## LIBRARY

---

Carla is a realtor and right now she is a very happy one! She is showing an English gentleman a lakeside estate that's for sale. David Thornby seems so agreeable and easy to please, almost too easy. But what a sale. Until the moment she turns around and is facing a gun!

"Mr. Thornby what are you doing?" She asks.

"I'm a hitman" he replies.

"Are you saying you're here to kill me?"

"Afraid so " he replies.

"Why? " Carla inquires. "

Thornby replies "I never ask."

Brandilyn Collins wrote *Crimson Eve* and about 30 other best sellers. She writes fast-paced, twisting seatbelt suspense and insightful contemporary novels. The library is located at Lot 231 and is open daily 10:00 a.m.-6:00 p.m. We have WiFi and air. We also have a lot more than books. Check out our DVDs, puzzles and games.

Please remember to shut the door and turn off the lights when you leave.

## FROM THE OFFICE

---

Let's try this again: Do not call the office to see why your check hasn't been deposited yet! We process 400 checks, using a 4-step verification process from the time you drop it off until it is actually deposited. The length of time it takes to get cashed will vary depending on the day of the week the 1st falls on, as well as what other things may be going on. Joelle and I are paid for 12 office hours a week, each.....add in the residents that come in and want a receipt, the phone ringing, rule violations, processing new applications, doing intake interviews, etc. After the third Wednesday of the month, I review the records to see if someone hasn't paid their rent yet or paid the wrong amount. If it is after this time, THEN you can contact us. We are through April, the 4th month of the year, and I am still receiving checks for the wrong amount. It takes time to copy the check, draft a letter, and mail it out. As a bookkeeper, I do not understand why you don't use standard bookkeeping....when you write the check, consider it "gone" from your account!

By now, most of the Snowbirds have left. If you plan to leave the park for any extended period of time, please let the office know the dates and confirm that we have a key for your

*continued on page 8*

unit. If you plan to rent your unit, it must be for a minimum of 30 days and the office must be notified and provided with ID. If you are here and have guests, the office must be notified, and a valid photo ID provided.

Hurricane season researchers predict that there will be 23 named storms, 11 of which will become hurricanes, and 5 that will reach major hurricane strength with sustained winds up to 111 mph in 2024. Hurricane guides are available in the office. Please prepare NOW! The main thing to remember is that Embassy Mobile Park DOES NOT have any hurricane safe structures. I will stay in the Office and Roy will stay in the Hobby House....these are concrete buildings, so they provide the best protection and ensure we are “on site” in case we get hit. Mobile Home Parks are an automatic evacuation zone! By choosing to stay here, you are giving up any help from police, fire, and medical personnel.

Duke energy did a study of the entire park regarding the integrity of all of the power poles. Several have been replaced, with a few more to be done. They are also checking all the power lines for trees that need to be trimmed or removed. If you think the trees on your lot are too close to the power lines, call Duke energy, not the office. If they determine a tree must be removed, as long as it is in the “utility” easement, they have the right to remove it. Just a reminder that you are responsible for all the trees and shrubs on your lot, whether you put them there or they were there when you bought the mobile. The park is only responsible for the palms in front of less than half of the mobile home lots.....a lot have been removed due to disease and dying.

Pinellas County is again changing chemicals and testing the water. You may experience discolored water, a distinct odor in the water, or low pressure. They have also identified 14 manufactured home communities in Pinellas county with waste water system issues. Thankfully, we are not one of them. You can go online to Pinellas County Utilities and learn more about these things.

A reminder that any changes made outside of your mobile home must have park approval and possibly a permit from the city or county. Adding flower beds does not require a permit, but I need to inspect the area first to make sure it won't impede the lawn mower from getting through. I currently have stopped one brick paver project, and am working with another resident to make sure a new screen room follows park guidelines. By the time you read this, I will have a new driveway, and it went through the City of Largo permitting processing. You would not believe the number of departments that had to do “reviews” before I was issued the permit, and all I was asking was to replace my existing concrete driveway with brick pavers. Flower beds and decorative pavers usually do not require a permit, but you cannot install them on the easement between the mobiles. The other concern is the possibility of someone hitting a water or sewer line. Calling 211 DOES NOT identify the water and sewer lines, they are privately owned by the park. If the park must dig underneath a patio, walkway, etc. for an emergency break, it is the resident's responsibility to replace it. Before you begin any digging on your lot, you need to talk to Roy or myself about how to do it correctly with only a minimum chance of a line getting broken. If you or your contractor breaks the line, you are financially responsible for the repair.

Call Roy immediately if this happens! New residents are given his phone number when they interview, and it is always on the inside of the back cover of every issue of News and Views.

Most of this information has been repeated several times, but still goes unheeded. It also serves to educate new residents.

I will not be scheduling Resident Monthly Update meetings through the summer unless something changes. Please read the News and Views and watch for flyers, the Social Club is bringing back some of the summer events, like hot dog roasts, ice cream social, etc.

## ST. PATRICK'S DAY DANCE

The New York Club hosted a SOLD-OUT (91 tickets) St. Patrick's Day Dance on March 16th, and to say it was a success would be an understatement!

Upon entering the dance, guests were entered into a drawing with their ticket and presented with a green bead necklace to get the party started. Wigman did his thing and created a magical, musical environment — just right to get your toes tappin' and your feet out on the dance floor. When you needed to catch your breath, it was time for a game and more dancing but don't forget the beverages!

By the end of the night everyone was GLOWING...literally! Dave Howard, Lot 922, won the Basket of Cheer raffle. Dennis Larocque, Lot 416, won the 50/50 of \$125. A special thanks to Danielle McBurney, Lot 747, for making all the table center pieces that were raffled off — there were 12 of them! And as always, a very special thanks to all the members of the New York Club. For a small club, we sure put on a heck of a party! I look forward to next year.

## SHUFFLE CLUB

Another season has ended for the shufflers at Embassy. It was a season filled with great encounters, good food and emotions. The Shuffle Club marked the end of season by inviting its members and their guests to come and share good pizza, vegetables, fruits, cheese...with wine, beer, soft drink etc... followed, of course, by good and delicious desserts.

*continued on page 12*

The winners of this year's various tournaments each received a certificate highlighting their achievements. Many new faces emerged this year, reflecting how much several of our players improved over the last year.

A special and emotive tribute was also paid to one member for his tireless involvement and dedication to the Shuffle Club.

The 2023-24 season is now over and many of the shufflers will head back to the "North" for the summer season — but not before they make a "Rendez-vous" for next fall when everyone will pick up again right where we left off.

Happy summer season to everyone.

## SWING DEDICATION

**O**n February 5th, Dennis Gross, Lot 1002, passed away quietly at his home. Although he had to retire from the Largo Fire Department due to an injury, he worked tirelessly to keep the lake area maintained. Dennis built the walkout dock, a new swing, helped in figuring out the mechanism to lower the water in the lake, cut down on embankment erosion, etc. He liked to keep busy, and Embassy enjoyed the rewards of his hard work. Dennis

and his wife, Jacque, enjoyed having their morning coffee on their front porch, looking out at the lake. Dennis, Jacque, and Bernice Strong (Lot 1000) maintained the flower beds across from them for almost 20 years. In a tribute to Dennis, the park purchased a new swing and dedicated it to honor him and his time here at Embassy Mobile Park Inc. Dennis and Jacque Gross liked to live a quiet, private life here, so I did the dedication with just Jacque and Bernice present. Jacque plans to remain at Embassy to continue enjoying the view that Dennis loved so much.

Unfortunately, neither Jacque nor Bernice can continue to care for this area, so if someone would like to take it over, please contact me. It's time to "pay back" all the time and money they spent to do this. Maybe one of the clubs could volunteer to sponsor the area.

## NEIGHBORHOOD WATCH

---

The March meeting was well attended, and our Community Liaison police officers (Officer Bowling of the Largo Police Department and Deputy Hughey of the Pinellas County Sheriff's Department) shared some good information with us.

First, have you heard of the CPTED program? Officer Bowling surprised us with a 'pop quiz' concerning the various aspects of the program. For instance, CPTED is the acronym for Crime Prevention Through Environment Design. The basic concept is that you want to make it harder for crimes to happen to your property or your person by making improvements and being aware of your environment. I've included a flyer in this issue which gives more details about the program.

Second, Pinellas County Sheriff's Department Deputy Hughey shared a link for the Pinellas County Crime Viewer web page (<https://egis.pinellas.gov/apps/CrimeViewer/>). This is a good spot to find out what crimes are happening in our immediate area whether they are Largo PD or Pinellas County Sheriff's Department calls.

Lastly, Deputy Hughey has said she will be collecting unwanted medications at the April 25th meeting.

As a reminder, meetings are held on the last Thursday of the month year round. Everyone is welcome to attend. So, even if you don't want to participate in roving patrols of our neighborhood, you can still be a part of the neighborhood watch by simply keeping an eye out on your street or when you drive through the park going from point A to point B.

## EMBASSY WEB PAGE

---

Did you know that, in addition to Facebook, Embassy has their own web page? If you go to <http://www.embassyparkflorida.com/> you will see basic information about the park. For instance, there is a link to a list of mobile homes for sale in the park. There is also a separate page with information about RV sites. You can download the Tenant Check application by clicking the link at the top right corner. And, you can access your monthly News and Views magazine through the site. Take a minute to check it out. I find that, along with attending the monthly Social Club and Resident Update Meetings, this page and our Facebook group are excellent resources for living at Embassy.

## SOCIAL CLUB

---

The Social Club Planning Meeting for the 2024/25 season was held on March 21st. Representatives from various activities met to discuss their plans for the next season and to, hopefully, lock in the dates for when these activities will occur. Compromises had

to be made, and there were some changes from past years' programming, but overall, I think it was a good meeting.

What were the changes?

The monthly luncheon will no longer be referred to as the "Ladies Luncheon" but rather the "Embassy Luncheon" to include participation by men who wish to join the fun. Not only that, the DATE of the luncheon has changed from the second WEDNESDAY of every month to the second THURSDAY of every month. We are also looking for more individuals willing to act as 'host/hostess' for the luncheons.

Exercise. A request was made to offer morning exercise classes for three days a week — schedule permitting. Therefore, beginning in November, exercise classes will be held on Tuesday, Thursday, and Friday mornings from 8:45 to 9:30.

Also beginning in November, we will have a Karaoke night on the second Friday of the month. Lynn Turner is the event coordinator. If you have any karaoke discs laying around — whether oldies, country, rock or big band — please donate to Lynn so our performers can have a variety of music to choose from.

Summer activities. The Social Club board members met and discussed reviving summer activities. Tentative plans were made for a hot dog roast hosted by the Social Club on July 4th. The New York then met on April 9th and voted in favor of hosting an Ice Cream Social on September 2nd (Labor Day). More details on both events will be included in the News and Views. And, of course, watch for flyers on the bulletin boards at the clubhouse and the office door.

Finally, the Social Club held its last meeting of the season on April 3rd. In addition to discussing the overall success of this season's events — dinners, dances, breakfasts, and shuffle tournaments — we discussed reviving a few summer activities that have fallen by the wayside in recent years. Please remember that none of these activities 'just happen'. We can only continue them if we have people willing to coordinate the many pieces necessary to carry out an event. Not everyone has to be a chief, volunteer helpers are also needed. Watch for future articles in the News and Views — and flyers posted on the board near the clubhouse — for further details.

## LOST BUT NOT FOUND

A 6-foot, aluminum ladder belonging to the park, and kept in the storeroom at the clubhouse, has gone missing. Now, I am sure someone just borrowed it for a home project and simply forgot to bring it back. So, take a look around your mobile. If you see a ladder laying around, and you don't remember owning one, perhaps it is the missing ladder from the clubhouse. Call Roy and he will have the guys pick it up during their morning garbage rounds.

## BINGO FINALE

Another successful season of bingo ended on April 3rd. Fifty people attended the final night in hopes of winning a chance at one of the many games and prizes given out during the evening.

Prizes ranged from cash to free bingo (valued at \$10) to free Bonanza cards for next season and Buddha/Geisha statues. The \$250 progressive jackpot also paid out; congratulations to Gail Laviolette for getting it in only 56 numbers! Jessie generously donated cakes — a carrot cake and a chocolate ganache cake — which were beyond delicious.

Plans are already underway to make next season's bingo fun. Look for games to resume sometime in November — watch your News and Views for updates.

## CRIBBAGE FINALE

Cribbage players played their final games on April 18th. Awards were given to “Best Player” —Linda Mairs, Lot 1532 — and “Most Likely to Improve” — Judy Robshaw, Lot 117.

Our numbers increased a little which, of course, doubled our fun each week. We even had a few beginners join and they've promised to come back next year. This is a fast-paced fun game that everyone can enjoy, and we'd like to see more people join. The cost each week is minimal, and this is an excellent opportunity to get acquainted with more of your neighbors.

Games resume mid-November. Watch your News and Views for dates and plan to join us!

## CANADIAN CLUB CLOSING

Another year has come and gone for the Canadian Club. More than 50 people gathered at the closing on Friday, March 29th.

An appreciation gift was presented to Ron and Kathy Russell for all they do for the club, especially making sure our flag is flying at its finest always.

Bob Whipple entertained us with a trivia game and Trina regaled us with stories from her tour guide days.

Trina and Gail put on a lovely buffet including meatballs, shrimp, wings and numerous platters. No one went home hungry and doggy bags were needed.

## EMBASSY LUNCHEON

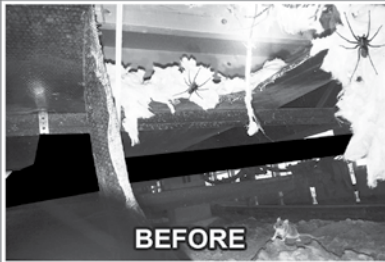

The April luncheon was held at Outback Steakhouse on East Bay. Twenty-four friends -- ladies and gentlemen -- came together for a delicious midday meal and pleasant conversation. Joelle Byron and Danielle McBurney were excellent hostesses. Our sweet treat of Ferrero Rocher chocolates was perfectly coordinated with the placemats and napkins. Everyone received a personalized refrigerator magnet handmade by Joelle. There were also drawings for door prizes ranging from king size candy bars to summer beverage containers and cake serving utensils.

For some, this was their last luncheon of the season, and we wish everyone safe travels as they make final preparations to return North. Fulltime residents of the Park still have a chance to get in on the fun. Luncheons are held every month, year round as long as we have a volunteer to host. Joelle has offered to host the luncheon on May 9th. Location is the Cracker Barrel on Ulmerton. Keep an eye on the bulletin boards near the clubhouse for flyers and sign-up sheets.

Editor's note(s) regarding the luncheons. Most of the time, efforts are made to choose locations offering lunch for less than \$20. The economy has forced many of us to tighten our budget belts, but this is an opportunity to share a meal — that you don't have to cook — with friends and neighbors. Also, at the end of each luncheon, an envelope is passed for donations toward decorations and party favors for the next luncheon. This is not mandatory, but we ask everyone to put in at least \$2 so the host/hostess for the next luncheon has something to work with.

## LARGO POLICE

# CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN (CPTED)

### Natural Surveillance

Good visibility out of the building to see visitors coming in and good visibility of the building from the road, sidewalk or parking lot.

### Access Control

Clear sidewalks, landscaping and signs that show visitors where they should go.

### Landscaping and Lighting

Landscaping should follow the 2 foot/6 foot rule: All shrubs should be cut at 2 feet or below and tree canopies should be trimmed up to 6 foot for the best visibility.

LED lights provide the best CRI (color rendering index) which provide superior visualizations of individuals.

### Territorial Reinforcement

Decorations, landscaping and personal touches that indicate the property is cared for and is personal.

### Activity Support

Energizing a problem area with positive activities can deter crime.

### Maintenance

A neglected property send the message that the owners do not care and invite unwanted users.

### Target Hardening

Proper deadbolt locks, monitored security cameras and alarms can protect the property and alert owners to problems.

The goal of CPTED is to design a property that reduces the opportunity for crime through structure, landscaping and lighting. The principles of CPTED can be divided into the following categories: Natural Surveillance, Access Control, Territorial Reinforcement, Activity Support, Maintenance and Target Hardening.

CPTED Assessments are a FREE service provided to Largo City Businesses.

# AVOID SCAMS & FRAUD

Largo Police want to help you and your loved ones stay safe and avoid the risk of potential scams. Here are some examples to spot scammers on the phone, in emails and more.

## SUSPICIOUS CALLS, EMAILS & TEXT

If you receive a call, text, or email claiming money is owed to the government, a company or a local/federal law enforcement agency, hang up or delete the email. Be sure to look it up online, and call the listed number to verify.

Contact family members if you receive a suspicious call from them asking for money. Don't send money to people you don't know.

## PAYMENTS

Do not pay anything using gift cards, Bitcoin or any cryptocurrency as the only forms of payment accepted. Scammers use this tactic when someone "overpays" for an item or service, then requests the money back.

## RESHIPPING JOBS

If you are solicited or apply for a reshipping job, do not answer or give any personal information out.

## RENTING A HOME

Meet someone in-person before signing to rent a home or duplex. Be wary of communications only by text

or email. If excuses are given about meeting in person, do your research on the property, and be on alert for a potential scammer.

## MORE TIPS

- Do not give personal information to individuals/companies you are unsure are legit.
- Do not open unexpected

emails that look like they're coming from the government or click on any attachments/links.

- Do not engage with scammers via phone, text, or email.
- Never allow access to your computer for remote access to install software. This often leads to anti-virus scams

**BE WISE. BE SAFE. BE SURE.**

## HAVE QUESTIONS?

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
