From the Editor

Randi Burton

Dear Eldorado Village residents, I fervently hope you take the time and read the articles below by Lisa Bowling from the office. They are VERY informative and she says something that I have been saying for YEARS. DON'T watch the weather stations online or TV during hurricane season—they desire only to scare the pants off everyone and boost up their ratings. Either follow Denis Phillips as Lisa suggests, or do what I do. Go online to National Hurricane Center and track the storm yourself. That is ALL NHC does all year round and there is NO TALKING or SCARE TACTICS—just relevant data of where the storm is and how strong it is going to be in certain areas. DON'T RUN unless you REALLY think you have to. Remember IRMA??? We could have all stayed at home even though she was a NASTY NASTY. I DO believe this land is BLESSED and who better for protection than the Good Spirits themselves???

MANAGER'S MOMENT

Internet – You've Got Options!

Although the park is wired for WideOpenWest (WOW), there are other options available. Most cell phone carriers offer home internet getting their signal over the air from a cell phone tower, rather than from a wire coming into your home. Although the technology is available, be aware that there are many factors that may affect your signal. Just as high-traffic volume affects your wired internet service, how close your home is to a network tower could also affect your cellular internet service. That's why many cell phone carriers offer a trial period for you to test it out.

With the hurricane season upon us, we would like to ask residents to be mindful of potential projectiles at their home. Typical items such as patio furniture, umbrellas, construction debris, potted plants, even yard décor and windchimes, should all be secured.

Loose downspouts and gutters should also be addressed. This would be a good time to clean your gutters because if your gutters fail, you may experience water intrusion in your home. Make sure you have a plan in place and remember not to panic. We would like to steer you toward Meteorologist Denis Phillips (Denis with one "N") for relatable hurricane weather updates. The Weather Channel will just scare you. Denis is a local and has Rule #7 which is "Don't freak out unless Denis tells you to." You can find him on Facebook and ABC Action News.

On a lighter note, many people believe that this area, once populated by the Tocobaga Indians, is considered sacred Indian ground, which may be why this area has been spared from a major hurricane. It's a very interesting concept and worth delving into the history if you're

...continued on page 6

so inclined. It is still unclear if the name “Tocobaga” belongs to a leader, a city, a nationality or all three. There is a wonderful book entitled Florida Indians and the Invasion from Europe which gives some insight to this tribe, among others. You can sign up on the website “Internet Archives” for a free read.

ELDORADO VILLAGE EXTERIOR COMPLIANCE

We are working toward creating a peaceful environment, free from clutter, within the community. As we have been walking the property, we have noticed numerous satellite dishes that are no longer in use or are missing components. As technology has advanced, satellite dishes have fallen out of favor. To maintain curb appeal within the community, we have a few companies willing to dispose of scrap metal (i.e., clotheslines no longer in use, metal satellite dishes, grills, pipes, old tools, etc.) at no charge. There will be a dedicated section in the dumpster area for residents to deposit their scrap metal for pick up. If you need assistance removing a satellite dish or clothesline from your home, let us know. We have a few people who can remove it for a nominal fee (\$5.00 - \$10.00), however they will assume no liability.

ELV COMING EVENT

Dorisanne Gibson

Summer Mahr from Largo Fire Department will be here on June 12th at 10 a.m. to present her 2024 Hurricane Seminar to us. She brings all the current information you will need. Mark your calendars and plan to attend. I'm sorry she does not do evening presentations.

INFORMATION ABOUT WATER:

Wasteful and Unnecessary Use of Water Is Prohibited!

These are the basic rules from the Pinellas County website:
Examples of wasteful water usage:

Allowing water to flow from an unattended hose.

Hand-watering a lawn on a restricted day or more than once a day.

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ -irrigation system after receiving verbal or written notice.

Violations

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

Protect Your Hot Water Heater During a Water Outage

During an extended water outage, you may want to turn off the water heater by going to the electrical panel and throwing the water heater breaker to the "Off" position. Once the water has been restored, residents should turn the hot water on at a few faucets and make sure that all of the air is out of the lines. Once there is no sputtering and the water is running smoothly, the breaker can be switched back on. This process is to keep the water heater elements from overheating and burning out if the water level gets too low.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters, clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

Do You Want To Be In the Know?

All announcements, updates or urgent communications from the Management Office to residents are made via our texting system called "Text-Em-All." If you have not been receiving cell phone text notifications from us and wish to opt-in, please contact the office so we can walk you through the steps. Should you choose not to sign up for notifications, we would like to suggest that you align yourself with another resident who is signed up and would be willing to pass on urgent communications. The office number is 727-531-9105.

Pet Policy

People need to pay attention to number THREE. A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. PET CATS ARE TO BE INDOOR ANIMALS ONLY.
4. You MUST pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to PROTECT them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—if you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their RADIOS when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

IMPORTANT MESSAGE FROM DORISANNE GIBSON:

"Doc," who resides on Lot 173, has volunteered to take old, torn and dirty American flags to the American Legion for proper disposal.

EDITOR'S NOTE:

Flags, like books, are treasured items and should by NO MEANS ever be disposed of in a FLAGRANT manner (no pun intended—really). They should be safely ensconced in a box until such time that you can honorably “pass them on.” Flags, as Miss Dorisanne pointed out, should go to DOC at Lot 173 or straight to the American Legion, and books, those sacred tomes and loves of my life, should go to Goodwill or the library. The Largo Library will take books of any kind—paperback or hardback—and sell them in their cute little bookstore or put them on the shelves. They will also take old magazines!!! I donate BOTH to them and just put them in the drive-thru drop box—easy as CAKE AND PIE!!!

POETRY CORNER

This is a poem I first heard, oddly enough, not in literature class at University but on the show “Breaking Bad.” Though that was one of the most DEPRESSING and STRESSFUL shows I ever watched (and I did not finish it the two different times I tried watching it), it DID have the boon of introducing some really GREAT actors and getting viewers familiar with this poem by Walt Whitman. This is a work of beauty with a pretty deep meaning. Read it and see if you know what the poet is trying to convey.

When I Heard the Learn'd Astronomer

By Walt Whitman

When I heard the learn'd astronomer,
When the proofs, the figures, were ranged in columns before me,
When I was shown the charts and diagrams, to add, divide, and measure them,
When I sitting heard the astronomer where he lectured with much applause in the lecture-room,
How soon unaccountable I became tired and sick,
Till rising and gliding out I wander'd off by myself,
In the mystical moist night-air, and from time to time,
Look'd up in perfect silence at the stars.

GOLDEN WEDDING BOARD

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark we would like to know and be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that you are added.

ATTENTION TO ALL POTENTIAL SHUFFLERS! IMPORTANT MESSAGE BELOW!

As everyone probably knows, there is no Eldorado shuffle team now due to lack of players. Debbie Ennis told me that if you still would like to play, you may join the team at East Bay Oaks. Just reach out to me if you would like to do this and I will have the captain of the team contact you. Debbie also said that once more people get interested, there will be a new team in Eldorado. If you really would like to play, don't be shy and call or email me. Let yourself have some fun! My contact info is here:

Eldorado Facebook Page

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

DARTS – DARTS – DARTS

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Library History Scrap Books

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

PHONE DIRECTORY

Well, gang, I do hope the new phone directory came out to everyone’s standards! We had a few people working on it and I want to thank them all: Dick Hambley, who still, to this day, keeps up on the books, Miss Dorisanne Gibson for greeting new people in the park and getting their numbers, birthdays and anniversaries to be put in the directory and the media and Suzi Rosetti for doing the phone book for a LONG time and keeping it up to date! Thanks again, everyone!!! Going forward, if you have a number change or want your number in the NEXT directory, PLEASE email me (Randi Burton) at ichwillmetal999@gmail.com. Thank you!!!

The LIBRARY Is For All Residents!!!

Hey, everyone! Here is some recent juice about the park library: Our new “librarians” are Peggy Giberson and Marty Hunley and they have been working hard to make sure this sacred place is CLEAN and WELL-STOCKED. Peggy recently told me that she and Marty just donated a couple of HUGE boxes of books to the Largo Library (where I go every week!) and she asked that there be no more donations for awhile. She or Marty will let me know when they would be able to start taking donations again. So, if you have a lot of books lying around the house, PLEASE do not commit the UNHOLY crime of throwing them away! Put them in a bag and drop them off at the LARGO LIBRARY right down the street. They have a 24 hour drive-thru drop box and you can just put them in there. Magazines, too! When I finish a book, that is where I take it. They have bags—LITERALLY--of books you can buy for a dollar and used book sales all the time. So thank you Marty and Peggy for taking care of OUR library and please reach out to me if anything changes donation wise!

It’s SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author’s last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the “Drop-off” box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.
6. HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don’t miss out!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet’s poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

Quotes of the Month:

It never ceases to amaze me that some people do NOT believe in astrology. Every time I look up attributes of my sign, they are ALWAYS so SPOT ON that I am at times literally DUMBFOUNDED! Here are some good Gemini quotes—and ALL true—ESPECIALLY number ONE.

Geminis have a very precise memory. If you’ve done them wrong or said something that hurt them a long time ago...YES, they still remember.

Geminis in the morning: ”Which personality should I put on today?”

Geminis won’t ask twice, they will ask someone else!

A Gemini is a lover AND a fighter, rolled into one!

A Gemini does not like asking for favors and feeling like they owe someone and therefore subjecting themselves to that person’s impending drama.

BINGO IS STILL GOING STRONG!!!

Bingo Hours:

Tuesday evenings:

Start selling at 5:15 PM. Stop selling at 6:00 PM. Start playing by 6:30 PM. We will be following the guidelines set down by ELS for the good of everyone, so please be amicable in observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks! We also would appreciate it if you do not bring \$20 bills as they are hard to make change for—thank you!

Bingo is over by 8:45 PM.

Birthdays and Anniversaries

Dear Residents,

I have decided to stop putting the anniversaries and birthdays in the media for a few reasons. One of them is the fact that my new computer keeps “losing” the documents that have them listed and it really drives me crazy. Another reason is that with people always either moving away or, unfortunately, passing, I can’t keep it all up to date and have committed the embarrassing faux pas of wishing someone a happy birthday when that person is no longer with us or a happy anniversary when one of the parties is gone or there has been a divorce. And the third reason is that Miss Georgia Mavrick posts them for all to see on Facebook and I know a lot more people see them THERE. This process was set up way BEFORE Facebook, and with the advent of that network, I feel that stating it again in the Media is unnecessary and redundant. And I won’t have to receive a plethora of messages saying I had the wrong day, the wrong spelling, this or that person is GONE, etc... If there is a special occasion that you want to “shout out” to someone, just send me an email by the tenth of the month and I will put it in the next issue. Thank you!!! You can also send a picture and it will be printed in black and white. It is \$35 for color.

HAPPY ANNIVERSARY AND BIRTHDAY TO ALL WHO HAVE ONE IN JUNE!!!

FOR YOUR INFORMATION:

Parking permits are now available in the office for overnight guest parking.

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings. Please try to obey these rules--they are for everyone. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is ONLY for tight lidded garbage cans!!! You can buy one at Walmart or Amazon.

RECYCLE

RECYCLE

RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin are as follows: Glass (colored bottles and jars), cartons (milk and juice containers), mixed paper products (Newspapers, flattened cardboard boxes and office paper), plastic containers (food and beverage), and aluminum and metal (cans and containers).

The things we should not put in are the following: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes paint, light bulbs, batteries, computers etc).

So, fellow residents, please consider this reminder and let us work towards saving ourselves a few bucks and, at the same time, work towards building a greener environment!

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different—therefore we are printing the office address here so that you do not get any late fees when your check does not arrive on time.

Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate one day.

SOLICITATION IN THE PARK

Dick Hambley

I have been told by management that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has come up that if you have someone soliciting at your door and they are bothering you and you call the office to bring it to their attention, the office can do nothing about it—their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

JOKES OF THE MONTH:

Here are some funny ones sent by readers to Reader's Digest:

1. "Your mother has been living with us for 20 years," said John. "Isn't it time she got a place of her own?"

"My mother?" replied Helen. "I thought she was your mother!"

(by Joseph Lozanoff)

2. A pair of cows were talking in the field. One says, "Have you heard about the mad cow disease that's going around?"

"Yeah," the other cow says. "Makes me glad I'm a camel!"

3. According to unofficial sources, a new simplified income-tax form contains only four lines:

1. What was your income for the year?
2. What were your expenses?
3. How much have you left?
4. Send it in.

4. At a party, a young wife admonished her husband, "That's the fourth time you've gone back for ice cream and cake. Doesn't it embarrass you?"

"Why should it?" answered her spouse. "I keep telling them it's for you."
