## Manager's Moment

Lauri Andrew

---

I encourage you all to voice your concerns with what is happening in our communities and if something is going on that really bothers you, think of the old adage, "If you see something, say something" and come to the office and fill out one of our Comments and Concerns forms. I can assure you that we do not divulge who wrote the concern to the parties that are involved. Having it in writing helps us to help you. You can even email us your concern so it can be addressed. We've had a few reports of unvetted occupants and are working on solving those issues. All residents need to be vetted. I also want to take this time to remind residents that are renting out their homes, the tenant(s) need to be park approved and provide a copy of a 12-month lease to the office. You can't do short term rentals in either community.

From the Editor: The office can't help you UNLESS you let them know what is bothering you. It is up to US to step forward and clean this place up!

### Your Community Listens

Thank you for making Eldorado your home!

We strive to deliver the high level of customer service you have come to expect and promptly address the needs of all our residents. In order to deliver on this goal, we are highlighting a process to help us address any questions or concerns that may arise during your residency.

**STEP 1:** Please visit the community office or call (727) 531-9105 to discuss any questions or concerns with your community manager. Please allow appropriate time for a response or action from your community manager, and feel free to follow up as necessary.

**STEP 2:** If, after allowing appropriate time for your community manager to respond or initiate action, you feel the need to further address your questions or concerns, you may contact the regional manager for your community at (813) 282-6754.

**STEP 3:** After allowing appropriate time for a response or action from the community's regional manager, if you find it necessary, you may take the additional step of contacting our corporate customer service representative at (312) 279-1400.

We appreciate that you have chosen to call Eldorado your home and look forward to continuing to serve you for many years to come.

Sincerely,

Your management team at Eldorado

*ELS stands for Equity Lifestyle Properties and if you want to be added to the list to receive ROBO CALLS in the case of critical or routine events, please call the office at 727-531-9105.*

## INFORMATION ABOUT WATER:

---

### **W**asteful and Unnecessary Use of Water Is Prohibited!

**These are the basic rules from the Pinellas County website:  
Examples of wasteful water usage:**

Allowing water to flow from an unattended hose.

Hand-watering a lawn on a restricted day or more than once a day.

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ -irrigation system after receiving verbal or written notice.

#### **Violations**

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

## Protect Your Hot Water Heater During a Water Outage

---

**D**uring an extended water outage, you may want to turn off the water heater by going to the electrical panel and throwing the water heater breaker to the "Off" position. Once the water has been restored, residents should turn the hot water on at a few faucets and make sure that all of the air is out of the lines. Once there is no sputtering and the water is running smoothly, the breaker can be switched back on. This process is to keep the water heater elements from overheating and burning out if the water level gets too low.

## Ducks/Wildlife

---

**P**lease do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Smoking and Drinking at the Pool

---

**T**here is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters, clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

## Do You Want To Be In the Know?

---

**A**ll announcements, updates or urgent communications from the Management Office to residents are made via our texting system called "Text-Em-All." If you have not been receiving cell phone text notifications from us and wish to opt-in, please contact the office so we can walk you through the steps. Should you choose not to sign up for notifications, we would like to suggest that you align yourself with another resident who is signed up and would be willing to pass on urgent communications. The office number is 727-531-9105.

## Pet Policy

---

**A** few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their

*...continued on page 10*

- animal at all times, not letting it run up or jump on people or other animals.
- 3. Pet cats are supposed to be indoor animals only.
- 4. You **MUST** pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
- 5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

## Speeding

**T**here are **WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because** we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to **PROTECT** them **AND** our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is **VERY** important and so should you. Let us all work together to get this problem fixed!

PS—if you think it may be any of your family members or friends ( sorry, but it happens ), **PLEASE** tell them to respect **YOU** by respecting the rules of the place you call home. Also, please let your company know to turn down their **RADIOS** when within the parameters of the park. Again, they should respect **YOU** enough to do this. Thank you!

## EDITOR'S NOTE:

**F**lags, like books, are treasured items and should by **NO MEANS** ever be disposed of in a **FLAGRANT** manner ( no pun intended—really ). They should be safely ensconced in a box until such time that you can honorably “pass them on.” Flags, as Miss Dorisanne pointed out, should go to **DOC** at Lot 173 or straight to the American Legion, and books, those sacred tomes and loves of my life, should go to Goodwill or the library. The Largo Library will take books of any kind—paperback or hardback—and sell them in their cute little bookstore or put them on the shelves. They will also take old magazines!!! I donate **BOTH** to them and just put them in the drive-thru drop box—easy as **CAKE AND PIE!!!**

## IMPORTANT MESSAGE FROM DORISANNE GIBSON:

---

"Doc," who resides on Lot 173, has volunteered to take old, torn and dirty American flags to the American Legion for proper disposal.

## POETRY CORNER

---

This election year is probably going to be one of the biggest in our history, and I ain't whistling Dixie. I have been doing political surveys part time for the last year and people are rabid to get to the polls. ESPECIALLY seniors. I am not going to express my views here, BUT I WILL choose for this month's poem a song written by John Schaffer of the heavy metal band ICED EARTH. This song was written years ago, but it resonates with vibrancy and truth especially TODAY. I hope you read it and enjoy it! Gute Lesen!!!

## GOLDEN WEDDING BOARD

---

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark we would like to know and be able to add their names to the wall. You can contact me, [richwham@aol.com](mailto:richwham@aol.com), and I will see that you are added.

## ATTENTION TO ALL POTENTIAL SHUFFLERS! IMPORTANT MESSAGE BELOW!

---

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

## Valley Forge

Song by Iced Earth/written by John Schaffer

---

### Valley Forge

Close your eyes and imagine  
The soldier at Valley Forge  
The suffering that he endured was real  
Starvation, total war.  
Yet in his eyes the iron will to win  
And for the cause, he won't relent  
Would he look upon us now  
In anger and disgust?  
His politics a birthright and our creed  
Will we let ignorance and laziness  
Bring our demise  
Complacency, we're blinded by our greed  
Standing barefoot, frozen bloody hands  
His musket clutched, an iron grip  
And for the cause, he has but one regret,  
He's only got one life to give  
Would he look upon us now  
In anger and disgust?  
His politics a birthright and our creed  
Will we let ignorance and laziness  
Bring our demise  
Complacency, we're blinded by our greed  
It's time for us, to open up our eyes,  
And cherish the lives we all can have  
And to the ones who've kept our freedom free  
Words can't express all that you've done  
Would he look upon us now  
In anger and disgust?  
His politics a birthright and our creed  
Will we let ignorance and laziness  
Bring our demise  
Complacency, we're blinded by our greed

From the Editor: My answer is a resounding YES. And for anyone who doubts the intelligence, power or talent of heavy metal, they can read these words and listen to this song online and see how wrong they really are.

## Eldorado Facebook Page

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

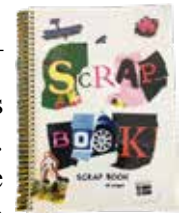

## DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

## Library History Scrap Books

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

## PHONE DIRECTORY

---

**W**ell, gang, I do hope the new phone directory came out to everyone's standards! We had a few people working on it and I want to thank them all: Dick Hambley, who still, to this day, keeps up on the books, Miss Dorisanne Gibson for greeting new people in the park and getting their numbers, birthdays and anniversaries to be put in the directory and the media and Suzi Rosetti for doing the phone book for a LONG time and keeping it up to date! Thanks again, everyone!!! Going forward, if you have a number change or want your number in the NEXT directory, PLEASE email me ( Randi Burton ) at [ichwillmetal999@gmail.com](mailto:ichwillmetal999@gmail.com). Thank you!!!

## The LIBRARY Is For All Residents!!!

---

**H**ey, everyone! Here is some recent juice about the park library: Our new "librarians" are Peggy Giberson and Marty Hunley and they have been working hard to make sure this sacred place is CLEAN and WELL-STOCKED. Peggy recently told me that she and Marty just donated a couple of HUGE boxes of books to the Largo Library ( where I go every week! ) and she asked that there be no more donations for awhile. She or Marty will let me know when they would be able to start taking donations again. So, if you have a lot of books lying around the house, PLEASE do not commit the UNHOLY crime of throwing them away! Put them in a bag and drop them off at the LARGO LIBRARY right down the street. They have a 24 hour drive-thru drop box and you can just put them in there. Magazines, too! When I finish a book, that is where I take it. They have bags—LITERALLY--of books you can buy for a dollar and used book sales all the time. So thank you Marty and Peggy for taking care of OUR library and please reach out to me if anything changes donation wise!

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the "Drop-off" box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.

HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a "blast from the past".

## Bulletin Board

---

**W**e have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

## NO IFS, ANDS OR BUTTS!!!

---

**I**f you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

## Birthdays and Anniversaries

*Dick Hambley*

---

**F**or those residents who are not aware of it, I would like to remind everyone that we maintain a book with residents' anniversaries and birthdays. I need your help by writing in your birthday and anniversary if they are not already in there ( and if you want them to be ). The book is in the library and I go through it periodically to see if there are new additions and add the ones that were sent to me. This record is also used to put the birthdays and anniversaries in the media. So thank you for helping us keep our records up to date!

**From the Editor—I want to thank Mr. Hambley for continuing to do this—it REALLY helps! You can also email me or send me a Facebook message of your birthday and anniversary and I will put it in a book I have for just such things. All my info is on the first page—thanks!!!**

HAPPY ANNIVERSARY AND BIRTHDAY TO ALL WHO HAVE ONE IN APRIL!!!

## RECYCLE

## RECYCLE

## RECYCLE

---

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin are as follows: Glass (colored bottles and jars), cartons (milk and juice containers), mixed paper products (Newspapers, flattened cardboard boxes and office paper), plastic containers (food and beverage), and aluminum and metal (cans and containers).

The things we should not put in are the following: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes paint, light bulbs, batteries, computers etc).

So, fellow residents, please consider this reminder and let us work towards saving ourselves a few bucks and, at the same time, work towards building a greener environment!

## TRASH/DUMP AREA SCHEDULE

---

**P**eople are still putting their trash out before Tuesday or Friday mornings. Please try to obey these rules--they are for **everyone**. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

## SOLICITATION IN THE PARK

---

*Dick Hambley*

**I** have been told by management that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has come up that if you have someone soliciting at your door and they are bothering you and you call the office to bring it to their attention, the office can do nothing about it—their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

# JOKES OF THE MONTH:

Here are some good jokes to start spring right!!!

1. Why is everyone so tired on April 1? Because they just finished a 31-day March!
2. I was going to tell you an April Fools' joke about boxing, but I forgot the punch line!
3. Babies born on March 31 are so easy to prank on April Fools' Day--I mean, they were literally born yesterday!
4. Why did the egg hide? It was a little chicken!
5. You've heard that April showers bring May flowers, but do you know what May flowers bring? Pilgrims, mostly!
