## PRESIDENT'S MESSAGE

---

As we start with a new board I would just like to thank all of our members and residents alike for their support. We intend to do our best to help the community grow and become more involved. Everyone's dues should be paid by now, but if not please feel free to see Rusty Leslie at 310 or Cathy Ralston at 184, after 4 pm, to pay the \$15.00. Yes, that is correct dues are only \$15.00 a year. Have questions or need information, I will be happy to help you. Please remember I work full-time and am not available during from 7 am to 5 pm, during the week. The best way to contact me is via text at 580-301-4828 and we can set up a time that is convenient for both of us. If you have a concern about something in the community, please fill out the concern form, turn it in and bring a copy with you when you come see me. That will help us both to ensure your concern is addressed. Remember the HOA cannot address your concerns for you, we can only help you resolve them with Cal-Am management if you do not receive a reply or if there needs to be further discussion.

## RESIDENT ACTIVITIES ANNOUNCEMENTS

**T**hese activities are not HOA or Cal-Am sponsored activities. They are resident led. The Boys who Brunch are meeting monthly the restaurant, date and time are announced on various IITS Facebook pages, sign up is online or at the Clubhouse.

Like to shoot pool? Every Saturday at 10 am there is a group who play 8 ro 9 ball at the clubhouse. They are always looking for new players.

Chit Chat is on Friday nights at the Clubhouse from 5 to 7pm. Bring whatever you would like to drink. You may bring a snack if you would like to share, but that is not necessary to join us for some good old fashioned chatting around the table. Be aware, Politics, Religion and HOA are not discussed during this time.

Anyone wanting a resident activity to be spotlighted in the Media Guide please contact Tammy Blaisse.

See the calendar in the Media Guide or on the clubhouse board for upcoming daily activities, HOA activities and Cal-Am activities.

## April Fools Day

---

**A**pril Fools' Day—occurring on April 1 each year—has been celebrated for several centuries by different cultures, though its exact origins remain a mystery. April Fools' Day traditions include playing hoaxes or practical jokes on others, often yelling “April Fools!” at the end to clue in the subject of the April Fools' Day prank. While its exact history is shrouded in mystery, the embrace of April Fools' Day jokes by the media and major brands has ensured the unofficial holiday's long life.

### Origins of April Fools' Day

Some historians speculate that April Fools' Day dates back to 1582, when France switched from the Julian calendar to the Gregorian calendar, as called for by the Council of Trent in 1563. In the Julian Calendar, as in the Hindu calendar, the new year began with the spring equinox around April 1. People who were slow to get the news or failed to recognize that the start of the new year had moved to January 1 and continued to celebrate it during the last week of March through April 1 became the butt of jokes and hoaxes and were called “April fools.” These pranks included having paper fish placed on their backs and being referred to as “poisson d'avril” (April fish), said to symbolize a young, easily caught fish and a gullible person.

### HISTORY: April Fools' Day

#### Hilaria in Ancient Rome

Historians have also linked April Fools' Day to festivals such as Hilaria (Latin for joyful), which was celebrated in ancient Rome at the end of March by followers of the cult of Cybele. It involved people dressing up in disguises and mocking fellow citizens and even magistrates and was said to be inspired by the Egyptian legend of Isis, Osiris and Seth.

There's also speculation that April Fools' Day was tied to the vernal equinox, or first day of spring in the Northern Hemisphere, when Mother Nature fooled people with changing, unpredictable weather.

April Fools' Day spread throughout Britain during the 18th century. In Scotland, the tradition became a two-day event, starting with “hunting the gowk,” in which people were sent on phony errands (gowk is a word for cuckoo bird, a symbol for fool) and followed by Tailie Day, which involved pranks played on people's derrieres, such as pinning fake tails or “kick me” signs on them.

### Outrageous Pranks in History

From a Swiss “spaghetti harvest” to a rhino on a city council, these pranks went above and beyond. From spaghetti trees to a Nixon comeback, check out some of history's most elaborate April Fools' Day pranks.

In modern times, people have gone to great lengths to create elaborate April Fools' Day hoaxes. Newspapers, radio and TV stations and websites have participated in the April 1 tradition of reporting outrageous fictional claims that have fooled their audiences.

In 1957, the BBC reported that Swiss farmers were experiencing a record spaghetti crop and showed footage of people harvesting noodles from trees. In 1985, Sports Illustrated writer George Plimpton tricked many readers when he ran a made-up article about a rookie pitcher named Sidd Finch who could throw a fastball over 168 miles per hour.

In 1992, National Public Radio ran a spot with former President Richard Nixon saying he was running for president again... only it was an actor, not Nixon, and the segment was all an April Fools' Day prank that caught the country by surprise.

In 1996, Taco Bell, the fast-food restaurant chain, duped people when it announced it had agreed to purchase Philadelphia's Liberty Bell and intended to rename it the Taco Liberty Bell. In 1998, after Burger King advertised a "Left-Handed Whopper," scores of clueless customers requested the fake sandwich.

Google notoriously hosts an annual April Fools' Day prank that has included everything from "telepathic search" to the ability to play Pac Man on Google Maps.

## Parking

Now on to everyone's least favorite topic, Parking. Last month we all received a reminder about the parking regulations. The following Monday management started putting notices on vehicles letting people know that if it was the 1st of May the vehicle would have been towed. Cal-Am is serious about the residents following the Prospectus and Rules about parking, in fact they are wanting to go to no parking on the street. That cannot and will not happen without a prospectus change which will be discussed during negotiations. As residents we need to follow what the Prospectus currently says and we need to be respectful when parking and stop parking directly across from each other. You endanger lives when you do this, emergency vehicles cannot pass through if needed. One car must be parked in the driveway at all times if you have 2 cars and the one in the driveway leaves, you must pull the other into the driveway. Whether you are a homeowner or renter, no one has any reserved parking in this community, the front of your house is not reserved for you; anyone can park there.

## Cal-Am Notifications

I have had numerous complaints about people not getting notified by Cal-Am about important events. They are notifying residents via text message through Rent Café. If you would like to start receiving these messages please go into Rent Café and sign up for these messages. If you need help setting this up please reach out and I or someone else will be more than happy to help you set this up.
