## A BIT OF MURPHY'S LAW:

---

**B**ack up my hard drive? How do I put it I reverse?

Seen it all, done it all. Can't remember most of it.

You have the right to remain silent. Anything you say will be misquoted and used against you.

The 50-50-90 rule: Anytime you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong.

Everybody lies, but it doesn't matter, since nobody listens.

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

## “TO EXERCISE OR NOT TO EXERCISE:

### If you exercise:

The Inventor of the treadmill died at the age of 42

The inventor of gymnastics dies at the age of 57

The world bodybuilding champion died at the age of 41

The best footballer in the world, Diego Maradona, died at the age of 60

### BUT, if you don’t exercise:

The KFC inventor died at 94

Inventor o Nutella brand died at the age of 88

Imagine, Cigarette maker Winston died at the age of 102

The inventor of opium died at the age of 116 in an earthquake

Hennessey inventor died at the age of 98.

How did these doctors come to the conclusion that exercise prolongs life?

The rabbit is always jumping up and down, but it lives for only 2 years and the turtle that doesn’t exercise at all lives 400 years

**So, get some rest, chill, stay cool, eat, drink and enjoy your life!”**

## **SKY WATCH FOR JULY 2024: From the Farmer's Almanac**

“**W**hat is happening in the night sky this month? On the morning of the 1st, the thin crescent Moon can be seen above Mars at 4:45am. On the 2nd, the Moon stands between Jupiter and Mars due east at 4:45am. On the 3rd, Jupiter is very close to the Moon, a lovely conjunction best seen due east between 4:45am and 5:00am. On the 14th and 5th, Mars meets Uranus at 4:45am, due east at a comfortable 30 degrees high. Use binoculars to enjoy the orange color of Mars and the green of Uranus, both seen to the right of the Pleiades and upper right of Jupiter: Mars and Jupiter steadily approach each other all month, culminating in the formation of a tight triangle with the crescent Moon on the 30th.

On July 20, 1969, Neil Armstrong became the first person to set foot on the Moon. He also placed the U.S. flag there.

On July 31, 1999, the ashes of astrogeologist Eugene Shoemaker were deposited on the Moon.”

Well, we all shine on, like the Moon, and the Stars, and the Sun. - John Lennon

## **SAFETY ISSUES:**

---

**A**nother reminder: Even though many residents have left the park for the season, there are a number that reside here year round. Please remember the speed limit for cars, golf carts, and electric bikes is 15 miles per hour within or community, also obey the stop signs. If it says stop that means stop. When out on your golf cart or riding your bike after dark, turn your lights on, if you are enjoying a night time stroll, carry a flashlight or wear some type of reflective clothing. Safety for your dog at night is also key, have a reflective leash, collar, or harness to protect your fur baby.

**SCAM ALERT**

**Grandparent and Family Scams**

**Here's how they work:**  
You get a call: "Grandma, I need money for bail." Or maybe an email from someone claiming to be your brother or a friend who says they're in trouble. They need money for a medical bill. Or some other kind of emergency. The caller says it's urgent — and tells you to **keep it a secret.**

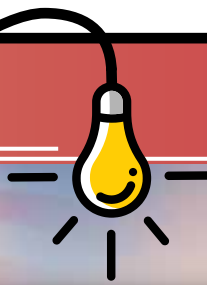

But is the caller who you think it is? Scammers are good at pretending to be someone they're not. They can be convincing: **sometimes using information from social networking sites**, or hacking into your loved one's email account, all to make it seem more real. And they'll pressure you to send money before you have time to think.

**Here's what to do:**

- Stop.** Check it out. Look up your family member's phone number yourself and **call another family member** to check out the story.
- Pass this information on to a friend.** You may not have gotten one of these calls, but chances are, you know someone who will get one — if they haven't already.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
