## Fairway Social Committee

Ronnee Patterson

September is here and hopefully we can drive our carts on the golf course instead of navigating through the waters from the pond. Enough fishing in the street with the ducks paddling by. Come on September, give us some good weather.

We have a few reminders for this month. Check the calendar for complete schedule.

September 10 - Board of Directors Meeting

September 12 - Flier Deadline

September 21 - Koffee Klatch

The website is open for November picture sessions for our Community Directory. Sessions are being held in November, January and February. Once the November dates are filled, we will open the January and February dates. We hope the full-time residents will have their pictures taken in November so the seasonal residents can have the January and February slots. The company that is taking the pictures specializes in directories for churches, parks and other like communities. You can log on to the site and reserve your picture session. For each picture session, the subjects will receive a complimentary 8x10 photo and a free directory. There is no charge for these appointments. On Thursdays starting August 15 between 5:00 and 6:00, you will be able to go to the clubhouse to reserve your appointments if you aren't able or choose not to use the website. If you have any questions, please contact Sally Proctor 870-588-5165 or Cathy Auxier 801-718-8980.

Every resident who has given the office an email address is eligible to receive the weekly E-Blast. This goes out on Monday mornings. It contains upcoming social activities. I have heard from some people that they are no longer receiving these weekly social updates. If you used to get them and are no longer receiving them, check your spam account. It will be an email coming from me titled E-Blast. If it's there, move it to the inbox and save the email address.

Team leaders please check the calendar for the upcoming season and make sure your activities are posted. If not, please fill out your Clubhouse Request form and get it to the office. You don't want to lose your preferred slots.

I can be reached at [ronneepatterson.fsc@gmail.com](mailto:ronneepatterson.fsc@gmail.com) or 774-571-0853.

Stay safe and cool, Ronnee

## Koffee Klatch

Melinda Baker

Don't miss out on hearing Susie Kranstuber play the piano during Koffee Klatch. She takes request, but is also well versed in a variety of tunes. Did you know she is self-taught? She certainly has a good ear to play any song. Come get a doughnut, a cup of coffee/tea (or two), enjoy the music, and visit with other residents. The date will be Saturday, September 21st from 8am-9am. Feel free to bring your own cup, helping save on cost and waste in the landfill. Please sign-up on the bulletin board in the hallway of the Clubhouse, including your last name and lot number. The sign-up sheet will be taken down Wednesday, September 18 at 5pm.

## The Welcome Mat

Let us give our new neighbors a warm welcome to the community. Scott and Tammy Prior, #351, join us from Ohio. Scott currently works as a project batch engineer and Tammy was a licensed practical nurse. They have 2 children and grandchild. They also have a dog.

## Summer Recital

Anna Martin

The Largo High School Summer Recital that was held in the FV clubhouse on Sunday, July 28th, was well received by the audience made up of parents and Fairway residents. Seven high school students were in attendance, along with parents and friends. Bob Dunn was on hand to run the sound booth, only to discover that most of the electronic devices there had been knocked array by storms the previous night. He soldiered on, however, and was able to provide mikes and amplification as needed. Parents stepped right up to assist with setting chairs as appropriate, so attendees were right at home. Attendees included quite a few FV residents along with parents and friends. The program included a solo by sponsor Andy Tran, and was followed by his musician friends who formed themselves into a Jazz band. With great gusto, the band played a medley of tunes that had feet tapping. As attendees began to get ready to leave, parents again stepped up to put chairs away with Bob Dunn again quietly assisting. All was set up, performed well, enjoyed, and righted with great elan!

# Manufactured Home Tie Down and Anchoring

**Tie-downs anchor the home to the ground providing stability and protection against severe weather events.**

Lic# IH/1149363

Tie-downs are important for the safety of manufactured homes, also known as mobile homes, because they stabilize the home during high winds. Strong winds can lift them up or cause them to roll over in a tornado or hurricane.

At United vapor barrier & floors we follow all of the 15C Florida regulations to provide safety and security to your home!

## Architectural Review Committee

The ARC Rules and Regulations Governing Document defines and outlines the guidelines for all exterior changes to homes, as well as, for placing homes. This document is available from the office or may be downloaded from the FVRA website. Before any work begins, a Home Placement or Modification Request Form must be completed and returned to the FVRA office. The ARC, which meets on Mondays in the Clubhouse, looks forward to working with you in replacing your home or planning the changes to the outside of your home. Any questions contact the ARC Chairperson.

## Making it up as she goes along

---

As a child, Ve Neill loved to scare herself by watching an old movie about a severed, murderous hand. She also loved to use makeup to transform her friends into horrible, terrifying creatures. Neill’s next-door neighbor was a makeup artist for some local television shows and used to help Neill with her Halloween costumes. She would declare passionately, “Oh, Mr. Lotito, I want to do what you do when I grow up.” Mr. Lotito, though, had little hope for her. He knew that makeup was a “man’s field” that women rarely had the opportunity to break in to.

Neill’s first professional job was working for a strange band that dressed like aliens. She dyed and styled their hair, and created their makeup and costumes. Neill found that she was great at painting faces—and incredibly patient with detail. For inspiration she attended a sci-fi convention where she ran into the man responsible for the look of the original Star Trek series. He gave her the big break she’d been waiting for—a job on a major motion picture.

Neill went on to create some of the most memorable movie characters in recent film history: Michael Keaton as Beetlejuice, Johnny Depp as Edward Scissorhands, and Robin Williams as Mrs. Doubtfire. Over her 30+-year career, Neill has won numerous international awards for her work, three Academy awards, and was recently nominated again for the Pirates of the Caribbean series.

You might say she spent a lifetime preparing for her success. A “man’s field,” indeed.

## No excuses: The power of using what’s on hand

---

When Spanish artist Bartolomé Esteban Murillo was asked to create a series of paintings for a church in Seville, he formed a friendship with the monk who served as the cook in the refectory. The cook waited on Murillo hand and foot while the artist worked on the commission. When the artist’s work was accomplished, the cook begged Murillo for a memento—a painting just for him.

Murillo said he’d be happy to create something for his friend, but he’d exhausted every scrap of his canvas already. He had nothing to paint on.

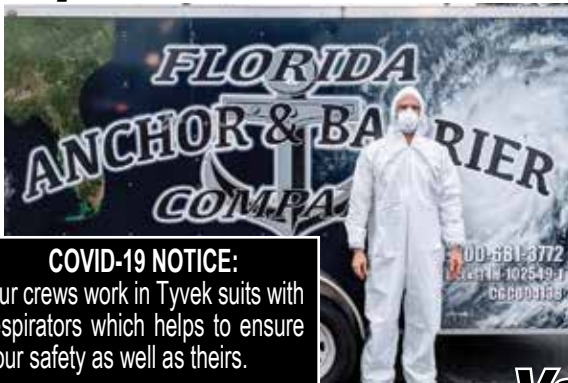

The cook told the artist, “Never mind, sir, just take this napkin,” then offered him the linen the artist had just used at dinner. Without a second thought, Murillo took the napkin and converted it into a portrait of the Madonna and Child that glowed with life and color. The work—Virgin of the Napkin—is now thought to be one of the artist’s most beautiful and resides in the Museum of Seville in Spain.
