NEWS 'N' DO'S

UPCOMING EVENTS for June 2024

*Check your calendar to make sure your activity is scheduled for that date.

IT'S A NEW BEGINNING

Well by the time you read this most of our snowbirds will have left. Unfortunately, when they leave a lot of our activities also stop. One activity that will be greatly missed is our regular bingo. Last year we had candy bingo but as of this writing I have not heard if it is going to begin. Some of the regular bingo players are getting together to attend another bingo session right around the corner. If you are interested get in touch with me at informedgateway@gmail.com and I will provide you with any updates that I might have. Until the next fall season begins the locals that live here year-round will be able to enjoy the activities that continue. For the fastest and most undated information, read the weekly 'Let's Connect'.

VERY IMPORTANT – PLEASE READ

Please do not flush anything but toilet paper down the toilet.
No wipes down the toilet, even if the package says flushable wipes. Because the wipes do not break up in the sewer and the wipes are clogging up the pumps and burning them out. The repairs or replacements are very costly, and management has started to pass those expenses to each resident by adding it on to the monthly rent bill. Again, no wipes down the toilet even if they say flushable.

Thank you.

Por favor, no tire nada más que papel higiénico por el inodoro. No se permiten toallitas en el inodoro, incluso si el paquete dice toallitas que se pueden tirar al inodoro. Porque las toallitas no se rompen en la alcantarilla y obstruyen las bombas y las queman. Las reparaciones o reemplazos son muy costosos y la administración ha comenzado a pasar esos gastos a cada residente agregándolos a la factura de alquiler mensual.

Una vez más, no se permiten toallitas en el inodoro, incluso si dicen que se pueden tirar por el inodoro.

Gracias

Thank you to ARLENE HERNANDEZ for the translation.

FREE GROCERIES

The Gateway Homeowners Board has arranged with two different charities to bring in free produce and groceries for residents of Gateway Mobile Home Park. You do not need to sign up or prove income need. These are FREE to ALL residents.

Saving Our Seniors provides free monthly produce. The truck is here at a designated date and time as arranged by them. We will post notifications on Face Book, in Let's Connect, and on the Clubhouse bulletin board. Bring a bag for your items. The truck is usually here later in the month for 45 minutes. This is their specification. When they are here you are asked to enter the clubhouse to complete your order form and then wait until directed to approach the truck. Cash donations are accepted and encouraged.

Good Neighbors is the charity that provides the free grocery products every First Wednesday of Each Month. Doors open at 11:30 am to begin lining up. Distribution begins once our volunteers have prepared the tables with the groceries. Each month is different depending on what they bring us. There is always plenty of fresh produce, fruit, meat, and baked goods. We also usually receive eggs, some dairy products, and lots of miscellaneous items. There are a few rules for the distribution: 1) bring a large bag, 2) one shopper per household, 3) be kind and considerate of those in line behind you - only take what you can use and follow the instructions of the volunteers, and 4) only 1 (one) meat item per household until everyone has completed through the line. Once everyone has been served you may go through the line a second time. These groceries come from Winn-Dixie, Publix, Whole Foods, and Trader Joes. Yes, some items may be expired, but they cannot be distributed unless they meet FDA guidelines.

SUMMER EUCHRE

Janice Kinch - 630-303-2951

This summer we will continue to play euchre on Friday evenings at 6:30 pm. Buy in is \$1.00 and play last about 2 1/2 hours. All experienced players are invited to join. Depending on the number of players we play 3 or 4 at a table.

KAYAK GROUP

Tom Morrow / Walter Fleitz

The all-new Kayak Group meets at the club house every Sunday @ 9:00 am. If you don't have a Kayak there are a few that can be used for free. Contact Walter Fleitz at 502-643-1870 or Tom Morrow at 216-401-6233 for more information. Fun Fun.

Tie-downs anchor the home to the ground providing stability
and protection against severe weather events.

Lic# IH/1149363

Tie-downs are important for the safety of
manufactured homes, also known as mobile
homes, because they stabilize the home during
high winds. Strong winds can lift them up or
cause them to roll over in a tornado or hurricane.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

HISTORY OF THE RAYMOND JAMES STADIUM

Tampa Stadium (nicknamed **The Big Sombrero** and briefly known as **Houlihan's Stadium**) was a large open-air stadium (maximum capacity about 74,000) located in Tampa, Florida, which opened in 1967 and was significantly expanded in 1974–75. The facility is most closely associated with the Tampa Bay Buccaneers of the National Football League, who played there from their establishment in 1976 until 1997. It also hosted two Super Bowls, in 1984 and 1991, as well as the 1984 USFL Championship Game. To meet the revenue demands of the Buccaneers' new owners, Raymond James Stadium was built nearby in 1998, and Tampa Stadium was demolished in early 1999.

Raymond James stadium first broke ground in 1996. the 65,000-seat stadium (expandable to 75,000) hosted it's first game on September 20, 1998, when the Tampa Bay buccaneers hosted the Chicago Bears. Raymond James stadium is home to the Tampa Bay buccaneers, university of south Florida bulls football, outback bowl, monster jam, Gasparilla bowl and the sunset music festival. the stadium has hosted the international Indian film academy awards, super bowl xxxv and super bowl xliii as well as many superstar concerts such as Kenny Chesney, u2, Beyonce, one direction, ed Sheeran and Taylor swift. Raymond James stadium hosted the 2017 college football playoff national championship, which marked the first time this event had been hosted in the southeast united states. Raymond James stadium also hosted the historic super bowl lv and WrestleMania 37 members of the nfl players association have consistently rated Raymond James stadium's field as the best in the league and league insiders refer to the stadium as the "crown jewel" of the NFL.

STADIUM RENOVATIONS 2016-2018

Following the completion of the initial phase of a \$160-plus million multi-phase renovation in 2016 , Raymond James stadium now boasts the most technologically advanced hd video system in use today. it is comprised of two massive 9,600 square-foot boards on the north and south ends of the stadium – and four large 2,300 square-foot hd tower walls. with more than 31,000 square feet of video display space, this system ranks as the third-largest video board system in the nfl. the new sound system has 400+ speakers throughout the stadium providing 750,000 watts of power and has over 30 miles of cable connecting the speakers. the new video boards and sound system takes a fan's game experience to a whole new level.

In 2017, renovations were completed in the Hyundai west club, which is now 25% larger giving it a capacity of 60,000 square feet. it is home to 178 4k video monitors, 29' x 15' hd video walls at each end and an led ribbon board. the team store is 10,000 square feet and the buccaneers new locker room was completed prior to the 2017 season.

The final phase was finished prior to the 2018 season and featured a complete renovation

of the east club with a premium 10,000-square foot sports bar named bar 76 as a reference to the team's inaugural 1976 season. Additionally, the new 64,000-square foot east club includes two sleek bars and hd video walls at each end of the club lounge. with the renovation of the 134 luxury suites and development of the hall of fame clubs, all suites now have retractable windows, multiple hd tvs and open floor plans.

PIRATE SHIP

The iconic pirate ship, permanently harbored in buccaneer cove, provides a unique and impressive backdrop and was made by the same company that produces props for Walt Disney world. The pirate ship comes to life after the buccaneers score a field goal or touchdown. its loud cannons fire seven times to signal a touchdown and three to announce a field goal. The booming cannons aren't the only unique sounds featured throughout the stadium. in fact, an animatronic parrot perched on the stern of the pirate ship frequently talks to those passing beneath during Buccaneers' games. controlled by radio remote, it can even pick fans out of the crowd.

WHO IS RAYMOND JAMES?

Raymond James stadium's namesake is not some obscure public figure or local sports legend from days gone by, but rather a thriving diversified financial services firm headquartered in St. Petersburg, Florida – Raymond James financial. the company has held the naming rights to the stadium since it opened in 1998 and will continue as the named sponsor through the 2027 season, marking the second-longest continuous active stadium naming rights partnership in the national football league. Founded in 1962 as Robert a. James investments (the name of the company today comes from a merger early in its history), the firm is recognized as an originator of financial planning, which shifted the emphasis from products to building comprehensive plans that are tailored to each client's unique needs. that focus on people – not only clients, but financial advisors, associates and communities across the country and internationally – has resulted in significant growth for the firm. Today, Raymond James provides private client, capital markets, asset management, banking and other services to individuals, corporations and municipalities. public since 1983, the firm is listed on the New York stock exchange under the symbol RIF.

*NOTICE: PARKING/TOWING REGULATIONS

Due to so many Questions and Request Gateway Management is releasing the following statement about the Parking/Towing issue at Gateway Mobile Home Park.

The management office has made several attempts since Feb 2018 to get parking in unauthorized spaces under control (Laundry, office, GRASS & Street) with no response from residents. So with that being said, several meetings have taken place with upper management and HOA. After several negotiations and deliberations this is what we came up with.

1. No Parking in Grass at any time (water lines)
2. No Parking on street after 11pm (No Exceptions)
3. No parking in undesignated spaces (Laundry, office, empty pads)
4. Overnight parking allowed at office & Laundry (in ONP spaces with Parking Pass during the week) (must be dated & notarized)
5. Overnight Parking allowed at office & laundry (in ONP spaces WITHOUT parking pass over the weekend only)
6. There are 12 ONP Parking spaces (First come, First serve basis)
