## LIBRARY

---

It is 1940 and Estella lives with her mother in Paris. Paris, France that is. And the Germans are advancing on her beloved city! One night she meets friends after work at the club to try and forget what is happening in her city. On Estella's way home she detours and finds her mother's friend, Monsieur Aumont, mortally wounded. With his dying breath he tells her to "take these to the Theatre du Palais-Royal. Please, for Paris."

Because of her errand, Estella's mother insists she must leave for New York City, U.S.A. But sadly, mom is staying behind to help Paris any way she can. So off Estella goes with not much more than a sewing machine, her signature gold dress, a few francs and a dream!

The Paris Seamstress is a tale of war and sacrifices. From Estella leaving Paris to her granddaughter in New York in 2015.

Natasha Lester wrote "The Paris Seamstress". Natasha worked as a marketing exec for L'Oreal managing Maybelline brand before she went back to college to study creative writing.

*continued on page 8*

In her spare time, she likes to teach writing and is often sought to be a public speaker. She loves to play dress-up with her three children in Perth.

The library is located at Lot 231 and is open daily 10:00 a.m.-6:00 p.m. We have WiFi and air. We also have a lot more than books. Check out our DVDs, puzzles and games.

Please remember to shut the door and turn off the lights when you leave.

## FROM THE OFFICE

---

I am writing this article after I came home from another successful food event. First, I want to thank my group of people who helped make this possible. We all work well together, and, when needed, all I have to do is ask and most people are more than happy to help. Secondly, please mention to me when you come in if you are picking up some items for someone else in the park....if you are, that's ok, but it's the same rules, limit of 1 item (especially meat)! I usually announce when we have an abundance of a particular fruit or vegetable, where you can take extra. Third, please do not take extra food to throw in your backyard to feed the wildlife! I know you are just trying to be nice, but some of the wildlife in the park needs to go home! I have a raccoon as big as a toddler that comes just past dusk and makes himself very comfortable on our golf cart....I am sure if we left the key in it, he would drive it away. We never leave food out, and when we feed the squirrels and birds it is just enough for them to eat in a few hours while we are watching them. For those of you who are now thinking "she's crazy".....which may be true.....but we have possums, armadillos (who are digging land mines in some yards), squirrels, otters as they travel from one body of water to another, Muscovy ducks (dirty and disease carrying), mallard ducks, rabbits (who make nests in your flower bed and have babies), rats....who are the absolute worst vermin that are not welcome (however, they don't read signs, just come where the food is). Don't say I forgot feral cats, because the roaming cats in this park are far from feral! Look how fat they are, and very rarely do you see one that is mangy looking. Pinellas County unfortunately offers a free spay/neuter program; if a resident takes a litter of kittens to them, they fix them and then they must be returned to the same place they came from. Fortunately for me, I live on a street where a resident did this....how do you think I feel about cat paw prints on my new car? We need to learn to cohabitate with them, while not doing anything to encourage them to overstay their welcome!

Rent checks.....if you want to be sure we have received your rent check, bring it in during office hours so you can hand it to us. We cannot answer the phone when you call to see if we received your check! We receive 400 checks a month, 75% in the first 5 days. We have other things to do, so they are not immediately processed and deposited into the bank, and it also depends on which day of the week the 1st falls on for us to receive them. Plus, Joelle and I have a "checks and balance" system to ensure that all checks received are processed. One of us empties the mailbox every day during the first week of the month so it doesn't overflow. I do all the bank deposits from home, as there is just not enough time to do it during office hours. I am ok with that, because I would rather have residents stopping by to say hi or ask questions about things in the park rather than listen to the Embassy Hotline. It is usually around the 20th of the month when I do an audit to see if someone has forgotten to pay (It happens, we are all getting older). If it is an honest mistake, I even waive the late fee. Just a reminder, the late fee is a flat \$30, not prorated by how many days it's late!

The Homeowner's Association has appointed the rent committee for this year. It is chaired

by Paul Latuga and the other members are Joyce Latuga, David Howard, Mike Matheny, and Angela Robinson. Per Fl Statutes, Mr. Larson is only required to meet with a Committee of five people, but between now and September you can talk to anyone on the rent committee about any concerns you may have. Keep in mind this is not a “demand” meeting, it is just to make sure that the rent increase falls under the guidelines that are set forth in your prospectus. Mr. Larson does listen to any concerns they may have regarding things in the park (roads, trees, replacing me, etc.).

If you plan to leave for any period of time, you need to notify the office. This is for safety reasons, not because I care about where you are going! You also need to notify the office ahead of time if you have family coming to use your mobile in your absence. This is limited to family, as I do not want Embassy to start having the problems that VRBO and other rental agencies encounter. If they have a dog, it must be pre-approved and shot records provided. I will tell people to leave if these rules are not followed. It is for the safety of the elderly residents in the park that all guests are checked in properly.

We are still under Pinellas County water restrictions, which means that the only day you are supposed to water is Tuesday. Park rules limit car washing to twice a week, FOR RESIDENTS ONLY! Three times this past week I have seen “guests” washing their cars....guess who is paying for the water? There is a car wash two blocks west, right on East Bay, and they use reclaimed water to lower the impact on water usage. They even offer monthly subscriptions for unlimited washes.

As “snowbirds” get ready to leave, or residents go north for a month or so, remember to make sure your carport and lot are “hurricane” ready. This means that all ladders are secured, furniture is put inside, hanging plants are taken down, etc. Nothing should be laying around that can be blown around by 35-50 mile-an-hour winds. We get these gusting winds without a tornado even being around.

After April 15th I will be devoting a lot of time to “park rides” where I will be checking all mobile homes and carports. I will be looking for many things, but especially: refrigerators on carports that are not locked or hidden from road view; old appliances stored on the carport; ladders unsecured; mold on the shed and mobile home; peeling or old paint; household furniture on your carport; weeds anywhere around your mobile home; overgrown trees; cracked windows; ripped or old window coverings, screen rooms with boxes piled in them; just to name the most obvious violations. A lot of these are Largo City Code Ordinance violations, for which you can be fined (last I knew, fines started at \$140 and went up from there). The cleanest I have ever seen the park, and the way it should be kept, was when everyone prepared for the last hurricane that came close to us. Take a little pride in where you live; I do not like to write these letters; all residents have been provided with the Park rules that spell out the expected standards for living here.

Last but not least, come join us for the Neighborhood Watch meetings; they are the last

## EMBASSY COMEDY SHOW

---

**M**any of you know that the Comedy Show (formerly known as Fun Night) is an annual tradition for the Embassy community. If you didn't get to see this year's show – the house was packed -- you missed out on a wonderful time.

The cast may have been small, but that didn't stop them from putting their everything into entertaining friends and neighbors alike with an evening of humor, song, and outright silliness. We watched the bell ringers; laughed at Ruth Buzzy and the Old Man; and marveled at Bill Burt's tongue-twisting tale of Rindercella (Cinderella). Edith Ann told us all about her new puppy; the beach ball ballet was a marvel in timing and coordination; and there were songs by Lynn Turner and Glen Beggs.

Some acts were repeat performances from previous years, yet each year it's as though I see it through new eyes. Whether longtime performers or first-time actors, there was no doubt that everyone

had a single goal of entertaining the audience.

It takes a lot to put on a show of this nature and I'm talking about more than the people who had enough courage to get up on stage and perform. Lynn Turner is a hero in my book. She was the driving force behind insuring "the show will go on". I'm sure she had no idea what she was getting herself into when she raised her hand to volunteer. Her hard work and coordination were evident in every aspect of the show.

And let's not forget about the supporting members. From Jessie taking on the role as Master of Ceremonies at the last minute to Janice Yeo with her amazing set design to Dennis Larocque and Jesse Osborne for coordinating the music, sound, and lighting. Norm Hagen and Angela Robinson were stage directors and ensured a smooth transition between acts. Of course, there was our ever-cheerful greeter, Bernice Strong, who took tickets and handed out programs with a smile; Mike Matheny, Trina Whipple and friends who served refreshments; and Viateur Viel who has become our de facto community photographer and videographer. Viateur has taken photos at or filmed every special event this season and he is quick to share those photos when asked.

Thank you all for making this another memorable event!

## BIBLE STUDY

---

**T**he Bible study group meets on Tuesday evenings at 6:30 p.m. at the Hobby House. We have about an hour of study and conversation with a snack after, and more conversation. Anywhere from 6 to 13 people attend; anyone is welcome to meet with us.

Our last meeting of the 2023-24 season will be Tuesday, April 2nd.

All the present members are snowbirds and roughly half of our members won't return next year. As usual, the rest of us never know what another year will bring so future plans are rather hazy. All is in God's hands.

## CANADA DAYS

Florida weather did not disappoint for this year's Canada Days celebration. Eighty people attended for games, hot dogs, and a street dance on Friday. This was the highest attendance in recent history. Most people played all the games of hatchet throw, ring toss, corn hole, ladders, and shooting a golf ball into a boat on the lake. Unfortunately, no one hit a golf ball into the boat; we may have to move it closer next year to give players a fighting chance!

There were also random drawings throughout the day and door prizes — some of which originated in Canada — were given out among the participants. The lunch included a hotdog, chips, cold drink, cake, and FREE BEER. We received many compliments on the hotdogs which were all beef, angus hotdogs from GFS. Congrats to the planners for selecting such a hit!

The 50/50 drawing for \$173.00 was won by Janice Yeo.

The McDougall Shuffle tournament was held on Saturday and cash prizes of \$5.00 were awarded to the top 8 players. It was another day full of fun.

All in all, I believe everyone had a good time. We also listened to the many compliments/comments and are already planning next year's events with new ideas for activities.

We hope to see you next year!

# LADIES FUN SHUFFLE

*Submitted by Viateur Viel*

The Ladies Shuffle tournament was a great success again this year. More than 24 ladies took part on a very beautiful sunny day. The participants had a lot of fun and the tournament organizer, Trina Whipple, did an excellent job. Congratulations to all participants and to those who worked to make it a memorable and fun day.

Awards were given to the three people who had the best score, the three who finished in the middle of the group, and, finally, to the three who finished last. A great way to recognize first and foremost the merit of having participated.

# MEMORIAL SERVICE

The Memorial Service was organized by the Bible study group and sponsored by the Social Club. It was held on Sunday, February 18th at 7:00 p.m. in the Clubhouse. The service consisted of two hymns, a solo, the Cross and Carnations, and two readings. More than 30 people attended and the service went well.

A special thanks to all who helped with preparations and planning. Of note, thanks to Ron Foster for the music, Iva Shannon for the beautiful Cross and Carnations, Jessie and Yvette for printing the flyers and the Order of Service, and to Mike Matheny for preparing the coffee and tea and closing up after the event. Thanks also to all who brought snacks and to those who stayed to help with the clean-up.

The Bible study group is honored to be able to do this event; it is quite meaningful to a number of people, and a nice tradition for the Embassy Community.

## If you can't beat 'em — start your own company

---

Mary Kay Ash, who would later found the \$2-billion-a-year company Mary Kay Cosmetics, once worked for Stanley Home Products. There she learned the direct marketing scheme that would bring her fortune and fame. According to Anecdotage.com, she once received an incentive reward: a flounder light. The company had given her a light that she could clip onto waders when she went fishing. Mary Kay did not appreciate the gift.

Later, at the same company, she found out that she had been passed over for a promotion that was given to a man that she had trained. She learned that men were making \$50,000 a year and she was only pulling in \$25,000. That was all the incentive she needed. She took a month off, gathered up \$5,000 and started her own company.

Her rewards for employees: pink Caddies.

## Oprah shares the secret of her success — learning to be herself

---

Life should teach you who you are, according to Oprah Winfrey in a 1997 commencement address she gave at Wellesley College. The talk show host and media mogul says that life's everyday experiences will teach you who you are — moment by moment. How did she learn this? Oprah says for a long time she spent her life wanting to be someone else. She says when she first saw Diana Ross with the Supremes on The Ed Sullivan Show she thought, "I want to be like that." However, she says it took her some time to realize that no matter how many diets she tried—she was never going to have Diana Ross's thighs.

Later, when Oprah was an anchorwoman, her news director told her that her hair was too thick and her eyes were too far apart and that she needed a makeover. Oprah found herself sitting in a French beauty salon. There she had a French permanent put on her hair. The perm burnt her, but she didn't have the confidence to say that it was hurting her. She ended up bald a week later. She had to go on air as a bald news anchor.

Oprah also says she wanted to be like Barbara Walters, and discovered she was not when she could not pronounce "Barbados" on air. "That may be 'Barbados' to you but it was 'Barb-a-does' to me," she said. She said she started to laugh on air — which was not very Barbara like. But Oprah felt OK about it, because she was being who she really was—finally. From that moment, Oprah says she knew that she could be a better Oprah than a Barbara, and though she still kept Barbara as a mentor, she decided to pursue just being herself once and for all. Her phenomenal success was the result of being "demoted" from news anchor to talk show host.

"I am just thrilled that I get paid so much money every day for just being myself, but it was a lesson long in coming, recognizing that I had the instinct, that inner voice that told me that you need to try to find a way to answer to your own truth was the voice I needed to be still and listen to."

## The young man and the frog

Joke retold from Jim Huggins Humor Page

There was once a young man who was crossing the road. As he was making his way over a frog called out to him and said, “If you kiss me, I will turn into a beautiful princess.” The young man picked up the frog and put it in his pocket.

The frog called out from the young man’s pocket, “If you will kiss me and turn me back into a beautiful princess, I will come to your house for one week and cook and clean for you.” The young man took the frog out and smiled at it and then put it back into his pocket.

The frog called out from the young man’s pocket again, “If you kiss me and turn me back into a beautiful princess, I’ll stay with you for as long as you want and do anything you want me to.” Again, the young man removed the frog, smiled at it, and then placed it back into his pocket.

Finally, the frog called out from the pocket, “What is it with you? I told you I’d stay with you, and cook and clean for you and do anything you want me to do. Why won’t you kiss me?”

The young man took the frog from his pocket and said, “Look, I’m a computer programmer. I don’t have time for girlfriends — but a talking frog is really cool.”

## How many does it take to change a light bulb?

Gleaned from the Internet

Q: How many Californians does it take to change a light bulb?  
A: Six. One to turn the bulb, one for support, and four to relate to the experience.

Q: How many psychiatrists does it take to change a light bulb?  
A: Only one, but the bulb has got to really WANT to change.

Q: How many software people does it take to screw in a light bulb?  
A: None. That’s a hardware problem.

Q: How many graduate students does it take to change a light bulb?  
A: Only one, but it may take him more than five years for him to get it done.

### *On ‘busyness’*

*Being busy does not always mean real work. The object of all work is production or accomplishment and to either of these ends there must be forethought, system, planning, intelligence, and honest purpose, as well as perspiration. Seeming to do is not doing.*
