### Spring is here...

**W**ow, this is already our 3rd edition as Editors of the Voice. We hope these editions have been enjoyable reading. While we are currently maintaining most of the previous format, we are always open to new ideas. If you have any thoughts or suggestions, you can e-mail them to us at [mkvoice@tampabay.rr.com](mailto:mkvoice@tampabay.rr.com). We would also love to encourage residents that love to write to submit their work. We do not have a lot of space each month, we are limited to a set # of words per edition. We are going to continue to provide informational articles pertaining to pertinent things going on in Lincolnshire as well as our larger community of Largo. There are so many great facilities and events every month of the year that we can get involved in to keep us active in mind and body.

Thanks Sandy Wallen, for your Valentine's Day poem (see below in this issue). Did not make our February issue but the words are so true 12 months of the year.

On a Civic note. Pinellas County Elections office just published their new Voter Handbook tri-fold regarding election information. If you are new Full- Time resident of Florida or have never registered and would like to. 2024 Elections dates are:

**March 19th**, 2024 Presidential Preference Primary & Municipal Elections. Registration deadline February 20th, 2024. Early Voting March 9th – 17th, 2024.

August 20th, 2024 Primary Election. Registration deadline July 22nd, 2024. Early Voting **August 10th** – 18th, 2024.

**November 5th**, 2024 General Election. Registration deadline October 7th, 2024. Early Voting October 21st – November 3rd, 2024.

If you had set yourself up to be a "Mail-in" ballot in previous years please make sure that process is still in place. New rules have gone into effect and the "mail-in" ballots will no longer be in effect indefinitely. You will need to call or log into the Pinellas Election Office and check to see if you are still set up for "mail-in" ballots. You should see a Valid through date listed if you use the Website. Make sure the mail in ballot is still in place. If the date shows expired you will need to re-set the mail-ballot back up. I believe it will be in effect for approximately

2 years going forward.

See you around the neighborhood.

## FROM THE DESK of the PRESIDENT

By: Linda Casey (Lot #1211.....581-5257..... [lcasey9@tampabay.rr.com](mailto:lcasey9@tampabay.rr.com))

**S**pring is in the air! We have had a colder than normal winter this year.

I am sure all of us will be glad to get back to our wonderful Florida weather.

Special thank -you to the twenty residents that gave blood in February when the Big Red Bus paid us a visit. We donated enough blood to save forty-five (45) lives. Fantastic job Lincolnshire. Our annual Ladies Luncheon was held in January with lots of great food, and prizes but most of all a chance to share a wonderful afternoon with our friends and neighbors. Thanks Judy Low and all the ladies that helped put our annual luncheon together. I am sure Judy is already thinking about next year's luncheon theme.

Wonderful job Sandi Wood and Pam Niemantsverdriet for another great Bazaar. Great success. As Sandi has said many times, "It takes a community, to make it happen." Thanks to all our residents that volunteered.

Laughs at Lincolnshire. What a fun evening and a great turnout of residents. I believe the final ticket count was 137! Thanks, Teri Jones, for putting this evening of fun together. Also, thanks to Joel Pace, our very own Lincolnshire resident, for booking the comedians for the evening. Laughter is the best medicine.

Easter Dinner planned for March 31st is in the works. Look for signup sheets and tickets to be sold at Coffee Hours. Easter will be a catered dinner. More details will be announced at Coffee and via flyers and FYI Lincolnshire Facebook page.

We still have neighbors with the flu and Covid, please if you are sick stay hydrated and rested and at home till you are well.

Our next Residents' Club General Membership meeting is on Tuesday March 5th, at 7PM. We will introduce our newest Directors after our elections that are held in February.

Election results – all three (3) were elected as Directors for 2- year terms. Welcome aboard. Teri Jones; Sandi Wood; Kathy Burk

Lincolnshire Residents' Board of Directors next meeting will be Tuesday, March 26th, at 7PM. Be safe and please take care of yourselves.

Linda Casey, President

# Annual Dial Directory Update

Pete & Marge Kristall - Lot#1523/phone#727-474-5737 email [mkristal@tampabay.rr.com](mailto:mkristal@tampabay.rr.com)

## Dial Directories Arrival

By this time, you should have received your copy of the 2024 Yellow Book Lincolnshire Dial Directory. All 464 units have been issued one copy.

Any resident not currently occupying their home; their book will be held for their return. Please contact the Kristall's – Lot #1523 @ (727) 474-5737 or [mkristal@tampabay.rr.com](mailto:mkristal@tampabay.rr.com). We are also holding extra copies for new homeowners. Dial Directories will be part of the informational package given to new residents by the Welcome Committee.

As we publicized previously, about 50% of the homes completed a form for this year. Those that did not complete a form allowed us to roll over their information from the previous year. There are 22% of the homes that have not previously signed up, so they will **not be listed** in the phone directory section.

**YOUR Additions – Corrections – Deletions** instructions are in the Yellow Book on page one. Please don't wait until the end of the year. We will publish any changes in the following month's VOICE.

## STAYING CONNECTED AT LINCOLNSHIRE

By: Marge Kristall/Lot #1523....727-474-5737.... & Terry Lapierre-McGuire/Lot #671....727-510-2022 or email - [Mkvoice@tampabay.rr.com](mailto:Mkvoice@tampabay.rr.com)

The next few months will see much road work being done at Lincolnshire. If you have not already signed up to receive e-mails from Paul our Property Manager, please do so by going to [Lincolnshire-estates.com](http://Lincolnshire-estates.com) and completing the information needed in the box provided on the lower right side of the page OR stop by the Business Office and ask them to get you set up to receive any e-mails and the monthly electronic newsletter from Paul. Paul is utilizing e-mail to notify us of important dates for road closures, water shutoffs (potable & non-potable) as well as any other important notifications.

We have also seen an addition of Residents liking our FYI Lincolnshire page. February Voice listed a total of 280 members as of this article writing, we are now up to 317 members. Many of our residents have been posting the notifications they receive from Paul on Facebook as well.

If you are “connected” to one or both these sources of information for Lincolnshire and know of a neighbor that is not, please reach out to them and let them know of anything that is of importance and may affect their day. We are still utilizing our Block Captains to reach out to residents when they are notified by Management of any “potable” water interruptions.

Don't forget the bulletin boards in the Mail/Laundry Room. Especially if you are not “connected” to any electronic notifications. Approximately half of our community gets their mail delivered directly to their homes. Because of this they do not necessarily visit the Mail/Laundry room on a

## Ode to Valentine's Day

*By: SandyWallen... Lot#1016...Resident Poet*

---

I Can't forget and let it pass another holiday.  
Because I know how much you wait to see what I will say.  
So as for Hearts and Flowers and Cards and Candy Sweet  
I guess one looks at February as being kinda neat.  
But Hearts are made to be broken and Flowers eventually die.  
And as for Cards and Candy they too will pass-on by.  
But the Love we share with others can last the whole year through.  
So everyday is Valentine's when I'm spending it with you.

## ENTERTAINMENT COMMITTEE

*By: Teri Jones..... (#210.....269-207-0466)*

---

Well, Groundhog Day has come and gone but guess what? We here in Florida will most definitely experience spring like weather way before our northern friends. In fact, it is here!!

February was a fun filled month with Laughs at Lincolnshire on February 1st. A whopping 136 people showed up to watch Mark and Lori Evans give us a ton of belly laughs. The bazaar was on February 2nd, and it was a giant success. The Valentine's Dance was February 10th with Al Ruggerio singing to the crowds. What a great time. February 11th was the Superbowl gathering with quite a

few residents winning money on their squares. I hope your favorite team won. There was another Karaoke on February 15th, and our residents once again did a great job entertaining us.

March promises to bring us more fun. March 2nd at 7 pm there will be another Karaoke event. March 8th at 2 pm will be an outside Cornhole tournament. Get your partner and get ready to throw some bags and see if you can beat out your fellow residents. We will have popcorn for sale for twenty-five cents, and water for fifty cents. This is a free event so there is no need to purchase tickets. There will be four tournament boards for experienced players and one tournament board for those not so experienced. If it rains, we can move the event inside. March 15th at 7 pm is our Farewell Dance (boy does time fly!!). A new band will be performing - Sequel. Let us show up and support the new act. Tickets are \$10 each and available at Coffee hour, from Linda Casey, or at the door. By popular demand, the second Laughs at Lincolnshire will be on Thursday, March 21st at 7 pm. Joel Pace will be bringing in a new act, so you do not want to miss this. Tickets again are \$5 per person and will be on sale two weeks prior to the event at coffee hour, from Teri Jones, or at the door.

Our only remaining dance will be on April 6th with Britney Moni'. I recently saw her perform at the American Legion and she is amazing. You will not want to miss this dance either. Again, tickets are \$10 each and will be on sale prior to the date at coffee hour, from Linda Casey, or at the door.

Everyone has a wonderful Easter Day on March 31st. Remember the reason for the day - He has risen!

## Thank-you to Terry LaPierre-McGuire, John LaPierre-McGiore and Donna Blend

*By: Jane Pastva-Morgan*

---

I would like to give a shout out to Reverend Terry LaPierre-McGuire, John LaPierre-McGuire, and Donna Blend who take time out of their busy lives to provide a worship service right here in our Clubhouse. Worship service is every Sunday from 10:00AM to 11:00AM. There is a different message each week in which we read and then discuss passages from the Bible. I can tell you it is a non-denominational, come as you are, all are welcome service. They are very welcoming and the most comfortable service I have ever taken part in. If you want a laid-back church service where we indulge in God's work every week, where there is no discrimination, and such a friendly, warm environment, come out on Sunday mornings and join us.

## THOUGHT FOR THE MONTH:

# Did You Know?

The first St Patrick's Day Parade Took Place in the US. St Patrick's day is a really big deal in Ireland, after all he is the patron saint of the Emerald Isle. But the first St Patrick's Day parade was not held in Dublin; it took place in New York City in 1762?

IT'S THE START OF FALL IN SOUTHERN HEMISPHERE. Spring may be springing here, but March 20 means it is time for those in the Southern Hemisphere to begin winter preparations?

## WELCOME TO LINCOLNSHIRE

By: Ruthie Kaser – Chairperson Welcome Committee ....Lot # 1351..... 727-483-1101

We had our first Welcome Committee meeting, January 23rd, 2024. So glad to meet all our Welcome volunteers. We have a great folder of information that we had previously used in the past for our New Neighbor monthly meetings. We are now in the process of getting that updated and re-printed. Currently we have not had many new residents purchase homes in the community. Going forward the Welcome Committee will be visiting our new residents in person. Many of the newer residents may have purchased their homes last year but are just now moving into Lincolnshire. If you are aware of a new resident on your block, please reach out to Ruthie Kaser.

### Welcome new Residents to Lincolnshire:

No new residents to report from 1/5/24-2/5/24.

## Sunshine Committee

By: Mary Jo Webert & Marge Kristall

As I am writing this article, we are finally enjoying a sunny day in the high seventies. We have had a colder than normal winter so far and feeling that warm breeze has been wonderful.

We would like to thank all of you that have written on Facebook or stopped by to see us at Coffee Hour letting us know how appreciative you were for the Birthday, Anniversary, or Get Well wishes. It is truly a joy for both of us each month. Mary Jo has clocked some serious miles on her golf cart delivering all those cards the past 3 years. Just a bit of Sunshine Committee

Trivia – after our recent drive to obtain Dial Directory information this past January we now have a total of 530 Birthdates (1st & 2nd Residents) and 155 Anniversaries on record. We only deliver the cards in-park and do not mail them so many of our part time residents that have special days and leave us for their other home over the summer never get cards. We do read everyone's Birthdays and Anniversaries at Coffee every week. If you find we have incorrect dates for you, please let us know so we can correct our records.

If you know of a resident that is ill or in the hospital or has recently lost a love, one please let us know. We would like to get them a card, so they know the Community is thinking of them.

## **March 2024**

### **Days to look for in March**

**March 10th -** Daylight Savings Time begins. Don't forget to change your clocks.  
Spring ahead

**March 15th -** Ides of March. Always thought to be an unlucky day. Possibly only for Julius Caesar in Shakespeare's play. Actually, it is simply the middle of the month.

**March 17th -** St. Patrick's Day – yes there was a real St. Patrick. He played a large role in spreading Christianity in Ireland.

**March 19th -** March Equinox marks the beginning of Spring.

**March 30th -** Take a Walk in the Park. Great day to find a new park to take a stroll. We are lucky to have a large number of parks in Pinellas County. Try finding a park you have never been to and enjoy your walk.

**March 31st -** Easter Sunday.

- ❖ Payment can be by check (please make out to LHOA) or cash to the following HOA Officers: Elaine Kenny-Renner, Lot 752, Jane Johnson (President) Lot 1215 and Jody Brown (Secretary) Lot 620.
- ❖ And the weekly clubhouse coffee meeting at the recreation hall offers another convenient source for paying the \$15.
- The LHOA Annual Membership meeting on Tuesday February 6th has already occurred. In next month's Voice article, there will be an overview of the proceedings along with bylaws voting update.

## VETERAN'S CORNER

**D**efense Department Expands ID Card Renewals by Mail to US-Based Retirees, Dependents - Military retirees and their dependents based in the U.S. may now renew their military ID cards online and receive them by mail, relieving them of a trip to the on-base ID card office. The Defense Department announced Tuesday that it's expanding a pilot program that began in 2023 and initially allowed certain dependents' Uniformed Services Identification cards, or USID, to be renewed by mail, this is the Retirees card!

Portions of the renewal process have previously been available online. However, the pilot program allows online ordering from start to finish. While in the past the renewed card had to be retrieved in person at a local ID card facility, it will instead be delivered by mail under the pilot program. After first offering the renewals by mail to dependents whose sponsors held a Common Access Card -- generally active-duty dependents -- the DoD will now allow the renewals for additional USID holders, who include U.S.-based retirees, their dependents and reservists. Out of the 4.5 million IDs of all types that the department issues every year, about one million are the USIDs of people based in the U.S., according to the news release announcing the pilot program expansion. The opportunity is only for people who already have a USID and need to renew it. Those applying for the first time will still need to go to an on-base office of the Real-Time Automated Personnel Identification System, or RAPIDS. Sponsors and cardholders may request renewals at the ID Card Office Online website. At the site, the sponsor must verify the dependent's identifying information and digitally sign a new Form DD 1172-2 to receive the renewed ID by mail.

### Eligibility requirements:

The USID card being renewed is active (not expired), The card recipient has a photo in the Defense Enrollment Eligibility Reporting System (DEERS) taken in the last 12 years, The card recipient has an email address saved in DEERS for communication, The card recipient has a physical address (not a post office box) saved in DEERS in the continental U.S., Alaska or Hawaii.

The Defense Manpower Data Center will create and mail the new card, emailing both the sponsor and cardholder when it has done so. An email will also be sent if the online renewal was not successful. Once the card arrives, the sponsor must log back into the ID Card Office Online website to acknowledge receiving it. Since military ID cards are considered government property, users are asked to return their old, replaced ID cards either by dropping them off at a local ID card office or by mailing them to:

## A Nurse's Self Care Toolbox

Allyn Weibert, RN. Lot 1438, Lincolnshire Estates, [allynwebert@gmail.com](mailto:allynwebert@gmail.com)

There are considerable advertisements often disguised as proven information both on social media and television advertising on the newest weight loss medications along with value for diabetics. As a former diabetic and nutrition education nurse, I see both the pros and cons. Seems the cons are in the fine detail so I will if from recognized diabetic and weight loss resources. They can be remarkably effective when used for the right reasons, for the right patient and prescribed by a monitoring medical provider. Both for diabetic control and non-diabetic weight loss (often leading to diabetes.)

Let us start with a stark reminder that about 40% of adults in the United States are obese, the Centers for Disease Control and Prevention estimates. Close to 40% of people fifty-five and older in Florida are obese. Seems moving here is not a cure though the weather can make it easier to reduce the percentage. Let us get outside as cannot slip on the ice.

There are current medications that stimulate our pancreas to produce more insulin and/or help the insulin increase the sugar getting into all our body cells, even fat cells. The sugar load comes from eating and drinking (other than water.) And newer oral medications that alter how the sugar from food breaks down in our small intestine. Injectable insulin is simply providing that essential hormone for those who do not make any or others who need that boost.

The newest injectables we see advertised are providing a more immediate and dramatic process of reducing the breakdown of food into sugar which is absorbed into our blood system. The results can be remarkable. Less sugar in the blood and our bodies own regulating system (why we stayed alive during famines) begins to breakdown body fat in to sugar (storage to market and use by our cells.) Often blood sugar levels including A1C's decline plus loss of weight!

For Type 2 Diabetics these new injectables can reduce sugar breakdown and absorption and provide helpful weight loss. However, there are always obstacles (cost), lack of a medical provider to monitor, limited supply for long term use, sham online marketers of non-regulated or FDA approved suppliers (extreme risk), other and little guidance on weaning off these medications and continuing the other Diabetic care routines of proper eating and movement.

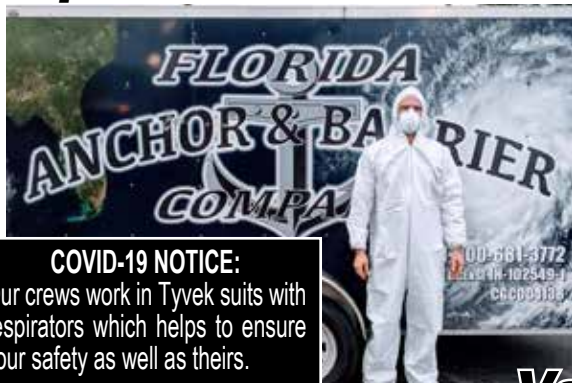

Next month I will try to explain more about the difficulties of their use. My first warning until then is do not order these online unless you have gotten a prescription from your physician and then only from an actual pharmacy. Until then chew well.
