FROM THE PRESIDENT'S DESK

Are you fully cooked or well done, yet? This is one of the setbacks of living in West Central Florida. Yes, it does get hot this time of the year, but if you are new, you will eventually adapt to it. Some residents just simply attune to it, some just stay inside, and others just go to the beach and enjoy the weather and make the most of it. Which one are you?

Yes, we have lost the use of the pool area for a seemingly long period of time, but I can assure you that the wait will be worth it. A newly relined pool, Hot Tub, Outdoor Kitchen, Pickleball courts, Exercise Room all at the cost of waiting a few months. Let me tell you, it will be worth it in the end.

I hope you have had a chance to log onto our newly developed HOA Website and review the information that has been added to it. A big thank you goes out to our chief website developer, John Long who has donated countless hours, days and weeks creating this crucial site to post information on just what is going on in our community. As time goes on, we will be adding more pages, blogs, Bulletin Boards etc. When you visit our website, at this time you don't need a password but that will soon change. Included in this month's Media Magazine is a form that you need to fill out and let us know just how you would like to be contacted when we have important information to share with you. Choices include, email, text, telephone, direct or no contact. After we receive your choices, the website will become secure, and you will need to create a password to log on. We will let you know when this takes place.

The Bingo machine has been repaired and reprogrammed and we hope to run a few sessions this summer for the residents who remain here all year. I will post on the website, send out emails and put signs at the gates and clubhouse when this takes place. It will be a shortened session of 10-12 games to be played without an intermission, so you might want to bring your own snacks and refreshments. Welcome back players!

At the time of this article, we have not experienced any dangerous weather issues but that doesn't mean it won't happen. Get prepared, stock up on supplies and know your evacuation route and where you intend to sit out the event. This can be a life-or-death situation so don't ignore it. Hurricane guides and information are available at the clubhouse or just ask a friend or neighbor who has gone through this. (PEE) PREPARE, EXECUTE, EVACUATE!

Ray

ATTENTION RESIDENTS!! NEW HOA WEBSITE!!

As many of you know, the new Shoreline Palms Web Site Phase I is online. You can reach it by going to **SLPHOA.com** (Which is an abbreviation Shoreline Palms SLP and HOA for the Home Owners Association). Currently, you do not have to log in. Available on the site are Officers, Chairpersons, Upcoming Events, Blogs, Informational documents, and many other things. More to come. Please feel free to check it out.

As we move forward, we will (in the next few months) implement various notifications for things like Emergencies, Weather Events, water shut-off and various other items of information that the HOA feels are very important to the Community. This will be done through phone, text, email and web notifications, etc. In order to do this, we need permission to use these methods from the residents of the Shoreline Palms Community.

There will be 2 primary methods to do this:

1. Please send the following information in an email to webadmin@slphoa.com
 - a. Name
 - b. Lot#
 - c. Phone Number
 - d. Text number, if different than Phone Number
 - e. Email
 - e. Permission to contact by phone number
 - f. Permission to contact by Text
 - g. Permission to contact by Email
 - h. Permission to contact by Web Notification
 - i. For the four types just put either Yes or No next to the Words Phone, Text, Email, Web.

You are free to approve 1, 2, 3, or all four. The more you approve, the more options that are available to contact you. If you do not want any contact, just don't send anything. The HOA will only contact those that have given their permission through the Notification System.

2. In the next week we hope to have a way to enter this information through the Website. A Menu Item will be added called Notifications and a choice will be included to fill in a form to receive Notifications. Just fill in the form areas like the above options and check the boxes next to the appropriate methods. Your information will be automatically processed and stored to control Notifications.

We look forward to your use of the Website and hope this enhances your living experience in the Shoreline Palms Community.

DIDJA KNOW?

Next time you are driving in the rain, think of Mary Anderson. An American inventor and entrepreneur, Anderson left an enduring legacy on the automotive industry with her groundbreaking invention - the windshield wiper. In 1902, while visiting New York City, Anderson observed streetcar drivers struggling to maintain visibility in inclement weather. Thinking on this problem, she envisioned a solution: a moving wiper blade that could be operated from the inside. Despite initial skepticism, Anderson's invention soon became standard equipment for automobiles, improving road safety everywhere in the world.

GOOD TIMES SOCIAL PLANNER'S NEWS

The Good Times meetings are not held in the summer. Meetings will resume the first Monday in September to discuss plans for next season. In the meantime, the ladies plan monthly luncheons at various restaurants. The luncheon for July will be on Tuesday, July 16th. Time and location will be determined.

Concerning Hot Dog & Hamburg nights we have decided that the turn out is not worth all the work that goes into this event and the kitchen crew needs a break. So, until early fall this event is canceled. On a positive note, the kitchen will be open for July 4th Celebration and we will be serving Publix Chicken dinner along with Potato Salad, Dinner Roll and Chips. All this will be free to residents presenting a ticket. In order to obtain a ticket, contact Ray or Sue Sears or Sandi in the office at the Clubhouse. You must have a ticket to attend, and this event is FREE of charge. There will be no take-outs and we request that only Shoreline Palms Residents attend. Serving hours are 4:30 - 6:00 PM.

RESULTS OF JUNE POKER RUNS

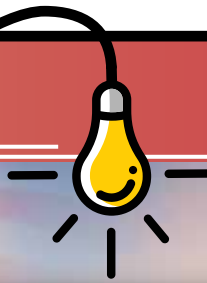

It has been decided to continue the Poker Runs two times a month during the summer if there continues to be enough participation. These are held on the second and fourth Saturday of the month. Line up at the Clubhouse at 10:45 and pay your \$5.00 which is used to pay the winners who have the highest poker hand and the lowest poker hand. Then we drew the 50/50 for those that bought a \$5.00 ticket.

The results of the June 8th Poker Run were as follows: High hand was won by Sue & Cory Howarth winning \$48.00. The low hand was won by CJ Smith along with her granddaughter Chelsea Seaton winning \$24.00 and Ray Sears won the 50/50 for \$45.00. In July Poker Runs will be on July 13th and 27th.

Did You Know?

Fourth of July became a federal holiday in 1870?

150 million hot dogs are consumed each July 4th?

HOLIDAY HAPPENINGS COMING IN JULY

4th of July Chicken Dinner Celebration

On Thursday July 4th we will celebrate the Independence Day Holiday with a “FREE” Publix chicken dinner at the clubhouse at 4:30 - 6:00 PM. In order to attend you must previously pick up a ticket from Sue or Ray Sears or Sandi in the office. We need to do this in order to determine how much chicken to order. The last day to pick up a ticket is June 30th. Let’s wear our red, white, and blue in celebration of the Fourth of July! Maybe a dip in the pool before or after dinner.

HURRICANE SEASON 2024

The time has come to start thinking about hurricanes.

There are 23 forecasted named storms, eleven hurricanes, and five major hurricanes for 2024. Copies of the 2024 Pinellas County Guide will be available in the clubhouse. Please review it carefully and take the necessary steps to get ready. This guide can be seen at: www.pinellascounty.org/emergency/allhazardguide.htm You may also subscribe to receive their monthly email bulletins at: www.pinellascounty.org/emergency/subscribe.htm. If you have special needs you need to pre-register with the County for evacuation help to a special needs shelter. Forms are available at the office. If you have pets or Emotional Support Animals you must use a shelter allowing pets. Pets are caged in a separate area. Service animals are allowed in all shelters. Preparation is the key!!

HURRICANE SEASON – DO IT NOW!!!!!!!!!!!!

2024 Hurricane Season 6/1/24 - 11/30/24

Start bringing drinking water into your house. Plan for 1 gallon per person per day. Avoid shopping when a storm watch is issued. Get it now. Shop for non-perishable food, 3 days of food is recommended. AVOID stocking up with PERISHABLE “buy-one-get-one” items. Find a place to store any outside, grills, garbage cans & recycling bins before a storm approaches. Lawn ornaments, flags, plants should be picked up and stored. They will become dangerous projectiles during a storm. Have a plan to close your awnings or board up windows. Arrange to get help from a neighbor. Have an evacuation plan in order - a shelter, staying with a friend, or staying in a motel. Take personal papers with you. If our park sustains damage, you will need to have ID and a copy of a utility bill with you to re-enter the park. Make sure your car has a full tank of gas. Have cash on hand, small bills. Turn refrigerator to highest cold setting.

HURRICANE EVACUATION NOTICE 2024

Please fill out and drop off at the office, or email same information to the office hersh@murexproperties.com It is important we have this information before any storm might come. It will help to save time and even lives.

Manufactured Home Tie Down and Anchoring

Tie-downs anchor the home to the ground providing stability and protection against severe weather events.

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

GREETINGS SHORELINE PALMS RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

JULY 2024.....

The high roller sports are almost finished with the Florida Panthers just about wrapping the Stanley Cup. At least it will remain in Florida. Wait until next year.

The Rays are mired in the midst of another offensive slump and are paying for it by slipping in the standings. They are going to need a big wake-up call to contend for the playoffs. Our next big thing is the Summer Olympics taking place in Paris. Should be exciting.

Nothing of interest taking place on the Shoreline Palms sports front. It's too hot here anyway. Stay tuned.

Quote of the month:

Sports are the reason I am out of shape. I watch them all on TV.

Thomas Sowell

Answer to last month's Name that Tune entry:

Last month's tune was "Under the Board Walk" by the Drifters. Bob McAuliffe, D. Mairson, and Roxann Turner received 2 points each for that answer. Sue Sears gets a "nice try" for her guess of "Up on the Roof" also by the Drifters. Location, location, location.

This month's Trivia Question:

Which chemical element is added to toothpaste to ensure strong teeth?

News of noteworthy events that take place within your family, or involving friends, will be moved to a new column called **SHORELINE PALMS A-LISTER NEWS**. Watch for it!!

And remember, when its news in Shoreline Palms, its news to me.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
