PRESIDENT'S CORNER

Submitted by Jan McCoy

I'd like to both welcome and thank our 2024 board of directors and our resident committee volunteers. For those who are continuing and to those who are joining us for the first time, you are most appreciated for your time, effort, and interest in supporting our community. Welcome!

There have been several initiatives worked on of late. Through the efforts of a music focus group, we replaced our piano with a new Yamaha electric baby grand. Thank you to Chris Butler, Wayne Tibbo, Phyllis MacEachen, Marcia Plescher and Pat Osmond. Our 12 new streetlights are scheduled to be installed in June by Duke Energy. Great job done by our Neighborhood Watch Committee Security Focus Group led by Donald Barnes and Ralph Payne. What an improvement this will bring to those dark areas in the park! The Pinellas Police Department supported our request to bring speed limit awareness to our community by lending us a digital speed sign. Thank you for the follow through and coordination, Pat Osmond! Our Roofing Committee created a bid package with defined criteria and have worked to select a roofing vendor to replace the clubhouse and maintenance building roofs which includes replacement of one old A/C unit for the clubhouse. A similar effort was made to replace our ground maintenance contractor who went out of business without notice. I'd like to give a special shout out to Greg Jackson as project lead on both initiatives, Dan Noseworthy who created our roofing bid package and Bill Hickey who jumped in to do the vetting of these businesses.

Our Exterior Alteration Committee is working on further clarifying their scope of work and requirements to simplify this arduous process for all. Committee charters are being worked on for all 2024 committees. Our office and treasurer prepared and provided all required historical information requested by our auditor who is working on our 2023-year end report due this month and the list goes on and on. Our Vision committee did a great job soliciting and prioritizing ideas for park common area improvements from our residents. This was no small task involving many volunteer hours. Special thanks go to Pat Osmond and Karen Harding for their leadership and Dennis Cook for the time and effort spent on the distribution and collection of information in Phase I of this project. Phase II will move us forward into open forum discussions to determine targeted projects within the high-level priorities identified (park security, clubhouse improvements and outdoor courts). Focus groups will then be formed for project plan development for consideration by the board of directors. These are exciting times! We are indeed fortunate to have the financial means and resident support to continue to establish Sunset Palms as a premier community of choice in which to live. Well done, Sunset Palms!

Jan McCoy, President

FROM THE EDITOR

Submitted by Bet LeBrun

D ID YOU KNOW? Sunset Palms has its own Facebook page called Sunset Palms 3401. It's another way for Residents to communicate with each other, connect, share, and keep in touch.

Official Sunset Palms social committee events will continue to be posted on the "Sunset Palms Club by Jamie" page. Board of Directors and Committee meeting notices will not be posted here but continue to be sent via email and posted in the clubhouse. The Sunset Palms 3401 page will post other community events, notices, pictures and generally give us a place to communicate with each other.

A group of volunteers, all Residents of the Park, are administering the group and we encourage your feedback and look for your cooperation to keep all posts kind and courteous.

As your monthly editor for YOUR Newsletter, the Sunset Palms Spotlight, you can still email me with articles, pictures, resident interest stories, etc. or if you have an idea for a monthly newsletter article. Please send all newsletter submissions by the 10th of the month prior to the month of publication. Email: sunsetpalmseditor@gmail.com

A clothes pin or clip must be attached to your mailbox so we can deliver your newsletter. If there is no clothes pin for us to clip your newsletter to, you will need to go to the office and pick it up.

If you notice incorrect Newsletter article content, please notify me at sunsetpalmseditor@gmail.com. Edit requests for the calendar can be made on our website at <https://sunsetpalms.org/events/>. Our goal is to send you, our Sunset Palms residents, the most updated and correct information pertaining to activities and other articles of interest to our community; and remember, you can browse past Newsletters at <https://sunsetpalms.org/newsletters/>.

Many thanks to all who helped with and contributed to this month's newsletter.

SUNSET PALMS SOCIAL CLUB – ACTIVITIES

Submitted by Jamie Calandra

We have our Social Club meetings the first Tuesday of every month at 10:15 a.m. We have coffee and donuts, and everyone is encouraged to attend.

Jamie Calandra
Your Social Club President

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

WHILE ON THIS SIDE

Submitted by Ralph Payne

It's still dark this time of the morning
As October surfaces without warning
Summer vanishes from unsoiled view
And grass is quenched by a cold dew

Light time is shorter every day
Complain! No matter what we have to say
Just accept the season all in stride
It cannot be stopped, like a rising tide

The bright, the warm, it's long away
Dampness is the dawn of every day
The blue is long gone, gone out of sight
Old grey skies, dark as the deepest night

The freezing sap, stiffens the fir
This winter's grip will not be a blur
It will come, there's no stopping anytime soon
North skies only brighten just before noon

But all too soon, we will take any cold
When our days runout, as time don't hold
Weather shouldn't impose the feel inside
Embrace the now, while on this side

Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

FLUSH ONLY: Body waste and toilet paper.

*It is highly recommended that only **ONE-PLY** toilet paper be used to prevent clogging the toilet.*

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

TRAVEL CORNER

Submitted by Kim Paquette

Making Connections Across Cultures

Traveling has never been easier or more fun, thanks to a bunch of tech tools and apps that are like having a personal tour guide in your pocket! Whether you're trying to find your way through the winding streets of a new city or have the need to communicate in a local language, there's an app out there for you.

Imagine strolling through Rome with Google Maps whispering directions, or asking Google Translate to help you order the perfect pasta in Italian.

But here's where Google Maps really shines for international travelers: the offline maps feature. Before you even leave your hotel, you can download a map of the area you'll be exploring. This means that even if you find yourself without internet access, you can still navigate like a pro, finding your way back to your accommodation or discovering hidden gems without using any data.

Plus, with real-time updates on public transportation and the estimated time of arrival for walking, biking, or driving, you can plan your day, squeezing in as many adventures as possible.

Google Translate, where would we be without you? This app is like that multilingual friend we all wish we had while traveling, ready to jump in and save the day whether you're trying to decipher a street sign, understand a menu, or have a chat with someone who doesn't speak your language. It can translate text, speech, and even real-time conversations in over 100 languages.

And let's not forget about its magical camera feature – just point it at any text, and you've got an instant translation! It's your trusty sidekick on any adventure, making sure language barriers are just a thing of the past and every interaction is a chance for a new friendship or story.

We had a fantastic experience using translators during our 16-day sailing trip to Chile, Peru, Ecuador, Panama, and Colombia! Having the ability to communicate effortlessly with taxi drivers and tour guides undoubtedly enhanced our group journey by allowing us to fully engage with the local culture and navigate through different destinations with ease. Effective communication is key to making the most out of travel experiences, and translators played such a valuable role for our group. If you're interested in joining any of our group cruises, please consider following us.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
