PARADISE ISLAND UPDATE

Pat Walker, Association President

Hope everyone has had a good start in this new year and has managed to avoid illness from all the cold and windy weather. At our January Association meeting we elected Carol McCalvy as 1st Vice President to complete the time remaining on Bob Spencer's term. Thank you Carol for taking on this responsibility; we know that you will be a valuable team member.

Many thanks to Lei Crance and Peggy Lyter who helped prepare the delicious January pot luck dinner, and to Peggy along with Cheryl Mathews and hubby Phil for cleaning up. We greatly appreciate our volunteers!

Much of January was dedicated to preparing for the annual Community Sale. We are grateful to everyone who participated in any way – it would not have been successful without you. A special shout out to Paul Watts and his team of macho men who arranged the tables, moved all the merchandise from the garage to the clubhouse and helped pack up the unsold items for donation. As Event Coordinator Lei Crance ensured that every aspect of the sale went smoothly and that everyone worked together as a cohesive team. And what about the Hobby Club ladies???! They arranged the merchandise, priced and sold the items, and also donated to the bakery and the raffle tables – they are a blessing to our park.

The February meeting and pot luck are on Saturday, February 3; if you haven't signed up to attend the pot luck dinner, please do so ASAP. Tickets are available for Pizza & Trivia night on the 17th. Specialty Catering will provide a selection of pizzas and the trivia questions will come from Trivial Pursuit games. You won't want to miss this event; I heard prizes for the winning team have a possibility of totaling to the millions of dollars. Wahoo!

St. Valentine will make his annual appearance on the 14th -- sales figures for flowers and candy will skyrocket as always. I prefer dark chocolate over milk chocolate.....just sayin' in case you needed to know. 😊

Have a great month.

LAKE HAVEN HOME OWNERS ASSOCIATION

We are waiting for the State to schedule the mediation session. To keep residents informed, relevant updates will be posted on the Lake Haven Happenings Facebook page as they become available. The negotiation committee and the HOA board are confident that our case for a reduction in the percent of rental increase is strong and remain positive as we continue the negotiation process.

The Annual HOA Membership Meeting will be held in February. When scheduled, the date will be announced on Facebook and bulletin board posting. Nominations for HOA Board Directors are being accepted; please ensure the individual you nominate has agreed to run. Complete the attached nomination form and return it to your park's Association President or to the HOA Secretary in Lot #53. Additional nominations will be accepted from the floor at the meeting.

As this current board resigns and a new one begins, we would like to thank you for letting us help bring some fun and friendship to the various events we had over the last few years. Many thanks to Lori Witkin the president for her tireless efforts in organizing all of these events. There's a lot of work that goes on behind the scenes and Lori took on a lot of it. Thanks also to Susie our treasurer. Susie, you have done a great job keeping our financial records and it's much appreciated. Finally, to Barbara and Daphne thank you for all your physical labor such as decorating, serving, and cleaning up.

As we go forward, we wish the new board much success and we support you in your new endeavors. I hope everyone will do the same and that Park 2 will thrive.

XOXO
FEBRUARY

Happy February!

I hope everybody enjoyed our January festivities and events and are having a great new year. February snuck up on us in a hurry. The weather has been up and down and looks to be about the same through February, cold pattern fueled by the north winds from Canada. Stay warm and cozy.

Mardi Gras celebrations are almost here beginning February 10th with festivities downtown from 1:00pm to 10:00pm featuring the great parade at 7:00pm followed by Fat Tuesday with local bakeries and café's having special treats. Ash Wednesday and Valentines Day fall together this year on February 14th. There are plenty of restaurants featuring fish fries and seafood for lent.

Our next park 3 association meeting will be held on February 7th at 10:00am. Rich Lee was voted treasurer; he will be a great asset to the board. Please make him feel welcome.

Our annual community sale will be March 9th. This is a good opportunity to go through your cabinets and closets for any lightly used appliances, clothing, etc. that you might want to donate. However, our storage is very limited and pretty full right now so if you could hold on to them until the sale, it would be greatly appreciated.

The HOA negotiation team has sent all necessary paperwork for a mediation session with ELS. The state has responded with acknowledgement of receipt of such files and will get back to the board with further details. This is a long and slow process so in the meantime we must pay the rate increase which began in January until the mediation process is complete. There will be no retro payback on the increase.

ELS has started on a few projects which is a welcome sight. The fitness room now has new equipment and is beginning work on the park 1 pool. Talks are in the works for a possible heater too, but we will have to wait for approval from ELS. All we can do is continue our pursuit to complete the many projects that need attention. Meanwhile, many of you have gotten out and are working on your own projects keeping our community looking good. That is a plus in keeping Lake Haven a desirable and comfortable place to live as well as protecting our investments.

We have several events planned for February beginning with International Potluck on February 12th, the Not So Newlywed Game on February 21st and our BBQ on February 24th. Watch your tubes and Facebook pages for any special events we might add during the month.

We have lost a special friend and asset to our community. Luree Huth passed away on November 16, 2023. She is survived by her loving husband, Lloyd Huth. There will be a Celebration Of Life for Luree on February 4th from 1:00pm to 4:00pm at park 3 pool and clubhouse.

Lastly, as always, I encourage all to secure your garbage and personal items from being blown away with the high winds of late. Also, keep your pets on leashes and continue picking up after them. Garbage boxes and bags are located throughout the community. Please use them.

Have a great February and Happy Valentine's Day!

On the fragility of opinions

A very long time ago, far away in another land, there lived six blind men. They had all been blind since birth. Mostly, the six spent their days sitting around inventing tall tales to see who could tell the best story.

One day, the six men fell into a great argument. The subject of their argument was the elephant. There were many tales throughout the land about the great elephant, but because none of the men had actually seen an elephant each of them had their own idea of what the beast was like.

The men hired a young guide to lead them in finding an elephant to settle the dispute. The blind men followed along, each one placing his hands on the back of the man in front of him, and in this way they made their way single file along a narrow forest path.

It wasn't long before the group came across a great elephant. The six became very excited. They decided that each man should take a turn at exploring the elephant's shape and form.

The first man fell against the side of the elephant and said, "My, the elephant is like a great and sturdy wall."

The second man grabbed hold of the tusk of the elephant and said, "My, the elephant is smooth and sharp, like a wonderful spear."

The third man approached the animal and grabbed on to the trunk and said, "My, the elephant is exactly like a snake."

The fourth man grabbed hold of the elephant's great leg and said, "My, the elephant is round and sturdy, just like a tree."

The fifth man reached out and grabbed hold of the elephant's ear, "My," he cried out, "The elephant is just like a fan."

The sixth man reached out and grasped upon the elephant's tail and said, "My, the elephant is exactly like a rope."

And so, the men continued arguing, even more loudly than before, each arguing for his opinion of what the elephant was like. And even though each was a little right—all of the men were more than a little wrong.

On unhappiness

It isn't what you have, or who you are, or where you are, or what you are doing that makes you happy or unhappy. It is what you think about.

— **Dale Carnegie**

The mind is its own place, and in itself Can make a Heav'n of Hell, a Hell of Heav'n.

— **John Milton**

Did You Know?

The oldest valentine we know of is a Valentine's Day poem written in 1415? The Duke of Orleans wrote it for his wife.

About 9 million pet owners will buy Valentine's Day presents for their pets each year?

The people who receive the most valentines each year are teachers!? Wives, partners, and school children are close behind.

The most important ingredient

It was well known that Abraham Lincoln often slipped out of the White House on Wednesday nights to listen to the sermons of Phineas Gurley at New York Avenue Presbyterian Church. The president tried to slip in and out of the services unnoticed—so Gurley often left his study door open so the president could listen to his sermons privately. One night, Lincoln showed up and took his seat in the minister’s study and propped the door open a little wider so that he could hear what the preacher was saying.

An aide later asked Lincoln what he had thought of the most recent Wednesday night sermon.

The president thought for a moment and then replied: “The content was excellent ... he delivered with eloquence ... he put work into the message ...”

“Then you thought it was an excellent sermon?” the aide asked.

“No,” Lincoln answered plainly.

“But you said the content was excellent ... that it was delivered with eloquence and it was the fruit of hard work,” the aide said.

“That’s true,” Lincoln said. “But Dr. Gurley forgot the most important ingredient ... He forgot to ask us to do something great.”

A stone in the road

Once in a foreign land, a king had a boulder placed in the middle of a well-traveled road. Then the king hid himself from view, and watched to see what would happen.

Wealthy merchants whom the king knew well saw the boulder and stepped around it. Courtiers came and when they saw the boulder they walked around it as well.

It came to pass that many people criticized the king for not keeping the road clear, but no one in the kingdom did anything to get the giant stone out of the road.

One day, a peasant came down the road carrying a load of vegetables. When the man saw the stone, he laid down his load and commenced in trying to move the stone. After a great effort, the peasant finally was able to move the boulder. When the peasant went back to the road for his vegetables he noticed that in the place where the stone had been was a beautiful red purse. The peasant picked up the purse and saw that it was filled with many gold coins and a note from the king saying the gold was for the person who moved the boulder from the road.

Moral: What other men see as an obstacle can be an opportunity for the man who faces it head on.

On success

Most people search high and wide for the keys to success. If they only knew, the key to their dreams lies within.

— *George Washington Carver*

Reduce your food label confusion

Are you confused by the labels on food products in the grocery store? Products now like to advertise that they are “fat free,” “reduced fat” and “low calorie.” So what do those terms really mean? The Food and Drug Administration regulates what foods can contain before they can make label claims. Here are a few FDA label-claims requirements for food manufacturers:

Free. This means that a product contains no amount of, or only trivial or “physiologically inconsequential” amounts of one or more of the following components: fat, saturated fat, cholesterol, sodium, sugars and calories. For example, “calorie-free” means fewer than 5 calories per serving, and “sugar-free” and “fat-free” both mean less than 0.5 grams per serving. Synonyms for “free” include “without,” “no” and “zero.” A synonym for fat-free milk is “skim.”

Low. This term can be used on foods that can be eaten frequently without exceeding dietary guidelines for one or more of these components: fat, saturated fat, cholesterol, sodium and calories. Thus, descriptors are as follows:

- Low-fat. 3 grams or less per serving.
- Low-saturated fat. 1 gram or less per serving.
- Low-sodium. 140 milligrams or less per serving.
- Very low sodium. 35 milligrams or less per serving.
- Low cholesterol. 20 milligrams or less and 2 grams or less of saturated fat per serving.
- Low calorie. 40 calories or less per serving.

Synonyms for low are “little,” “few,” “low source of” and “contains a small amount of.”

Many Americans suffer from heartburn

According to the AstraZeneca Web site, heartburn is a burning feeling that rises from the stomach or lower chest up toward the neck. The burning sensation is caused by acid that backs up from the stomach into the gullet (esophagus). Usually a valve at the lower end of the esophagus opens when you swallow and closes when the food has passed. However, in some people, this function does not work properly and does not close off when it should—after a meal, for instance. Anyone who suspects they are suffering from heart-burn should seek a doctor’s advice; medicine may be required and more serious problems need to be eliminated as the cause of the discomfort.

- In Western countries, about 40 percent (two in every five) of adults suffer from heartburn.
- Up to 44 percent of American adults suffer from heartburn at least once a month, and approximately 7 percent of Americans experience heartburn at least once a day.
- Twenty-five percent (one in four) of pregnant women experience daily heartburn and more than 50 percent have occasional symptoms.

Einstein in ‘Tinsel Town’

In his book *Great Hollywood Wit*, famed movie critic Gene Shalit recounts this famous Hollywood anecdote. Albert Einstein once ventured into the alternate universe known as Hollywood. Many celebrities made it their business to get invited to the sumptuous bash thrown in the physicist’s honor. No doubt many at the star-studded event had heard of his theory of relativity—but it’s unlikely that many understood it. At the party, it came to pass that one of the 20th century’s greatest minds was introduced to Jack Warner, a movie producer who ruled Hollywood for many years. Warner’s studio was responsible for introducing stars like Bette Davis, Humphrey Bogart—and Bugs Bunny. When Einstein was introduced to Warner, the movie maker said, “I have my own theory of relatives. Don’t hire ’em.”

Things you’ll never hear your consultant say:

- You’re right; we’re billing you way too much for this.
- How about you only pay me based on the success of this project.
- The whole strategy is based on a Harvard business case I read the other night.
- I don’t know enough about that to speak about it intelligently.
- Implementation? I was just going to write a long report for you.
- The only real problem you have is too much work for too few people.
- Everything looks OK to me. You really don’t need me.

No future in it

John: “I don’t think Steve is going to make it as a speaker.” **E**d: “Why?” John: “Because yesterday, when he asked if they could hear him in the back, and the answer was no, everyone in the front moved to the back.”

On success

If you have achieved any level of success, then pour it into someone else. Success is not success without a successor.

—T.D. Jakes

There are no secrets to success. Don’t waste time looking for them. Success is the result of perfection, hard work, learning from failure, loyalty to those for whom you work, and persistence.

— Colin Powell
