Our volunteers at Fairway Village are the best. Nothing happens without you stepping forward. If you feel you have a good idea for an existing event or a new event or talent, you'd like to bring to Fairway let us know and we can help you set it up.

We have to start looking for leads for the Summer Fun Parties; either as a group of three or individual events. We also need a new lead for Oktoberfest. Make these events your own and let us know your ideas.

You can email Sherry, sherrymoore94@gmail.com or text 727-216-3666 and Ronnee Patterson, ronneepat@gmail.com or text 774-571-0853.

Enjoy this month and let's hope El Nino and the crazy weather we've been having let up.

Canada Night

Dwight Noseworthy

Hey Fairway Village! If you haven't been to a Canada Night...you don't know what you are missing! It is the **ONLY** gala event of the year and open to "ALL RESIDENTS" of our Village! The event is Saturday, Feb 3rd. The seating plan is being finalized and tickets will be distributed soon. If you are interested, please contact Nancy Archer as soon as possible via email (nancyarcher11@gmail.com), or phone/text to 613-919-2238.

The Mark Anthony Band (MAB)

Adair Vaccarella

Please join us at the clubhouse, **Sunday, February 4th at 7:00 pm** for a concert and dance performance.

Mark Anthony began to learn guitar and piano and became a great vocalist at a very young age. He is a full-time musician and has worked in scores of night clubs and theaters throughout his life.

Chosen for his remarkable raw talent and unmistakable voice. Mark has met many top performers and has jammed with or opened for them through the years.

After meeting his wife Kristina Lynn, they began working as a duo and then formed a band and named it The Mark Anthony Band, featuring Kristina Lynn. Both developed a Tribute show line up. Mark performs as Billy Joel in the Tribute "Piano Man" and as Bob Seger in the Tribute "Night Moves". Kristina performs as Cher in the Tribute, "Dark Lady", as Madonna in the Tribute, "Material Girl" and as Lady Gaga in the Tribute, "Edge of Gaga". Kristina also performs a Tribute called "Keepn it Country".

Kristina Lynn grew up most of her life in Florida where she acted in school plays and sang at every opportunity. Her beautiful and powerful voice was noticed at a very young age. Eventually she performed in clubs, also playing the keyboards and fronting bands with her unmatched stage presence.

Her "close to the artist" performances and "look alike" stage presence is amazing. She also backs up Mark on keys and vocals in his Tributes as well. Kristina is a multi-talented and beautiful entertainer and is considered one of the best female vocalists in Florida.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Hurricane Preparedness – Be Prepared

Nancy Whitford

Save the Date on your calendars for **March 19th at 7:00pm**. This is a free seminar and will give you an opportunity to see a short movie - an eye-opening experience of "what if" a hurricane actually hit Tampa Bay. We will also be giving all of you the valuable information and tips on how to Be Prepared for fire, hurricane, tornado, and tropical storms. You will also hear from our local leaders with Largo Police, Fire Department, Sunstar Ambulance, and Pinellas County Emergency Management. This seminar is for anyone who did not attend the last one and anyone who attended the last one but would like a refresher. Valuable information for valuable Fairway Village residents.

In Memory of...

To our neighbors and friends that passed away in 2023. They will forever live on in our memories, today and every day.

Cal Morris Live

Nancy Whitford

Thank you for your awesome support and attendance for our magical evening of beautiful music with Cal. He is such a gifted artist and hearing his voice on violin, left all of us knowing he shares and spreads joy to all. We do not have the opportunity to purchase CDs at any of our venues, so if any would like to purchase one of his soundtracks, please go to his website (calmorrismusic.com). Many thanks to all the volunteers who assisted with this event, so much appreciated.

Only three dances remaining in the 2023/2024 season. As always, we will be looking for volunteers to assist with **decorating, door hosting, preparing and cleaning ice buckets, setup, teardown, advertising, and sound booth.** It takes many hands to have a successful event.

Did You Know?

The oldest valentine we know of is a Valentine's Day poem written in 1415? The Duke of Orleans wrote it for his wife.

About 9 million pet owners will buy Valentine's Day presents for their pets each year?

The people who receive the most valentines each year are teachers!? Wives, partners, and school children are close behind.

5 Self Care Practices to Become a Better Human

February invites us to give and receive LOVE. When you respect and love yourself enough to give yourself loving care and attention, you become increasingly able to give love and attention to others. Contrary to the misconception, self-care is not a selfish luxury, but a personal and social responsibility.

The effects of healthy self-care extend way beyond the fleeting pleasure of the occasional pampering luxury. With regular practice, self-care fortifies your mind, body and spirit, enabling you to not only enjoy your own life more, but also to bring joy to everyone around you.

Self-care includes various activities and practices that nurture and rejuvenate the mind, body, and spirit. Beyond pampering, the crux of self-care is everyday habits and routines that

promote holistic wellness.

Transformative tips for embracing self-care as a non-negotiable part of your life:

1. **Set Boundaries** - This act of self-respect involves recognizing your limits and communicating them assertively to others, including saying "no" to commitments that overwhelm you, and carving out personal time from a busy schedule. Boundaries are crucial for preserving your mental and emotional energy.
2. **Prioritize Rest and Sleep** - REST is often undervalued. Adequate sleep and moments of restorative downtime are essential for cognitive function, mood regulation, and overall health. Create a sleep routine that ensures you get the rest your body needs and allow yourself moments of relaxation throughout the day.
3. **Practice Mindfulness** - Mindfulness is about being present in the moment without judgment. Engage in activities that promote mindfulness, such as meditation, deep breathing exercises, or simply being aware of your surroundings. This practice fosters a greater sense of self-awareness and reduces stress.
4. **Nourish Your Body** - Fueling your body with nutritious food not only impacts physical health but also influences cognitive function, mood and energy levels. Embrace a diet rich in whole foods, stay hydrated, and engage in challenging physical activity. Small consistent steps lead to big changes.
5. **Cultivate Positive Relationships** - Surround yourself with individuals who uplift and support you. Nurturing healthy relationships is an integral part of self-care. Invest time and effort in fostering connections that bring joy, comfort, and encouragement into your life.

Self-care isn't selfish.

It's a crucial habit. By prioritizing your well-being, you are better equipped to handle life's demands and challenges and live your best life. February is the perfect time to give yourself the gift of time and loving attention, and consequently offer a more vital, loving presence to your world.
