HAPPY VALENTINES DAY!

2024 is also a Leap Year, so we have 29 days this month. February finally lets many of us get our first sigh of relief after the hustle-bustle of the holidays are behind us, and the pressure of New Year's resolutions is either included in healthy habits or dropped by the wayside, depending on whether we have kept our resolutions or not.

Some notable holidays in February include Groundhog Day on February 2nd, Super Bowl LVIII on the 11th, Mardi Gras on the 13th, Valentine's Day on the 14th, Canada's National Flag Day on the 15th, and *Presidents Day in the USA / Family Day in Canada on the 19th. A busy month and also at Golden Acres (see the calendar).*

Quote of the Month: "You'll always make mistakes, and you'll miss the mark sometimes. That's inevitably going to happen, because the best people in the world make mistakes - even people who are brilliant." James Corden, English actor, comedian, singer, writer, producer, and television host. In the United Kingdom.

Until next time,
May God bless and keep you well and safe...

Dunedin Golf Cart Registration Update

From the City of Dunedin

The City of Dunedin is no longer requiring local registration stickers/fees for golf carts (operating under 20 mph). It is still necessary to adhere to road/street rules and regulations as well as ensure your golf cart is equipped with the required safety features. While local registration is not required, the Pinellas County Sheriff will continue to enforce State golf cart rules and regulations.

If you are interested in helping, please give your name to Eleanor #76 or Pat #23.

Name Change: Wednesday Coffee Hour will now be called "Wednesday Weekly Updates". In an effort to attract new park resident awareness and participation.

We realize you are reading this early February, but let's recap a few highlights for residents arriving later in the season. What a great New Year's Eve turn-out. Thank you, Claudia Burke and Jack Terry #141, Nancy Karhoff and Eric Duling #67, and volunteer assistants for hosting our amazing New Year's Eve Dance. We had a lovely evening with (95) tickets sold. Nancy's time and artistic talent provided amazing charcuterie board door prizes.

Rita Syroteuk #123 led the group of Golden Acre resident attendees at this year's Dunedin Community Band Concert. Advanced band member, Jim Schmitt #217, not only performed in the elite band, but also participated with the terrific beginner band performance which included residents Debra Farris #28 and Gina Douthit #55. We were quite proud of all three residents for their time and talented performances. A big thank you to Jim Schmitt, Debra Farris and Gina Douthit for your time and commitment preparing for this festive event. We look forward to future performances and hopefully several will be able to take advantage and attend, as well.

The Big Red Bus made another visit to Golden Acres, as part of their blood drive. Thank

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

you to the 17 park and many outside residents for giving the gift of life, what a worthy cause! A sign-up sheet will be made available on the clubhouse bulletin board for the next Red Bus donation. Kudos to Ray Lamoureux #9 and other residents that we may not have identified for donating 100 + pints of blood!

We very much appreciate Bob Mickle #29 for his diligence in managing our continually changing activities calendar. Our recreation committee would like to recognize once again “Jim Schmitt and the grill master” for flipping the cakes and serving over 100 residents a delicious breakfast while making it look “effortless”. Considering the inflationary cost of supplies we were quite pleased that they were once again able to report a profit at the end of the day. Way to go team!

Thank you, Eleanor Saunders #78, for organizing our Feb 3rd Carport Sale! This is a lot of work, and we appreciate your leadership.

Valentine Dance You won't want to miss out, so be sure to buy your sweetheart tickets early from host Steve and Linda Swann #219 and plan to swing to the amazing music of Soul Fish. This is quite the sought-after band in our area.

March 2nd Penny Sale is quickly approaching. Reach out to co-chairs Eleanor Saunders #76 (or) Pat VanderHeyden #23. Pat and Eleanor will direct you as to where you can drop off wrapped baked items, new and gently used items, and jewelry you no longer wear (excluding clothing and furniture). Table rental is available for talented art and craft residents. A few extra volunteers may also be helpful. The Penny Sale historically is a fun, profitable venue our residents look forward to attending. A special recognition goes to Rita Syroteuk #123 for forming and managing our penny sale over the past few decades! Also, thank you to Eleanor and Pat for continuing this legacy event.

Can-Am: Contact Jimmy List and Robin Jewell #19 for tickets and information. We are anxiously awaiting this event as they work tirelessly with many talented volunteers to prepare our Can-Am extravaganza!

The recreation committee is here for each of you. Feel free to reach out with suggestions or concerns. Thank you for each of your patience and support.

Don't forget to sign up if you would like to join the new recreation committee beginning April 2024. This is a great opportunity to make new friends and help continue developing a lasting, active, park culture!

Blessings and good health... until next time.

Intermittent Fasting and Type 2 Diabetes

From NIH (News in Health) newsinhealth.nih.gov

Around 1 in 10 Americans live with type 2 diabetes. In this disease, levels of blood glucose, or blood sugar, stay too high for too long. Diabetes can lead to serious health issues.

Weight loss is often recommended for those with excess weight and type 2 diabetes. Reducing calorie intake is a common weight-loss strategy. But many people find it hard to cut back on calories.

An NIH-funded research team tested a different strategy. It's called time-restricted eating, or intermittent fasting. With this approach, people eat only during a certain time period each day. During that time, they can eat anything they want.

The researchers recruited 75 people with obesity and type 2 diabetes. Participants were assigned to one of three diet groups. One group tried intermittent fasting. They ate only between noon and 8p.m. Another group was asked to reduce their calorie intake by 25%. A third group had no dietary changes.

After six months, people in the fasting group had lost an average of 3.6% of their body weight. In comparison, people in the reduced-calorie group did not lose much weight. Both groups had similarly healthy decreases in blood glucose levels.

“Our study shows that time restricted eating might be an effective alternative to traditional dieting for people who can’t do the traditional diet or are burned out on it,” says Dr. Krista Varady of the University of Illinois Chicago. For safety, people with diabetes who want to try intermittent fasting should talk to their doctor first.

Delayed-Action Sweepstakes Scam

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

Sweepstakes scammers, who call or write to say that you've won a fabulous fortune, have been around for ages. But recently they've come up with a new variation on the old formula, according to Bruemmer. Instead of trying to get you to pay taxes or other fees in advance to collect the nonexistent prize, the scammers will ask for personal information so that they can validate you and set up the payout. "They'll say, just give us your banking information and your Social Security number, and we'll file with the IRS, and we'll take care of everything," he explains. "But, boom, it's just another form of identity theft." Instead of quickly looting your bank account — what Bruemmer calls a "smash and grab" — the scammers may play a long game. They'll write small checks on your account to see whether you notice the fraudulent activity. If you don't, they'll continue to use the account to obtain credit cards and lines of credit in your name that they can siphon off, giving them a potentially bigger payday down the road.

How to stay safe: As with previous variations of the sweepstakes scam, remember that if it seems too good to be true, it probably is. If you get a call from someone claiming that you've won a huge prize, the safest bet is to just hang up. And never, ever provide any personal information.

Did You Know?

The oldest valentine we know of is a Valentine's Day poem written in 1415? The Duke of Orleans wrote it for his wife.

About 9 million pet owners will buy Valentine's Day presents for their pets each year?

The people who receive the most valentines each year are teachers!? Wives, partners, and school children are close behind.
