From The President

Diane McSweeney

Dear Resident Shareholders,

Welcome to July! Hot and rainy describes this season!

As many of you know, Bill Barry, Vice President, is overseeing operations for the summer. Our office staff does an amazing job. One of our shareholders, Pat Merl, is assisting in the process of searching for and training a new manager. We are thankful she is assisting in this role. Many thanks to Tom Mikulka for heading up our Standards summer team, Kellye Petty and Frank Karbowski.

Please keep all items secured that could fly around during high winds.

Please observe the posted speed limit of 15 mph in the park.

Pinellas County is on track with the sewer schedule. As a reminder, the contractor will be capping off existing lines. The current manholes will be filled with grout. The contractor has three ways to attach your home. Each home will be looked at separately and the decision made by the contractor. Bob Dunn has volunteered to keep the residents apprised of the progress once the project begins. We have no idea when it will be stated. It is up to the contractor. We are the seventh greatest contributor to the pollution of Lake Seminole, but this does not mean we are seventh in line.

John Boyle developed an amazing report on stormwater drains. Bob Dunn, John Boyle, and Bill Barry have worked extremely hard on this project. Kudos to all. It is because of their dedication that we will move forward with what needs to be completed.

Have a safe and pleasant July! Stay cool.

The Board of Directors would like to welcome our new neighbors to Holiday Shores Park!

Things to Be Aware of During the Summer Season

You were provided with the updated 2024 Rules and Regulations Book in April, along with other annual informational updates. When in doubt about any of the rules, please consult the 2024 Rule Book.

If you have not completed and returned the Emergency Contact Form and Pet Registration, please do so.

Here is a recap of some of the important rules that are commonly questioned during this time of year.

Resident Passes (commonly called Pool Passes). Resident Passes should be with you and your guests at all times when using any of our wonderful Park amenities, not just the pool. They should be visible so other residents can see that you belong here without question.

Guests. All guests must be registered with the office.

Pool. It is the time of year when we find people from outside using our pool. If you suspect someone does not belong, please try to get a license plate number and the time and date of the occurrence and report it to the office. Also:

- You and your Guests should keep your Resident Tag visible.
- No food or drink within 4 feet of the pool curb.
- Children under the age of 14 are not allowed in the pool between 11 AM and 2 PM daily.
- Do not turn off the heat pump. It has automatic settings.
- Pets are not allowed in the pool enclosure.

Pets. Pets must be leashed at all times. Please be aware of areas where pets are not allowed. Please pick up your pet’s waste and dispose of it properly.

36” Rule. Each resident may use no more than 36 inches around their home. This area is not intended for storage of containers or ladders, etc. Please read the Rules for what is acceptable. Sheds must be approved by the Architectural Committee. Architectural request forms are available in the office.

Lawn Watering is prohibited. Please note that some residents already had sprinkler systems that were grandfathered in. Sprinkler systems are no longer permitted.

Please remember that the Rules have been changed periodically throughout the history of the Park. Some residents’ items have been grandfathered in because they existed prior to the various Rules changes. This is confusing, so please check with the office before you start making any changes, such as sheds, planters, and patios.

We appreciate all of you who maintain your properties to the highest of standards. This dedication by our residents is what makes Holiday Shores Park an exceptional please to reside.

Holiday Shores Activities Association

Rose Maiolino

Here we are in July already, not much going on this summer but want to thank the men who did the can crushing, Monty Slaybaugh, Dave Sperry and John Gramatikas. They provided a service to our park and they did not receive any form of recognition. The amount of time expended in crushing the cans, one at a time, took an enormous amount of time. The amount of money received from crushing the cans was given to activities and was used to benefit all of the residents of the park. The monies were used to help pay the cost of Easter, Thanksgiving, and Christmas dinners. Every resident in this park should recognize these men for their time and energy they gave to our park.

Pot Luck/Social

Kim Richey

With the help of Rose and the Activities Association, we will be starting a pot luck and social hour. Check the A-frames and bulletin board for details.

Wine & Cheese Tasting

Please call me (757-509-1822) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

Our deepest sympathies to the friends and family of Anne Annese, a former resident who recently passed away.

SCAM ALERT

Romance Scams

www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

Tips for Avoiding Romance Scams:

- Be careful what you post and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- Research the person's photo and profile using online searches to see if the image, name, or details have been used elsewhere.
- Go slowly and ask lots of questions.
- Beware if the individual seems too perfect or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual promises to meet in person but then always comes up with an excuse why he or she can't. If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- Never send money to anyone you have only communicated with online or by phone.

JULY CALENDAR

Cell Phone Courtesy Month. July 1–31. With more than 180 million cell phone users in the United States, this month is dedicated to encouraging the increasingly unmindful corps of cell phone users to be more respectful of their surroundings and those around them.

National Baked Bean Month. July 1–31. To pay tribute to one of America’s favorite and most healthful and nutritious foods—baked beans made with dried or canned beans. For more information, browse www.americanbean.org.

National Blueberries Month. July 1–31. To make the public aware that this is the peak month for fresh blueberries. For more information, browse www.blueberry.org.

National Horseradish Month. July 1–31. To celebrate the healthful and hot horseradish, which has been prized for its medicinal and gastronomic qualities for centuries. For more information, browse www.horseradish.org.

Family Reunion Month. July 1–31. July is the most popular month of the year for families to meet and celebrate the unique history of their family. To encourage the trips back to the family homesteads, tales of generations gone by, and celebrations of generations yet to come. For more information, browse www.reunionsolutions.com.

Weekly

Dog Days. July 3–Aug. 11. Hottest days of the year in the Northern Hemisphere. Usually about 40 days, but variously reckoned at 3–54 days.

Take Charge of Change Week. First week of July. To increase awareness of the individual’s power to control his own destiny. To look at the principles of taking charge of the changes that affect each of us. To focus on reducing stress and improving the quality of your life when you put yourself in the driver’s seat. For more information, browse www.idealady.com.

Daily

Independence Day. July 4, 1776. The United States commemorates adoption of the Declaration of Independence by the Continental Congress. The nation’s birthday. Legal holiday in all states and territories.

Gorgeous Grandma Day. July 23. Even though television and the press glamorize youth and make older folks often feel undervalued, the “senior citizen” label can no longer describe a feeble, antiquated person who is treasured only as a volunteer. A day to recognize the majority of older women are far from powerless, sickly, frail or helpless. Browse www.gorgeousgrandma.com.

Parents’ Day. July 28. To pay tribute to the men and women across the United States whose devotion as parents strengthens our society and forms the foundation for a bright future for America.

**Tie-downs anchor the home to the ground providing stability
and protection against severe weather events.**

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

At United vapor barrier & floors we follow all of the 15C Florida regulations to provide safety and security to your home!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Headlines: Sometimes weird and embarrassingly obvious

According to PoynterOnline Multimedia Editor Larry

D. Larsen, the following headlines have actually appeared on news stories. Here are a few of his favorites:

- Woman found dead with arrow in head
- Three cheers for Spears' rear
- Flying moose lands on car's roof
- Police chief fries thief
- Chong gonged for selling bong
- First ever pooper scooper powwow
- Kraft: Who cut the cheese?
- Snowstorms may be precursor of winter
- Bombs are frightening, SA human shield says
- Police find body in cemetery
- Flaming car with body inside "suspicious"
- First-time exotic dancers should avoid the pole
- Minnesota's population aging faster than predicted
- Girl gives frozen metal pole a lickin', her tongue keeps on stickin'
- Authorities seek flasher—police: Man typically wears no pants
- Activist upset by Girl Scouts in Alaska who trap, skin beavers
- Police: Man slashes friend in argument over who has hairiest buttocks
- Grits argument turns violent
- Experts sniff out why Uranus gas is silent but violent

In the 'it's not as easy as it looks on TV' category...

The Victorville, Calif., Daily News recently reported a burglary gone wrong ("Burglary attempt backfires," by Katherine Rosenberg). A would-be burglar and his accomplice decided they would rob a store. And in a brilliant move, one of the criminals decided he would use a gun to burglarize a cell-phone store that closed at about 1 a.m. The owner of the store said one of the burglars decided he was going to "Jesse James" the lock, or shoot the metal lock out. As bad luck would have it (for the criminal, that is), the bullet ricocheted off the lock and slammed into the man's chest. While the bullet did not puncture the skin of the gunman, the security camera did catch a not so pretty picture of the incident: The bullet angled off the lock, thumping the man in the chest and knocking the air out of him causing him to vomit on the spot.
