From the Manager's Desk:

Vita Blough

Taking this opportunity, I would like to address home inspections and answer a few important questions:

Q: Are these letters based on the street captain inspections?

A: NO. I personally inspected all the homes in the community and noted non-compliance items and sent out letters with my observations.

Q: Is Associa providing guidelines for these noncompliance letters?

A: NO. Associa does not create Americana Cove's Rules and Regulations and Associa does not collect any revenue from mailing these letters. Association's Rules and Regulations are approved by the Americana Cove's Board of Directors and my job, as a community manager, is to put processes in place to ensure that owners follow the Rules and Regulations.

Q: My neighbor's home looks even worse than mine. Did my neighbor get a letter?

A: YES. Absolutely. We sent out letters to 123 homes in the Community asking to comply.

Q: Can I get more time to comply?

A: YES. Please reach out to me via email at manager@americanacove.com and request extension. I will collaborate with every homeowner and will grant a reasonable extension.

To be objective in my inspections, my focus was on the curb appeal – how a person, who is visiting with an intention to buy, would view the overall appeal of the community. Here is what I concentrated on:

- Flower beds (front and sides of the home) – are they weed free, do they look taken care of and manicured?
- Driveways and sidewalks – are they washed, is the paint intact, are there unsightly oil stains?
- Clutter around the house – I recognize that everyone has different taste: some owners have minimalistic decorations while others like an abundance of them. However, loose bricks, broken pots, broken furniture and loose household items around the house do not look good and need to be taken away.
- The overall appearance of the house – is the paint chipping, are gutters full of weeds, are screen enclosures intact, are the reflective films on the windows peeling, are the bushes and trees trimmed down and away from the home.

Currently the Board is working on revising Rules and Regulations to make sure that they are current and reflect realistic and enforceable rules. We have also introduced Townhall meetings every 4th Wednesday of the month as we want to give a chance for owners to meet Board members and me and ask questions or voice their concerns in a casual setting. June's Townhall meeting will take place on Wednesday, June 26th at 10am. We will combine this Townhall meeting with the Hurricane safety presentation by the city officials.

Enjoy June at Americana Cove or have safe travels if you are vacationing up North or abroad.

Warm regards,

ACA News

By Ron Miller

Not much happening with ACA for the month of June. We are all missing our friends from up North but before you know it, October will be here and many of them will return to the Cove.

There will be a Burger Burn in June on the 18th and the summertime hours are 5-6:30 because we won't have to give-up the hall to the Crafters.

I would like to extend a WELCOME to all of our new neighbors. You are going to love it here, I know I do. We at ACA are always looking for new members and people to help. The Cove has many clubs and they are always looking for new members as well. Some of the clubs start up in September and October, most are up and running by November. Please consider joining one or several of our clubs and offering your talent to the community. Remember the art of Volunteerism is: *"The best way to find yourself is to lose yourself in the service of others."* - Mahatma Gandhi,

Full Moon Kayaking

Audrey Dox

Full Moon Kayaking under a "Strawberry Moon" will be held on Friday, June 21.

Leave from Founders Park at 8:10 PM

Sunset is at 8:29 PM

Moonrise is at 8:38 PM

Watch for e-mails and FaceBook posts for further information.

Front and back headlamps or kayak lights are REQUIRED so boats can see you both from the front as well as the back. Boats cruise along with us for the safety of our kayakers. It is critical that the boats can see the kayakers!

For safety reasons, we stay together as a group. A pontoon boat will lead us on the return trip back in the dark.

It is recommended to bring bug spray, a flashlight, water, and a jacket, if chilly.

Full moon kayaking is open to ALL residents and guests. You do not have to be a Boat Club member to participate.

This event is weather dependent. A Vola will be announced by 2 PM if the event is cancelled due to weather. Contact Audrey Dox via text at 518 331-5067 with questions.

Book Club

By Nan Krueger

In May we read and discussed *Etched In Sand* by Regina Calcaterra. The book was a very gritty and moving true story. This was our last group selection until September.

Although there is a slower pace at the Cove during the summer, we continue to meet throughout the summer with a Book Chat format. We discuss any books we are currently reading or have heard good things about.

The list of books we have read, and will be reading, is on the bulletin board in the Clubhouse under the “Friends of the Library” section.

We meet the second Thursday of each month at 1:30 PM in the library. All women residents are welcome to join. Please stop by, meet us, and of course join us if you would like.

This month we are meeting on Thursday, June 13. Please remember that our Cove Library has a wonderful selection of current books. They are free to borrow and I would encourage you to get a book and read. As always, Happy Reading!!

Boat Club

By Mary Ann Meljac

May is coming to an end and the month of June is on its horizon. We hope that all the mother's in our lives had a beautiful Mother's Day. Now let's not forget about Dad! Father's Day will be celebrated on June 21st. Let's celebrate the men in our lives. For children, it is a day to show appreciation for their fathers and father figures. Let's show how much they are loved and appreciated for their hard work. Other June events you can celebrate...

- June 5th – World Environment Day
- June 14th – Flag Day
- June 19th – Freedom Day or Emancipation Day
- June 20th – Summer Solstice
- June 21st – National Indigenous Peoples Day
- June 24th – Midsummer Day

The Boat Club met on Saturday, May 11th. There will be no meetings in June, July, or August. The Tiki Hut parties will continue and those dates are: **June 8th, July 13th, and August 10th. The parties will begin at 5pm** and remember ... NO GRILLING DURING THE HOT SUMMER MONTHS, SO BRING A GENEROUS DISH TO SHARE.

The May 11th Tiki party was busy and a lot of fun with 114 people in attendance. Guitarist, Melody kept us entertained for 3 hrs with some of our favorite tunes. The 50/50 raffle was won by Bob Larsen. The 50/50 winner at the morning meeting of \$40 was won by Deedra Triezenberg. Congratulations to both winners! On May 12th 6 boats enjoyed an afternoon at the sandbar with family and friends...what a fun thing to do and a great way to spend Mother's Day! Happy Summer to ALL!

Buddhism

By John Howell

Greetings
A wondrous "Vesak Celebration" (Buddha's: Birth, Enlightenment, Nirvana) was experienced around the globe and locally. This yearly event on the full moon in May honors over 2600 years of the Buddha's teachings.

Topics this month include:

- Using copious amounts of incense (safely) in and around the house for attracting higher protective angelic entities. Sandalwood, Sai Baba Agarbatti, Frankincense, Myrrh, White Sage, Lavender, and authentic Tibetan varieties are among the best.
- The use of old coffee grounds along with concentrated garlic juice formulas make excellent repellents when judiciously sprinkled around your perimeter.

continued on page 16

- Sacred prayer flags for disseminating peaceful spiritual vibrations worldwide: (see April article).
- Religious artwork and pictures of Holy personages assist in an uplifting personal inner reflection.
- Recordings of monks chanting Gregorian or Tibetan blessing do wonders for dispelling negativity.

These are just a few suggestions to help “Feng Shui” the unsettled times. Pray...Everyone can make a difference even in a small way. Remaining awake and aware via helping others see the “Light”, thus avoiding narratives that veer toward darkness and division is key. The Dalai Lama says; “Be a part of the forward leaning humanistic network using metaphysical solutions that resist; (A.I., global warming, dictatorial retrograde, and sadly as some predict WWII)”. As FDR said famously; “We have nothing to fear but fear itself”.

Next month will begin a 3-part series on the “best of” spiritually oriented; Films, Literature, and Music.

Till next time try and keep a positive outlook, while being kind to all sentient beings as we continue to fully support and pray for our friends in Ukraine, Israel, and freedom-loving democracies

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Landscape Committee

By Deb Howland and Erika Fitch

We hope that you have had a chance to notice the new copper leaf shrubs put in front of the shuffleboard courts and at the end of the parking lot. This was done to replace plants that were no longer doing well. We are still working on finishing this area with mulch after the maintenance team gets the flower bed edging in and Palm Tree Direct gets a few more shrubs in place.

We would like to bring to your attention that Norfolk Pines are on our do not plant list. It is recommended that if you have a smaller tree planted on your property now that you may want to remove it. When that tree becomes problematic as it grows bigger, the owner will then have to have it removed at your expense which can cost hundreds of dollars.

Another reminder is that if you are planning on doing any landscape projects such as plantings, stone or pavers make sure that you get a landscape request form from the office or off the Cove website. You need to turn in what you plan to do before you start, so that approval can be given. If you do not do this there is a chance you will have to take it out at your expense. This can happen if approval can't be given for what you have done.

The Landscape Committee meetings usually held each month are now done for the next few months, but the committee will still be hard at work as they are going to be holding work days in place of meetings. Regular meetings will start up again in September. Because of a conflict in the Atrium we will be changing the day and time so make sure you check the Forecaster next fall as to when the meetings will be held.

Live Music

By Libby Hopkins

Live Music Group is on hiatus!!!! Some of us are traveling home, some have gone to other states to see family and friends. Many of us are staying right here, to enjoy the pool and summer events at Americana Cove.

Our performances have ended as we head into the summer months. We would like to thank everyone who came to see our Finale Show, and thank you to all who attended our shows throughout the season. We had great audiences! We had a lot of fun with you and with each other, and we thank you again so much for supporting the Live Music Group program during the year. We are grateful for your patronage!

Live Music Group acts as a team to create our programs and shows. Some possible programs on the agenda for next season are: Disney, Folk Music, and Murder Mystery. Our Valentine, St. Patrick's Day and Easter programs are also slated to return, as they are very popular. We will kick off next season with our Halloween Haunted House Murder Mystery on October 22, 2024.

We hope to see you there!!

In the meantime, have fun and relax!! We wish everybody a happy and safe summer.

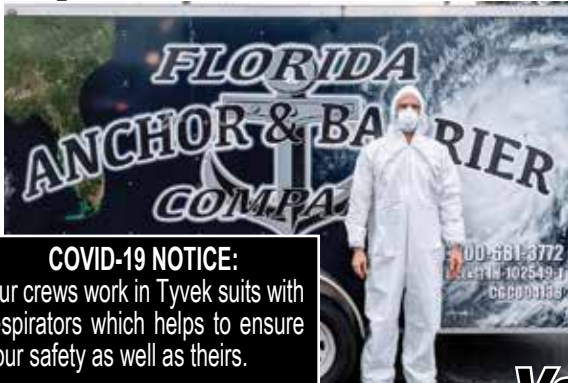

Claire, Cheryl, Karen, Ed, Kathy, Joan, Jony, Al, Wally, Kathy, Judy, Sandy, Phyllis, Carol, Gay and Libby!!!

Tie-downs are important for the safety of
manufactured homes, also known as mobile

Diane, Terry and Nan! THANK YOU ALL!

Summer school session is now in place. I will return to lead the class on Thursday, September 26.

Items of interest:

Class is Monday - Saturday and starts at 9am sharp with announcements.

Class will be audio tapes lead by the subs.

There will be no 20 minute extra days until I return in September.

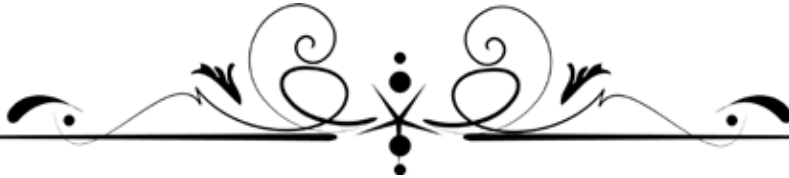

Oldies will be done by request only. You will need to give the subs a 3 day notice so they can download music for the class.

Americana Cove: Still Competitive with Other Communities

By Barefoot Realty Group, Brokerage Agent for Americana Cove

If a new manufactured home community was built today, what type of homes would it have and what amenities would be offered?

In 2019, it had been 15 years since a new manufactured home community had been developed in Florida, according to *MH Inside* magazine, a manufactured home industry publication. That streak was broken when a new rental community was developed in Ormond Beach called Plantation Oaks. The 55+ manufactured home community has more than 1,500 homes with sizes ranging between 1,200 to 2,400 sq. ft of living space plus a front porch and two-car garages. It's a rental community so lot rent runs \$1,000+ per month.

Since it's the newest manufactured home community in Florida, what type of amenities did the owner build? The walking and biking trails are a big draw for residents along with pickle ball and tennis courts, fitness center, heated pool and boat and RV storage. It's also a dog-friendly community with dog walks.

“In comparing a new community to Americana Cove, it may surprise us that Americana Cove is still very competitive, even though it's been in existence for 60 years!” explains Broker Marty Pozgay. “Being on the water gives buyers a waterfront experience that most don't find anywhere not even in the newest manufactured home community in the state!”

Being resident owned, Americana Cove has low monthly maintenance fees and offers homes of various sizes and prices. It also offers many of the same amenities that the Ormond Beach community has. “Perhaps surprising is how large the homes are for a 55+ community, but that tracks with what buyers want at Americana Cove with the new homes that we sell,” explained Pozgay.

“Although it's difficult to compare a new community with an older one, Americana Cove is still viewed within the manufactured home industry as the premiere manufactured home community in Pinellas County,” noted Pozgay.
