Editors Notes

We are working on the next directory. Which comes out in the September Issue. If you have any corrections or want to make sure I have the right info, you can email me at cat846@yahoo.com or pm me on messenger.

We still appreciate any suggestions you have for what you would like to see in this book. It really does take a Ranch to make a Review come to life.

Also I want to give thanks to all who are picking up the slack and helping to deliver the Reviews through the Summer.

Managers Moment

Pool: There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely nonsmoking. Every week, the pool company finds butts in the filters, clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made. Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well. The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Park Appearance: Have you ridden around lately and noticed how much junk is in some driveways? Now is the time to do your part and get this area cleaned up if this is on you. Notices will be sent out soon, if not corrected and can lead to eviction.

To maintain the integrity of the community, we have stepped up our efforts to ensure that the exterior of homes is in compliance with the community standards. The original charm that initially brought many people into the community should be reestablished. **CURB APPEAL IS KEY:**

Exterior of the home is mildew-free and clean (pressure washed and repainted if required). This includes skirting, trim, awnings, shutters, etc.

Bushes/shrubs are trimmed, and garden beds are free of weeds (recommend installing new or refreshed mulch*/stones/shells).

Fences and/or enclosures are removed (unless previously approved by management).

Driveway is clean (pressure washed and repainted if necessary).

...continued on page 6

Gutters are clean and free of weeds.

Screens and/or window treatments are not torn or broken.

Skirting, windows, shutters, awnings, trim, etc. are not broken or in disarray.

Items stored around the home are removed.

Obstacles in the yard, preventing landscapers' passage, are removed.

Satellite dishes are out of street view.

Cars must be operable, have current registration and not leaking fluids on the ground/driveway. Registration sticker is current and affixed for visibility.

House numbers are visible.

No hot tubs, fire pits, trampolines, etc

Please be advised that if you will be changing the color of your home, you must check in wit the office to make sure the color won't offend by he new one.

For those on a budget, the Pinellas County Solid Waste Department has a Household Hazardous Waste (HHW) program. From that, they have created a "Swap Shop," for household chemical products such as paint, cleaners, and automotive fluids. It is free for Pinellas County residents. Availability can change, and quantities may be limited. Despite the name, there is no need to swap. When using the Swap Shop, your government-issued ID will be required. Visit: <https://pinellas.gov/household-hazardous-waste-hhw-collection/> for more information.

MISC: Everyone who moves in MUST have a background check done. This means even if you have someone staying with you that wasn't an original resident when you purchased. If you think you know someone who hasn't had a background check, please notify the office.

Lastly: Garbage, please stop leaving mattresses and other large items outside of bins. You must arrange to have these taken out of the park yourself. Bins full? Can it keep until they are emptied? Can you push it to the back? Leaves more room for the front of the dumpster. Let's try to be considerate of everyone here, Try it.... It could catch on.

JUST SAYIN'

Jeanne Hunter

I just found out there's no popcorn in popcorn shrimp...I guess there's no use trying pot roast! I feel like I did something this month, but whatever it was isn't interesting enough for me to remember or write about. So, it's time for...

Back in the day: When I was young and all my joints moved like they were supposed to, I used to jog and every evening my neighbor, Sue, and I would jog three miles through our neighborhood. This was not running. The only time I actually run is when they call my table number to line up at a potluck dinner! Anyway, we entered most of the local road races. I don't know why they are called races though I have heard there was a small group of people at the front who ran to win something. I just worked on endurance, that is, our objective was to finish what we started.

The best part of the race was the pre-race preparation. Everybody finds a wall or post to lean up against and stretch their leg muscles behind them. I skipped the stretch and just stood back and admired the male anatomy in their race shorts. I was in training to be a dirty old lady.

If you ever go to watch one of these races, it's nice to cheer on the winners, but hang around and give a big cheer for the people at the end. They worked a lot harder and were out on the route three times as long. I know because I was one of them.

I did the Turkey Trot 3 or 4 times. It's a great 10 K (6.2 miles) race. There is a huge crowd of runners at the starting line. Race etiquette says runners join in the group according to their speed. So, the really fast runners line up first and the rest of us fall in behind. You time yourself (from when you cross the starting line) and only are concerned with finishing with a better time than your last time. It's so inspiring since I know I can eat more at Thanksgiving dinner because of the calories I'll burn. The starter pistol goes off! Here we go! Except there are so many people running, I am literally a half block away from the start and for the next few minutes, I just run in place waiting for some forward motion. Then it's a go. I'm pushed forward by the movement of the crowd around me, and finally I have room to run. I can hear the bands playing up ahead. The Turkey Trot is a big neighborhood event. People set up tables along the route and pass out water to racers. And they hoot and holler and cheer and encourage. It's great to be part of this. So, you get an idea of my speed, there are 3 or 4 bands along the route. I know because I have heard them. I have never seen them though because they packed up and left before I got that far. Somewhere along the way, maybe 4 miles in, I "hit the wall." Yes, it really exists. I question my reasons for doing this, my survival, and my very existence.

Only the realization that it's farther to go back than forward keeps me going. There's a point where I pick up speed so that I can please finish this *%#\$(*)*^ thing. Somehow, I managed to reach the entrance to Clearwater High Stadium and see the finish line. Our husbands and kids see us and start cheering like we just won an Olympic event. Crossing the finish line, gasping for breath, I wonder how soon I can do this again.

I asked God for a new phone, but apparently, He doesn't work like that. So, I stole a phone and asked for forgiveness. Follow the column for more biblical loopholes.

Cat Tails: Well, Pip has decided to use his litter box again, and he joins Lucy and me on our recliner in the evening to purr and knead a blanket (and aggravate Lucy until she moves and cedes the prime real estate on my lap to him). He waited until I was content and thinking kind thoughts about him. It was a set up. I heard the crash and knew instantly what he had done. The sound of thousands of Legos hitting the floor and smashing from a recognizable shape into smithereens is like an atomic bomb combined with fingernails on a chalkboard. Before I turned the corner to survey the damage, I was already testing the limits of my vocabulary. Even Pip understood he had gone too far and disappeared in a black blur of fur. The cat's territory is two kitchen tables, a tv tray, an end table, a rolling cart and any other horizontal object or area in the house EXCEPT the kitchen counter and my Lego table. That's all I ask, and I thought we had an agreement. What took him two seconds to destroy will take me weeks to reassemble. Tell me again why we like cats? I know he'll jump on my lap tonight and start purring and aw he's so cute when he starts kneading and rocking and truce will reign again.

One day, a man from the Czech Republic came to visit his friend in New York.

When asked what he wanted to see, the visitor replied, "I would like to see one of the zoos in America.

To his delight, the New Yorker took him to the Bronx Zoo. They were touring the zoo, and standing in front of the gorilla cage, when one of the gorillas burst out of the cage and swallowed the Czech whole. Shocked, his friend from New York quickly called over to the zookeeper.

He quickly explained the situation and the zookeeper immediately took steps to save the man's friend. The zookeeper got an axe and asked the man, "OK, which gorilla did it? Was it the male or the female?" The New Yorker pointed out the female as the culprit. Quickly, the zookeeper split the female gorilla open and found nothing of the Czech.

He looked at the man from New York, who shrugged and said, "Guess the Czech is in the male.

See you next month. I'll be here Just Sayin'

Resident Club News

For those who have not heard our President Sharon Van Horn and her husband Kip are moving to Kentucky to be closer to family. They will be missed, and we appreciate all they have done to help out here at the Ranch. Best wishes for their future.

As of this being submitted the board hasn't met yet to elect a new President.

However, the board is still in semi full swing planning events.

The Mother's Day breakfast was a great success with a large crowd enjoying their waffles, pancakes, and fixings. No other breakfasts are planned for the summer, but if enough residents request, we might be able to get chief cooks Jack Lees and Ron Griffin to come back for another one. Let your board know.

Plans are being made, but not yet completed for a dinner in June, watch for signs and bulletin board for details.

Get ready for July 4th BBQ. Chicken, Hotdogs and all the trimmings. Save the date. Price and full menu are in the works.

Monday morning meetings are on hold, until new President is elected. We will announce on Neighbors and Bay Ranch Owners and Residents when we resume.

ST. AUGUSTINE SPECTACULAR NIGHTS OF LIGHTS TOUR & 68TH ANNUAL CHRISTMAS PARADE

3 DAYS DEC 5-7, 2024, Includes: 2 nights at the Southern Oaks Inn, included hot breakfast at the hotel each morning, a familiarization motor-coach tour our first afternoon, 1st night's dinner included prior to the night-time trolley tour - "Night of Lights"- special Holiday lights displays with special effects, full day of trolley touring with on/off tickets—plus the 67th Annual St. Augustine Christmas Parade. Day One – Our first day together is a day of travel through our beautiful state and into St. Augustine. Our hotel for two nights is the Southern Oaks Inn where a delicious expanded hot/cold breakfast is included each morning. Our motor coach will make multiple runs to the St Augustine Visitor's Center to give you the most time to explore old St Augustine! Our hotel also provides its own shuttle service to the visitor's center and to St Augustine Beach at its sister property. We will check in to our hotel right after a short familiarization drive on our luxury motorcoach - Use this as your opportunity to become familiar with the town and its many fascinating attractions. Some attractions are free, and some have a small fee. This tour of "old town" is meant to give an overview of its history and landmarks. Saint Augustine, Florida is the oldest European city in the United States. The area was first visited by Ponce de Leon in 1513. Don't miss St. George Street, a trolley-stop, and a quaint shopping area with everything from local crafts, antiques, fine jewelry and much more. This evening's dinner is included at a local favorite of many. After our relaxing, delicious dinner we are off to see the "Night of Lights". National Geographic lists St. Augustine as one of the top ten holiday lights displays in the World! Our tour of the ancient city at night features special glasses for all - which give the lights "extra dazzle and sparkle" appearing as stars and snowflakes. St. Augustine goes all out with holiday decorating as many of the holiday customs date back to colonial times and earlier, when the colonists would place a white candle in each window to brighten the nights during the Christmas holidays. (This trolley tour is in the evening, and it may be chilly, be sure to bring a sweater or coat). Then, after our Night of Lights Tour we will return to our hotel for a good night of rest. Tomorrow is another busy day! Day Two – Enjoy breakfast at our hotel then spend the remainder of your day aboard the Trolley Tour at your own pace with on/off privileges. There are many different things to see and do in St. Augustine and you will receive a detailed map of the trolley route and the attractions found at each stop. A do-not-miss attraction is the Mission of Nombre de Dios & Shrine of Our Lady of Leche. St. Augustine has many beautiful, old churches you'll want to visit. The mission has a great cross at 208 feet high. Built to commemorate the 400th Anniversary of the first parish mass. This cross has stood for over 45 years welcoming visitors.

continued on page 28

One trolley stop features the Fountain of Youth which is across from “The Old Senator”, a rather old and majestic tree at 600 years old. You may also wish to visit Ripley’s Believe It or Not Museum or The Castillo de San Marcos – the oldest remaining European Fort in the United States. Another interesting attraction is the Spanish Military Hospital, take-a-peek at how patients were treated in the 1700’s. Yet another place to see is the Government House & museum built by Spain – it’s earliest records date back to the late 16th century. Don’t miss Flagler College! This trolley also stops near The San Sebastian Winery, stop in for an informative tour and tasting. This whole day is your day to explore St. Augustine at your own pace, with you choosing what you want to see, and where you want to eat (on own). Enjoy some rest and relaxation at the Southern Oaks Inn tonight after your day of touring. Day Three – After breakfast we check out of the Southern Oaks Inn and we’re off to enjoy the annual Christmas Parade! The whole town really turns out for the festivities. This parade includes floats, marching bands, entertainment, horses, cars and of course, Santa Claus! We will go to the historic area for parade viewing where you will have several viewing options available. We depart St. Augustine after the parade. A lunch-stop (on your own) will be made on our way back to St. Petersburg with our vivid holiday memories. Thank you for choosing TRAVEL IS FUN TOURS as your travel provider. COST: \$559 PER PERSON TWIN / \$729 PER PERSON SINGLE Please pay deposit of \$100 to secure a seat, balance due 10-21-2024 Travel protection available from Travel Insured International, please register, if desired at the link on our website WWW.TIFTOURS.COM A deposit of \$100 per person holds your space for this exciting tour, Any remaining space will continue to be offered as available.

Did You Know

1. When one door closes and another door opens, you are probably in prison.
2. To me, "drink responsibly" means don't spill it.
3. Age 60 might be the new 40, but 9:00 pm is the new midnight.
4. It's the start of a brand-new day, and I'm off like a herd of turtles.
5. The older I get, the earlier it gets late.
6. When I say, "The other day," I could be referring to any time between yesterday and 15 years ago.
7. I remember being able to get up without making sound effects.
8. I had my patience tested. I'm negative.
9. Remember, if you lose a sock in the dryer, it comes back as a Tupperware lid that doesn't fit any of your containers.
10. If you're sitting in public and a stranger takes the seat next to you, just stare straight ahead and say, "Did you bring the money?"
11. When you ask me what I am doing today, and I say "nothing," it does not mean I am free. It means I am doing nothing.
12. I finally got eight hours of sleep. It took me three days, but whatever.
13. I run like the winded.
14. I hate it when a couple argues in public, and I missed the beginning and don't know whose side I'm on.
15. When someone asks what I did over the weekend, I squint and ask, "Why, what did you hear?"
16. When you do squats, are your knees supposed to sound like a goat chewing on an aluminum can stuffed with celery?
17. I don't mean to interrupt people. I just randomly remember things and get really excited.
18. When I ask for directions, please don't use words like "east."
19. Don't bother walking a mile in my shoes. That would be boring. Spend 30 seconds in my head. That'll freak you right out.
20. Sometimes, someone unexpected comes into your life out of nowhere, makes your heart race, and changes you forever. We call those people cops.
21. My luck is like a bald guy who just won a comb."

The Bee Gees -- How Can You Mend a Broken Hip.
Bobby Darin -- Splish, Splash, I Was Havin' a Flash.
Roberta Flack -- The First Time Ever I Forgot Your Face.
Johnny Nash -- I Can't See Clearly Now.
Paul Simon -- Fifty Ways to Lose Your Liver
The Commodores -- Once, Twice, Three Times to the Bathroom.
Leo Sayer -- You Make Me Feel Like Napping.
The Temptations -- Papa's Got a Kidney Stone.
Abba -- Denture Queen.
Tony Orlando -- Knock 3 Times On The Ceiling If You Hear Me Fall.
Helen Reddy -- I Am Woman, Hear Me Snore.
Leslie Gore -- It's My Procedure, and I'll Cry If I Want To.

Marvin Gaye -- "What's Goin' On?" Don't have to change the title.
Hendrix -- Everything's a Haze.

DIY Butterfly Feeder

A bright colored shallow bowl with a plastic mesh pot scrubber in it. Just add sugar water (4 parts water, 1-part granulated sugar dissolved over heat and cooled) and a few drops of soy sauce (which adds minerals and salt). Keep unused portions refrigerated until needed. What a fun way to encourage butterflies to visit your garden.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
