FROM THE PRESIDENT

By Barry Porter

Hello, While the Park is quiet these days the business end of things keeps rolling along. Here's a quick update on what's happening.

Sewer Project

Rowland was contracted to clean and camera our sewer system They have been documenting areas that need repair. We will need repairs made to the system in several areas. There is a meeting scheduled for June 7 to review specifically what needs to be repaired and a synopsis of that meeting will be available next month.

One issue that was found by Rowland required special equipment to clear the blockage, it was found to be a build-up of cooking grease. We are asking all residents not to dump cooking grease into the sink. A good way to get rid of cooking grease is to freeze it and then throw it in the trash on trash day.

Pool lighting

The adult pool passed inspection on June 6th by the Project Engineer. He will now submit paperwork to the health department and when that is cleared, the pool will be reopened. The inspection for the family pool will be done June 7th

Brightview

The Board is aware of the problems we are having with Brightview. A meeting was held on June 6 and every issue that had been brought forth by the residents was addressed with the management team at Brightview.

We will be monitoring the service closely for the next month so it is important that you keep the office informed of any complaints.

The office staff **do not have access to our CC Facebook page**, so posting on Facebook doesn't help keep them in the loop of areas of concern. It's important that you report directly to the office.

Shuffleboard

The new shuffleboard table has been installed in the clubhouse. Please note the table is for adult use only.

Pool Repair

Our pool repair on the adult pool was scheduled to begin on June 3rd. The contracted firm Pool Works, is unable to meet that start date. A new start date of November or April was offered. The April start was chosen because we did not want to have three months of pool closure during our busiest part of the year. Should we have any issues with the pool in the interim, Pool works has committed to making any required repairs free of charge because of this delay.

Vantaca

We continue striving to work with the new Vantaca system. Resource still has not worked out all the bugs. Bobbi has been working tirelessly on straightening out individual resident issues.

MANAGER'S MESSAGE

By Bobbi Gumm, CMCA, AMS

Independence Day – On Thursday, July 4th the office will be closed to celebrate Independence Day with our families. We hope you all have a safe and happy holiday! Please remember that fireworks are prohibited in the community. Below are a few places where you can go to enjoy festivities and fireworks.

Treasure Island, St. Pete Pier, Coachman Park, Largo Central Park and Madeira Beach.

Hurricane Season & Homeowners Insurance – With hurricane season starting, please check your homeowner's policy, make sure it has not expired. In addition, please provide a copy for the office.

Tree Trimming – The Rules and Regulations state the resident is responsible for the overall appearance of the home and site must be free of debris, and shrubs must be neatly trimmed. Trees must be trimmed so that limbs do not hang on the roof of any home. This is particularly important during hurricane season!

Tax Stickers on Homes – Please check the tax sticker on your coach to make sure the current year is displayed in the front window of your home.

2024 Resident Directories – The 2024 resident directories are in the office if you have not picked one up yet. If you have any changes for next year, please let the office know.

Golf Cart Decals – We have noticed more golf carts in the community, so if you have not registered your golf cart and picked up a decal, please come to the office and we will be happy to provide you with one.

Mosquitos – It's that time of the year again when mosquitos are swarming! Pinellas County has a mosquito control division. There are 11 zones in the county. If you are bothered by mosquitos around your home, call 727-464-7503, or email mosquitocontrol@pinellascounty.org and they will send someone out to inspect your home's exterior. For the best personal protection, use a repellent containing Deet, Picaridin or Oil of Lemon Eucalyptus and/or wear loose, light colored long sleeves and pants.

That is all I have for this month.

FROM THE EDITOR

By Donna Collins

Half of 2024 has gone and Don and I have been back in Canada for three months. Unbelievable. We will be heading back to Clearwater Cascade before we know it. What wonderful activities have been happening in CC these last three months and from the sound of it there is much more to come. I so enjoy seeing the pictures on Facebook.

Thank you to everyone who submit articles, information, and pictures for the Chronicle. Without you there would be no Chronicle. Every once in a while, I read newsletters from other parks and I'm sure ours has much more information, pictures and activities, not that I am prejudiced, of course. If it wasn't for all the volunteers who plan events, take pictures, write articles, and help me keep things updated, this wouldn't be the case.

Doing this job keeps me in touch with the goings-on, even if I am not there all year. It has been a privilege to have met and interacted with so many of you.

Have a safe, healthy, happy July and I'll touch base with all of you in August.

How to sign on to our Clearwater Cascade Facebook page:

- You must have a personal Facebook account to sign on to our Clearwater Cascade Facebook Closed Group page.
- Once you are on your personal Facebook page, in the white "Search" box at the top of the page, type in Clearwater Cascade.
- Click on the link for Clearwater Cascade.
- On the Clearwater Cascade page click on the "Join" box below the picture at the top. Answer the 3 questions that will be presented to you.

One of our Facebook Admins will review your request. You MUST be a Shareholder and answer all 3 questions in order to be approved. Once approved, you will be notified by one of our Facebook Admins that you have been accepted and are now allowed to view and post on the Clearwater Cascade Facebook page.

 - Plymouth, MA
- What is the most popular way Americans celebrate the 4th of July?
 - Fireworks
 - Parade
 - Barbecue picnic
 - Vacation
- Why did John Hancock have the largest signature on the Declaration of Independence?
 - He wanted to send a message to King George III
 - To indicate his role as President of the Continental Congress
 - That's just how he signed his name
 - He wanted to show dominance over the other signers
- Approximately what percentage of people watch a fireworks display on the 4th of July?
 - 32%
 - 90%
 - 47%
 - 63%

Fourth of July True or False Questions

- The oldest man to sign the Declaration of Independence was Benjamin Franklin.
- The motion in the Continental Congress to declare independence was first made by John Adams.
- John Hancock was the first person to sign the Declaration of Independence.
- All 13 colonies voted to approve the Declaration of Independence.

- The largest 4th of July fireworks display takes place in Philadelphia, PA.

COMMITTEES

COMMUNITY ACTIVITIES

By Debbie Creighton & Maddy Haber

LOOK what showed up in our Clubhouse! The shuffleboard table fits perfectly and is a nice addition to all the other activities in the park.

You and your guests are welcome to the use the table; however, your guests must be at least 18 years of age. As some of you know, shuffleboard tables are professionally balanced and should not be moved once placed. Also, the board part of the table could be ruined if anyone throws a puck or nicks it.

The supplies for the table are kept in a cabinet that is built into the table, which is located on the right side. The pucks that came with the table will already be on the table when you lift off the cover. There is a heavier Brunswick set of pucks in the cabinet and can be used if you prefer. Let us know what you think of the new table.

Please, if you have any ideas of activities you would like to see in the park, contact us. We will bring your ideas to the Board and they will ultimately approve or table the idea.

Level Engineering Phase III Updates

Good morning, everyone,
Hope y'all had a nice and relaxing Memorial Day weekend and are enjoying the onset of summer weather!

Just wanted to send out a few quick updates. We've been able to finish the material quantity take-off list that we can now use to assist in our contractor bidding process. I am currently in the process of identifying some local contractors who are interested in the project, can begin and complete this project in a reasonable timeline (meaning they don't have a long project queue), and are priced competitively. In the next few weeks, I am planning on scheduling a site day where I will bring along at least 2, hopefully 3 contractors to walk the site and to submit a formal proposal for work. I will keep you informed on when this site day will occur.

Our goal is to have the rest of the permitting and construction documents ready for publishing and submission by the end of June. Between now and then, finding a trusted contractor is vital so that we can move into the next phase (construction) sooner than later.

continued on page 12

I'll provide another update here in the next week or so once I have identified 2-3 contractors. In the meantime, let me know if there are any issues or concerns.

Thanks.

VOLUNTEERS

By Jane Boucher

Thank you to all who helped make the Clearwater Cascade Veterans' Group Memorial Day cookout such a grand success. We had 61 sign-up and we served 118 folks at this gathering. We are thankful for all who donated time and \$\$\$ to help. All donations have been given to the Wounded Warriors program and all leftover food went to Cindy Hebert who makes meals for folks in our community and for the Sunshine House. Helping others is what our community is all about.

Kudos to April Loomis and Donna Thorn and crew for a wonderful evening of memories

SCAM ALERT

Romance Scams

www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

Tips for Avoiding Romance Scams:

- **Be careful what you post** and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- **Research the person's photo and profile** using online searches to see if the **image, name, or details have been used elsewhere.**
- Go slowly and ask lots of questions.
- Beware if the individual **seems too perfect** or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual **promises to meet in person** but then **always comes up with an excuse why he or she can't.** If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- **Never send money to anyone you have only communicated with online or by phone.**

Manufactured Home Tie Down and Anchoring

Tie-downs anchor the home to the ground providing stability and protection against severe weather events.

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

HISTORY OF THE STANLEY CUP

Editor's note: As of today, June 12, the winners of the 2024 Stanley Cup has not been determined.

The Stanley Cup, notably the oldest trophy competed for by professional athletes in North America, was donated in 1892 by Sir Frederick Arthur Stanley, Lord Stanley of Preston and son of the Earl of Derby. He purchased the trophy for 10 Guineas (\$50.00 at that time) to be presented to "the championship hockey club of the Dominion of Canada." The first team ever awarded the Stanley Cup was the Montreal Amateur Athletic Association in 1893.

Since 1910, when the National Hockey Association took possession of the Stanley Cup, the trophy has been symbolic of professional hockey supremacy. Beginning in 1926, only NHL teams have competed for this prized trophy.

The Montreal Canadiens have won a record 23 Stanley Cups since the formation of the NHL (they also won in 1916), with Toronto a distant second at 13. The Habs also hold the record for most consecutive championships with five, accomplished between the years 1956 and 1960 inclusive.

There have been numerous alterations to the Cup structure. In its infancy, tiered rings were added periodically to the bottom of the bowl. This was followed by long narrow bands in 1927 which were later replaced by uneven bands in 1947. Because the Cup is the only professional sports trophy where the name of every member of the winning team is inscribed, bands are often retired to make room for new champions. Retired bands, along with the original Stanley Cup bowl, are proudly displayed in Lord Stanley's Vault in the Esso Great Hall. Currently the Cup consists of a bowl, three tiered bands, a collar, and five barrel or uniform bands. The trophy stands at 35.25 inches and weighs 34.5 pounds. (complete measurement and inscription breakdown).

Each year upon presentation of the trophy to the championship team, a summer of celebration begins, as each of the organization's players and staff enjoy 24 hours with the Cup - a tradition which has no rival in any sport. In its many years of existence, the Stanley Cup has traveled around the world, including stays in Russia, Japan, and Switzerland as well as atop mountain peaks through the Rockies and inside igloos in Canada's newest territory, Nunavut.

Overshadowing all other championship trophies in sports, the legend and glory of the Stanley Cup continues to live in the dreams of hockey players and fans alike.
