PRESIDENT'S CORNER

Submitted by Jan McCoy

A CPLM pavement warranty work was accomplished in April resulting in improved drainage in designated areas. Monitoring of before and after performance took place, demonstrating a positive result. This effort does not address some of our larger concerns. Catch basin design will be worked on to address the streets in the front of the park that are in need.

The recent Vision Survey resulted in three key areas of enhancement for targeted vision work: security, clubhouse, and outdoor activity areas with bathroom facilities. We are in the infancy of the information gathering / feasibility / proposal preparation stage. To date, Vision Focus Group meetings have been held for both security and the clubhouse. Residents provided additional input on the wish list of enhancements. Volunteer sub-committees will work through the summer to further detail the possibilities. If you missed the meetings and wish to know more, meeting minutes can be found on the website. Watch for future meeting announcements.

While the clubhouse vision is focused on solving the larger space and use concerns, we can address some immediate needs:

- The treadmill in the gym requires replacing. The existing equipment can no longer be repaired. Removal of old carpeting and reconditioning of the existing floor in the gym will take place shortly as we head into the slow season.
- Additional round tables have been requested for card players and the replacement of the existing clubhouse chairs with a more comfortable model is being investigated.
- Additional audio-visual equipment is required to support line dancing and meetings in the library.
- Options will be presented for consideration by the Board of Directors.

Our 2024 Reserve budget is funding the surface reconditioning and completion of the enclosure of the shuffleboard court. Thank you to Greg Jackson, Roger Kydd, and Dan Paquette for taking the lead to determine the needs and meet with potential contractors. We are in the planning stages of spiffing up the courts!

And lastly, always secure your home and possessions! Please report any suspicious behavior to the police and contact the office if you have any issues. An incident log is being maintained. As a result of recent bicycle thefts, access to our park cameras is now available, via an App, on board member cell phones. The purchase of a larger hard drive, to store camera footage, has been requested, and Police are patrolling more frequently at night. We hope this will help our residents. Consider joining our Neighborhood Watch Committee. We are more effective together. You may contact Donald Barnes, at donaldbarnesDWB@aol.com, for more information on the Neighborhood Watch Committee.

Sending well wishes for safe travels and a joy filled summer to all!

Jan McCoy

MANAGER'S CORNER

Submitted by Marilyn Corazza

MANAGER

LEAVING FOR THE SEASON

It is that time of year again when residents start leaving the park to return to their “Summer homes.” With that in mind, here is a checklist and a few reminders before you leave:

1. Complete and turn in a blue Sign-out Form located in the bins outside the office door. (If you did not complete a Sign-out form prior to leaving, please contact the office at 727-577-0287, or email Mar Kuipers at admin@sunsetpalms.org with your departure date.)
2. To have your mail forwarded, you can either visit the local post office and show your ID, or you can change your address online at USPS.com. If you register online, you will pay a \$1.10 identity verification fee and must register your email address and cell phone number.
3. Clear your yard of any items that may become projectiles.
4. Arrange to have your lawn and your flower boxes maintained while you are away.
5. Let the office know if someone will be parking in your driveway.
6. In the interest of security, your fobs will be deactivated while you are away.
7. Remember, you must be here with any guests.

Now, let's talk about Water Usage and how the billing works while you are gone.

The bill you receive is for the prior month and is due the following month.

Here is an example:

You are in residence during April.

The city will send you a bill in early May

The bill is payable early in June

If you leave on or by the 5th of the month, you will not be billed for that month.

Questions? Please feel free to contact the office at 727-577-0287.

We will miss you! Have a great summer and we look forward to seeing you next season.

BINGO

Submitted by Julia Cadieux

Bingo has come to an end for this season. I could not have provided all the fun for everyone without everyone's help. Maybe you were a caller, helped sell games, sold snacks - maybe you were that special someone who dropped something off in my bike basket that I used for prizes during the season or maybe you played bingo every Monday- you all deserve a round of applause.

I am overwhelmed by everyone's generosity.

Thank you from the bottom of my heart.

D **ID YOU KNOW?:** Sunset Palms has its own Facebook page called **Sunset Palms 3401**. It's another way for Residents to communicate with each other, connect, share, and keep in touch.

Official Sunset Palms social committee events will continue to be posted on the “**Sunset Palms Club by Jamie**” page. Board of Directors and Committee meeting notices will not be posted here but continue to be sent via email and posted in the clubhouse. The **Sunset Palms 3401** page will post other community events, notices, pictures and generally give us a place to communicate with each other.

A group of volunteers, all Residents of the Park, are administering the group and we encourage your feedback and look for your cooperation to keep all posts kind and courteous.

As your monthly editor for YOUR Newsletter, the Sunset Palms Spotlight, you can still email me with articles, pictures, resident interest stories, etc. or if you have an idea for a monthly newsletter article. SUNSET PALMS SOCIAL COMMITTEE – ACTIVITIES

Submitted by Jamie Calandra

On April 13th, we had our end of the season Luau. We had a DJ, 250 tickets were sold, and we had a blast.

- Music Bingo is always a great time. We have another scheduled.
- We will have a Memorial Day picnic probably indoors due to the heat.

I hope all you Snowbirds made it home safely.

We have had our last Social Committee meeting for the last time this season. See you in the fall for Halloween!

We have a full calendar for next season!

Jamie Calandra

Your Social Committee President

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

SOCK HOP

Submitted by Bet LeBrun

On March 2nd we had another successful Sock Hop!

I would like to personally thank Rockin Royce (Royce Pauley) for the amazing oldies music show that this man organizes once a year. The dance floor is always full of slow dancers and jivers when an oldies tune is played. And the decorations! Wow! Brings one back to the Rock & Roll days of the 50's. A big thank you to Rockin Royce and his other half Janet – she's also a big part of the "organizing".

Always a blast when one attends this event.

STORMS

Submitted by Ralph Payne

A sunny calm lingers throughout the day
Tall grass dances with a soothing sway
The sun stays for a time or too
Then abruptly embarks, now the clouds are new

The rain will fall and dampen the ground
And winds will mount in the evening's sound
The darkness sets this eerie state
As Mother Nature and prayers are left to our fate

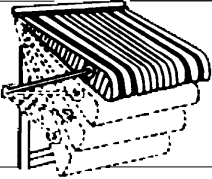

A thunderous night still firmly holds
A fracturing from the trees that fold
Drew away are the lawless leaves
Stolen by the tempest thieves

Nerves are worn, they've taken the bite
From the restlessness that have retained the night
Uprooted trees and branches where they spew
Dawn will present the crushing view

Daylight still shakes every tree
As a little breeze still can be
Felt upon the pleated skin
Storms like these are wearing thin

Understanding the Distinction: England, Great Britain, and the United Kingdom
Have you ever found yourself confused about the terms England, Great Britain, and the United Kingdom? You're not alone. Understanding the differences between these geographical and political entities can be a bit like untangling a knot. Let's break it down.

England:

England stands as a distinct country within the British Isles. Its capital, renowned worldwide, is London. When we talk about England, we're referring to one of the constituent nations of the United Kingdom.

Great Britain:

Great Britain encompasses a union of three countries: England, Scotland, and Wales. Despite this union, each of these nations retains its own unique identity. London remains the capital of this collective entity. So, when we mention Great Britain, we're essentially referring to this trio of countries united under one banner.

The United Kingdom of Great Britain and Northern Ireland:

Now, let's add another piece to the puzzle. The United Kingdom expands upon the concept of Great Britain by incorporating Northern Ireland. When Northern Ireland is included, we have a union of four nations under one umbrella. Thus, the full title becomes the United Kingdom of Great Britain and Northern Ireland. Despite this amalgamation, each nation within the UK maintains its own individuality.

Individual Capitals:

It's crucial to note that while London serves as the capital of the United Kingdom, each of the four nations has its own capital:

Scotland: Edinburgh

Wales: Cardiff

Northern Ireland: Belfast

England: London

Happy Mother's Day!

Understanding these distinctions can be essential, particularly when it comes to matters such as travel and visas. Northern Ireland, for instance, should not be confused with the Republic of Ireland, a separate entity with Dublin as its capital. Travelers should be aware that while entry to Ireland may not require a visa for many, visiting Northern Ireland typically does. A UK visitor visa is necessary for entry into Northern Ireland, emphasizing the unique political landscape within the United Kingdom.

In conclusion, while England, Great Britain, and the United Kingdom may seem interchangeable at first glance, they represent distinct entities with their own histories, cultures, and political structures. Clarifying these differences not only enhances our understanding of geography but also fosters appreciation for the rich tapestry of the British Isles.

Exploring the British Isles with Sunset Palms Travel

Understanding the distinctions between England, Great Britain, and the United Kingdom opens doors to a richer exploration of the British Isles. Whether you're drawn to the historic streets of London, the rugged beauty of the Scottish Highlands, the vibrant culture of Wales, or the captivating landscapes of Northern Ireland, there's something unique to discover in each corner of this diverse region.

Why not embark on your next adventure with Sunset Palms Travel Committee? We plan to repeat the British Isles cruise in 2025/26. Our expertly crafted itineraries promise unforgettable experiences.

Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

FLUSH ONLY: Body waste and toilet paper.
It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.
