## FROM THE DESK of the PRESIDENT

*By: Linda Casey (Lot #1211.....581-5257..... lcasey9@tampabay.rr.com)*

**F**rom the President.

Hurricane season is here! Make sure you have a plan in place if we need to evacuate Lincolnshire. Remember manufactured homes are mandatory evacuations no matter what flood zone in which they are located. Looks like they are saying we could have up to fifteen big storms. Pray we do not see that many, affect our area. Always do what will keep you safe! If you were at coffee hour the end of May, Officer Bowling showed us what we need to have in our hurricane kits. Water is a necessity, also spare batteries, flashlights/battery powered candles or lanterns and do not forget your medications. We are trying to obtain more of the Hurricane pamphlets that have been outside the Business Office, we will let you know when another shipment arrives. Over the years we have had to leave the park and stay at a hotel outside of the hurricane landfall area. If you need to shelter in a hotel, make a reservation as early as you can...remember there will many other folks evacuating, and the hotels fill up quickly. The clubhouse cannot be used as a “safe” area for us to shelter from the storm. Clubhouse doors will be locked during the duration of any storm warnings. Please plan for yourself and your pets.

We have a few things planned for the summer. Our community population has shifted over the last few years. Only about 25% of the community leaves for the summer months. So please read your Voice or come to coffee hour so you will know what is going on.

This is the time of year Grandmas and Grandpas have the little ones here on vacation. Please make sure when your company comes to use the pool, they read the rules and follow them.

An adult must supervise children. We love having kids visiting all of you, it is nice to hear the voices and the little ones love the pool and golf cart rides. Make sure grand kids are old enough to drive the cart if you let them, and there should be an adult riding with them at all times. We would hate to see anyone get injured.

Be safe and please take care and let us have a great summer.

Linda Casey, President

## Grill Giveaway

As many of you already know, Lincolnshire Residents’ Club purchased a new outdoor grill prior to our Memorial Day luncheon. Some of our residents have inquired about the old grill. In fairness to everyone we have decided to do a FREE raffle of the grill. The drawing will take place on Thursday July 4th at our luncheon in the clubhouse. You do not have to be present to win. If you would like a chance to win our “old” grill please complete the ticket below and deposit it in the container located in the clubhouse (table next to the popcorn machine- outside entrance to the kitchen), before 7/4/2024.

Grill will be given to the winner in as is condition to include cover. Propane tank not included. We would request you have the means to re-locate the grill to your home and would like it moved from its location at the pool no later than 7/13/2024.

Thank you,  
Linda Casey  
President Lincolnshire Residents’ Club.

SCAM ALERT

### Romance Scams

[www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes](http://www.fbi.gov/how-we-can-help-you/scams-and-safety/common-scams-and-crimes)

Romance scams occur when a criminal adopts a fake online identity to gain a victim's affection and trust. The scammer then uses the illusion of a romantic or close relationship to manipulate and/or steal from the victim.

The scammer's intention is to establish a relationship as quickly as possible, endear himself to the victim, and gain trust. Scammers may propose marriage and make plans to meet in person, but that will never happen. Eventually, they will ask for money.

If someone you meet online needs your bank account information to deposit money, they are most likely using your account to carry out other theft and fraud schemes.

#### Tips for Avoiding Romance Scams:

- Be careful what you post and make public online. Scammers can use details shared on social media and dating sites to better understand and target you.
- Research the person's photo and profile using online searches to see if the image, name, or details have been used elsewhere.
- Go slowly and ask lots of questions.
- Beware if the individual seems too perfect or quickly asks you to leave a dating service or social media site to communicate directly.
- Beware if the individual attempts to isolate you from friends and family or requests inappropriate photos or financial information that could later be used to extort you.
- Beware if the individual promises to meet in person but then always comes up with an excuse why he or she can't. If you haven't met the person after a few months, for whatever reason, you have good reason to be suspicious.
- Never send money to anyone you have only communicated with online or by phone.

## ENTERTAINMENT COMMITTEE

By: Teri Jones..... (Lot #210.....269-207-0466)

---

If you didn't participate in the Poker Run on May 17th, you missed quite an event. 70 people showed up to see if they could win the best poker hand. They visited 5 host houses here in the park that served snacks and cocktails, desserts and even some home-made ice cream sandwiches! Upon return to the clubhouse snacks were served compliments of Atlas Mobile Home Services. We had meatballs, BBQ weenies, veggies, cheese, crackers and chips. Once winners were determined we did the giveaways. Cathy Ventura won best hand with four Kings (\$100); Mark Benson won second place with four sixes (\$75); and Barb Tobias won worst hand (awwwweee) for \$30. Raffle prizes in the amount of \$315 were given out, the two card deck game was a \$208 giveaway, door prizes in the amount of \$150 were given out, so a total of about \$900 was given away. WOW, that was great!! Again, a huge thank you to our host houses – Linda Casey, Marge Kristall, Vickie Robinson, Kathy Burk and Ruthie Kaser. We could not have done it without you!! This is proof that no matter what, our residents show up to gamble and get free food!

The Memorial Day Ceremony was held on May 27th. It was a beautiful ceremony hosted by Pete Kristall honoring all our lost veterans from every branch of the service. As always, the Boy Scouts participated, making it a beautiful tribute. Our residents that were in the military were also recognized and thanked for their service. Following the ceremony residents enjoyed a wonderful lunch of hamburgers, hot dogs, mac & cheese, baked beans, chips, drinks and dessert. Marge Kristall directed the luncheon and did a beautiful job. A big thanks to all the ladies that helped Marge put on the food!

Yet to be had in June is our line dancing lessons on June 13th and the Scavenger hunt on June 15th. I will report more on those in the next Voice article.

In July we have the July 4th luncheon at noon, July 20th is an Indoor Cornhole Tournament at 1:00 pm, and we just confirmed that Gabe Bernardes will return on July 28th for Music Bingo. As soon as you hear tickets are available for that, grab yours. This is a very popular and fun event.

August will bring us a Pizza and Karaoke fun party on August 3rd, but not much else at this point. September will have a Labor Day luncheon at the clubhouse PLUS another very exciting event we can't quite announce yet. Hang on to your seats, this one is going to be FUN FUN FUN!!

Once again, if you have any ideas you would like to present for fun, let us know. The Entertainment Committee is ALWAYS open for new ideas. We're going to have a fun (and probably HOT) summer!!

## PROFILES in CHOGA

BY: Profiles in Choga – "Lulu" Roemer... (Lot #359.....817-504-8552)

### Choo Choo Choga Update

LOOK at these shirts!! Aren't they FABulous? Many thanks to our Lincolnshire Estates Residents Club for gifting us with these shirts. We have earned them and we're so happy to be acknowledged. We still have some to give away so please see me to find out how to earn yourself one! Also, thank you Penny Coyle for making these, we love them!

Yes, the number of attendees is smaller in the summer, but we're still moving along.

We're changing it up a bit and trying some new routines! Our focus for June was on Core muscles, July will be strength and August will be balance. All classes include these but we'll just be doing some extras on those respective areas.

Join us! Tuesdays/Fridays 9am at Lincolnshire Clubhouse. There are several who then go jump into the pool for Water Aerobics class right after Choga!

Keep on Moving!!

## Lincolnshire Estates Water Shutoffs

As posted on FYI Lincolnshire May 14th, 2024 by our Manager Paul. Starting on 5/15/2024 a scheduled date and time was established for the Maintenance crew to attend to any routine **reclaimed well water** maintenance/repairs as needed. This scheduled time and day may require shutoff of the well water (non- potable) from 9:00AM to 11:00AM on Wednesdays every week. They may not be required to shut down the well water (non-potable) just serves as notice in advance that well water may be shut off on this day and time.

This pre-scheduled maintenance is not turning off the Fresh Water to your home.

## Pinellas County Board of Elections information:

Many of us had set up to receive “mail-in” ballots for all elections state/county or federal with our Pinellas County Board of elections. Once this process had been set up you would always receive a mail-in ballot for every election automatically. There has been a drop-off of citizens that are registered for mail in ballots because of a measure signed into law more than 3 years ago that requires Florida voters to re-register to receive mail ballots for each election cycle and canceled existing requests after 2022 elections. If you are new to Florida and need to set up your Voter registration or if an existing registered Florida voter that had been voting via mail-in ballot you can check your status with the County Elections office.

If you log into the County Elections website: [www.voteinellas.gov/votebymail](http://www.voteinellas.gov/votebymail) - you can verify if you are set up to receive a mail in ballot for upcoming elections.

If you do not have internet access you can call: 727-464-8683 to check your mail in ballot status.

OR

You can complete a form to request Vote-by-Mail ballot form. We have placed some copies of the form in the mailroom to assist you. Complete the form completely and mail it to

Elections Service Center, Starkey Lakes Corporate Center, 13001 Starkey Rd., Largo, FL 33773.

## Sunshine Committee

By: *Mary Jo Webert & Marge Kristall*

Hot and steamy are the only words to describe June’s weather. I am sure we are in for more of the same in July and August. Hopefully by now we have welcomed back our daily rain showers.

Time for vacation for some of us. Trips to other parts of the country to visit family and friends absent of our Florida summer humidity. Peter and I are trying something different this year. Instead of driving the 1200 miles to Buffalo, NY we are taking the “car” train from Sanford, FL to Lorton, VA. We and our vehicle board the train in Fl about 5PM and travel overnight arriving in Va about 9AM the next morning. We will be relaxing while someone else literally does the driving. After we disembark in Va with our car, we only have about a 440-mile trip to our destination. We normally would have taken our time on the drive and spent 3 days making the trip. With all the additional costs for hotels, food on the road and gas expenses, the cost of the train trip works. Our first overnight train trip. We have often thought of taking longer train trips so this will be a great way for us to see how we like riding the rails. I should have it in blood as my father worked on the railroad for over 50 years.

If you are planning a trip or have some special family gatherings you will be attending this summer, please drop me an e-mail so we can include some of your experiences in our upcoming newsletters. [mkvoice@tampabay.rr.com](mailto:mkvoice@tampabay.rr.com). Travel safely.

Don't forget to make your hurricane plans in case the evacuation of Lincolnshire is required. Phone numbers and e-mail sites for Pinellas County listed in our Living in Largo section of the newsletter. We are trying to get additional hurricane preparedness booklets to keep in the Clubhouse for any residents that did not pick up their copy last month.

Don't forget to give myself or Mary Jo a call if you know of someone in our community that is in the hospital or home recovering from an illness. Our phone #'s are listed below or in the Dial Directory.

**Days to look for in July**

**July 4th – Independence Day** – a day we look forward to every year. Independence Day is the birthday of our nation. We celebrate and enjoy the freedom that comes with the event that made this day so special. Parades, picnics and of course fireworks at night.

**July 15th – National Give Something Away** – there are givers and there are takers. Be a giver. Be generous, it is rewarding. This holiday is not for Pack Rats. It is a selfless day. We are encouraged to help others and brighten up their day through the act of giving.

**July 21st – National Ice Cream Day** – Proclaimed by President Ronald Regan. The greatest snack on a hot humid summer night. Enjoy a dish, cone, sundae or milkshake.

July 26th – Start of the Summer Olympics in Paris, France – Let the games begin! The games run from 7/26 through 8/11.

**July 31st – National Watermelon Day** – nothing better on a hot day than a cold slice of watermelon. July is usually the peak season for watermelons. Did you know that watermelons can weigh hundreds of pounds? World's heaviest water watermelon 350.5 lbs., October 4th, 2013, grown in Sevierville, TN.

*If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to beneficial use.*

### What’s New and What to Know for July 2024

#### News and Updates:

#### ❖ Tips on safe and successful community living in Lincolnshire:

- Courtesy and being mindful of walking, biking, golf carting and vehicle driving on our park drives:
  - o The drives are not regular Largo city streets. They are park drives with just names. There are no white lines down the middle, walking, bike, or golf cart lanes.
  - o As residents, be courteous and avoid being in the middle of the drive. Be aware of stopping at the stop signs and looking both ways to see if on anything with wheels. Parked cars and foliage can restrict seeing.

- o The park drives are graded to direct stormwater runoff to the street drains. Why walkway edges vary in height from the pavement.
  - o Often residents will walk in the drives, with or without a pet. The cement strips are walkways and not true sidewalks. Vehicles often park on the walkways, or the rear of a vehicle extends over the walkway. Be alert.
  - o The 10 mph is not just a suggestion. Considering the potential for a collision this speed will, along with proper braking, save lives and injuries too!
  - o Speeding and cutting corners are a formula for disaster!
  - o Also, extra credit for reminding vendors of the speed limit. Difficult for sure though looking out for you friends, neighbors, and residents.
    - ❖ Florida Legislative Update:
      - ✓ Florida House Bill 613 has passed into law. Constant lobbying pressure by the FMO (Florida Manufacturing Organization of Florida) which is our lobbying organization representing over fifty-five rental parks in Florida.
      - ✓ Synopsis of FL HB 613: The first sets more reasonable guidelines for homeowners in leased lot parks to initiate mediation over rental increases and other issues affecting most homeowners and secondly provides guidelines on having a full or part-time care giver in the home without increasing the lot rent. For more information computer search for FL HB 613.
    - ❖ Hurricane and strong storm preparedness is no longer a suggestion either. All local news organizations and the Largo government have essential information on getting prepared. Have significant health issues? Then get registered for a shelter that accommodates your needs.
    - ❖ The next LHOA Board Meeting is September 11th right after Wednesday coffee in the recreation center. Members are welcome to attend Board meetings. LHOA Director/Officer telephone numbers are on the inside front cover of the Voice and on the LHOA bulletin board found in the laundry/p.o. boxes building.

## What 'D-Day' Stands For:

Twenty years after planning the Allied invasion of Normandy, Gen. Dwight D. Eisenhower received a letter that asked him how the June 6, 1944, amphibious assault came to be commonly called D-Day. Answering through his executive assistant, Eisenhower replied that "any amphibious operation has a 'departed date'; therefore, the shortened term 'D-Day' is used." But retired Army Lt. Col. Mark Calhoun, a senior historian at the National WWII Museum in New Orleans, does not buy Eisenhower's explanation, reasoning that it took more than one day to load the Allies' ships and landing craft for their journey across the English Channel to fight the Germans on the beaches of France. "Some soldiers departed a couple of days earlier than others did, so it has to be the date that you actually arrive," Calhoun told Military.com in a phone interview. "Otherwise, it's going to be different days."

What the "D" in D-Day actually stands for has been a source of debate almost from the time that the Allies first landed on the French coast. It is one of the most frequently asked questions that the tour guides at the National WWII Museum, known as the National D-Day Museum when it opened in 2000, receive from visitors. The magnitude of D-Day -- the 150,000 Allied service personnel who participated, the 4,415 Allied troops killed, the 12 countries that were part of the invasion -- is plain for everyone to see, but pinning down the name's origin has proved elusive for many military historians and observers. Some have asserted that D-Day stands for "Decision Day" or "Designated Day," while others have surmised it is short for "Deliverance Day" or have gone a darker route to "Doomsday" or "Death Day".

Then, there are those who are just fans of repetition, alliteration, or both, believing the "D" stands for Day. And they would be generally correct, according to Calhoun, a former military planner who taught for 14 years at the Army's School of Advanced Military Studies at Fort Leavenworth, Kansas. He explained that "D-Day" -- the date a military operation begins -- is a term favored by strategists in plotting out a mission when the precise date is not known. D-Day is part of a common terminology for military planners that also includes H-Hour (the hour a military operation begins -- for D-Day, it was 6:30 a.m. local time -- and M-Day (the date that mobilization for an operation begins). Such jargon proved especially useful in the planning to invade Normandy, which Calhoun said actually began in early 1942, more than two years before Germans spotted the first Allied paratroopers on the French coast. Relying on all-encompassing terms instead of actual dates also can avoid confusion when the plan changes, such as when D-Day was originally scheduled for June 5, 1944, but pushed back a day because of a forecast for bad weather. Adding or subtracting days from an operation's start is much easier, too, under this planning method, according to Calhoun. For example, military planners use "D-2" to mean "two days before D-Day" and "D+6" to indicate "six days after D-Day," avoiding exact dates

and maintaining operational security. "So, you can't say, 'It's June 1, so this has to happen on May 1,' but you can say 'D-Day' and then you can say 'D-30,' and now you can do all of your planning and you can have this long, detailed timeline where you've got a D-Day and you've got things ... that are going to have a D plus and a D minus," Calhoun explained.

"Once you finally pick your D-Day, then all you have to do is insert '6 June' where D-Day is, and then your minuses and your pluses, you can do the math and you know all the dates." The first time that the U.S. Army is believed to have referenced a "D-Day" was on Sept. 7, 1918, about two months before World War I ended. Field Order No. 9, First Army, American Expeditionary Forces, stated: "The First Army will attack at H hour on D Day with the object of forcing the evacuation of the St. Mihiel Salient [in France]." Calhoun, though, said such military terminology goes back further than that, to the mid-19th century and the Prussian general staff under Helmuth von Moltke the Elder.

World War II included other "D-Days" besides the one at Normandy, including in North Africa and Sicily, but in the public consciousness, only one invasion comes to mind. The impact of what that day represents in U.S. military, American and world history cannot be overstated, and as D-Day's anniversary approaches, those four letters still stir a sense of reverence for and pride in what the Allies endured that day.

"I have full confidence in your courage, devotion to duty and skill in battle," Eisenhower wrote in his "Order of the Day" on D-Day. "We will accept nothing less than full Victory! Good Luck and let us all beseech the blessings of Almighty God upon this great and noble undertaking." In that message to the troops, Eisenhower never referenced "D-Day." Somehow, it did not seem necessary.

This Voice issue is the final part of choosing or changing your Medicare **Part C** (Medicare Advantage Plans).

- ❖ What are the disadvantages to a Medicare Advantage plan?
  - Medicare Advantage can become expensive if you are sick, due to uncovered copays especially if hospitalized. No guarantee that all the providers and vendors like your DME (oxygen and concentrators as examples) are included in the plan when that happens. Leading to changes. Always ask! All benefits are available in both print (Medicare mandate) and online through the plan's website. \*Remember to select the plan you want or selected. At least the sections on ER, outpatient tests like CT's/MRI's and hospitalizations.
  - Additionally, a plan may offer only a limited network of doctors, which can interfere with a patient's choice. \*\*Make sure your favorite Primary Physician is still eligible to be your Primary! Specialists too if you see them often. Also call them to ensure they are still participating.
  - And it is not easy to change to another plan. If you decide to switch back to a Medigap policy, there often are lifetime penalties. Windows in time where changes are possible are limited each year. Why necessary homework pays off.
- ❖ Types of Medicare Advantage Plans. Know what you are getting!
  - ✓ Health Maintenance Organization (HMO) members usually receive services through the plan's local network of providers. Referrals to see a specialist and other providers are required. However, plans allow out-of-network care for emergencies and out-of-area dialysis. Prescription drug coverage is included in HMO plans, and many plans include some coverage for dental, vision, and hearing. Again, our favorite Dentist may not participate in that plan.
  - ✓ Preferred Provider Organization (PPO) members can usually use in-network Doctors, hospitals, pharmacies, and other healthcare providers that agree to health plan members' services and supplies at a set price are in-network providers. However, visits to non-network providers could cost significantly more. PPO plans often include prescription drug coverage and other benefits, and referrals are typically not required for specialist visits.
  - ✓ Medicare Medical Savings Account (MSA) plans are private companies that the Medicare program pays to manage a beneficiary's Medicare benefits. As with all types of Medicare
