# MY COVID EXPERIENCE

*Ilva Petrucelli*

**N**o one expected an outbreak like COVID to take place during our lifetime!

But, come March 2019, all of a sudden, all the things we took for granted became luxuries!

For about 3 years, we lived through very unusual times that challenged us all to find new ways to live our lives. Life as we knew it was gone!

Staying home was not an option, but mandatory!

Going out shopping for the few groceries we could find, was both frightening and a chance to “go out”!

After many months of the “ stay at home order”, all of us were looking for creative ways to stay busy and engaged and connected to family and friends.

Zoom, Google Meet, What’s App, Messenger, FaceTime and Hangouts became familiar outlets even for those of us who have never really been computer literate!

Speaking for myself, I also started looking for activities and hobbies that gave me a sense of purpose so that I would not feel like I was wasting my life while I waited for life to begin again!

Baking bread, naan bread, bagels, doughnuts, crepes, etc. etc., just wasn’t enough!

I decided that I would begin a COVID Project.

So for the next 3+ years, I spent endless hours working on a 79 page Memory Book for each of my 6 grandchildren and for my own 3 children.

Once I was allowed out of the house, I became a regular at Walmart where I scanned pictures of each child as they grew up, pictures of my parents, pictures of my grandparents, pictures of special events, pictures of our wedding, and many, many more! These all became pages in my Memory Books....

I became a proficient photo scanner and a regular customer in the photography department. Walmart was ready to hire me!

Each book contains memories, special events, family history, pictures, words of wisdom, and each book tries to give my children and grandchildren an idea of who I am and why I feel

so strongly about family, love and life.

It is said that we are a sum of all our past experiences and the past helps create our present...

Needless to say it was a very emotional process. I had to relive some of the saddest moments in my life but also some very happy ones!

It forced me to look back at my life and put my whole life, along with the experiences, in perspective and that helped me to appreciate my life now, the one that I share with my family.

Both my children and grandchildren have always been very curious about our childhood in Italy and the reality of what life was like in post war Italy as small children without many of the comforts that we now take for granted.

So, this was my chance during the lockdown to get down to business and tell them all about our lives as children in Italy to our present life in Canada.

I shared not only my life experiences, but also my feelings, my past, my wishes for the future, my fears, my dreams, how I met Pat, how I felt about them, why I became a teacher, what I love to cook, my favourite recipes and so much, much more.....

Basically, I tried to create a picture of my life and a glimpse into what my life was like up to that point, and how it had all helped to make me the person who I am today.

It was quite a journey for me reliving my life from post war Italy to present day COVID isolation.

Creating the family tree on the Petruccelli and the Volpe side was another major hurdle! After a lot of long distance phone calls, emails and research it was finally completed.

On Christmas Eve, I wrapped the 9 books in the same Christmas wrap and “Santa” gave them to each recipient. My family had no idea what was coming! The reaction I got, is one I will never forget! They were speechless and as they turned the pages, I could see tears of delight!

I was so happy that I had the opportunity to do this for my family...

COVID has been an experience that none of us ever want to experience again but I am pleased that I was able to channel my energies and produce a keepsake for my children and grandchildren. Hopefully, it will be something that they will treasure!

Now, I have to finish one for Pat! 

We have survived COVID and we have learned a lot about ourselves and we have developed a new appreciation for all the things we enjoy and the people we love....

**J**anuary 20 was a great day!

A big thank you goes out to the record number of volunteers who helped us with this event. This could not happen without you.

The shed is now empty and ready for next year! There are lots of empty totes to put things in. Please make sure they are in good shape. If you wouldn't buy it, throw it out. Do not just throw things in the shed, make sure to put them in a tote or box it up. The shed will be locked at the end of April. There is a key available at the front office during regular business hours. We will reopen the shed when we come back in the fall.

Winners of the gift baskets were Cindy Huettig, basket #1 Cozy Up, Paula Paquette, basket #2 Wine for two, and RW Charlesworth, basket #3, Organic Tea's.

The winner of the 50/50 was Helen Jolly \$140.00

Thanks Again! It takes Boca Ciega resident volunteers to run this sale. Mark your calendars for next year's sale on January 18, 2025.

## **THEATER GOERS**

*Ingrid Eby*

**T**here were 55 of us thespians who attended "A Slight Hitch" at Ed Fletcher's" Early Bird Theater. After we all found our seats, we visited the salad bar, along with selecting our desert of choice that looked the best to each of us. We had plenty of time to enjoy our salad before it was time to visit the main course buffet. If there was anyone who didn't get enough to eat-- it was their fault. Rex even carved a couple of ham & roast beef slices before it was taken away.

Once the main course ended, we enjoyed our coffee & tea, while others finished their adult beverages.

Before we knew it, the lights dimmed. We all positioned our chairs for the best view, sat back and the play began.

Courtney is getting married, and her mother, Delia, is making sure everything will be perfect. As we all know if anything can go wrong, it usually does and so it goes, through the entire performance. There were lots of laughs and more than a few surprises.

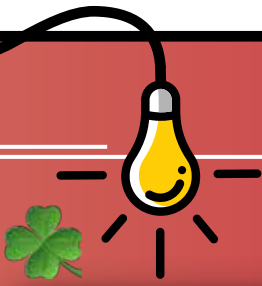

Most of us will always remember this play as one person in the audience (not our group), fell off her chair and the play stopped. Luckily the lady was fine and as the sayings goes, "The Show Must Go On."

I am hoping everyone enjoyed the evening and are looking forward to next years experience.

# Did You Know?

The first St Patrick's Day Parade Took Place in the US. St Patrick's day is a really big deal in Ireland, after all he is the patron saint of the Emerald Isle. But the first St Patrick's Day parade was not held in Dublin; it took place in New York City in 1762?

IT'S THE START OF FALL IN SOUTHERN HEMISPHERE. Spring may be springing here, but March 20 means it is time for those in the Southern Hemisphere to begin winter preparations?

# Calling all Crafters

---

Given that Wednesday’s quilting members have taken on other obligations and the number of participants has been declining due to circumstances beyond our control, we’re proposing that we combine Wednesday’s Quilting with Thursday’s Swedish Embroidery for the rest of this season, starting on Thursday, February 15, 2024. We will revisit the situation in the Fall.

Anyone is welcome to stop in on Thursday and check out our projects and consider joining us in our skills or bring new ones to the table.

Thank-you,  
Kathy Spitzley

# Potluck Dinner

*Santo Amenta*

---

On Monday February 5, seventy residents came together to enjoy some good food and harness their brain power as they participated, by table groups, in a trivia competition.

The noise level was high with lots of animated discussions as to the correct answers.

The questions tested their knowledge about United States, Canada, other world countries as well as a couple of valentines related questions. The winning table got to be first in line for the food.

Everyone feasted on a huge selection of very tasty home dishes prepared by everyone in attendance. There was plenty of food for all including enough for some to take an extra helping home.

At the end of the trivia and dinner session, we had a Social Committee meeting followed by our annual Social Committee Executive elections.

## Paint With Patti

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
