## Neighborhood Watch- Romance Scams

The following story provided by **Deputy Chuck Skipper Pinellas County Sheriff's Office Crime Prevention and Community Awareness Unit Public Relations Bureau**  
Work - (727) 582-2847

Perhaps you've seen my presentation on Avoiding Fear Based Scams, but another type of scam is very popular and can be financially devastating – **ROMANCE SCAMS**.  
Now before you dismiss this and think this doesn't apply to me because I'm not looking for love, be aware that versions of these scams start as friendly connections online.

Perhaps it's a friend request from someone you are unfamiliar with or sometimes a text message from someone who has 'accidentally' gotten the wrong number. The person who has unexpectedly made contact with you is usually attractive in status and/or looks and appears like some who would be interesting to connect or speak with. That's the bait in this scheme.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

visit: [www.ascaluminum.com](http://www.ascaluminum.com)

Detectives just investigated a case of a victim who befriended a local woman online and they shared several text messages and photos with the expectation of meeting soon for a casual meeting. During the many text messages, the woman learned the victim was recently retired. The woman mentioned casually that she had been investing money into a cryptocurrency and making great returns. She NEVER asked for any money, but suggested he download a cryptocurrency app from the Apple App Store and transfer the money to another party called Zooex. Well, he did and invested a small amount of money and began seeing an impressive return using the app. Since the returns were so good, he invested much more money over time. The great returns continued and he shared his enthusiasm with his new friend and thanked her for such a wonderful opportunity.

Ok, this is where the story turns dark. After making a healthy return, he decided to withdraw some of his profits. He was instructed that he needed to pay some additional fees and the taxes before the withdraw would be approved. He paid what was asked but was still unable to withdraw any funds. This went on and on with excuses and being frustrated he finally contacted PCSO. It was then he discovered that the app was fraudulent and the ‘friend’ was actually another Instagram model whose picture had been used to create a fake profile account along with some local photos from Tampa Bay to add a sense of legitimacy to the account.

If you have not seen my presentation on scams or would like to hear a presentation on this or another topic, please contact me and we can schedule a presentation date.

# Did You Know?

The oldest valentine we know of is a Valentine's Day poem written in 1415? The Duke of Orleans wrote it for his wife.

About 9 million pet owners will buy Valentine's Day presents for their pets each year?

The people who receive the most valentines each year are teachers!? Wives, partners, and school children are close behind.

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
