This month’s edition of the Voice will address June as the beginning of our Hurricane Season here in Florida. While many of us in Lincolnshire have been through seasons of Hurricane preparedness, there are some of our newer residents that may be experiencing it for the first time. Hope the information we have included in this edition reminds all of us to be “prepared” and not wait till a storm is upon us.

Looking for a few good reporters! If you have an article that you would like to contribute, please reach out to Terry and I. We would love to hear from you.

FROM THE DESK of the PRESIDENT

By: Linda Casey (Lot #1211.....581-5257..... lcasey9@tampabay.rr.com)

Summer is here now. Boy it is already hot. Our winter friends by now have all left and the park is quieter. Coffee hour has fewer residents attending and most of our sporting activities have ended during the summer months. We will try and keep everyone busy this summer. Always check your Voice monthly calendar for special activities that we may have scheduled.

Summer in Florida is a time to take some extra precautions when you are outside. The temperature, humidity and sun can be a problem for us “seniors.” Please make sure you are drinking plenty of fluids every day. Take a bottle of water with you whenever you leave the house. Sunscreen is a must to protect your skin. Make sure you are using sunscreen lotion with an SPF of 30 or higher. Check on your neighbors, we want to make sure everyone is safe this summer.

I would like to thank all our residents in the community for attending, participating, and helping us keep our community one of the most active in the county. We had a lot of fun this year and it is because of all of you. We look forward to your input introducing new ideas for activities and events. Thank you for supporting our dances, bingo, trivia, music bingo, choga, cornhole and all the other activities/events you have attended this year. I hope you always support The Residents Club and its Board. We appreciate all of you. Thank you for supporting us this season.

Please be safe and take care of not only yourself but take the time to watch your neighbors, and if you do not see them, please knock on the door just to say Hi.

Linda Casey, President

ENTERTAINMENT COMMITTEE

By: Teri Jones..... (Lot #210.....269-207-0466)

As promised in the last Voice article, here is the scoop about events held in April. April 14th was Karaoke and, once again, we had a smaller group but an excellent group. Singers were on stage or sang from their seats for two and a half hours. A small tribute was held for Barb Tobias as well, which was an absolute hit. Barb sat in the middle of a group of ladies who sang her favorite song to her – Celebration. Barb loves to WOO HOO and we had a lot of WOO HOOING during the song. What a wonderful lady and a lot of fun. On April 20th we returned to Indoor Cornhole. We had a great turnout with Todd Huyser and George Pappas taking first place on the regulation boards – Dave Jones and Dennis Muncy taking second place. On the novice boards Randy Tobias and Kathy Burk came in first place, Janis Malara and Debbie Grimmett came in second. Bernice Clark and Beverly O'Rourke won the raffle money, and a wonderful time was had by all.

As of this writing we had the Cinco de Mayo party on May 5th and what a blast that was!! Vickie Robinson organized a fantastic event. We had tacos, empanadas, chips, and dip for dinner. For drinks there was water, soda pop, beer, and sangria. We played whack the Pinada and musical chairs with a sombrero. Both were fun to watch and be a part of. There were six raffle winners at \$48 each; two card game winners at \$104 each; and four door prizes. Everyone went away full of tasty food, good drinks, and some a little richer! A big thank you to Vickie and all her helpers!!

Yet in May we had our first Poker Run/Jog/Walk/Bike/Golf Cart/Car event. Poker Run was held on May 17th at 5:30 pm. The Memorial Day party was on May 27th. I will update you on those events in our July edition.

So, we have had some good times so far this season whilst missing our northern friends - with more to be had. This month on the 15th will be a Scavenger Hunt. Tickets will be \$5.00 each with prizes going to the person(s) who find the most items. And, of course, food will be involved! Get your tickets at coffee hour or from Teri Jones at Lot 210.

July 4th will be our Independence Day celebration. Tickets will be \$8.00 each and available soon at coffee hour or from Teri Jones at Lot 210. More information to come.

July 20th will be another fun free Indoor Cornhole tournament at 1:00 pm. Mark your calendars so you do not miss it.

Once again, your Entertainment Committee is open to new ideas for events, so please feel free to make suggestions. Enjoy this beautiful weather and we will see you next time!

Hurricane Season preparedness.

Words many of us have heard for the years we have lived in Florida. Recently if you have been to the Clubhouse (located on table outside the Business Office), you may have picked up a copy of the Pinellas County Hurricane Guide for 2024. Pick up a copy of this booklet and keep it handy, make sure you read it carefully. There is a tremendous amount of information in this booklet. We will review some of the information and update you on the status of Lincolnshire regarding being prepared for a Hurricane. At the end of the article, we will give you phone#’s that can help you get prepared or sites you can access for questions you may need answered. If the booklets run out, we will reach out to the County to get additional copies. Everyone in Lincolnshire should have one to review.

- It has been a long time (about one hundred years) since our area has taken a direct hit from a hurricane. Many hurricanes have been close to our coast and caused flooding, beach erosion and wind damage. We have been very blessed.
- Living in a manufactured home we are automatically in an evacuation situation. For any of our new residents, our clubhouse is not an evacuation option. The clubhouse is secured during any forecasted storm making impact on Pinellas County. As the storm approaches the Largo Police will enter the park and make a loudspeaker announcement that we need to evacuate. We should be ready to leave quickly.
- Where will I go? There are shelters located within Pinellas County, list is available. Check the website listed or phone Pinellas County for shelters. Announcements are made by local news as to when the shelters will be open for evacuees.
- If you are physically leaving Pinellas County to avoid having to go to a shelter, do not wait till the last minute to get on the road. Gas stations, roads, bridges all become extremely congested. Decide where you will travel to and make a reservation for a hotel well in advance of the evacuation. Make sure the hotel will take pets if you have one.
- Know the location of your nearest County shelter if you are staying in the area. Shelters fill up quickly. If you need special care i.e. electricity for oxygen supply or wheelchair access, or transportation. Please know the location of a “special” needs shelter. They will make a reservation with you in advance. You can do this throughout the year. Do not wait till a hurricane is headed our way, make that reservation today. Special needs shelters do not allow pets. When you make your reservation for a special needs shelter tell them you have a pet that will need to be cared for. You can plan to have your pet cared for by Pinellas County Animal Services at a separate shelter till after the storm passes.
- Preparing to leave. With the start of hurricane season, we should all have a “to go” bag ready to put in our vehicles in the event of an evacuation order. That bag should contain clothes for several days, important documents, (i.e., insurance policies, passports, birth certificates etc.), medicines you need to take, contact information, battery, or solar powered back up device

for your cell phone, water, non-perishable food to sustain yourself for several days. Plan to have cash on hand. Remember power could be off for days/weeks and ATM machines will not be available for use. If you are evacuating to a county shelter you must bring your own food & water. See Hurricane booklet for list of basic emergency supplies they recommend you take with you when you evacuate. Many pharmacies will fill prescription refills earlier with the threat of a storm.

- If you are evacuating with your pet do not forget to pack a bag for them. Food you will need while you are evacuated, and any medications your pet may be taking. If your pet has a chronic medical condition pet shelters cannot take them.
- If you are evacuating to a regular shelter the only pets that are welcome are service animals. Bring the required paperwork to show the animal's status as an authorized service animal.
- Preparing your home before you leave. If there is anything "good" about a hurricane it is that we usually are given advance warning. Make sure you have any objects that are on the outside of your house, potted plants, lawn ornaments, flags, etc. removed to an inside location. High winds can take exceptionally large planters and move them like they were a small potted plant. Turn off your water before you leave. It is also recommended that you shut off your electricity as well.

Important phone #'s and websites. Remember to pick up a Hurricane Guide from the Clubhouse.

- To register for a special needs shelter – online at Pinellas.gov/special_needs.
- Alert Pinellas -free emergency notification system. Get alerts via text, phone and or email. Sign up at Pinellas.gov/Alertpinellas.
- For basic information to prepare, up-to-the-minute updates during the emergency and after. On- line disaster.pinellas.gov
- Emergency weather radios – WUSF 89.7 FM (Public Radio), WFLA 970AM (news).

Disaster Preparedness Sales Tax Holiday

The State of Florida in preparation for hurricane season has scheduled the following dates as tax free for purchases of certain items. We have posted a listing of the items that fall into that tax free category in the mail/laundry room and on FYI Lincolnshire.

Interfaith Worship Service:

By: Pastor: Rev. Terry J. Lapierre – McGuire. Lot#671. phone# 727-510-2022....
email.pca.minister@gmail.com

InterFaith Services Sundays at 10:am in our Clubhouse. Blurring the lines of denominations and perspectives. You are invited to come as you are. Bring your Bible and an open heart. We also have a private Facebook group that I post our weekly readings and songs for the weekly service on. “Living Stones”. We serve an Open Communion Table. Everyone as always is welcome. Come celebrate with us.

We go out as a group to one of our local restaurants once a month for Brunch with the Pastor. TBA. Giving everyone an opportunity to get together, share a meal and get to know each other better.

THOUGHT FOR THE MONTH:

Lincolnshire Estates Water Shutoffs

As posted on FYI Lincolnshire May 14th, 2024 by our Manager Paul. Starting on 5/15/2024 a scheduled date and time was established for the Maintenance crew to attend to any routine re-claimed well water maintenance/repairs as needed. This scheduled time and day may require shutoff of the well water (non- potable) from 9:00AM to 11:00AM. They may not be required to shut down the well water (non-potable) just serves as notice in advance that well water may be shut off on this day and time.

This pre-scheduled maintenance is not turning off the Fresh Water to your home.

RECIPE FOR JUNE

Recipe for June Greek Pasta Salad

- | | |
|---|-----------------------------|
| 1 lb. bow tie pasta-cooked | 12 oz. feta cheese-crumbled |
| 1 can diced beets – drained | 1 red onion-cut up |
| 1 jar banana peppers, drained & cut-up. | Slice black olives-to taste |
| 2 roma tomatoes-cut up | Italian dressing-to taste |

Combine all ingredients. Add Italian dressing to taste. Mix and chill.

Sunshine Committee

By: Mary Jo Webert & Marge Kristall

June is a month full of possibilities. So many different occasions such as graduations, weddings, holidays like Flag Day and Father's Day all put into its thirty days. Many of us will be attending or sending wishes of congratulations to grandchildren, great grandchildren, great nieces and nephews for their graduations and weddings. Wonderful opportunities to unite with family we may not have seen in a while. June also heralds the beginning of Hurricane Season in Florida. Hope everyone has a happy and safe June.

Don't forget to give myself or Mary Jo a call if you know of someone in our community that is in the hospital or home recovering from an illness. Phone #'s listed below or in the Dial Directory.

Days to look for in June.

June 1st Say Something Nice Day – celebrated annually serves as a reminder to prioritize kind and uplifting words in our interactions. Encourages people to express compliments, appreciation, and encouragement to the folks around them.

June 6th D-Day Remembrance – June 6th, 1944, when the Allied forces launched the largest seaborne invasion in history to liberate Western Europe from Nazi Germany.

June 14th Flag Day – commemorates, the adoption of the flag of the United States on June 14th, 1777, by resolution of the second Continental Congress.

Stars on our flag represent our 50 states.

Stripes on the flag signify the original thirteen colonies.

Red stands for bravery.

White symbolizes purity of innocence.

Blue stands for vigilance, unity, freedom and justice. Our flag embodies our nation's history.

June 16th Father's Day – third Sunday of the month honors fathers and father figures for their contributions to their children's lives. Happy Father's Day to all of our Lincolnshire Dads, Grandads, Uncles and Great Grandads.

Please keep all of these residents and their families in your thoughts and prayers.

Big thank you to all our residents that bring us their unwanted cards.

Continued on page 28

If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to beneficial use.

What's New and What to Know for June 2024

News and Updates:

- ❖ Tips on successful community living in Lincolnshire:
 - The compactor replaced the single dumpster bins several years ago leading to the trash fee homeowners pay in our rent statements. The Park owner completely remodeled the area for the compactor to safely sit behind the enclosure.
 - The compactor accommodates garbage and light trash only. Placing large bulk items in the compactor leads to breakdowns and unnecessary repairs.
 - The bi-monthly large roll-off open dumpster is for large bulk items excluding TV's, refrigerators, or other restricted items. The Voice's center calendar has the Tuesdays this dumpster is available for usually for a day. Being early means you do not have to take the item back home.
 - The re-cycle bins are for exactly that. Please take the boxes down so they are flat and do not place items like pizza boxes or food cans that are not clean. Those items can contaminate the whole bin.
- ❖ The Board formed the yearly financial audit committee from volunteer Members. Florida and LHOA bylaws.
- ❖ **There will not be any scheduled Board meetings in June, July, and August.** Board Officers/Directors are available by telephone. Telephone numbers are on the inside front cover of the Voice and on the LHOA bulletin board found in the laundry/ mailboxes building.
- ❖ There are three open Board Director positions. Opportunity to serve Lincolnshire homeowners and receive State training on Florida State statutes that protect and represent our rental interests. Not sure then attend 1-2 future Board meetings, listen, and ask questions.

Silver Star Awarded to Army Ranger Who Came to Aid of Fellow Troops During Battle of Mogadishu:

A true Hero finally gets his award! More than three decades after his actions during the infamous Battle of Mogadishu, retired Army Maj. Larry Moores has been awarded the Silver Star, the nation's third-highest award for acts of valor. Moores was presented with the medal in a ceremony March 25 for his role in the fight as a young Army Ranger with 3rd Battalion, 75th Ranger Regiment, which included coming to the aid of other troops who were pinned down while under fire. "Mr. Moores, I personally salute you for your tenacity, your toughness in a crucible combat, and your commitment to our Army, and your fellow soldiers," Gen. Gary Brito, commanding general of U.S. Army Training and Doctrine Command, said while presenting the award. "Your actions in Somalia were for them, your brothers in arms, and are a living tribute to the Ranger Creed, which I know that you hold dearly."

Immortalized by the 2001 blockbuster movie "Black Hawk Down," the real battle between U.S. troops and Somali militiamen occurred from Oct. 3 to Oct. 4, 1993. Moores was assigned to Task Force Ranger, which had been deployed that summer to capture Somali warlord Mohamed Farrah Aidid and included Rangers, special operations troops and aviators. What started as an overnight firefight between militiamen and U.S. forces quickly went south when two U.S. Black Hawk helicopters were shot down while conducting a raid aimed at capturing two of Farrah Aidid's lieutenants.

According to retired Army Col. Larry Perino, a fellow Ranger platoon leader who served along-side Moores during the battle, Moores played an active role in saving other service members' lives that night. "Larry deserves it because he chose to go back to that street to try and break us out," Perino said at the ceremony, according to a statement from the Army. "Despite going out there and getting riddled with bullets time and time again and losing Rangers, he had the intestinal fortitude to lead his men to help us." Moores recalled the battle at the ceremony, saying, "We lost 18 soldiers in battle and had more than 70 Rangers wounded. That was a tough experience because we were overwhelmed, with the odds against us. But it was amazing to watch the young Rangers still executed under very difficult circumstances."

For his service, Moores was inducted as a distinguished member of the 75th Ranger Regiment in 2005 and into the U.S. Army Ranger Hall of Fame in 2017. In 2021, the Army upgraded 60 awards for troops injured and killed in the battle, including 58 Silver Stars and two Distinguished Flying Crosses for heroism displayed during "aerial flight." Sgt. 1st Class Randall Shughart and Master Sgt. Gary Gordon, both Delta operators, were posthumously awarded the Medal of Honor for attempting to protect one of the downed Black Hawk pilots, Chief Warrant Officer Michael Durant, as Somalis closed in around them.

Continued on page 36

Although more than 30 years has passed since the infamous battle, the U.S. has maintained a tumultuous presence in Somalia. Between 2019 and 2021, the U.S. drew back its physical presence in the African country. The following year, then-U.S. Africa Command commanding officer Gen. Stephen Townsend told lawmakers that the drawdown was a mistake, citing the need for a continued counterterrorism force, which the U.S. maintains to this day.

"In East Africa, al-Qaida's al-Shabab remains the greatest threat to U.S. persons and interests in the region as well as the homeland, while undermining peace, security and political progress in Somalia," Townsend told the Senate Armed Services Committee in a 2022 hearing. "If left un-checked, al-Shabab will soon expand beyond Somalia's borders and become an even greater threat to regional stability and American interests."

Most recently, Rep. Matt Gaetz, R-Fla., introduced a resolution in April 2023 to the House floor that would have required the U.S. withdraw entirely from its counterterrorism efforts in Somalia. The resolution was shot down in a 102-321 vote. Just shy of five hundred troops -- mostly special operations personnel -- made up the U.S. military's remaining presence in Somalia as of June 2023.

This month I would like to highlight movement (exercise/motion). Humans have been moving for at least a million years. Started in one small principal place and eventually found almost 94% of the world. Humans were designed to move. Our bones are the structure that supports a vast number of muscles, tendons, and ligaments. I am certain there is a reader who has a variety of movement/health issues who will stop reading thinking there is nothing in this message for me. There certainly is this month and next. Read on!

As we age the struggle to maintain a regular movement routine can be more burdensome. Add in a work schedule (we do live in a fifty-five and over Park), disability, chronic conditions, or injuries (past or recent), and it can be even more challenging to incorporate exercise into a weekly routine. Yet it is important to do so. Even when never a priority in our lives before. Now is the right time.

We in Lincolnshire are extremely fortunate in ways we may not have before whether full time or seasonal. The calendar inside the center of the Voice has been full of daily movement/exercise sessions, both in the clubhouse and the pool. Most are derived from professional media. Nominal cost if any.

If you have a Medicare Advantage plan you are most likely to have a "Senior Sneakers" member-ship benefit or a benefit to other established exercise/gyms. A benefit worth using as later hours for those of us who are still working.

- ✦ Why pay attention even if we have physical challenges?
 - Adults with physical challenges are three times more likely to develop serious health conditions such as heart disease, stroke, diabetes, and cancer than those without similar challenges. Half of adults aged 18 to 64 with physical limitations are not engaging in any movement activities. Be bold and start today.
 - Over 80% of us do not meet US strength guidelines. We cannot forget our muscles either.
 - ✦ A daily routine of movement/exercise can provide benefits for all of us and those with physical challenges/limitations like improved overall health, increased strength and endurance, improved mobility, and improved sense of wellbeing.
 - ✦ Regular exercise can also help manage what we physically feel, or experience associated with limitations. Routine movement/exercise can reduce the pain and stiffness that often accompanies arthritis, and it can improve our ability to pay attention to something in the surroundings, learning something new, making everyday decisions, engaging in conversations, sensing, and knowing what is going around us during the day, solving everyday problems, and using our memory.
 - ✦ Additionally, a consistent movement/exercise routine can boost our feelings of self-worth and provide valuable contact with both community members, both known and new.
- How much seems to work for the fifty-five and over age in our Lincolnshire community will start that focus on July's article. Has to do with what/when/quantity of what we eat each day and our physical ability to use energy.

Precision Vapor Barriers

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

Fix Small Problems Today
Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.
