"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Manufactured Home Tie Down and Anchoring

Tie-downs anchor the home to the ground providing stability and protection against severe weather events.

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

At United vapor barrier & floors we follow all of the 15C Florida regulations to provide safety and security to your home!
