## Note from HOA President

Hot temperatures make hot tempers. Remember to be kind to each other. We are kicking around a lunch once a month for homeowners. We would call it HOWL (Home Owners Who Lunch) and we would eat and discuss park actions? We will put up a signup sheet in the clubhouse. If there is enough interest we will make it so.

Thank you,  
Mike HOA President

**Park Security:** The HOA is working on improving our community security. In the meantime, please remember to lock up your homes, vehicles, and belongings. Thefts have been on the rise.

## Security Camara Update

We are going to start testing different cameras throughout the park especially in the areas around the dumpsters to see which one works the best.

Important message:

Although cameras are helpful every resident must be proactive in protecting their property. As far as I know the incidents that have occurred were due to residents not following the basics that we all should know from sheriff information.

#1 Lock your vehicle and do not leave valuables in side it.

#2 If you see something Do not approach a stranger! CALL 911 or the sheriff's office.

#3 If you have a camera use them all the time. Also, if you do not have WIFI look up wildlife cameras. They can be monitored by a cell data app. that is already in your phone. Or pull SD card from your camera and plug it into your computer. Both are very inexpensive choices.

Thank You,  
Dan Gregory

## Notes from the Park Manager:

---

### **R**eminder

Please remember that the 727-492-5104 is for EMERGENCIES ONLY! Please call 727-525-2800 during office hours: Mon – Fri. 8 am – 1 pm, or leave a message after 1 pm

**MANAGER**

### **Park Rules**

All guests MUST be accompanied by a resident to use the pool, club house, laundry, and any common areas in the park due to insurance regulations.

Please register all guests that will be staying more than 2 days per, Rules and Regulations.

Please remember that you must park in your driveway. No parking on the grass or in the streets.

### **Registration**

Thank you to all the residents that have provided the office with a copy of your current registration. A lot of homes still have out dated stickers. Please provide the office with the updated registration on or before June 15th 2024.

### **Pets**

All Pets must be always on a leash. Please clean up after your pets in the dog park, common areas and your own yards. Pets are not allowed to be chained up outside or left alone in your fenced yard.

Thank you to all the residents that have provided the office with a copy of your dog’s vaccination records, license, and emotional support animal paperwork. We are still missing quite a few. Please have them turned in on or before June 15th 2024.

### **Keeping Our Park Beautiful**

Weather is nice and time to clean up your yards, driveways and power wash your mobile homes. It is also a great time to make sure your gutters are free of any debris and weeds.

### **Trash Disposal**

**PLEASE** do not put any furniture, appliances, or large items beside dumpster.

We do not allow dumpster diving. Please report to manager anyone you see doing this.

## Butterfly Café

---

Hello Southernaire family. Due to the rising cost of groceries, we will need to raise the cost for the Wednesday Butterfly Cafe from \$1 to \$2. Cheryl and Rick no longer live in the park but still are kind enough to come every week to continue running the Butterfly Cafe. They should not also have to endure any cost for the food that they are supplying. So, at this point it is no longer a donation but a requirement of two dollars per person. Thank you for understanding and your continue support.

Thank You, Manager, Karen

June has three birthstones: alexandrite, pearl, and moonstone. Alexandrite comes from a rare mineral that changes color depending on the light. Alexandrite can appear green or blue in daylight or fluorescent light.

## June Awareness

**D**uring the month of June, we celebrate several awareness events, including Juneteenth, Pride Month, PTSD Awareness month, and Men’s Health month. In honor of Juneteenth: **Juneteenth**, also known as Freedom Day

Juneteenth is the oldest-known celebration marking the end of slavery in the United States, first recognized by the state of Texas. It is also known as “Freedom Day,” “Juneteenth National Independence Day,” or “Emancipation Day.”

**Pride Month**, is a month, typically June, dedicated to celebration and commemoration of lesbian, gay, bisexual.

**PTSD National Post-Traumatic Stress Disorder Awareness Month**, and is intended to raise public awareness about issues related to PTSD.

**Men's Health Month** encourages men to take charge of and be proactive in their overall health. It is a great time to remind the men you know.

## Manufactured Home Tie Down and Anchoring

**Tie-downs anchor the home to the ground providing stability  
and protection against severe weather events.**

Lic# IH/1149363

Tie-downs are important for the safety of  
manufactured homes, also known as mobile  
homes, because they stabilize the home during  
high winds. Strong winds can lift them up or  
cause them to roll over in a tornado or hurricane.

At United vapor barrier & floors we follow all of  
the 15C Florida regulations to provide safety and  
security to your home!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Crispy Everything Chicken Cutlets

- 4 chicken cutlets
- Kosher salt and freshly ground black pepper
- 1/2 cup all-purpose flour
- 1/4 cup milk
- 2 large eggs, beaten
- 1 1/4 cups panko breadcrumbs

- 3 tablespoons salted butter
- 3 tablespoons olive oil

### Directions

1. For the chicken: Heat a large skillet over medium heat.
2. Season the chicken with 1/2 teaspoon salt and 1/4 teaspoon pepper. Add the flour to a shallow bowl. Whisk together the milk and eggs in a second bowl. Mix the panko and everything bagel seasoning in a third bowl.
3. Bread the chicken by dredging each cutlet first in the flour, shaking off the excess. Next, dip into the egg wash, then cover in the seasoned panko.
4. Add the butter and oil to the skillet. When the butter is melted, add the chicken and cook until golden and crisp (or registering 165 degrees F), 4 to 5 minutes per side. Remove to a rack to rest.

## The story of the mustard seed

In a far away land, lived a young woman and her name was Kisagotami. Now this young woman had only one son—and she loved him with all her heart. But one day her beloved boy fell sick and, despite all the young mother’s efforts to save him, he tragically died. The young mother was so distraught at her loss that she was not able to accept the death and loss of her son, and so desperately, the young mother approached each one of her friends and begged them, “Please, save my child.” But each one of her friends said the same thing: “Kisagotami, dear one, the child is dead. There is nothing now that can save him.”

But the grieving mother refused to accept her friends’ well-meaning words. Instead she carried her child to the Buddha. Weeping uncontrollably, Kisagotami said, “Please save my child. Please give me some medicine that will cure him.”

Buddha looked at the woman with compassion and wisdom, he told the young mother that he would make a medicine for the child, but to do so the Buddha would need some special ingredients—among the things the Buddha said he would need was a handful of mustard seed.

However, the Buddha gave the young mother some special instructions for procuring the mustard seeds: “You must get the mustard seeds from a household where not one of its inhabitants has died—parent, child or servant.”

And so the aggrieved mother set out to accomplish the task. She went from house to house in the hope that she would find just such mustard seed as the Buddha desired for the medicine. And every person she spoke to very gladly offered her the seed in the hope that it would save the child’s life. But each time the seed was offered and Kisagotami asked whether anyone had died in the house, she found that every single household had suffered just such a loss. At the first house she stopped at, it was the husband who had died. At the second house she stopped at, it was a daughter who had died. And at the third, it was an old grand-mother. Kisagotami could not find one household that had escaped suffering.

Very sadly, Kisagotami returned to the Buddha and very, very gently she laid her child’s body on the ground, and said, “I understand now what you and the others were trying to tell me.

The compassionate Buddha said, “You thought you were alone in your suffering. But it is the nature of life that no one can escape the suffering of impermanence.”

This is a well-known Buddhist tale adapted from *Tales for Change: Using Storytelling to Develop People and Organizations*, by Margaret Parkin

*On living with purpose  
Every man must decide whether he will walk in the light of creative altruism or in the  
darkness of destructive selfishness.
