From The President

Diane McSweeney

Dear Shareholder Residents,
Welcome 2024 and welcome back for many of our residents. Happy New Year. I am proud to serve as your president again, thank you all.

Sewer Project Update:

The County is still working on finalizing the updated version of the Agreement Package. Currently, the project is under 90% design review. The County is anticipating 100% design documents in early February 2024, bid advertisement for contractors in April 2024, and a construction notice to proceed in August 2024. We have been told there will be another presentation, but no date has been scheduled by this writing.

Many thanks to all our volunteers that have signed up for committees. It is because of you that the park runs smoothly. We cannot do it without you. Water leaks have been a constant problem in the park. Many of the pipes are fifty years old. Replacing the system will cost approximately 2.3 million according to an engineer that looked at our needs. Because of the cost we have decided to repair at this time. Harvey is our angel in this process. We are so grateful he can fix so many of the leaks. We will be looking into replacing some of the shutoff valves. Apparently they are fifty years old and rusted, hence unusable. We understand the inconvenience that occurs when the water is shut off. Hopefully we can get into a situation that we will not have to shut the whole park down at once. The office staff tries to give you a “heads up” but sometimes it is not possible. Please notify myself or the office if you see water permeating from the ground. We all pay for the water and we like to remedy these situations as fast as possible.

Enjoy the weather and the great activities our park has to offer. We are so fortunate to have a great community here.

Best Regards

H A P P Y
Valentine's Day

From The Office

Gay Rosetti

The
Office

If you are back in the Park, please be sure to advise the office as soon as you get here. You can also provide your return communication by dropping a note off in the office mailbox, emailing the office at holidayshorespark10289@gmail.com, or by leaving a voicemail at (727-393-5916).

Also, if you have changed any of your contact information, it is important and required by law that we maintain current records. This will ensure that we are informed who is here in the park, just in case there is an emergency situation and we should need to contact you.

Spring is just around the corner and several owners will begin heading back to their 2nd home. When you are preparing to leave the park be sure to stop in and get your departure packet, fill in the information where we can contact you and return it to the office.

The Board approved the updated rule book for 2024 at the last Board of Directors meeting. The new rule book will be published soon, and the owners will receive a copy of the changes.

We had a few depressions in the soil around the seawall. Solid Foundations has filled in the voids which have taken care of the problem. If you notice a divot or void anywhere else in your yards, Harvey can take care of that by filling in the area with soil and grass.

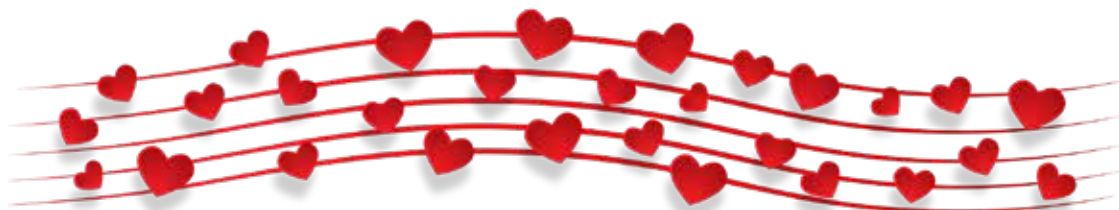

This is a great time to get your spring cleaning done. Thin out your old dead plants and prep the soil for new ones. Make sure your home and your driveways have been power washed and items in the carport are put away and everything is neat and clean. Then you can sit back and enjoy your Summer!

Finally, I want to wish everyone a very Happy Valentines Day!

David Sperry, Chairman

We want to thank everyone who recycled ALUMINUM this past year. We donated about \$450.00 to Holiday Shores Park Activities Association from structured aluminum and aluminum cans. If you are remodeling, we would like your aluminum windows or doors, awnings, or any structured aluminum, please donate to our committee. Every little bit helps, ALUMINUM ONLY. Please bring your aluminum beverage cans to our donation area on Magnolia Lane just south of the Maintenance garage. Thank you and we look forward to 2024 being a big donation year.

We would like to offer our sympathies and prayers to the friends and families of Barbara Koubeck and Shirley Johnson who passed away in January.

Theater

David Middleton

Rehearsals are well under way for the March production of *Radio Daze*. It's "Show Time" as the Way-Off Broadway Theatre steps inside a 1940s radio station. Enjoy the zany hi-jinks of a group of radio performers as they attempt to keep their financial troubles a secret from the station owner.

The play with music is directed by David Middleton with the more-than able assistance of Rose Maiolino as Stage Manager, Dolores Dwelis as Script Supervisor with Judy Garneau and Julie Pion as Production Assistants. *Radio Daze* will run March 18, 19, and 20, 2024.

The cast includes Linda Dunn, Peggy Bean, Vickie Nichols, David Helms, John Gramatikas, Norma Murphy, Danny Murphy, George Novack, Lorna Langford, Peggy Wallace, Bernadette Drouin, Pat Hop, Ann Belanger, Denise Dodson, Sue Woodring, John Segars, David Crosman and Saralee Fackelman.

As with any production, we will need help backstage, as well as with prop making, set building, painting, and costuming. All are welcome; we'll find a spot for you for sure.

Tickets are currently on sale from 11 to 12 noon in the Clubhouse on Tuesdays and Thursdays. Mark your calendars now and turn your radio on!.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Reduce your food label confusion

Are you confused by the labels on food products in the grocery store? Products now like to advertise that they are “fat free,” “reduced fat” and “low calorie.” So what do those terms really mean? The Food and Drug Administration regulates what foods can contain before they can make label claims. Here are a few FDA label-claims requirements for food manufacturers:

Free. This means that a product contains no amount of, or only trivial or “physiologically inconsequential” amounts of one or more of the following components: fat, saturated fat, cholesterol, sodium, sugars and calories. For example, “calorie-free” means fewer than 5 calories per serving, and “sugar-free” and “fat-free” both mean less than 0.5 grams per serving. Synonyms for “free” include “without,” “no” and “zero.” A synonym for fat-free milk is “skim.”

Low. This term can be used on foods that can be eaten frequently without exceeding dietary guidelines for one or more of these components: fat, saturated fat, cholesterol, sodium and calories. Thus, descriptors are as follows:

- Low-fat. 3 grams or less per serving.
- Low-saturated fat. 1 gram or less per serving.
- Low-sodium. 140 milligrams or less per serving.
- Very low sodium. 35 milligrams or less per serving.
- Low cholesterol. 20 milligrams or less and 2 grams or less of saturated fat per serving.
- Low calorie. 40 calories or less per serving.

Synonyms for low are “little,” “few,” “low source of” and “contains a small amount of.”

Many Americans suffer from heartburn

According to the AstraZeneca Web site, heartburn is a burning feeling that rises from the stomach or lower chest up toward the neck. The burning sensation is caused by acid that backs up from the stomach into the gullet (esophagus). Usually a valve at the lower end of the esophagus opens when you swallow and closes when the food has passed. However, in some people, this function does not work properly and does not close off when it should—after a meal, for instance. Anyone who suspects they are suffering from heart-burn should seek a doctor’s advice; medicine may be required and more serious problems need to be eliminated as the cause of the discomfort.

- In Western countries, about 40 percent (two in every five) of adults suffer from heartburn.
- Up to 44 percent of American adults suffer from heartburn at least once a month, and approximately 7 percent of Americans experience heartburn at least once a day.
- Twenty-five percent (one in four) of pregnant women experience daily heartburn and more than 50 percent have occasional symptoms.
