recycling bin at the intersection of Row 1 and Row 6 right here in the Park. Let's fill it up!

But please be mindful of what and where you are putting your recycling items. It only takes a minute to break down a box and put bottles and cans in the proper place. *All items must be clean and dry.*

BIG BLUE DUMPSTER-

You may put the following into this dumpster:

- Cardboard – Broken down
- Mixed Paper (Newspaper, Junk Mail, etc.)
- Recyclable plastic containers # 1 – 7 or anything with the recycling symbol on it
- Aluminum, Tin, or Steel Cans
- Glass Bottles and Jars
- Paper, Milk, or Juice Cartons

You cannot put Styrofoam or Plastic Bags in this dumpster.

If you take your recyclables to the dumpster in a plastic bag, *please* remove them from the bag and put the bag into the regular green trash dumpster. Plastic bags jam up the sorting machines at the recycling center.

CAN CRUSHER

Dave Cowell, Lot 339

The can crusher can be found in the main dumpster area behind the Blue Recycling Bin. You must clean/rinse your cans before crushing them, so we do not get a swarm of Bees. Please crush your own cans, but if you cannot, just leave them by the crusher and someone will take care of them. This is where those that are able can help. *If* you see uncrushed cans and you have an extra minute or more lend a hand and crush those too. It will be very much appreciated. This is a great source of revenue for the Association. Thank you in advance for your support.

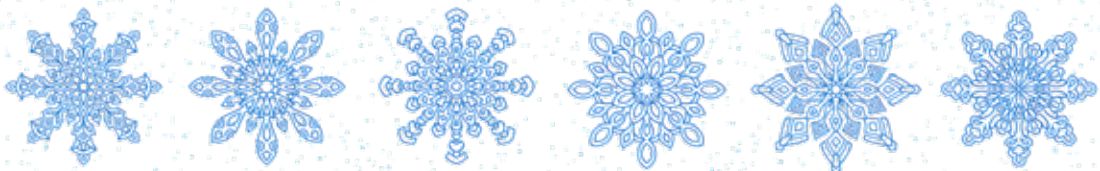

GAMES

BINGO

Cindy Fox, Lot 417

We are so happy that all our Yankee Traveler residents have arrived safely. We are enjoying all the activities. With that note, Bingo is a big success as usual. Come one come all and enjoy. Yelling Bingo is a rush for me. Many are so excited to win. Looking forward to a lot of players this season.

LADIES GOLF

Bev Sprague-Chestnut, Lot 526

As of December 8th, there has not been very many folks who have committed to playing golf at The Landings. I will have to know before the new year if we have a committed 16 people to golf before signing the agreement. At that time only, will I know what the time slot will be.

Please let me know ASAP... Merry Christmas to all.

The Landings golf course on 1875 Airport Dr, Clearwater is where the Ladies have been golfing for a few years. In order to get a cheaper rate, we require a minimum number of people each week to be committed. This is an inquiry from me to see how many folks would be willing to participate.

Last year the ladies went out first then the men, so it is not a mixed league.

Please just send me a note at bevsc@nb.sympatico.ca if you are interested. I do have to sign a contract and it would be starting on the first of January. Thanks!

PICKELBALL

The Pickleball Court is now open and ready for all you enthusiasts to enjoy, but you also don't have to be super-athletic to play. You can play it at a pace that feels comfortable to you. Age is just a number when it comes to playing, so give Pickleball a try. You just might become an avid player!

For those of you who are unfamiliar with the sport, it combines the elements of tennis, ping pong, and badminton into one game. It can be played singles or doubles on a court that looks like a tennis court but is much smaller. Instead of tennis rackets, you use paddles and a plastic ball.

WELCOME BACK PARTY

Lynda Robichaud, Lot 524

The Welcome Back Party was held on November 17, 2023. There were approximately 150 people present. Keith and Lucy were present. Keith talked about improvements done in the park and introduced the workers for this season.

We set up a taco bar where everyone served themselves. There was a large assortment of toppings for your beef or chicken tacos along with veggie and fruit cups. Many thanks to all who helped with special thanks to Jerry Rzepka for all his help putting this together.

ONE-PAN MEATBALL & PEPPERONI PASTA BAKE

Ingredients

- 1 box (16 oz) penne pasta
- 2 jars (24 oz each) chunky marinara sauce
- 1 cup sliced pepperoni (from 6-oz package)
- 1 bag (16 oz) frozen cooked Italian-style meatballs (32 meatballs)
- 2 cups water
- 1 package (8 oz) shredded Italian cheese blend (2 cups)

Heat oven to 350°F. Spray 13 x 9-inch (3-quart) baking dish with cooking spray. In baking dish, mix all ingredients except cheese; mix well. Cover with foil.

Bake 55 to 60 minutes or until pasta is tender. Uncover, sprinkle with cheese. Bake uncovered 8 to 10 minutes or until cheese is melted.

What starts as a basic pasta and meatballs dinner turns into a family-favorite casserole that's easy to throw together thanks to your 13x9 dish. Speaking of your family, what toppings do they like on their pizza? Add onions, black olives, mushrooms, and green peppers to the dish to make it a twist on pizza night. Don't have meatballs in the freezer? No problem! try using Italian sausage in lieu of the meatballs. Another twist you could try is to use a jar of marinara and a jar of Alfredo resulting in a creamy penne pasta and meatballs bake.

INQUIRING MINDS WANT TO KNOW...maybe

The Inspirational Walker

Author-Darley Perlakowski, Lot 430

There she is "just a-walkin' down the street", singin' do wah diddy diddy dum diddy do, snapping her fingers and shufflin' her feet, singin' do wah diddy diddy dum diddy do. She looked good, she looked fine etc. Well, I'm not sure she was actually singing that song, but she was walking down the street, and she did look good. It has been said (by many) that this lady puts a lot of people to shame walking the park twice a day when many don't even walk once a day.

Let me introduce you to this 94-year-old walker. "Miss Dorothy", as everyone knows her.

Dorothy was born in Moundsville, West Virginia. Even though Dorothy has moved several times, Moundsville is still her favorite place. You know, there are many mountains in West Virginia and as a kid, she and her family and friends loved it when it snowed. They would take their sleds and pull them up the hills, slide down, only to repeat, repeat and repeat again. Such fun. She says that her boys hated it when they had to move. You see, Moundsville was her little piece of Heaven on earth.

School days, school days, good old golden school days. Well perhaps for kids today, but not for Dorothy. What? You mean I have to walk to school. Not a block, but a mile and a half each way. As if that wasn't bad enough, she had to do it twice a day. There were no cafeterias, so she had to go back home for lunch. So that amounts to 6 miles a day. I guess that began her walking career. Now Dorothy was an exceptional student. She graduated a year ahead of her classmates at the age of seventeen. Her ultimate dream was to become a doctor. When the high school yearbook was being written, those that were graduating were asked "what is one thing that you would like to do". Dorothy said, "ride a motorcycle". Did she? You may want to ask her. I do know she rode a horse once and said never again. Along came a gentleman named Frances and plans changed. She married this man at the young age of seventeen.

Let's back up a few years. Dorothy remembers listening to the radio (no tv's of course) with the family when it was interrupted with a news bulletin. It was called "The War of the Worlds". This news cast caused such panic that everyone felt they were being invaded by aliens. Everyone gathered their guns ready to protect their families. Actually, it was a fictional broadcast by Orson Wells. You see, it was October 30th, -Halloween.

Another remembrance. Now every child looks forward to a birthday party, so did Dorothy. Well, her birthday was interrupted by another newscast. It was the news that Japan has just bombed Pearl Harbor. World War II had begun. Dorothy had three uncles that immediately volunteered to serve their country. Each was in a different part of the service and was in the thick of combat. A fighter pilot with over 25 missions. Another that was what we call today a Navy Seal. Another that was involved in serious ground offences. With the grace of God, all returned home safely.

Have you ever heard of a street movie theater? You know, the movie screen was a wall on a building. Well, Dorothy does, only she never got to watch because when it was being shown, she was working at the ice cream shoppe. Of course, all the other teens came in for ice cream when the movie was over.

Now when I say that Dorothy has been a part of a lot of History, here a few examples. Her father was on his way home when he witnessed the crash of the blimp Shenandoah on September 3, 1925 in Ohio. He actually helped with the rescue efforts. There were 43 men on board and 14 died. Back then, it was a custom to put coins on the closed eyes of the victims. Another part of history, the family lived next door to a mafia boss by the name of Buzz Miron. One day as she was out, one of those black sedans with running boards came barreling down the road with a gang member hanging out with one foot on that running board shooting. Another wild story, Dorothy's dad was doing some plaster work on a wall next to Miron's apartment, when he overheard the comment "well, one thing for sure, there will never be another Kennedy in the White House". Later you will remember Robert Kennedy was assassinated. Buss Miron was a part of the famous St. Valentines Massacre. Needless to say, another move took place.

Now Dorothy has lived in West Virginia, Pennsylvania, and Ohio. This is where they put their final roots. While in PA, Dorothy worked at J.C. Penney in the candy, shoe, and camera departments. Believe it or not, I worked there at the same time, but had no idea that someday her son and my daughter would marry. Now I don't know all the jobs she has had, but I am sure she could tell you a lot.

Dorothy loved to dance and knew all the types of dancing of the time. Many of you, I am sure, have seen her at our dances, either dancing or moving to the rhythm, as Joe puts out the music. She is also an avid reader. Of course, I can't forget she is famous for her pecan pie. I understand it is because she ALWAYS added a little extra bourbon. Actually, she makes a good Brandy Alexander as well. If you don't know how, I am sure she could teach you.

Dorothy involved herself in helping at her church and other activities. When Ohio had their Sesqui-centennial parade in Dayton, Dorothy got busy and made the family special colonial costumes. I believe she still has a picture of that time.

As I stated at the beginning, Dorothy is a walker. Neither a hip replacement or two broken kneecaps will stop her from her daily walks. By the time you receive this bio, she will have celebrated her 94th birthday. If you haven't said "Happy Birthday", just drop by and wish her, the "Inspirational Walker" another year of health and happiness.

Let me close this by saying that all this information I have written was not given to me by her. You see, this is a surprise bio, and I am sure I have missed more than I have written. Take time to visit her at lot 336 and I am sure she would have a lot to say.

Ex-Wife

Tim decided to tie the knot with his longtime girlfriend. One evening, after the honeymoon, he was organizing his golf equipment. His wife was standing nearby watching him. After a long period of silence, she finally speaks: "Tim, I've been thinking, now that we're married maybe it's time you quit golfing. You spend so much time on the course. You could probably get a good price for your clubs."

Tim gets this horrified look on his face. She says, "Darling, what's wrong?" "For a minute there you were beginning to sound like my ex-wife." "Ex-wife!" she screams, "I didn't know you were married before!" "I wasn't," he replied.

Idiots In the Room

"If there are any idiots in the room, will they please stand up", said the sarcastic teacher. After a long silence, one freshman rose to his feet. "Now then mister, why do you consider yourself an idiot?", inquired the teacher with a sneer. "Well, actually I don't," said the student, "but I hate to see you standing up there all by yourself."

Two Quarters Are Better

A young boy enters a barber shop and the barber whispers to his customer, "This is the dumbest kid in the world. Watch while I prove it to you." The barber puts a dollar bill in one hand and two quarters in the other, then calls the boy over and asks, "Which do you want, son?" The boy takes the quarters and leaves. "What did I tell you?" said the barber. "That kid never learns!" Later, when the customer leaves, he sees the same young boy coming out of the ice cream parlor. "Hey, son! May I ask you a question? Why did you take the quarters instead of the dollar bill?" The boy licked his cone and replied: "Because the day I take the dollar the game is over!"

Sweet New Car

My boss was honest with me today. He pulled up to work with his sweet new car this morning and I complimented him on it. He replied, "Well, if you work hard, set goals, stay determined and put in long hours, I can get an even better one next year."
