PRESIDENT'S CORNER

Submitted by Jan McCoy

They say it is the ‘lazy days of summer’, but you wouldn’t know it based on activities happening all around us here in the park. It sure is hot but it does not feel as though much has slowed down. Committee charters are being worked on, real estate transactions are still happening, and board members continue to step up to conduct new resident interviews even from afar. Our CD investments have increased to \$2.8M and we continue to take advantage of beneficial interest rates. We are blessed. As you are likely aware by now, we are shifting our approach to approval of changes to common areas (for vision work in the park) and will be communicating the process to cast your preference with a vote rather than filling out a consent form. Meanwhile improvements to the clubhouse audio visual equipment are being evaluated for consideration.

The replacement of the clubhouse and maintenance building roof is underway. While it represents some disruption, we are subject to the availability of the vendor. We were required to replace a burnt-out lift pump this past month. ***PLEASE, PLEASE DO NOT FLUSH ANYTHING OTHER THAN TOILET PAPER! This is very costly to the association.*** The gym renovation is complete with new flooring, baseboards, painted walls, fan, TV, new bathroom vents, and rearrangement of equipment. A new bench and the treadmill are on order. I’d like to extend a special thank you to our RPM staff, in particular: Marilyn Corazza, Brian Wise and Ron Endicott for doing an OUTSTANDING job on this project! Their efforts resulted in significant cost savings and delivered a professional outcome that any association would be proud of. When you see them, please express your appreciation! Kind support is always welcome.

Three new, larger umbrellas were purchased for the pool area to provide additional shade. New signage and additional life rings were purchased for the lake. The board approved the following work that is now being coordinated: removal of the uninhabitable home on 196 Canal, hurricane season palm tree trimming, shuffle court resurfacing, installation of one replacement and one additional security camera at the Gandy Blvd. entrance, and replacement of up-lighting at the lake island with proper subterranean wiring. The office is now working on getting quotes to purchase a commercial icemaker for the kitchen and to replace uneven pavers in the pool area.

I hope you are enjoying your summer wherever you may be. Our thoughts and prayers go out to those who are experiencing health challenges or have recently lost a loved one.

Sincerely,
Jan McCoy

MANAGER'S CORNER

Submitted by Marilyn Corazza

MANAGER

HURRICANE SEASON is June 1st – November 30th

Last month's newsletter article had to do with Hurricane Preparedness and having a plan in place for you and your family. In this article I would like to discuss preparing your property for a storm.

Let's Talk Carports - Are you complying with park Rules & Regulations with regard to your carport?

VII. HOMESITES #6, #14 and #18

6. All homes, carports, or any other items placed on a home site by a Resident must be maintained in a clean and orderly manner. Management reserves the right to require repairs, repainting or other maintenance that is needed to comply with all applicable laws, ordinances and regulations of state, county, city or Park, as amended from time to time.

14. Each Resident is required to keep their lot and driveway free of debris. Patios/carports may not be used for storage and only furniture designed for outdoor use is allowed outside the home. No shopping carts may be left or stored overnight in the carport or yard.

18. Storage: To avoid fire hazards and to promote safety, the space immediately under the home shall not be used for storage. Patios/carports may not be used for storage and storage on home sites is prohibited, unless written approval is received from Management.

While rules are in place for your safety and to keep harmony within the community, the importance of the rules that are listed above become even more evident during hurricane season when strong winds and rain can damage or upend loose items and turn them into projectiles.

Remember that a category one hurricane has winds of 74 – 95 miles per hour, so look around your carport and the exterior of your home and remove loose items that can be knocked over or blown away during a storm (this includes hanging plants), and place them in your shed, bring them inside, or dispose of them.

Be prepared and be safe,
Marilyn Corazza, LCAM

EDUCATIONAL PROGRAM

Submitted by Drew Lawrence

I was able to confirm a date for the next educational program. Suzanne Boisvert, the Emergency Management Coordinator for the Pinellas Park Fire Department, has once again agreed to hold a one-hour hurricane preparation seminar. It will be on Tuesday, August 6 at 10 am in the Sunset Palms clubhouse. This seminar is FREE for all residents. Golden Gate residents have been invited to attend. Terry Cross is the Manager at Golden Gate. Terry has agreed to assist the residents in Golden Gate with notification of programs open to everyone taking place in our communities.

Tips for Avoiding Facebook Scams

1. Secure your Facebook account with a strong password and two-factor authentication

Avoid including your name, phone number, email address or common words. Don't reuse your Facebook password on other services online, and never share your password with others.

2. Don't accept friend requests from people you don't know

Scammers may create fake accounts in an attempt to friend and manipulate people.

3. Watch out for suspicious links and malicious software

Be careful not to click on suspicious links, open suspicious files or install malicious apps or browser extensions—even if they appear to come from a friend or a company you know.

THOUGHT FOR THE MONTH

Submitted by Pastor Nelson Blount

Hurting people, hurt people! Maybe you've heard this. I know that this is not intentional if true at all. But the reality is that all of us have had hurt at some time in our life. What have you done when you hurt? What have I done when I've hurt. Often, we have no idea what to do. Other times we pursue some way of alleviating the pain. At times we just sit in our pain. We isolate! We think - no one has been through this like me. In community, if we dare to share our hurt, we discover someone who has hurt like us. It happened to us when we moved to Sunset Palms almost four years ago.

It was four months since our only child, our son died, having battled mental health for 26 years. He was an honor student and athlete. But he broke his leg in a basketball championship game and life changed. Physicians gave a tragic diagnosis. Matthew cared for people. Even when hospitalized doctors would tell us how much they appreciated how Matthew encouraged others. They told us he was an asset. I'm getting to my point.

The point is that we met two very special people, Joe and Connie Pepin who shared a similar pain. (And our son's friend found us the home where we live now, just across the street from where the Pepins lived.) One of their children had died. That day we became special heart to heart friends. That day we prayed together. They cried with us. Connie hugged us. So did Joe. Our relationship grew. Connie and Joe became close friends, not because of extended time of building friendship but because of the deep pain we felt in the loss of a child.

Little would we have known to go to them for comfort. Just knowing that they knew how we hurt, encouraged us, helped us in ways to press on. They were another Mom and Dad who had walked where we were walking. We were being insulated by caring people. I don't know what your hurt might be. But one thing I know, there are people who hurt like you.

I want to encourage you to dare to "insulate and not isolate." Share the hurt. The pain often is cut in half when it is received by someone who sincerely cares. And I would encourage a next step... to pray to God.

May I pray with you?

Prayer: The Bible tells us that God is near the broken hearted. I ask for that nearness, God, when it doesn't even seem possible. Knowing the reality of hurt often leads us to anger and distancing ourselves from You. I lean into You, God, and pray for any friend who is hurting today. I know You hear my heart and I know You know who is hurting. Please bring the peace in the midst of the storm for the one who hurts. In Jesus' name I pray.

Your non-religious resident pastor, Nelson Blount

SUNSET PALMS SOCIAL COMMITTEE – ACTIVITIES

Submitted by Jamie Calandra

Thank you to all who came out for the July 4th cookout. We had some entertainment from Norman, he did poetic comedy. Thank you to all the volunteers who helped me prepare and set up. Not a lot is going on due to heat, but we sure are enjoying the pool these days!

Jamie Calandra

Social Committee President

Jamiecalandra@gmail.com

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

SURGING SUN

Submitted by Palph Payne

The Summer's warmth is a numbing day's dreams
Melting mountains, filling the babbling streams
But the cold chill don't rest for long
The warm will reach when the bite is broadly gone

Presenting the new dawn, the new wage
The sun retains the feel, equipped for its stage
Day by day, its warmer by each passing moon
As the crust is intently warm in the looming afternoon

The feel of the warmth, playing in the placid sun
The feel of the warmth, enjoying summer's grandeur fun
On the face, bright on the scrunching eyes
On the skin, from the catering outside

Sun and summer, both a welcome sight
Sun and summer, hot days and long nights
The heat carries nobility to the pleasant tone
Even into the night, under the stars all alone

Lift Station Monthly Reminder - IMPORTANT

Submitted from the Office

F **FLUSH ONLY:** Body waste and toilet paper.
It is highly recommended that only ONE-PLY toilet paper be used to prevent clogging the toilet.

DO NOT FLUSH:

- Tampons
- Sanitary pads
- Diapers
- Depends
- Swiffer Cloths
- Dust Cloths
- Wet Wipes
- Kleenex
- Food, etc.
- When in doubt, DON'T FLUSH IT!

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it and burns out the motor.

TRAVEL CORNER

Submitted by Kim Paquette

Each group brings its own unique perspective to a destination. For example, food enthusiasts will revel in the culinary delights of France, while history and art aficionados will find the Normandy River Cruise particularly captivating. Meanwhile, the Rhine River Gorge beckons history buffs and architecture enthusiasts alike with its storied past and majestic castles. Active travelers and wellness seekers can bond over countryside bike rides, exploring quaint streets, cozy cafes, and local shops together.

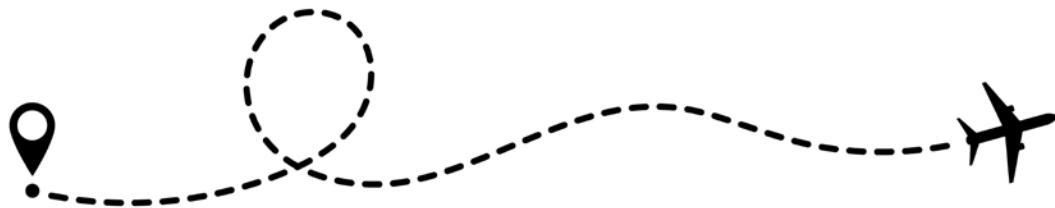

Cruising continues to be a favored mode of travel due to its convenience—visiting multiple countries without the hassle of constant packing and unpacking, enjoying comfortable accommodations, and indulging in high-quality cuisine. The Sunset Palms Travel committee offers a variety of cruises throughout the year, ensuring there's something to suit every preference. Small group travel also presents a wonderful opportunity to celebrate special milestones in a more intimate setting. Whether it's a significant birthday, anniversary, or simply a long-awaited reunion, traveling together creates lasting memories and strengthens bonds.

Stay informed about our upcoming excursions by following our Facebook page at Sunset Palms Travel on Facebook. Remember, there's no one-size-fits-all approach to exploring a new destination—as long as you're pursuing what brings you joy, you're doing it right.

Join us on an unforgettable cruise departing from Tampa on January 26th, returning on February 2nd. Experience the beauty of Costa Maya, Honduras, Belize, and Cozumel—all in one amazing journey. We have an all-inclusive offer as well as bare bones basic. The bus departs from the clubhouse, ensuring a convenient start to your adventure. Don't miss out on this incredible opportunity!

For additional information please contact Kim Paquette 727-603-6222 or 613-443-3685

Please follow our Facebook page for up-to-date excursion info. <https://www.facebook.com/sunsetpalmstravel>

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.
