Co-op Updates

By Al Noeller

It is time to have summer fun, the winter people are gone to do their summer up north, and we are here to enjoy our Florida summer. Traffic is getting lighter, less crowded at the beaches and restaurants and easier to park everywhere. The Social Committee is planning extra events for our summer enjoyment, if you have extra ideas for fun events, reach out to them to assist.

Besides making those summer plans to enjoy our Florida Summer season, please take time and prepare for our Florida storm season. Watching the weather I've noticed the weather / storms up North have been extra severe, so I am concerned that our season could have some extra severity. Plan where you might go, who can help you, and who you can help. As Florida gets more crowded, traveling as storms approach gets very difficult, if you are going to leave the area, leave early. Please stay safe, plan ahead and hope we don't need to activate those plans. Also plan ahead to protect your home and your neighbor's home from storm damage. The maintenance staff has received hurricane / storm training and they are working to protect our common areas for any potential event. We are in a mandatory evacuation area if a storm does come. I was told the HOA will be having a Hurricane Preparedness presentation for all residents, consider attending that presentation.

There isn't an official date yet, but from information received the new Traffic light at Willow and Starkey is anticipated for some time around Labor Day, I hope so. This will help us all and be in place before the snowbirds return.

Please, STOP feeding the Ducks. Our rules prohibit the feeding of the ducks and the wildlife. Pinellas County also has rules with stiff fines regarding feeding the wildlife. Feeding the wildlife brings forward many problems i.e.; they get aggressive, over populate, extra waste left everywhere, people feed them the wrong food that hurts them, and it throws off the eco balance. They aren't your pets, if a pet is needed, get a cat or dog. Please just stop feeding the wildlife, just enjoy their beauty.

We wish everyone a great, safe and enjoyable summer!

MANAGER

MANAGERS CORNER JUNE 2024

By Richard Thomas, Community Manager

There are several Residents that are putting out Garbage in plastic bags the evening before collection instead of having the trash in a tightly covered garbage container. This allows birds and animals to break open the bags causing a mess that needs to be cleaned up. Article XI of the Rules & Regulations below addresses this problem.

Article XI Trash: of the Rules & Regulations states:

1 “All household garbage and refuse must be securely tied in plastic trash bags AND stored in clean, tightly covered garbage containers. The intention of this provision is to avoid mess and spoilage and to prevent animals from getting into the garbage”.

2 All garbage will be picked up on designated days and should be placed on the grass adjacent to, but not on the sidewalk before 8 a.m. on that day. Any Resident’s garbage strewn around the street or sidewalk will be the responsibility of the Resident for cleanup. Do not overfill garbage bags (30 lbs.) Maximum weight).

HOA UPDATE

By Ken Hopkins

Well, here it is June already! Wow, where does the time go
Your HOA has been busy working on several projects for Paradise Island and you will be hearing more as time goes on. First of all, let’s welcome back Tim Dailey to the BOD. Tim expressed an interest in being involved again and was unanimously elected at our May board meeting. We look forward to his experience and enthusiastic support of the community.

VP Neumann has undertaken the position of Chair of the Home of the Month Committee and you will be hearing more about this at the July residents meeting. The shed for the Caring Hearts equipment is on order, and should be erected and in use very soon. The Records Management Committee has begun work on organizing and preserving the records of the HOA Board minutes and actions to provide a history of our work. Thanks to Dawn Foss for heading this up.

We are working on the details for the July Residents meeting, and at this point, it looks to be an interesting and informative event once again. We look forward to hosting a PI wide meeting, sharing ideas and thoughts on improving the quality of life here in PI.

Thanks for all your support and see you soon!!

Home of the Month Program

Sponsored by the HOA

Hello Paradise Island residents! Time to spruce up your homes and get ready to show off your curb appeal!

Starting in June, our new committee will be awarding a prize to one Home of the Month winner each month.

Let's all work together to keep our community looking beautiful.

Stay tuned for further details. Good luck everyone!

Did You Know?

By Co-Op BOD

You may have noticed a new section of the media last month called Did You Know? This is a new monthly article that will include things that you might not know about or realize. The Co-op BOD is using this as a way to help keep residents and their guests up to date on everyday items throughout Paradise Island.

Did you know that golf carts are allowed to be parked in your carport ONLY if it leaves enough room for you to properly park your vehicles?

Otherwise, your golf cart must be parked on a pre-approved pad.

Golf carts are not allowed to be parked on the sidewalk, the front lawn or in the grass area at the clubhouse. Carts displaying a handicap sticker may park in those specified spaces. All others should be parked in marked golf cart parking spots.

Licensed children 16-18 are allowed to operate/drive a golf cart in Paradise Island with an adult on the cart with them. Also, no one under the age of 16 is allowed to operate/drive a golf cart anywhere in the community at any time. Golf carts should follow rules of the road within Paradise Island, including stopping at all stop signs. Golf carts should NOT be driven on the sidewalks at any time.

Watch next month for more “Did You Know?”

Neighborhood Watch

By Nancy LaBelle

Our meetings are held the 3rd Tuesday of every month at 10AM. Everyone is always welcome to attend.

Thanks to the residents who report issues to the Block captains.

If you See Something Say Something, call 911 or the non-emergency LPD number 727-587-6730. Please lock up your outside valuables such as golfcarts, bikes, lawn care equipment etc. and your shed. Light your carport/ screen room/lanai. Use dusk to dawn lights or motion sensor lights.

Happy to report that 50 more homes got smoke alarms. Not only are they free, but installed. Yes, they MUST be installed. Additional visits will be announced as we learn of them with One Call and PILARGO.

Home assessments with lock box installations are being done and we have not been given a stop date by LPD for appointments. Not only are these great for Emergency Services to have access if you can't answer, but I recently locked myself out!

Pool information and Safety. Please make your guests aware of pool hours. The pool does not open until 10AM. Children's hours are 11-2 and 5-7. If you were not aware, at the pool, that RED BOX by the entrance into the clubhouse contains a phone with direct access to 911. So, if you have an emergency, you don't have to scramble for your cell AND try to see it in the sun. Also, if you don't frequent the clubhouse, there is an AED MACHINE, an automated external defibrillator, designed to deliver an electric shock to victims with an absent or very weak heartbeat. Directions are very simple, written and audio. It evaluates before shocking. PLEASE do not take the machine down and open packages. Practice is not done or needed. Some of you may have been to our LPD event where one was opened and you could hear the instructions.

Hurricane season is now here so please prepare. As you should all know, manufactured homes, aka, trailers, are automatically in an evacuation zone. Flood zones are irrelevant. As a survivor of Hurricane Michael 2018 in Mexico Beach FL we are familiar with manufactured home damage and the trauma of staying during a direct hit hurricane! Think now where you would stay. Friends, family, pet friendly motel or lastly a shelter. Just make sure it is not another manufactured home and not in an evacuation zone. Prepare your documents to take with you should you need to leave. HAVE A PLAN. SEE disasterpinellas.gov. STAY SAFE!

Social Committee Update

By Diane Billman

On behalf of the PISC, I would first like to thank the Co-Op Board of Directors for approving the two projects we submitted for the beautification of the community clubhouse.

At the PISC March meeting, the PISC Directors voted and approved a \$5,000 allocation for these projects as well as a few other needed items. A new grill for the Pavilion was purchased as well as 2 new chairs for the computer room and an additional spotlight for the Men's Club Entertainment Events.

The first thing you will see upon entering the Clubhouse is the brand-new library to the left. Jim W., Ruth B., Nancy J., Ken J. the Co-op Liaison and Infrastructure Committee Chairman and myself worked on this project. The Maintenance department was instrumental in preparing the room for the new bookshelves, new lights and putting up new blinds. Jim W and Ken J supervised the construction of the new bookshelves and securing them to the walls for safety reasons. Mike and Wanda D and Jim W put all the shelves in and Ruth B., Wanda D., and Sandy S worked at getting the books from the old library moved over to their new home. The end result is an absolutely beautiful library and we are grateful for all the residents who gave of their time and talents as well as our wonderful Maintenance Department who worked hard to bring this project to completion. If you haven't been to the library yet, please stop in and take a look, pick out a book to read and enjoy the ambiance.

Before that project was able to start though, we had to remove all the puzzles and I would like to thank Ruth P., Nancy J., Ken J., Marcia W., Jim W., and myself for filling 29 totes with puzzles, DVD's and games. The previous Library now houses the puzzles, games and DVD's. Thank you to Nelly A., Marcia W., Ken and Nancy J., Jim W., and Roberta A. for sorting, organizing and arranging the puzzles in their new home. The puzzle room looks amazing as well. If you enjoy putting puzzles together, there definitely should be one in there for you to do!

As you make your way into the Fireplace room, notice the beautiful cabinets that now hang on the back wall and the 3 pillar walls separating the Fireplace room from the main hall. These gorgeous cabinets now contain the dart boards, scoreboards and will be closed when not in use for dart playing. They will look like beautiful artwork on the wall and totally enhance the look of our Clubhouse. We want to thank our Maintenance Department for removing the old boards, repairing and painting the walls and installing the new cabinets. The following residents worked on this project which involved many hours of their time and expertise. Thank you to Anne E., Nadine P., Tim C., Diane P., Paul S. Barb S. Ken J., Candy G., and Al N.

These projects would have taken much longer without the help of so many residents who care about the PI community and volunteer their time to what needs to be done. We are extremely grateful fo all of you who helped on both of these projects.

We introduced a new activity on May 10th called Bandingo. Many people hadn't heard about it, some had played it before and were happy to have it here in the community but after the event the majority of residents who attended, want it to happen again! We were singing along with the songs, competing for prizes and helping our table mates name the songs played

and marking them on their Bandingo cards. Johnny G, the owner of the Original Bandingo did an awesome job being the DJ and MC. I am working on a date to have him come back so watch for more information.

Once again, Walt Peifer organized and led an awesome Golf Cart parade for our residents and we are most grateful for the time he puts into these parades. The residents enjoy participating as well as watching the decorated carts go by our homes.

In June we can look forward to the 1st pool party of the year on June 8th and then our Father's Day dance on June 15th. See separate articles for both. Many of our card games continue throughout the summer months as well as the water aerobics classes, pick-up dart games on Monday evenings, horseshoes, etc. If you have an idea for an activity or fun summer event, give me a call at 727-434-0048 and let's discuss it. We are always looking for fun things to add to our summer events.

In June we will be training 6-8 residents in CPR and the use of the AED unit which is on the clubhouse wall between the kitchen and bathrooms. Even though this unit will walk anyone through using it, and no one should be afraid of using it, rest assured we will have people trained in its use. Thank you to all the residents who stepped up to be trained. You all are extremely appreciated. We also want to thank Chuck Barlet who will be conducting the training.

As you can see, your Paradise Island Social Committee has been hard at work bringing beauty, safety and fun to all the residents who choose to participate in our many activities.

Wishing all of our dads a very Happy Father's Day on June 16th and hope all our Moms had a wonderful Mother's Day on May 12th.

Be kind in all that you do and enjoy a safe June!

PARADISE ISLAND LIBRARY MOVE!

By Ruth Billings, Library Chair

Our library move is now complete! All books have been moved with the help of volunteers to our new location near the front entrance of clubhouse (the former puzzle room). This move has provided us with more room to expand our collection of fiction, mystery/suspense, non-fiction, biography, and cooking books. Our new library location and bookcases can give us extra space for different genres such as travel, romance, or science fiction. Thank you to all the people that have helped make it possible. A special thank you to the Library Committee. They were a fantastic and helpful team to work with! Donations are now being accepted for books that are less than 10 years old and in good condition. Come and enjoy the new library and the continued growth in the future! Happy Reading!

Bandingo

By Diane Billman

Our very first but won't be our last Bandingo event was held on May 19th. We had a great turnout and everyone who attended seemed to have a great time. We were all singing to the songs being played, we had 10 prizes for Bandingo winners and even consolation prizes for those that had Bandingo but didn't win the playoff for the game prize. Johnny G did a fantastic job and the majority of attendees want another Bandingo night so I am working on it! Stay tuned for details!!!

Men's Club

By Ken Jonas

We sure hope that all of you Snowbirds who have left the nest to travel north for the summer had a safe journey, as we look forward to seeing you all back here this fall.

We really don't have much new to report, as we don't meet during the summer months, but there is one change to the schedule of shows I told you about in last month's article. Due to a little confusion about dates, the Rich Wilson Show which was scheduled for Saturday night, February 15th, has been changed to Sunday night, February 16th! This is unusual to have a show on a Sunday night, but there are very few of us who have to set the alarm for work (just golf) on Monday, so we think it will work out just fine.

I do want to thank the Social Committee on behalf of the Men's Club for all the beautiful improvements to the Clubhouse! If you haven't had a chance to check them out yet, stop in and take a look at the new library and the new dart board cabinets! They are Beautiful!!!

101-year-old WWII Veteran Pilot Gets Birthday Wish to Fly Again - A World War II veteran who flew 32 combat missions in Europe had a wish for his 101st birthday to fly once again in a small plane. Donald Stern fulfilled his dream Thursday at Central Jersey Regional Airport, sitting in the front passenger's seat for a 40-minute flight aboard a Cessna Skyhawk that soared above the Statue of Liberty and other landmarks before returning to Manville. Upon exiting the plane just before 12:30 p.m., Stern was guided toward a small building near the runway, where friends and family were waiting with his birthday

cake. He took a seat on the couch and gave a salute and a gentle wave, before blowing out the candles. “Thank you,” he said to the small crowd.

Glenn Sinibaldi, a retired Air Force major, piloted the flight, officials said. Russell Stern, the younger of Donald Stern’s two sons, was in the back passenger’s seat for the flight. The 101-year-old’s other son, Howard Stern, was waiting on the ground. Russell Stern, 63, said his father was “mesmerized” at the sights as they gazed down at the New Jersey Turnpike, Rutgers University and the Manhattan skyline. “He seemed comfortable and almost at home, almost like he was mesmerized and he was looking back,” said Stern, who lives in Madison. “It was good. He liked it. He was quiet during most of the trip,” Russell Stern said.

Donald Stern was born in New York City on April 25, 1923, according to an overview provided by officials who organized the event. He lives at Brandywine Princeton Senior Living Community in South Brunswick. He was 21 when he was assigned to the U.S. Army Air Corps 483rd Bombardment Group. He flew 32 combat missions in a B-17 Flying Fortress between January and April 1945, serving as a bombardier and navigator. His final combat mission was April 24, the day before his 22nd birthday. After returning from the war, Stern received a degree in architecture from Cooper Union. He and his wife, Barbara, had two sons, settling in 1960 in the Kendall Park section of South Brunswick. She died 20 years ago. He worked as an architect for New Jersey’s division of building and construction, retiring in the late 1980s.

He was a “bureaucrat with a heart,” his family said. In retirement, he wrote a book on the 483rd Bombardment Group. He frequently discussed his World War II experiences at middle schools, high schools, senior clubs, veterans’ groups and other civic organizations, his family said. “His World War II experiences as a bombardier navigator in combat has been so important to him, has been such a cornerstone of his life,” said his older son, Howard Stern. Leading up to his 101st birthday, he made a request: “To fly in a small plane again,” his family said. A ceremony was held before the plane took off. He was seated as friends and family sang happy birthday, then he was taken to the plane.

Howard Stern, 66, stood in wait for his father and the plane to return. “He’s enjoying it today,” said Howard Stern, who lives in Plainsboro. When his father emerged from the plane, his son was ready with a joke, saying, “You didn’t even have to wear a parachute.” Once inside, Donald Stern made a point of counting everyone in the room to celebrate his 101st birthday. He stopped when he reached 30. He was handed a slice of pizza. “He’s 101. He’s frailer than he used to be, but Dad is an amazing guy,” Howard Stern said. “He never ceases to amaze me; how sturdy he is and how he has bounced back. The guy is stoic, even in his old age,” Stern said.
